CLARK COUNTY, NEVADA BID NO. 603162-13 SLOAN CHANNEL EFFLUENT DRAIN CONNECTION AND DISCHARGE PIPE

December 2, 2013

ADDENDUM NO. 1

INVITATION TO BID

1. The Bid Opening date of December 13, 2013 at 2:15:00 p.m. **remains unchanged.**

SPECIAL PROVISIONS

2. The following are changes and/or clarifications to the special provisions for the above referenced project.

SECTION 270 DEWATERING; Subsection 270.01.01 GENERAL

Item C., No. 4, is deleted and the following No. 4 is substituted:

4. Subsurface investigation may be allowed in selected areas of Clark County right of way associated with the project. Subsurface investigation will be governed by the Clark County Right of Way Permit Process. Specific location of the subsurface investigation must be designated by station and offset in the permit application, and may be approved on a case by case basis by Public Works staff. Notify Roy Davis, CCPW Design, 702-455-6075, upon encroachment permit application. Investigation locations in Sloan Channel right of way or Clark County street right of way, will be restricted to areas of reconstruction work per the contract documents. Investigation areas in Clark County right of way, streets, or channel, shall be repaired to a condition equal to or better than existing condition. Permit applicant shall be liable for any repair costs of any property or facilities damaged during the permit applicant's operations. Owner cannot guarantee access to NDOT right of way. Conditions of the permit approval will include but not be limited to investigation location, method of restoration and repair, traffic control, along with standard and customary permit conditions. Permittee will be required to coordinate with Sloan Channel cleaning operations per Section 105.07.

Except as modified herein, all other bid specifications, terms, conditions, and special provisions shall remain the same.
