INVITATION TO BID

BID NO. 604072-16 RUSSELL CAMPUS: FUEL ISLAND INSTALLATION

NEVADA STATE LABOR COMMISSION PWP NUMBER: CL-2016-174

SCOPE OF WORK: (Define major elements of work to communicate skills required and material needs, estimated quantities or size being informative to potential general contractors, subcontractors and material suppliers), add additional sheet if necessary:

- A. The "Project" of which the "Work" of the contract is part titled Russell Campus Fuel Island Installation with address 4701 Russell Road, Las Vegas, NV 89118 with the limits of construction at street corner of Oquendo Street and Ullom Drive. The "Work" is described in the project drawings and applicable Divisions 1 through 48 of the Project Manual.
- B. The work consists of selected demolition such as street curbs, asphalt, landscaping, masonry pilaster, and relocation of existing wrought iron fencing around the new fuel island installation.
- C. Construction involves an above ground 5,000 gallon single-tank for Gasoline and Diesel Fuel Storage Tank at 2,500 gallons each side with dispensers on both ends of the tank. The above-ground tank will be anchored to the slab on grade, and the tank will be fitted with the tank manufacturer's personnel platforms and fixed ladders in a configuration to allow filling and servicing the tank and meeting all OSHA requirements. Includes adjacent off-site work, landscaping, irrigation system, electrical, plumbing and protection bollards using materials and equipment as noted on the drawings and specified here-in. Contractor to provide temporary side-walk closure, half-street lane barricade for temporary closure of Ullom Drive.
- D. The electrical and control circuits will run underground from the tank and electrical panel to the fuel dispensers and a card reader. The work includes the installation of a refrigerated data panel and electrical connection off the panel to an existing service panel. All electrical switches, panels and appliances within 10 feet of the tank will be explosion proof.
- E. Work hours: The General Contractor will perform construction activities during the following times: Monday through Friday starting from 7:00 am to 10:00 pm and Saturday and Sunday at any time. All dates and times will be outlined in the project schedule as required per Section 01 32 16. The Contractor will notify the Owner's Representative, 3 calendar days when changes to the submitted working days/hours are deemed necessary.

ESTIMATED COST: \$511,100 - \$564,900.
