

Online QAA Agreements

Beginning Monday, February 4, 2013, new initial Quality Assurance Agreements (QAA) can be easily created online by following the steps below:

- Step 1: Enter application number
- Step 2: Select QAA Agency from approved list
- Step 3: Print at your home or office
- Step 4: Provide 3 original copies, signed by the owner or design professional of record when picking up your permit

This service may also be used to view existing agreements, but revisions or changes to QAA agreements must be done in the office.
