Winchester Town Advisory Board
Winchester Community Center
3130 McLeod Dr.
Las Vegas, NV 89121
September 10, 2019
6:00 p.m.

AGENDA

NOTE:
- Items on the agenda may be taken out of order.
- The Board/Council may combine two or more agenda items for consideration.
- The Board/Council may remove an item from the agenda or delay discussion relating to an item at any time.
- No action may be taken on any matter not listed on the posted agenda.
- All planning and zoning matters heard at this meeting are forwarded to Board of County Commissioners Zoning Commission (BCC) or Clark County Planning Commission (PC) for final action.
- Please turn off or mute all cell phones and other electronic devices.
- Please take all private conversations outside the room.
- With forty-eight (48) hour advance request, a sign language interpreter, or other reasonable efforts to assist and accommodate persons with physical disabilities, may be made available by calling 702-455-3530 or TDD 702-385-7486 or Relay Nevada toll free 800-326-6868, TD/TDD.
- Supporting material provided to Board/Council members for this meeting may be requested from Beatrix Martinez at 702-455-0560 and is/will be available at the County’s website at www.clarkcountynv.gov.

Board Members: John J. Delibos – Chair
Robert Mikes - Vice Chair
Ken Dayton
Judith Siegel
Roxana Valadares
Secretary: Victoria Bonner, 702-335-9205, victoriabelleb@gmail.com
County Liaison: Beatrix Martinez, 702-455-0560, beatriz.martinez@clarkcountynv.gov

I. Call to Order, Invocation, Pledge of Allegiance, Roll Call

II. Public Comment - This is a period devoted to comments by the general public about items on this agenda. No discussion, action, or vote may be taken on this agenda item. You will be afforded the opportunity to speak on individual Public Hearing Items at the time they are presented. If you wish to speak to the Board/Council about items within its jurisdiction but not appearing on this agenda, you must wait until the "Comments by the General Public" period listed at the end of this agenda. Comments will be limited to three minutes. Please step up to the speaker's podium, if applicable, clearly state your name and address and please spell your last name for the record. If any member of the Board/Council wishes to extend the length of a presentation, this will be done by the Chair or the Board/Council by majority vote.

III. Approval of Minutes August 27, 2019 (For possible action)
IV. Approval of Agenda for September 10, 2019 and Hold, Combine or Delete Any Items (For possible action)

V. Informational Items
   1. Announcements of upcoming neighborhood meetings and County or community meetings and events.

VI. Planning & Zoning

1. **UC-19-0638-WINCHESTER VENTURES, LLC:**
   - **USE PERMIT** for a laundromat.
   - **WAIVERS OF DEVELOPMENT STANDARDS** for the following: 1) reduced parking; and 2) reduce floor to ceiling height.
   - **DESIGN REVIEW** alternative parking lot landscaping on 0.3 acres in an H-1 (Limited Resort and Apartments) Zone in the South of Sahara Avenue (SOSA) Design Overlay District. Generally located on the west side of Lynnwood Street, 118 feet south of Sahara Avenue within Winchester. TS/nr/jd (For possible action) 10/01/19 PC

2. **WS-19-0618-CONCORD PRIME, LLC & VEGASSTARR, LLC:**
   - **WAIVER OF DEVELOPMENT STANDARDS** for increased wall sign area.
   - **DESIGN REVIEW** for wall signage in conjunction with an office building on 3.3 acres in an H-1 (Limited Resort and Apartment) Zone. Generally located on the south side of Convention Center Drive and the east side of Channel 8 Drive within Winchester. TS/sd/jd (For possible action) 10/01/19 PC

3. **ET-19-400113 (UC-0909-17)-2975 SAMMY DAVIS JR DRIVE, LLC:**
   - **USE PERMIT FIRST EXTENSION OF TIME** for a marijuana establishment (retail marijuana store).
   - **DESIGN REVIEW** exterior/interior modifications to an existing retail building on 0.9 acres in a C-2 (General Commercial) Zone in an MUD-1 Overlay District. Generally located on the west side of Sammy Davis Jr. Drive, 1,000 feet south of Circus Circus Drive within Winchester. TS/al/jd (For possible action) 10/02/19 BCC

