Total Disability Benefit

All Management Employees of Clark County and Elected Officials earning \$8,000 or more annually and All Management Employees of Clark County Water Reclamation and All Management Employees of Regional Transportation Commission

- the Employee is not working or is earning less than 20% of his Indexed Total Monthly Earnings; and
- during the Elimination Period and the next 60 months, the Employee, because of Injury or Sickness, is unable to perform the Material and Substantial Duties of his Own Occupation.

After Total or Partial Disability benefits combined have been paid for 60 months, the Employee will continue to qualify for this benefit if he is unable to perform with reasonable continuity any Gainful Occupation for which he is, or becomes, reasonably qualified for by education, training or experience.

**Section IV
Benefit Provisions**

Long Term Disability Income Benefits

All Park Police and All Employees of Health District

If an Employee is Totally Disabled, the Net Monthly Benefit will be calculated based on the Total Disability Benefit formula. An Employee qualifies for this benefit if:

- the Employee is not working or is earning less than 20% of his Indexed Total Monthly Earnings; and
- during the Elimination Period and the next 24 months, the Employee, because of Injury or Sickness, is unable to perform the Material and Substantial Duties of his Own Occupation.

After Total or Partial Disability benefits combined have been paid for 24 months, the Employee will continue to qualify for this benefit if he is unable to perform with reasonable continuity any Gainful Occupation for which he is, or becomes, reasonably qualified for by education, training or experience.

To determine the Total Disability Benefit:

1. Take the lesser of:
 - a. the Employee's Total Monthly Earnings multiplied by the Benefit Percentage (shown in Section I, Schedule of Benefits); or
 - b. the Maximum Monthly Benefit (shown in Section I, Schedule of Benefits); then
2. Subtract Other Income Benefits from the amount determined in Step 1.

Partial Disability Benefit

All Management Employees of Clark County and Elected Officials earning \$8,000 or more annually and All Management Employees of Clark County Water Reclamation and All Management Employees of Regional Transportation Commission

If an Employee is Partially Disabled, the Net Monthly Benefit will be calculated based on the Partial Disability Benefit formula. An Employee qualifies for this benefit if:

- the Employee is working and has Disability Earnings of more than 20% but less than 80% of his Indexed Total Monthly Earnings; and
- the Employee, because of Injury or Sickness, is unable to perform the Material and Substantial Duties of his Own Occupation.

All Non-Management Employees of Clark County and All Investigators with the District Attorney Investigators Association (DAIA) and All Non-Management Employees of Clark County Water Reclamation and All Non-Management Employees of Regional Transportation Commission

If an Employee is Partially Disabled, the Net Monthly Benefit will be calculated based on the Partial Disability Benefit formula. An Employee qualifies for this benefit if:

- the Employee is working and has Disability Earnings of more than 20% but less than 80% of his Indexed Total Monthly Earnings; and
- during the Elimination Period and the next 60 months, the Employee, because of Injury or Sickness, is unable to perform the Material and Substantial Duties of his Own Occupation.

Section IV
Benefit Provisions

Long Term Disability Income Benefits

After Total or Partial Disability benefits combined have been paid for 60 months, the Employee will continue to qualify for this benefit if he is unable to perform with reasonable continuity any Gainful Occupation for which he is, or becomes, reasonably qualified for by education, training or experience and has Disability Earning of less than 60% of his Indexed Total Monthly Earnings.

All Park Police and All Employees of Health District

If an Employee is Partially Disabled, the Net Monthly Benefit will be calculated based on the Partial Disability Benefit formula. An Employee qualifies for this benefit if:

- the Employee is working and has Disability Earnings of more than 20% but less than 80% of his Indexed Total Monthly Earnings; and
- during the Elimination Period and the next 24 months, the Employee, because of Injury or Sickness, is unable to perform the Material and Substantial Duties of his Own Occupation.

After Total or Partial Disability benefits combined have been paid for 24 months, the Employee will continue to qualify for this benefit if he is unable to perform with reasonable continuity any Gainful Occupation for which he is, or becomes, reasonably qualified for by education, training or experience and has Disability Earning of less than 60% of his Indexed Total Monthly Earnings.

To determine the Partial Disability Benefit for the first 12 months of the Employee's Partial Disability:

1. add the Employee's Disability Earnings and income received from Other Income Benefits to the Total Disability Benefit.
2. if this sum is in excess of 100% of the Employee's Indexed Total Monthly Earnings, subtract the amount in excess of 100% of the Employee's Indexed Total Monthly Earnings from the Total Disability Benefit. This result is the Partial Disability Benefit; or

if the sum is less than 100% of the Employee's Indexed Total Monthly Earnings, the Partial Disability Benefit is the Total Disability Benefit.

