

# NOTICE

To support our upcoming service addition to conduct over-the-counter reviews, plans reviewers are preparing checklists to guide them through review.

Should you choose to familiarize yourself with these checklists, they are made available for your reference.

If you have any questions, please contact Stephen DiGiovanni, by email at [sdigiovanni@clarkcountynv.gov](mailto:sdigiovanni@clarkcountynv.gov) or by phone at (702) 455-7103.
