Clark County Department of Building & Fire Prevention

4701 West Russell Road, Las Vegas, NV 89118 ~ (702) 455-3000

Welder Qualification Record (WQR) Verification

Samuel D. Palmer, Acting Director/Building & Fire Official • Girard Page, Fire Marshal

QAA/ Company: _____ Project Name: _____

Project Address: _____ Permit Number: _____

Company performing the welding: _____

Welder Name	Qualified Welding Process	Qualified Thickness & Position	Original Qualification Date	Update Letter Date

The inspector shall review all Welder Qualification Records (WQR) to verify that the welder is qualified to weld using the welding process qualified, the joint types, materials and material thicknesses specified in the approved project plans. The inspector shall also review welder documentation to verify that the welder's qualification is current and is in accordance with the applicable AWS welding code. The inspector certifies, by signing and dating this form, that he or she has reviewed and verified the WQR information is complete and in compliance with Clark County codes and the applicable AWS welding code.

Inspector Name: _____ Signature: _____ Date: _____

Note: *<u>This form shall be included in the QAA's final report.</u> WQR documents are not required to be included in the QAA's final report, but are required to be maintained in the QAA's project files for future reference.*
