MEMBERS PRESENT: FRANCO, KIMBERLY (KF)
GIPAYA, MARY (MG)
SAYEGH, SUSAN S. (SSS)
SMITH, PAMELA (PS)
VOSS, TIFFANY (STUDENT)
WILLIAMS, KEITH (KW)

1. Receive Staff Presentation and Discuss Items Listed on the Thursday, January 29, 2015 Agenda
Jason Allswang (JA), Clark County Chief of Code Enforcement, opened the briefing for the meeting held on this day, January 29, at 6:30 p.m. JA clarified item number 4 on the regular agenda will allow the two returning board members to accept or deny the October 30, 2014 Minutes. JA stated item 5 on the regular agenda will allow the selection of a new Chair and Vice Chair. JA stated item 6 will cover existing requirements for pets that are kept outdoors. It will be discussed for a possible code change. JA stated item 7 will allow meetings for this calendar year to be set at a minimum of quarterly, with special meetings for vicious animal declarations. Steven Sweikert, Clark County District Attorney, gave a presentation to the board on Robert’s Rules of Order and how to properly run a meeting.

2. Discuss Administrative Items
JA stated the updated AAC binders were distributed. The binders contain the current version of Title 10, state statutes, committee by-laws, reference sheets, a welcome letter, JA’s business card, and other useful resources. JA stated if there are other resources needed or when laws are changed, they will be added to the binders.

3. Comments By the General Public and Discussion
JA opened comments to the public. Tom Collins (TC), County Commissioner, commented on the regulation of animals on large amounts of property. TC said if you possess a certain amount of acres, the owner should be able to have a larger number of animals. Next, TC recommended that the dog spay and neuter laws be modified because some breeds are better suited intact when used to perform working duties. JA adjourned the briefing meeting.
