23. LOWEST RESPONSIVE AND RESPONSIBLE BIDDER

All bids will be awarded to the lowest responsive and responsible Bidder. The determination of the lowest responsive and responsible Bidder may be judged on all or some of the following factors: price, conformity to specifications, facilities and equipment, availability of repair parts, experience, terms of payment, qualifications, past performance, performance or delivery dates, quality and utility of services, supplies, materials or equipment offered and the adaptability of those services, supplies, materials or equipment to the required purpose of CONTRACT, and other objective and accountable factors which are reasonable. COUNTY has the option to accept additional promotional specials, discounts or trade-in allowances offered by SUCCESSFUL BIDDER during the term of CONTRACT but these offers will not be part of the determination for award of this bid unless otherwise specified.

In accordance with NRS 332.065.3, COUNTY may re-award CONTRACT if SUCCESSFUL BIDDER is found to be in breach of contract. Re-awarding the CONTRACT by COUNTY is not a waiver of any liability of the initial Bidder awarded CONTRACT.

24. REJECTION OF BID

COUNTY reserves the right to reject any and all bids received by reason of this request. COUNTY reserves the right to waive any minor informality or irregularity.

25. DISQUALIFICATION OF BIDDERS

- D. Evidence of collusion among Bidders.
- E. Unauthorized alteration to content of the Bid Form.
- F. Failure to acknowledge all addenda issued.

26. TIE-BIDS

A tie-bid is defined as an instance where bids are received from two (2) or more Bidders who are the low Bidders, and their offers are identical. Bids must be identical in all evaluation areas; e.g., price, quality, delivery, terms, and ability to supply, etc. If any of these areas are not identical, it is not considered a tie-bid, and COUNTY can justify awarding to Bidder with the lowest responsive and responsible bid.

The procedure for tie-bids is to hold a public drawing and award the bid to the winner of the draw in accordance with the Method of Award clause in the Instruction to Bidders. When a drawing is necessary, Bidder(s) involved will be contacted with the time and place of the drawing. Attendance is not mandatory for the drawing. An impartial witness will be present at the drawing.

27. NOTIFICATION OF INTENT TO AWARD

COUNTY will issue to all Bidders a formal letter of "Notification of Intent to Award." This notice will confirm COUNTY'S determination of the lowest responsive and responsible Bidder.

28. PROTESTS

- A. Any Bidder who submits a bid and is allegedly aggrieved in connection with this solicitation or award of CONTRACT may protest. The letter of protest must, at a minimum, contain a written statement setting forth with specificity the reasons the person filing the notice believes that the applicable provisions of the law were violated and be accompanied by required bond. The protest must be submitted in writing to the Purchasing Analyst, within five (5) business days after COUNTY issued a "Notification of Intent to Award" letter. If a written protest is received within the time frame specified and is not resolved by mutual agreement, the Purchasing Analyst will issue a decision in writing to the protestor. Within three (3) business days of receipt of the decision, a protestor MUST submit to the Purchasing Manager its written notice of intent to appeal the decision to the BCC. The Purchasing Manager or their designee will notify the protestor of the date they may appear to present their appeal to the BCC. Protestor MUST submit to the Purchasing Manager fifteen (15) copies of any documents protestor intends to present to the BCC and all documents MUST be submitted ten (10) calendar days prior to the BCC meeting. The decision of the BCC will be final. The BCC is not required to consider protests unless this procedure is followed.
- B. Bidder filing the protest shall be required, to post a bond with a good and solvent surety authorized to do business in this state, or submit other security, defined as a cashiers check, money order or certified check, to COUNTY who shall hold the bond or other security until a determination is made on the protest. A bond posted or other security submitted with the protest must be in an amount equal to the lesser of:
- (1) 25% of the total value of the bid submitted by Bidder filing the notice of protest; or
 - (2) \$250,000
- C. The notice of protest filed in accordance with the provisions of this section operates as a stay of action in relation to the awarding of CONTRACT until the BCC makes a determination on the protest.
- D. A Bidder who submits an unsuccessful bid may not seek any type of judicial intervention until the BCC has made a determination on the protest and awards CONTRACT.
- E. Neither the BCC nor its authorized representative is liable for any costs, expenses, attorney's fees, loss of income or other damages sustained by a Bidder who submits a bid, whether or not the person files the protest pursuant to this section.
- F. If the protest is upheld by the BCC, the bond posted or other security submitted with the notice of protest must be returned to Bidder who posted the bond or submitted the security. If the protest is rejected by the BCC, COUNTY may make a claim against the bond or other security in an equal amount to the expenses incurred by COUNTY because of the unsuccessful protest. Any money remaining after the claim has been satisfied must be returned to the person who posted the bond or submitted the security.

