V. Informational Items

1. Members of the U.S. Census Bureau in Nevada to discuss the 2020 Census process and provide information on available job opportunities (for discussion only).

The 2020 Census is required under and constitution and is a major deciding factor in how a community receives its funding such as education, infrastructure, rental assistance, emergency funding, market research and many other community benefits. All information is protected by law and can only be used for statistical purposes; NOT shared amongst any other government or private agencies. Soon Census personnel will be going door to door and hand delivering surveys. The surveys must be hand delivered because they are not allowed to be mailed to a PO Box. After the surveys have been delivered personnel will return, later, to the homes which did not respond. They are still in the process of hiring.

2. Candidates may file with the Clark County Registrar of Voters, located at 500 S. Grand Central Parkway, to serve on the elected Bunkerville Town Advisory Board. Filing takes place from March 2, 2020 to March 13, 2020 during business hours https://www.clarkcountynv.gov/election/Documents/2020/CG20.pdf (for discussion only)

Moved by: Chad Jensen
Action: Table until the next meeting date
Vote: 4-0/Unanimous
Alex Ortiz – This is the first time in many years that an update is being done in order to bring the master plan and code up to the current needs of our communities and delete items which may be redundant; the process will take at least a couple of years. Clark County Comprehensive Planning is seeking to partner with the community by way of a representative who would participate in the process and provide feedback to the town board. Alex informed the board and those attending that the first meeting would take place on March 19th 5pm-6pm and will be located at the Government Center in the Pueblo Room.

VIII. Public Comment

The town board members are appreciative of the new canopy, which was installed in their park, but they are disappointed that it seems smaller than the previous canopy. The board discussed that they had requested something double in size.

IX. Next Meeting Date

The next regular meeting will be April 30, 2020

Justification Letter

To whom it may concern:

Parcel number 00225410050 is a lot in the town of Bunkerville, Nevada. We would like to request a conforming zone change from C-2 to R-1. We would like the lot rezoned to allow for future construction of a new home for our family. While it is a corner lot and some would say those are better left in C-2 zoning, it is surrounded by R-1 lots and the probability of someone having a business there one day is low. The Bunkerville community is nearly all residential and it’s my opinion most residents would prefer not have a place of business in their community. We would like to build our home on this lot and become members of the tight knit community that is Bunkerville, Nevada.

Thank you,
Erick and Jessica Baron

The proposed development is consistent and compatible with the existing and planned residential development in this area.