VII. General Business
   1. Review/Finalize FY 2021 budget request(s) and take public comment on the budget request(s). (For possible action)

VIII. Comments by the General Public - A period devoted to comments by the general public about matters relevant to the Board's/Council’s jurisdiction will be held. No vote may be taken on a matter not listed on the posted agenda. Comments will be limited to three minutes. Please step up to the speaker's podium, if applicable, clearly state your name and address and please spell your last name for the record. If any member of the Board/Council wishes to extend the length of a presentation, this will be done by the Chair or the Board/Council by majority vote.

IX. Next Meeting Date: September 24, 2019

X. Adjournment

**POSTING LOCATIONS:** This meeting was legally noticed and posted at the following locations:
Winchester Community Center: 3130 S McLeod Dr., Las Vegas NV 89121
Fast & Fresh Dry Cleaners: 2548 Desert Inn Rd., Las Vegas NV 89121
United States Postal Services: 2478 E. Desert Inn Rd., Las Vegas, NV 89121
Starbucks: 2412 E. Desert Inn Rd., Las Vegas, NV 89121

10/01/19 PC AGENDA SHEET

LAUNDROMAT (TITLE 30) LYNWOOD ST/SAHARA AVE

PUBLIC HEARING
APP. NUMBER/OWNER/DESCRIPTION OF REQUEST UC-19-0638-WINCHESTER VENTURES, LLC:

USE PERMIT for a laundromat.
WAIVERS OF DEVELOPMENT STANDARDS for the following: 1) reduced parking; and 2) reduce floor to ceiling height.
DESIGN REVIEW alternative parking lot landscaping on 0.3 acres in an H-1 (Limited Resort and Apartments) Zone in the South of Sahara Avenue (SOSA) Design Overlay District.

Generally located on the west side of Lynnwood Street, 118 feet south of Sahara Avenue within Winchester. TS/nr/jd (For possible action)

RELATED INFORMATION:

APN:
162-10-111-002

WAIVERS OF DEVELOPMENT STANDARDS:
1. Reduce parking to 18 spaces where 20 spaces are required per Table 30.60-1 (a 10% reduction).
2. Reduce floor to ceiling height to 12 feet where 16 feet is required per Section 30.48.975 (a 25% reduction).

LAND USE PLAN:
WINCHESTER/PARADISE - COMMERCIAL TOURIST

BACKGROUND:
Project Description
General Summary:
- Site Address: 2545 Lynnwood Street
- Site Acreage: 0.3
- Project Type: Laundromat
- Number of Stories: 1
- Building Height (feet): 12
- Square Feet: 5,005
- Parking Required/Provided: 20/18
Site Plans
The plans show a 4,210 square foot building, built in 1963, with a proposed 795 square foot addition for a total of 5,005 square feet on the southern border of the parcel. The proposed addition to the rear of the building is to accommodate the service aisle behind the dryers and a storage room. Alleyways are adjacent to the south and west of the property lines. The 18 parking spaces are located to the north of the building. There is a 5 foot wide concrete walkway from the sidewalk on Lynnwood Street to the building and along the entire front of the parking lot. The trash enclosure is on the northwest corner of the lot and set back 5 feet from the rear property line. The property is accessed by an existing driveway off Lynnwood Street and a rear access to the alley on the west property line.

Landscaping
An 11 foot wide landscape area compliant with Figure 30.64-13 is located along the east property line along Lynnwood Street. A landscaping triangle is located along the northern property line and the corner of the parking lot. The plans show a landscape island east of the trash enclosure shielding the trash enclosure from Lynnwood Street. An additional landscape island is located on the southwestern portion of the parking area. Title 30 requires 6 foot wide landscape islands for every 6 spaces, the plan shows 9 spaces with landscape islands on each side of the parking area.

Elevations
The plans show a new design of an existing building including varied rooflines ranging from 15 feet high to parapets that are 19 feet 4 inches high. The building will be a sand stucco finish with painted wood and aluminum reveal joints and a metal roof canopy. The SOSA overly district requires a minimum of 16 foot high first floor elevation; however, the redesign of the existing building has a 12 foot high first floor; therefore, a waiver is being requested.