After Partial Disability benefits have been paid for 12 months and the Employee continues to be Partially Disabled, the following proportionate loss formula will be used to determine the Net Monthly Benefit:

(A divided by B) multiplied by C

where:

A = The Employee's Indexed Total Monthly Earnings minus the Employee's monthly Disability Earnings.

B = The Employee's Indexed Total Monthly Earnings.

C = The Total Disability Benefit.

9. Any amount the Employee receives from a voluntary separation of employment agreement from the Employer including severance pay or any other income in settlement of an employment contract.

For Management Employees, Other Income Benefits will not include any income received under the Public Employee's Retirement System.

Other Income Benefits will include any amount described above which would have been available to the Employee had he applied for that benefit.

Lump Sum Payment

If an Employee receives a lump sum payment for any Other Income Benefits, Sun Life will prorate the lump sum on a monthly basis over the time period specified for the lump sum payment. If no time period is stated, the lump sum payment will be prorated on a monthly basis over a reasonable period of time as determined by Sun Life.

Section IV Benefit Provisions

Long Term Disability Income Benefits

Required Application for Other Income

An Employee must apply for any Other Income Benefits for which the Employee may be eligible. If such benefits are denied, the Employee must appeal the denial to all administrative levels Sun Life deems necessary. Sun Life has the right to receive from the Employee written documentation of the Employee's pursuit of Other Income Benefits.

Social Security Disability Income Assistance Program

Sun Life, at the Employee's request, will assist the Employee (if appropriate) through the various levels of the Social Security claim process. Sun Life will assist an Employee with his application and through the appeals process.

Estimated Other Income

Sun Life has the right to estimate the amount of Other Income Benefits the Employee is eligible to receive during an Employee's Total or Partial Disability and reduce the LTD benefit payment by the estimated amount. Sun Life will estimate the amount if, at the time of calculating any LTD benefit payments, the Other Income Benefit an Employee may be eligible to receive has not been awarded nor denied or if the Other Income Benefit has been denied and is being appealed. The estimate will be used to reduce the amount of the LTD benefit payments until the Other Income Benefit has been awarded or denied. However, the estimate will not be used if the Employee meets the following conditions:

1. the Employee has applied for the Other Income Benefits; and
2. the Employee agrees to appeal any denials of Other Income Benefits to all administrative levels Sun Life deems necessary; and
3. the Employee completes and signs the Sun Life Reimbursement Agreement.

Adjustment of Benefits

The Employee must notify Sun Life in writing, within 31 days of receipt of notice, of the amount of Other Income Benefits when it is approved or if the amount is adjusted (other than for cost of living increases). Sun Life will make an adjustment to the Net Monthly Benefit payment when Sun Life receives the written notice of the amount of the Other Income Benefit.

If after Sun Life makes an adjustment to the Net Monthly Benefit the Employee has been underpaid, Sun Life will immediately make a lump sum refund of the amount that has been underpaid to the Employee.

If after Sun Life makes an adjustment to the Net Monthly Benefit the Employee has been overpaid, the Employee must reimburse Sun Life the amount of the overpayment within 31 days of the award. Sun Life has the right to reduce or eliminate future LTD benefit payments until the amount of the overpayment has been repaid. During the overpayment reimbursement period, the Minimum Monthly Benefit will not apply.

Cost of Living Freeze

After the first deduction for each of the Other Income Benefits, Sun Life will not reduce LTD benefit payments due to cost of living increases an Employee receives from any of the sources described as Other Income Benefits. This does not apply to any increase in earnings the Employee receives from employment.

Section IV Benefit Provisions

Long Term Disability Income Benefits

Full-time basis means for the first 24 months of Total or Partial Disability, the Employee is able or has the capacity to perform the Material and Substantial Duties of his Own Occupation for the number of hours the Employee normally performed his Own Occupation prior to his Total or Partial Disability. After 24 months of Total or Partial Disability, the Employee is able or has the capacity to perform any Gainful Occupation for the number of hours the Employee normally performed his Own Occupation prior to his Total or Partial Disability.

However, if the Employee normally performed his Own Occupation on an average in excess of 40 hours per week, Sun Life will consider the Employee able to perform that requirement if the Employee works or has the capacity to work 40 hours per week.

Successive Periods

Successive periods of Total or Partial Disability after a Net Monthly Benefit was payable will be considered a single period if the Employee, in the time between the successive periods, was Actively at Work for less than:

1. six months, if due to the same or related causes;
2. one day, if due to an entirely unrelated cause.

