

NEW WEBSITE TIPS...

Welcome to our new website. While it may look and feel completely different, we are still providing all of the same services and information that our customers have come to expect from our department. We have added a few features and also made some improvements to our existing web tools.

If you need a little help navigating our site or finding your favorite Development Services web page, take a look below for a quick tour of our most popular features.

IF YOU ARE LOOKING FOR...	ON OUR HOME PAGE, CLICK ON...
Document Image Search	Search our Records (left hand column), and then on Document Image Search
Schedule / Cancel Inspections	 On the Construction Services Online Home page, click on Schedule/Cancel Inspections in the EXPLORE BOX
Check Plan Review Status	 On the Construction Services Online Home page, click on Check Plan Review Status in the EXPLORE BOX
Permits Issued Report	Reports (left hand column), and then select Permits Issued Report
Permit Fee Calculator	Fee Calculator (left hand column)
Complaints	Report a Code Violation (left hand column)

Find specific information about each division such as Permit Issuance, Inspections, or Plan Review by clicking on the Divisions button and selecting the appropriate functional group.

Take a minute to explore our site and become acquainted with our new format. We hope you like what you see!
