Angie Heath Younce called the meeting to order at 6:40pm

II. Public Comment

Several neighbors concerned with item #10 regarding Use Permit for an exotic animal (Serval) with an existing family residence spoke during Public Comment after hearing the item was held at the request of the applicant.

One neighbor stated that the Serval is a hunting animal able to do tall leaps and is not fit for private property residential areas. In addition, exotic animals were not included in original permits for this area.

Two neighbors expressed concern the Serval is proposed to be next to door to children and grandchildren. Concern for family pets in the neighborhood was also expressed.

A gentleman indicating he was an established long time resident of the area stated the Serval is not for a residential neighborhood and approving a Use permit for the Serval will open the door for other exotic animals.
