Clark County Department of Building & Fire Prevention
Plan Review Queue Report
As of November 14, 2016

This report details the number of plans waiting in queue for initial review, as well as the number of calendar days of the oldest plan in those queues. All timeframes are estimates to initiate plan review. Processing times for corrected plans are not included in this report.

For processing times for traffic, drainage and other studies, please call Public Works, Development Review Division, at (702) 455-4600.

Custom Residence - Structural	5	3	5	2
Minor Residential - A/M/P/E	13	66	0	0
Minor Residential - Structural	5	4	0	0

Please note: All review time frames are estimates to initiate plan review only. Time frames do not account for correction time by designer or department back-check time. After completion of Zoning and Public Works Engineering review, plans are routed to Building Plan Review for proper assembly. Two sets of plans are then approved for permit issuance.
