

Building Safety Speakers Bureau

Clark County Building Department

Do you need a speaker for your trade group's monthly meeting?

Would your high school or college class like to hear about careers in engineering, plans examination or building inspection?

Would you like information about Clark County's adopted building codes?

Does your HOA need a speaker to talk to your members about permits for home improvement projects?

SPEAKER TOPICS INCLUDE:

- Why We Have Building Codes & When Permits Are Required.
- Amusement & Transportation Systems.
- Fire Protection in Major Structures.
- Unusual Construction Projects in Clark County.
- Careers in Construction.
- Disaster Inspections.
- Seismic Issues in Southern Nevada.
- Materials Testing & Construction Inspections.
- Welding: So Hot It's Cool!
- Structural Issues in Residential & Commercial Construction.

**English, Spanish
& Mandarin Chinese Speakers
Are Available.**

Contact Karen Edgerly at
