VIII. Public Comment

Janice Ridondo - Nevada Department of Transportation will be improving a portion of Highway 169 near the funeral home. They will continue to maintain the road, but, due to the expansive soil, the condition of the road will remain an obstacle. Five roads are currently being paved in our valley. There are talks of the possibility of five roads being picked up for maintenance. Gene Houston - reminded residents that some roads took approximately fifteen years to be paved. Many variables are considered before prioritizing the final list. Janice Ridondo and Elise McAllister will continue working towards the FLAP grant for possible improvements on Pioneer road.
