## NOTICE TO HOTEL INDUSTRY

### **SUBJECT: DECORATIVE ARTIFICIAL FOLIAGE**

Please see attached the results of the tests conducted on artificial palm trunks and palm fronds. While it is not always possible to extrapolate one material or assembly to another, it should stimulate some examination concerning artificial foliage. It is suggested that if you have any such features outside your building, you may want to consider similar testing and/or removal.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald L. Lynn", with a long, sweeping underline.
