General Comments: Bill Kesgen will be getting application to get back on Parks and Recreation Committee.

Cheryl Crow talked with Little League so that they can give Carolynn Johnson an update.

Carolynn Johnson gave an update on: Valentine's Day Buffet at Mama's Pizzeria--very good turnout. Senior Games have 105 registered for all the activities and 65 signed up for the Mixer. She stated lower registered participants, but it could be because the Senior Games are later. Last day to register is February 28th. All the Session 2 programs are doing well. Easter Egg Hunt is April 19th. Volunteers are still needed. Contact Carolyn if you can help. The little children will be on the tennis court and the older children will be split up on the baseball field.

Something needed for Parks and Recreation are Banners for the different activities at the center. Bill Kesgen stated that maybe funds could come from the Legacy Foundation through a grant.

The Dog Park complaints: dogs off leashes at the park.

No update from Pamela Walker (absent)

Next meeting date is March 17, 2014.