Floor Plans
The plans show a laundromat with a row of dryers along the back of the building, folding tables, 2 rows of washers, several seating areas, restrooms, customer service area, and a storage space.

Signage
Signage is not a part of this request.

Applicant's Justification
The applicant indicates that this is a great location for a laundromat to serve the surrounding community and visitors. The owner strives to run reputable, clean and safe laundromats for their customers. The proposed layout, with addition, can accommodate the washing/drying machines with plenty of room without customer crowding. The applicant respectfully requests consideration of the proposal and waivers.

STANDARDS FOR APPROVAL:
The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.

Analysis
Current Planning Use Permit
A use permit is a discretionary land use application that is considered on a case by case basis in consideration of Title 30 and the Comprehensive Master Plan. One of several criteria the applicant must establish is that the use is appropriate at the proposed location and demonstrate the use shall not result in a substantial or undue adverse effect on adjacent properties.

There are several residential developments in the area which would benefit from the location of the proposed use. The proposed use complies with the Long Range Plan Policy #2 of the Comprehensive Master Plan which encourages smart growth by infill development in established areas; therefore, staff can support the request.

Waivers of Development Standards & Design Review
According to Title 30, the applicant shall have the burden of proof to establish that the proposed request is appropriate for its existing location by showing that the uses of the area adjacent to the property included in the waiver of development standards request will not be affected in a substantially adverse manner. The intent and purpose of a waiver of development standards is to modify a development standard where the provision of an alternative standard, or other factors which mitigate the impact of the relaxed standard, may justify an alternative.

The building and parking lot present design challenges due to the size and orientation of the site. The applicant has designed the site to feature as much landscaping as possible to enhance the site where landscaping was absent before and not reduce the parking further than requested. Although the interior parking area will not have landscaping per Code, staff can support the design review due to the landscaping on the perimeter of the site.
The updated building design is in compliance with the Comprehensive Master Plan Goal #78. By the elimination of the existing mansard roof and proposal to construct elevation variations provides visual appeal to the building. The South of Sahara Avenue (SOSA) Design Overlay District requires the first floor elevations to be a minimum of 16 feet high; however, the integrated design elements meet the intent of the design district. Thoughtful site design taking into account the existing conditions of the site and the surrounding area to minimize any negative impacts to the area help to make this project comply with the Comprehensive Master Plan. For the reasons mentioned, staff can support the waiver requests and the design review.

Staff Recommendation
Approval.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.

PRELIMINARY STAFF CONDITIONS:

Current Planning
- Certificate of Occupancy and/or business license shall not be issued without final zoning inspection.
- Applicant is advised that a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that this application must commence within 2 years of approval date or it will expire.

Public Works - Development Review
- No comment.

Building Department - Fire Prevention
- No comment.

Clark County Water Reclamation District (CCWRD)
- Applicant is advised that the property is already connected to the CCWRD sewer system; and that if any existing plumbing fixtures are modified in the future, then additional capacity and connection fees will need to be addressed.

APP. NUMBER/OWNER/DESCRIPTION OF REQUEST
WS-19-0618-CONCORD PRIME, LLC & VEGASSTARR, LLC:

WAIVER OF DEVELOPMENT STANDARDS for increased wall sign area.
DESIGN REVIEW for wall signage in conjunction with an office building on 3.3 acres in an H-1 (Limited Resort and Apartment) Zone.

Generally located on the south side of Convention Center Drive and the east side of Channel 8 Drive within Winchester. TS/sd/jd (For possible action)

RELATED INFORMATION:

APN:
162-09-805-017

WAIVER OF DEVELOPMENT STANDARDS:
1. a. Increase wall sign area on the north elevation to 21,462 square feet where a maximum of 1,176 square feet is allowed per Table 30.72-1 (a 1,725% increase).
b. Increase the wall sign area on the east elevation to 16,352 square feet where a maximum of 896 square feet is allowed per Table 30.72-1 (a 1,725% increase).
c. Increase the wall sign area on the west elevation to 16,352 square feet where a maximum of 896 square feet is allowed per Table 30.72-1 (a 1,725% increase).
d. Increase the wall sign area on the east parking garage elevation to 23,000 square feet where a maximum of 1,840 square feet is allowed per Table 30.72-1 (a 1,150% increase).

