

George (Tom) Foster is the Professional Engineer Member of the Air Pollution Control Hearing Board. He was appointed by the Clark County Commissioners on August 6, 2013. Since 1998, Mr. Foster has operated *Professional Design Associates* in Henderson, Nevada, a consulting electrical engineering firm specializing in engineering for the construction industry. Some of his projects have been involved with air quality monitoring facilities and instrumentation, and air permitting issues. He has a BS in Electrical Engineering from the University of California at Berkeley and, in addition to professional registration in Nevada, he is a licensed Professional Engineer in Arizona, California, and New Mexico. He is a co-author of *Measuring the Magnetic Fields of Jupiter and the Outer Solar System, IEEE Transactions on Magnetics Vol. Mag II, No. 4, July 1975*, and author of *Fighting Harmonics: Eliminate or Accommodate? Pure Power Magazine, Summer 2000*. His term expires August 5, 2016.