All claims that may arise between COUNTY and SUCCESSFUL BIDDER concerning any provisions of CONTRACT which cannot be settled and which have not been waived by the making and acceptance of final payment or any progress payment may be submitted to and be determined and settled by arbitration in the manner set forth in this paragraph. Either COUNTY or SUCCESSFUL BIDDER may initiate arbitration by providing written notice of the arbitration, prior to commencement of litigation, to the party against whom a claim is being made. The party initiating arbitration shall appoint and name a party arbitrator in the notice of arbitration submitted to the party against whom the claim is made.

The notice of arbitration shall include the following:

- A. a formal demand by the party initiating arbitration that the dispute be referred to arbitration;
- B. the names, addresses and telephone numbers of the parties;
- C. a reference to any CONTRACT provisions from which the dispute arises;
- D. a plain description and complete statement of the claim and a showing of entitlement to relief;
- E. the relief or remedy sought and the amount money claimed;
- F. the notice of appointment and name, address and telephone number of a party arbitrator of the party initiating the claim;
- G. if SUCCESSFUL BIDDER is the initiating party and if the claim is made by a subcontractor, a written statement by SUCCESSFUL BIDDER that it agrees with the merits and amount of the claim; and
- H. if SUCCESSFUL BIDDER submits a total cost or modified total cost claim then SUCCESSFUL BIDDER must submit documents showing: 1) that the nature of the particular losses make it impossible or highly impractical to determine the losses with a reasonable degree of accuracy; 2) that the bid was realistic; 3) that the actual costs are reasonable; 4) that SUCCESSFUL BIDDER was not responsible for added expenses; and 5) that COUNTY, and not anyone else, is responsible for the additional cost.

The notice to arbitrate shall be null and void if it does not include the documents and information set forth in (a) through (i) above, or if received beyond the time allowed by statute for the presentation of a claim to the Board of County Commissioners or filing of a lawsuit, whichever occurs first, presenting the same claims as those presented in the notice to arbitrate. Within thirty **(30) calendar days** after receipt of such notice, the party receiving notice shall, in writing to the notifying party, appoint another arbitrator, and, in default of said second appointment, the arbitrator first appointed shall be sole arbitrator and shall proceed in the same manner as hereinafter provided for three arbitrators. When two arbitrators have been appointed as aforesaid, they shall, if possible, agree upon a third arbitrator and shall appoint by notice in writing, signed by both of them given to COUNTY and SUCCESSFUL BIDDER. If thirty **(30) calendar days** elapse after the appointment of the second arbitrator without notice of appointment of the third arbitrator being given, as aforesaid, then either party may, in writing, require that the American Arbitration Association or the Nevada Arbitration Association appoint the third arbitrator. Upon appointment of a third arbitrator, the three arbitrators shall meet without delay and shall proceed to a determination of the dispute in accordance with the construction industry rules of arbitration of the American Arbitration Association, and with the provisions of the Uniform Arbitration Act, NRS 38.015 B 38.205, inclusive. In the event of a conflict between the two, the Nevada Revised Statutes will prevail. The arbitration panel or arbitrator may authorize discovery as provided in NRS 38.08. The expedited procedures contained in the construction industry arbitration rules shall be utilized to the maximum extent possible.

Alternatively, in lieu of the appointment of three arbitrators as set forth above, the parties may stipulate to a sole arbitrator mutually agreeable to both parties. Upon appointment of a sole mutually agreeable arbitrator, the sole arbitrator shall proceed to a determination of the dispute in accordance with the procedure set forth in the previous paragraph.
