Help us collect 3,000 books for kids

at local Safekey sites!

Clark County operates 78 Safekey sites throughout the Las Vegas Valley. We have launched a literacy program in which kids will be reading during every Safekey session– but we need books for them to read.

Please donate new and gently used books suitable for children in kindergarten through 5th grade at one of these sites:

The Barnes & Noble store *at 567 N. Stephanie Street in Henderson*

The Barnes & Noble store *at 8915 W. Charleston Blvd. in Las Vegas*

All Clark County Community Centers
(See www.ClarkCountyNV.gov/parks for a complete list)

The commissioners' offices at the Clark County Government Center
at 500 S. Grand Central Parkway in downtown Las Vegas

The Safekey administration office *at Sunset Park*

Every book donated will bring a smile to their face!
