Industry Notice:

Clark County Fire Prevention is undergoing development of a revised fee schedule. The purpose of the revision is to streamline the fee schedule and provide greater consistency and ease of use to our customers.

We are holding informational sessions for various industries. These sessions will be held at 4701 W. Russell Road, 89118, in the large presentation room, accessed via the west entrance. All meetings will be held 2:30 p.m. – 4:00 p.m.

The schedule of informational sessions is as follows:

December 17: Target audience is the assembly industry, tent industry, and special event industry

December 19: Target audience is the fire protection contractor industry

January 14: Target audience is the civil engineer industry

January 23: Target audience is the hazardous materials industry, the flammable/combustible liquids industry, and the compressed gas industry

January 28: General session for all industries

January 30: General session for all industries
