

# EFFECTIVE OCTOBER 17, 2011...

Clark County Development Services will begin charging hourly plan review fees for all standard plan submittals, in accordance with Section 22.02.430 (Table 3-I).

All standard plan applications must be submitted using the “Hourly Plan Review” worksheet/ application. The application form may be downloaded at:

[http://www.clarkcountynv.gov/Depts/development\\_services/plan\\_review/Forms/Hourly\\_Plan\\_Review\\_Checklist.pdf](http://www.clarkcountynv.gov/Depts/development_services/plan_review/Forms/Hourly_Plan_Review_Checklist.pdf)

Any Standard Plan previously reviewed and approved under the 2005/2006 building codes are required to be updated to the current adopted 2008/2009 building codes.

We are requesting the design professional(s) to clearly identify the specific design changes necessary to meet the new 2008/2009 code requirements. This will expedite the review and minimize the cost impact.
