GENERAL DIRECTIVE:

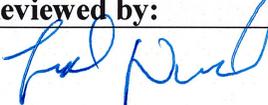

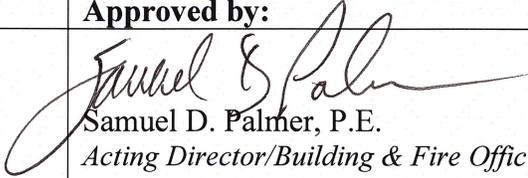

Drowning is a leading cause of unintentional death in Southern Nevada for young children. In an effort to increase drowning prevention awareness in Clark County, the [“ABC&D’s of Drowning Prevention”](#) handout shall be provided to homeowners during the inspection process as follows:

- The field inspector shall provide the [“ABC&Ds of Drowning Prevention”](#) to the homeowner at time of pre-plaster inspection for swimming pool permits. If the owner is not home at the time of the inspection, the inspector shall leave the handout in a visible location at either the front or rear door of the home. The inspector shall make note in the inspection comments that the pamphlet was provided.
- The field inspector shall provide the [“ABC&Ds of Drowning Prevention”](#) to the homeowner, in the manner described above, during any inspection of a residence in which an existing swimming pool is observed on the property.
