- B. Boundary line adjustments
There are weird lines going through houses and properties. TAB doesn't feel like tax payers should have to fix individual properties and, if they do, then all should be addressed. TAB will wait for Joe to present before making a vote.
- C. TAB reports:
County ordinance: TAB would like Bollards on the Trail Bridge on the next agenda to ask Public Works to remove them. Street light needs to be replaced between Tobler and Canal on Virgin.
- D. Liaison report:
Talked about only one sitting TAB member filed for the ballot, no other person file, so congratulations to Vern, and others need to fill out applications to be appointed by the Commissioner. Talked about concerns for Bundy cattle being tended to if family members remain incarcerated much longer; was informed other family members are there taking care of everything, including the property, cattle and alfalfa fields.
