COMMUNITY CONCERN

Discuss and take action on illegal shooting on South Las Vegas Blvd. near Sloan. Metro was not present at the meeting. Monica stated there are environmental problems with leaving trash, security problems involving others traveling on the desert, and there is no signage anywhere. There is a 3 mile law of no shooting around Goodsprings, so why is it ok to shoot on Las Vegas Blvd.? Mike Shannon will check into the boundary and environmental issues with Metro and BLM.

Discuss and take action on helicopters landing between Pioneer Saloon and Julie Roddham's house. Damage is being done to house and cars. Ruth has the helicopter aviation numbers from the helicopter. We need to find out if Ruth found out any information yet. This item will be held over until next meetings agenda. Julie will talk to Ruth to see if she still has the numbers.

Discuss and take action on lack of a 25 mph speed limit sign under the bridge by the freeway. Mike will talk to Deputy Director Mike Malfabom of NDOT about placing another sign there.

Discuss and take action on a stack lane at Jean on the west side of the freeway by the Shell Station. Every Sunday and holidays it is impassible due to traffic waiting for gas. Mike will discuss the matter with NDOT.

Discuss and take action on Sandy Valley Road lane markings. The center line markings are hard to see. Mike said to put this into the new budget.