LAND USE PLAN:
WINCHESTER/PARADISE - COMMERCIAL TOURIST

BACKGROUND:
Project Description
General Summary
- Site Address: 101 Convention Center Drive
- Site Acreage: 3.3
- Project Type: Wall signage
- Square Feet: 77,112 (total signage area)
Site Plan
The plan depicts a 3.3 acre parcel with an existing 11 story building and plaza building with a parking garage at the southeast corner of Convention Center Drive and Channel 8 Drive. The property has 2 driveways, including the half circle driveway, off of Convention Center Drive. The parking garage is accessed from Channel 8 Drive.

Landscaping
The property has existing landscaping.

Signage Elevations
The plans show proposed wall signage consisting of 77,112 square foot building vinyl wraps located on the west, east, and north office building elevations, and on the east elevation of the existing parking garage.

Applicant’s Justification
The applicant states the proposed vinyl wrap wall signage will be installed on a temporary basis and the subjects and timing of the signage will be limited to those events taking place at 101 Convention Center Drive, which are in conjunction with major conventions at the Las Vegas Convention Center. No changes are proposed to the existing buildings, landscaping, and parking. The applicant states that these locations are appropriate for super graphic signs for targeting specific conventions.

STANDARDS FOR APPROVAL:
The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.
Analysis

Current Planning

Waiver of Development Standards & Design Review

According to Title 30, the applicant shall have the burden of proof to establish that the proposed request is appropriate for its existing location by showing that the uses of the area adjacent to the property included in the waiver of development standards request will not be affected in a substantially adverse manner. The intent and purpose of a waiver of development standards is to modify a development standard where the provision of an alternative standard, or other factors which mitigate the impact of the relaxed standard, may justify an alternative.

The total square footage of 77,112 square feet of vinyl wrap sign areas for the west, east, and north office building elevations and the east parking garage elevation are excessive. The request does not comply with Urban Specific Policy 20 of the Comprehensive Master Plan, which states all signage should be compatible with surrounding development, therefore, staff cannot support this request.

Staff Recommendation

Denial.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.

PRELIMINARY STAFF CONDITIONS:

Current Planning

If approved:

- 2 years to commence and review as a public hearing;
- Applicant to file a temporary use application for each signage event;
- Advertising limited to on-premises events;
- Maximum duration of signs to correspond with the event advertised which shall be no longer than 10 days with a maximum of 6 events per year;
- Signs to be removed immediately after each event ends.
- Applicant is advised that a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time and application for review; and that the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified.

Public Works - Development Review

- No comment.

Building Department - Fire Prevention

(TITLE 30)

PUBLIC HEARING
APP. NUMBER/OWNER/DESCRIPTION OF REQUEST
ET-19-400113 (UC-0909-17)-2975 SAMMY DAVIS JR DRIVE, LLC;

USE PERMIT FIRST EXTENSION OF TIME for a marijuana establishment (retail marijuana store).
DESIGN REVIEW exterior/interior modifications to an existing retail building on 0.9 acres in a C-2 (General Commercial) Zone in an MUD-1 Overlay District.

Generally located on the west side of Sammy Davis Jr. Drive, 1,000 feet south of Circus Circus Drive within Winchester. TS/al/je (For possible action)

RELATED INFORMATION:

APN:
162-09-302-007

LAND USE PLAN:
WINCHESTER/PARADISE - COMMERCIAL GENERAL

BACKGROUND:
Project Description
General Summary
- Site Address: 2975 Sammy Davis Jr. Drive
- Site Acreage: 0.9
- Project Type: Marijuana establishment (retail marijuana store)
- Number of Stories: 1
- Building Height (feet): Up to 39 feet, 4 inches
- Square Feet: 6,940 proposed retail marijuana store/2,514 vacant/9,454 total
- Parking Required/Provided: 38/38

