5. Zoning

Commission- One ORDINANCE scheduled for **PUBLIC HEARING (ORD-0116-12)** was heard at their March 21, 2012 meeting (Agenda item #37). During the 2011 session, the Nevada Legislature passed AB 544, requiring local governments to reference the same terms defined in Nevada Revised Statutes (NRS), in the local ordinances. The terms include “child care institution”, “facility for transitional living for released offenders”, “group foster home”, “halfway house for recovering alcohol and drug abusers”, “home for individual residential care”, and “residential facility for groups”. “Child care institution” and “facility for transitional living for released offenders” are already defined in Titles 30. Per Title 30 a “halfway house for recovering alcohol and drug abusers” and a “residential facility for groups” are included in “community residence”. This ordinance will revise the regulations for “child care institution”, reference “home for individual residential care” to the definition of “family” and define and regulate foster homes, including “group foster home ”as well as “family foster home”. **ADOPTED.**

6. Zoning

Commission-One ORDINANCE scheduled for **INTRODUCTION (ORD-0040-12) Temporary Supergraphics** was heard at their February 8, 2012 meeting (Agenda item # 30). One ORDINANCE scheduled for **PUBLIC HEARING (ORD-0040-12) Temporary Supergraphics** was held over at their March 21, 2012 meeting (Agenda item #35). Advances in sign technology predicate the possibility of creating a new sign type. Staff can see a possible need for regulating the supergraphics separate from other sign types. Staff proposes allowing these signs subject to time, size and material limitations. **Held over to 05-16-12-per applicant.**

7. Zoning

Commission-One ORDINANCE scheduled for **INTRODUCTION (ORD-0117-12) [Legislative Changes Spring Mountain]** was heard at their March 21, 2012 meeting (Agenda item #32). One ORDINANCE scheduled for **PUBLIC HEARINGS (ORD-0117-12) [Legislative Changes Springs Mountain]** was heard at their April 4, 2012 meeting (Agenda item #22). During the 2011 session, the Nevada Legislature passed SB232 removing 4 tracts of land from the Spring Mountain National Recreation Area established through AB352 in 2009. Further, the bill prohibits the 4 excluded parcels from being used for transient lodging, gas station, grocery store, restaurant franchise and residential development with a greater density than 1 home per 2 acres. This ordinance will rename the overlay to the “Spring Mountain Overlay” which will consist of 2 parts. Part 1 will be the newly established Spring Mountain National Recreation Area (original overlay less the 4 tracts) and Part 2 will be the 4 tracts of land removed from the Spring Mountain National Recreation Area. Each part will include the applicable use restrictions. **ADOPTED.**