The Employee will not have to complete a new Elimination Period. The LTD benefit will continue to be calculated based on the Employee's Total Monthly Earnings in effect at the time the initial period of Total or Partial Disability began. The LTD benefit will be payable, in total, for no longer than the Maximum Benefit Period at the time of the initial period of Total or Partial Disability.

This successive periods provision will cease to apply on the earliest of the following dates:

1. the date the Employee becomes eligible for coverage under any other group LTD policy; or
2. the date this Policy is terminated; or
3. the date the Employee refuses to complete a rehabilitative assessment or the date the Employee ceases to participate in the Sun Life approved Rehabilitation Program without Good Cause.

Rehabilitation Services

If an Employee is Totally or Partially Disabled, Sun Life may determine that the Employee is a suitable candidate to receive vocational Rehabilitation Services. In order for the Employee to be eligible for such services, the Employee must have the functional capacity to successfully complete a Rehabilitation Program. These services include, but are not limited to:

- a. job modification;
- b. job placement;
- c. retraining;
- d. other activities reasonably necessary to help the Employee return to work.

Section IV Benefit Provisions

Long Term Disability Income Benefits

Sun Life may require an Employee to participate in a rehabilitation assessment or a Rehabilitation Program at Sun Life's expense. Sun Life will work with the Employee, the Employer and the Employee's Physician and others, as appropriate, to develop a Rehabilitation Program. If the Employee refuses to participate in the rehabilitation efforts, Long Term Disability Income Benefits will cease to be payable.

Eligibility for vocational Rehabilitation Services is based on the Employee's education, training, experience and physical/mental capabilities. Sun Life determines whether an Employee is eligible for vocational Rehabilitation Services.

The Rehabilitation Program may, at Sun Life's sole discretion, allow for payment of the Employee's medical expense, education expense, moving expense, accommodation expense or family care expense while the Employee participates in the Rehabilitation Program.

Rehabilitation Program means a written agreement between the Employee and Sun Life in which Sun Life agrees to provide, arrange or authorize vocational, physical or psychiatric rehabilitation services and the Employee agrees to participate in the Rehabilitation Program.

If the Employee participates in a Sun Life approved Rehabilitation Program, the Employee will receive the greater of:

- the Employee's Benefit Percentage (as shown in Section I, Schedule of Benefits) multiplied by 1.10; or
- the Employee's Net Monthly Benefit payable multiplied by 1.10.

To calculate the increased benefit:

1. Take the current Benefit Percentage and multiply by 1.10. Then calculate the Total or Partial Disability benefit including any deductions for Disability Earnings or Other Income Benefits.
2. Take the current Net Monthly Benefit payable and multiply by 1.10.

The greater of 1 or 2 is the Rehabilitation increased amount.

The increased amount will cease on the earliest of:

1. the date the Employee completes his Rehabilitation Program; or
2. the date the Employee ceases to participate in his Rehabilitation Program without Good Cause; or
3. the date his LTD benefits cease; or
4. 12 months after his Rehabilitation Program began.

Good Cause means documented physical or mental impairments which prevent the Employee from participating in, or completing, the Rehabilitation Program. Good Cause may also mean a necessary medical program which prevents or interferes with the Employee's participation in, or completion of, the Rehabilitation Program.

Reasonable Accommodation Benefit

If an Employee would be able to return to part-time or full-time work with the Employer with a modification to the Employer's workplace, Sun Life may reimburse the Employer (if appropriate) for the reasonable expenses to modify the Employer's workplace up to a maximum of \$2,000 unless Sun Life otherwise approves in writing.

Reasonable Accommodation means expenses the Employer incurs to accommodate an Employee's Total or Partial Disability. This includes expenses for tools, equipment, furniture, or any other changes to an Employee's work environment that Sun Life agrees will allow the Employee to return to work.

Section IV
Benefit Provisions

Long Term Disability Income Benefits

3. the Employee returns to work for the Employer on a part-time or full-time basis; and
4. the Employee was insured under this Policy on the date Total or Partial Disability began.

1. after Total or Partial Disability had continued for 180 or more consecutive days; and
2. while eligible to receive a Net Monthly Benefit.

The benefit will be 3 times the Employee's last Gross Monthly Benefit.

Eligible Survivor means the Employee's spouse, if living, otherwise the Employee's children under age 25. If there are no Eligible Survivors, payment will be made to the Employee's estate.

This discretionary authority includes, but is not limited to, the determination of eligibility for benefits, based upon enrollment information provided by the Policyholder, and the amount of any benefits due, and to construe the terms of this Policy.

Any decision made by Sun Life in the exercise of this authority, including review of denials of benefit, is conclusive and binding on all parties. Any court reviewing Sun Life's determinations shall uphold such determination unless the claimant proves Sun Life's determinations are arbitrary and capricious.