Site Plans
The approved plans depict a proposed 6,940 square foot retail marijuana store in an existing 9,454 square foot building. The existing parking lot is being redesigned. A taxi queuing lane is located along the southern portion of the site, 6 parking spaces are located on the west side of the building area behind a security gate, and additional parking spaces are located on the south and east sides of the building. Access to the site is from Sammy Davis Jr. Drive and the site will not have shared access with the adjacent parcel to the south. A trash enclosure is located on the western portion of the site.
Landscaping
There is an existing landscape area with an attached sidewalk adjacent to Sammy Davis Jr. Drive. No additional landscaping was proposed or required as a part of this request.

Elevations
The approved plans depict modifications/remodel to the exterior of the existing building to include increasing the height of the parapet walls, applying new exterior finishes, and raising the walls of the southeast corner of the building. The building will range in height from 20 feet to 39 feet 4 inches. The proposed exterior finishes include stucco smooth finish, porcelain tile exterior finish, and recycled glass panels.

Floor Plans
The approved plans depict an existing 9,454 square foot building with 2 suites. Suite 200 is 2,514 square feet and currently vacant. Suite 100 is reserved for the proposed 6,940 square foot retail marijuana store consisting of a lobby, check-in area, retail area, vault, offices, storage, break room, and restrooms.

Previous Conditions of Approval
Listed below are the approved conditions for UC-0909-17:

Current Planning
- A valid Clark County business license must be issued for this establishment within 2 years of approval or the application will expire;
- To prevent odor nuisances, an odor control plan must be submitted to the Clark County Business License Department;
- Certificate of Occupancy and/or business license shall not be issued without final zoning inspection;
- Applicant is advised that this application is contingent upon obtaining a license from the State of Nevada and Clark County Business License Department; failure to abide by and faithfully comply with the conditions of approval, Clark County Code, and the provisions of the Nevada Revised Statutes or Nevada Administrative Code may result in revocation of this application; approval of this application does not constitute or imply approval of any other County issued permit, license or approval; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; and that the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified.

Clark County Water Reclamation District (CCWRD)
- Applicant is advised that the property is already connected to the CCWRD sewer system; that upon approval of use permit, CCWRD requires submittal of a summary of the body work and paint process for engineering review and pretreatment evaluation for any disposal other than domestic waste to the public sewer system; to follow current CCWRD Pretreatment Resolutions and any applicable portions of 40 CFR for any waters that may enter the sanitary sewer system; and that if any existing plumbing fixtures are modified in the future, then additional capacity and connection fees will need to be addressed.
Signage
Signage is not a part of this request.

Applicant’s Justification
The applicant indicates that both the landlord and the proposed business operator have been making significant design changes to the interior space of the proposed project due to preliminary construction cost estimates. The exterior design of the building and the site plan have not deviated from the approved plans for the project. It is anticipated that the design team may not finish the construction documents to be submitted to the Clark County Building Department for review and permitting prior to the deadline of December 6, 2019 per the Notice of Final Action for UC-0909-17. Therefore, this request for an extension of time has been submitted to allow the additional time needed to complete the project.

STANDARDS FOR APPROVAL:
The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.

Analysis
Current Planning
Title 30 standards of approval on an extension of time application state that such an application may be denied or have additional conditions imposed if it is found that circumstances have substantially changed. A substantial change may include, without limitation, a change to the subject property, a change in the areas surrounding the subject property, or a change in the laws or policies affecting the subject property. Using the criteria set forth in Title 30, no substantial
changes have occurred at the subject site since the original approval. Records indicate that Building Permit BD-17-50193 was issued for commercial building remodel to allow for interior demolition for the future tenant (marijuana establishment - retail marijuana store).

**Staff Recommendation**

Approval.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.

