QUESTIONS AND ANSWERS

4. Q1 Does the financial statement cover a 12 month or three month period?
A1 The financial statement should cover a 12 month period.
Q2 If our proposal will eventually become public information and we are a privately held entity, how do we maintain our financial records as private?

A2 In order to maintain your financial records as private, you must review the information written in General Conditions under Proposals Are Not to Contain Confidential/Proprietary Information and Public Records. Clark County has not mandated a specific format for your financial statements, therefore Providers should be able to create or use ingenuity in submitting financial statements that would not compromise confidential/proprietary information.

Should you have any questions, please contact me at (702) 455-4476 or via e-mail at sherry.Wimmer@ClarkCountyNV.gov.