C. Notice of Decision on Claim

A written notice of decision on a claim will be sent within a reasonable time after Sun Life receives the claim but not later than 45 days after receipt of the claim. If a decision cannot be made within 45 days after Sun Life receives the claim, Sun Life will request extensions of time as permitted under U.S. Department of Labor regulations. Any request for extension of time will specifically explain:

1. the standards on which entitlement to benefits is based;
2. the unresolved issues that prevent a decision on the claim; and
3. the additional information needed to resolve those issues.

If a period of time is extended because the claimant failed to provide necessary information, the period for making the benefit determination is tolled from the date Sun Life sends notice of the extension to the claimant until the date on which the claimant responds to the request for additional information. The claimant will have at least 45 days to provide the specified information.

D. Review Procedure

If all or any part of a claim is denied, the claimant may request in writing a review of the denial within 180 days after receiving notice of denial.

The claimant may submit written comments, documents, records or other information relating to the claim for benefits, and may request free of charge copies of all documents, records and other information relevant to the claimant's claim for benefits.

Sun Life will review the claim on receipt of the written request for review, and will notify the claimant of Sun Life's decision within a reasonable time but not later than 45 days after the request has been received. If an extension of time is required to process the claim, Sun Life will notify the claimant in writing of the special circumstances requiring the extension and the date by which Sun Life expects to make a determination on review. The extension cannot exceed a period of 45 days from the end of the initial review period.

If a period of time is extended because the claimant failed to provide necessary information, the period for making the decision on review is tolled from the date Sun Life sends notice of the extension to the claimant until the date on which the claimant responds to the request for additional information.

E. Time of Payment of Claims

When Sun Life receives satisfactory Proof of Claim, benefits payable under this Policy will be paid for any period for which Sun Life is liable.

Section VII Claim Provisions

F. Payment of Claims

Survivor Benefits payable upon the death of an Employee are payable according to the Long Term Disability Income Benefit Provision.

All other benefits payable during the lifetime of the Employee are payable to the Employee.

If a benefit is payable to the Employee's estate, an Employee who is a minor, or an Employee who is not competent, Sun Life has the right to pay up to \$5,000 to any of the Employee's relatives whom Sun Life considers entitled. If Sun Life pays benefits in good faith to a relative, Sun Life will not have to pay those benefits again.

G. Amendment or Termination of Benefit Provision

An Employee's rights to any disability benefits are determined on the date the Employee's disability begins. The right is subject to the terms of this Policy in effect on the date disability begins and will not be affected by subsequent amendment or termination of this Policy.

Section VIII Premiums

A. Premium Rates

Sun Life determines its initial or any subsequent monthly premium rate on the basis of the coverage being provided. After the initial monthly premium rate has been in effect until December 31, 2010, Sun Life has the right to recalculate any premium rate. However, Sun Life has the right to recalculate the initial or any subsequent monthly premium rate when any of the following occurs:

1. the terms of this Policy are changed, including but not limited to the Schedule of Benefits; or
2. a new Division, Subsidiary or Affiliated Company of the Policyholder is added to or deleted from this Policy; or
3. the number of Employees insured changes by 25% or more from the number of Employees insured on the Policy Effective Date or the immediately preceding Policy Anniversary Date; or
4. one or more class(es) are added to or deleted from this Policy.

No premium rate may be increased unless Sun Life notifies the Policyholder at least 60 days in advance of the increase. Premium rate increases may take effect on an earlier date when both Sun Life and the Policyholder agree.

B. Payment of Premiums

1. All premiums due under this Policy, including adjustments, if any, are payable by the Policyholder on or before the respective due dates at Sun Life's U.S. Headquarters or at another location designated by Sun Life. The due dates are specified on the first page of this Policy.
2. The premiums due under this Policy on each premium due date are based upon the premium rates in effect for the benefit provided. The premium due is the sum of the monthly premiums for all insured Employees for all benefits.
3. Premiums payable to Sun Life will be paid in United States dollars on the premium due date.
4. The premium for additional or increased insurance becoming effective during a Policy month will be charged from the next premium due date.
5. The premium for insurance terminated during a Policy month will cease at the end of the Policy month in which such insurance terminates.
6. Except for fraud, premium adjustments, refunds or charges will be made for only:
 - a. the current Policy Year; and
 - b. the prior Policy Year.

C. Grace Period

The Grace Period is 45 days following a premium due date. During the Grace Period the Policy shall continue in force, unless the Policyholder has given Sun Life written notice to discontinue this Policy. In any event, premiums are payable for any period of time the Policy remains in force.