**PRELIMINARY STAFF CONDITIONS:**

**Current Planning**
- Until December 6, 2021 to commence.
- Applicant is advised that this application is contingent upon obtaining a license from the State of Nevada and Clark County Business License Department; failure to abide by and faithfully comply with the conditions of approval, Clark County Code, and the provisions of the Nevada Revised Statutes or Nevada Administrative Code may result in revocation of this application; approval of this application does not constitute or imply approval of any other County issued permit, license or approval; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; and that the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified.

**Public Works - Development Review**
- No comment.

Clark County Water Reclamation District (CCWRD)
- No comment.

Clark County Comprehensive Planning
500 S Grand Central Parkway
PO Box 551741
Las Vegas, Nevada 89155-3271

Dear Clark County Planning Department:

Las Vegas Coin Laundry LLC is requesting your consideration for our plan to take an existing vacant building located at 2545 Lynnwood St, Las Vegas, Nevada 89109 that we have recently purchased to a new state of the art laundromat. This new laundromat will serve the surrounding community as well as visitors to the Las Vegas strip that Clark County will be proud of.

In addition to the design review & permits we are requesting waivers as described in the attached document titled “Waivers of Development Standards”.

Our company owns and operates six existing laundromats in the Las Vegas and Henderson area and we been operating since 2012. We strive to run reputable stores that are clean for our customers, are well lit, and are a safe place for families to do laundry, hence our motto “Clean. Bright. Safe.” as you can see on our web site (as well as see an overview of all of our stores):

www.lasvegascoinlaundry.com

The vacant store on Lynnwood was a laundromat in the past was divided into retail suites and more recently returned to a single occupancy retail shell. The building has a low ceiling that is not conducive to serving the equipment necessary to operate a laundromat. It is also our desire to have the western 2/3 of the south wall of the envelope moved to the south to meet the eastern 1/3 of the wall and to relocate where the utilities enter the building.

By moving the wall to the South the building envelope becomes a rectangle that allows us to efficiently install and operate the washer and dryer layout to make the store efficient. Our customers need to be able to easily navigate the store so they are able do their laundry without being crowded in aisles and folding areas where laundry carts, baskets, bags, and people accumulate around washer and dryer doors that are open while being loaded and unloaded.
Our latest two stores are representative of the design and layout that we will provide in this store as well. These two stores:

Las Vegas Coin Laundry #5, 1748 E Charleston Blvd, Las Vegas, NV 89106 (Est 2014)
and
Las Vegas Coin Laundry #6, 1200 W Owens Ave, Las Vegas, NV 89104 (Est 2017)

...are both stores that are laid out with plenty of aisle space for the safety and comfort of our customers.

Both of these stores have hosted free laundry days where we solicit volunteers to assist us in opening our doors to the public to offer free laundry events so that we are able to give back to the community that supports our business. Most weekends, and on days when we host these free events, our stores can become “standing room only” when families bring in their larger loads of laundry, thus the need for additional floor space.

We believe that by being granted the ability to expand the envelope of our building that our new Las Vegas Coin Laundry #7 at 2545 Lynnwood St will be a store that will be able to accommodate the larger weekend, holiday and special event occupancies that we frequently accommodate while keeping everyone comfortable and happy while completing the cumbersome task of completing the weekly family laundry task.

I have included two links of YouTube videos that were posted by the “Coin Laundry Association” (a non-profit organization and the largest trade association dedicated to the self-service laundry industry of which Las Vegas Coin Laundry has been a member since we have been in the self-service laundry business) where they hosted a free laundry day at Las Vegas Coin Laundry #6. These video clips will provide you with an example of the type of events that will occur frequently at Las Vegas Coin Laundry #7 at 2545 Lynnwood St once our store is open for business.

https://www.youtube.com/watch?v=9gyHOfbGXhQ
https://www.youtube.com/watch?v=6B-Y1ZhQ7z8

The location of this store will also provide a self-service laundry facility close to the Las Vegas Strip which will bring more hotel guests into the East Sahara business community and benefit E Sahara businesses while guests of the hotels wait for their laundry.

