COMMUNITY CONCERNS

1. Discussion on ATV's tours. Meggan contacted BLM but they were not able to be at the meeting. Las Vegas Off Road Tours and Zero 1 have permits to operate tours in the Goodsprings area and are in good standing. Mike Vincent, 702 646-6997, of Las Vegas Off Road Tours said their employees are fully trained. They are putting a production together to be played at the Pioneer Saloon for individuals to watch regarding the rules of riding in the area. Meggan will put together a committee to determine a specified route out of town. The committee will include Ted Compton, Mel and Deb from Las Vegas Off Road Tours, representatives from Metro and BLM and anyone else interested. Meggan will also reach out to S.N.O.R.E.
2. The \$100. donated to the CAC by the Mineral Symposium for the use of the Community Center will be used to purchase items for the Community Center. Ruth Rawlinson made a motion to buy a microwave. (4-0) Meggan will make the purchase and deliver.
3. Noel Scheckells was present to discuss plans for future development on the Pioneer Saloon property. He would like to build small "miner" cabins on the north part of the property between his residence and the well. He presented floor plans, but members of the audience were interested in more details including the exterior elevations of the structures. Concerns were expressed about the necessity for an adequate septic system to meet the needs of the additional buildings. Noel stated that he is looking into the possibility of putting in a sewer treatment plant on the site.