We appreciate your consideration of our needs and we look forward to receiving your approval for us to proceed with opening Las Vegas Coin Laundry #7 as our most successful project to date that the East Sahara neighborhood will be proud and pleased to have available to meet their laundry needs

Sincerely,

Bruce C. Gilliat
Owner – Las Vegas Coin Laundry
LAS VEGAS COIN LAUNDRY #7
(2545 Lynnwood Street, Las Vegas, Nevada 89109)

WAIVERS OF DEVELOPMENT STANDARDS – 14 August 2019

In addition to the Use Permit and Design Review Las Vegas Coin Laundry LLC is requesting the following waivers for our building project known as “Las Vegas Coin Laundry #7” located at 2545 Lynnwood St, Las Vegas, NV 89109.

These waivers are necessary due to the fact that the existing structure was constructed in 1962 and thus does not currently meet Title 30 planning requirements.

The requested waivers are:

1) Reduce the required parking spaces by two (2) vehicles to accommodate the required trash enclosure and loading zone.

2) Waive the landscape requirements within the existing parking lot.

3) Waive the front yard setback of 15 feet. The existing building has a front yard setback of 11 feet.

4) Waive the 16 foot ceiling height requirement. We can accommodate a 12-ft height to the bottom of the roof structure.

Thank you,

Robert Sherman – Architect
RS Sherman Architecture

Nancy Amundsen
Clark County Comprehensive Planning
500 South Grand Central Parkway
Las Vegas, NV 89155

RE: Justification Letter
Waiver of Development Standards
101 Convention Center Drive
162-09-805-017

Dear Nancy:

Enclosed please find the following information representing an application for a design review and waiver of development standards to permit four supergraphic signs on the property located at 101 Convention Center Drive:

Application
Ownership Disclosure Form
Fire Permit Survey Form
Assessor's Map
Deed

Legal Description
Justification Letter (this letter)
Overall Aerial Site Depiction
Elevations
Fees

While there are no proposed changes to the existing building, parking, or landscaping, this application requests approval to allow the installation of temporary signs on west, north, and east faces of the 101 Convention Center building, as well as the east face of the building's accompanying parking garage. The subjects and timing of the signage will be limited to those events taking place at the 101 Convention Center building in conjunction with the major conventions at the Las Vegas Convention Center.

Elite requests a Design Review and Waiver of Standards to permit a total of 77,112 square feet of wall signs on four building faces, as follows:

North Building Face: 21,462 square feet
East Building Face: 16,352 square feet
West Building Face: 16,352 square feet
East Parking Garage Face: 23,000 square feet
Elite's historic operations and signage approved and installed on other buildings within the immediate vicinity of the Convention Center have demonstrated the suitability of signage of this magnitude in the area. The expansion of the Convention Center directly to the north of the building makes this building ideal for the supergraphic signs that are targeted to specific conventions and which add to the excitement and distinctive atmosphere that attract industry groups to Las Vegas and keep the Convention Center at the forefront of convention venues. The signs are extremely important to the key corporate participants in the conventions, and similar signage exists in other markets that compete with Las Vegas for convention business.

If you have any questions regarding this application, please feel free to contact Elite Media.

Sincerely,

Rod Carter

Justification Letter – Extension of Time
MME Retail Dispensary

APN: 162-09-302-007
Address: 2975 Sammy Davis Jr. Drive. Las Vegas, NV 89109 (Suite 100)
Current Zone Use: C-2
Desired Zone Use: C-2
Planned Landuse: General Commercial
Zoning Code: Title 30 – Clark County, Nevada

Application Category: Extension of Time (UC-0909-17)

Original Application
B: Design Review for Exterior Building Improvements.

Please reference original project justification letter submitted with UC-0909-17 which has been copied to this letter as Exhibit “A”. That letter is being referenced to stipulate that the owner’s & operator’s intent for subject project has not changed since that original entitlement application submittal.

With respect to this application for Extension of Time on UC-0909-17, both the landlord and operator have been making significant design changes to the interior space of the proposed project due to preliminary construction cost estimates. The exterior design of the building & site plan has not deviated from the exhibits submitted with UC-0909-17 and will remain as-is with respect to design review submitted with UC-0909-17.

It is anticipated that the AE design team may not finish the construction documents to be submitted to Clark County Development Center – Building Division – for planscheck review and permitting prior to the deadline set forth in the Notice of Final Action letter for UC-0909-17. That date is December 6, 2019.

Therefore, we respectively request that this Extension of Time application be approved for subject project so that the owner and operator may continue & complete subject project as originally intended.

Regards,

Todd Vedelago, AIA, NCARB, LEED AP BD+C

CC: file, Mark Spino, Jim Blasco
H:\2017\2017138\Docs\ExtentionofTime\2017138 ET Justification 01.doc
EXHIBIT ‘A’

Proposed improvements concerning this application pertain to the following scope of work listed below:

Non Structural Tenant Building Improvements:

1. Interior Improvement – Suite 100 Level 1  
2. Exterior Improvements to existing structure  
   See Drawings

TOTAL  
8,357 SF

A: Special Use Permit – On Site Purchasing of Recreational Marijuana

Use:

Special Use Permit-On Site Purchasing of Recreational Marijuana is a requirement of Title 30 zoning code (SLUCM Code 6510) – "Dispensary" use category. Reference "Suite 100" on submitted Site Plan & Floor Plan Exhibit with this Application. Subject project is located in a C-2 zone which is a conforming zone category for marijuana retail sales use. Refer to table 30.44-1, (SLUCM 6510) page 30.44-54ba.

Applicant wishes to improve 6,940 square feet of existing unoccupied space within existing building for the retail marijuana license use on subject property (Suite 100). Future lease suite 200 is currently an unoccupied vacant space that the landlord may or may not lease in the future. Reference both suite numbers on submitted Site Plan & Floor Plan Exhibit with this application.

On Site Parking:

Refer to Parking Table 30.60-1 & submitted site plan exhibit. Proposed site plan provides 38 parking stalls where 38 stalls are required (ratio 4:1000) to accommodate the “total” building area. This takes into account a future commercial tenant for suite 200 which is currently vacant. The required parking stall count for proposed suite 100 (this applicant) is 33 parking stalls. The submitted site plan provides 5 more parking stalls that what Title 30 requires. The operator plans to provide queuing for taxi cabs and ride-share vehicles that arrive at subject property. 10 queuing vehicles have been accounted for on designated queuing lane shown on submitted site plan exhibit.

Building Structure:

The building in which this tenant improvement will occur is pre-existing. It is a single story commercial building. Applicant intends to make exterior modifications to the building to improve the curbside aesthetic appeal. Refer to submitted exterior elevation drawings. Building parapets will be raised to screen new HVAC mechanical equipment. New exterior finishes to be applied to existing exterior walls to improve aesthetic appeal. The southeast corner of building will have the exterior walls raised to create signature on the building to help communicate arrival from the public vehicular entrance to the property. The heights of the proposed architectural embellishments to the building are within the allowed height for this zone area.
Landscaping:

Not Applicable. Current developed property is already landscaped. Applicant will provide minor ground cover and shrub landscaping up against the building as shown on site plan exhibit. Additional site landscaping will be provided along planter beds that separate subject land parcel from the adjacent land parcel to the south (APN: 162-09-302-006)

Signage:

Not Applicable. Proposed signage to be submitted under separate application.

Location:

The proposed location for this retail dispensary is .7 miles from the nearest pre-existing marijuana (mme) retail dispensary (Reef Dispensaries) which is to the southwest. The second closest pre-existing mme retail outlet is .72 miles to the north (Acres Dispensary). The proposed site is roughly equidistant to both existing retail outlets which lends itself to filling a void between those 2 retail outlets. The general location of this area is convoluted with circuitous pathing roadways that end abruptly due to the UPPR tracks and Interstate I-15 that intersect the city’s street grid which changes angular direction in this part of the metro area. Due to the pathing of streets in this vicinity, the location of this proposed dispensary actually adds to the separation distance between retail outlets in a “linear” pathing route vs. “as the crow flies” radial distance measurement that is listed in this letter.

Given the aforementioned, we believe the proposed improvements on subject property are compliant with Title 30 requirements and subject to approval.

Regards,

Todd Vedelago, AIA, NCARB, LEED AP BD+C
