NOTIFICATION OF PROPOSED AMENDMENT TO CLARK COUNTY CODE, CHAPTER 6.12, REGARDING MOTOR TRANSPORTATION NETWORK COMPANIES

Dear Licensees and Community Partners:

Please be notified pursuant to NRS 237.080, that the Clark County Department of Business License, in response to the approval of Assembly Bills 175 and 176 on May 29, 2015, has proposed amendments to Clark County Code Chapter 6.12 to provide for the licensure and payment of business license fees for Motor Transportation Network Companies that intend to operate within Clark County. The amendments are available for your review online at:

<http://www.clarkcountynv.gov/depts/businesslicense>

Specifically, the proposed amendments would require anyone intending to operate or engage in business within Clark County as a Transportation Network Company, as defined in Assembly Bill 176 (2015 State of Nevada Legislative Session) to apply for and obtain a Clark County Business License and pay business license fees.

In accordance with NRS 237.080, business owners and interested parties may submit data and arguments to the Clark County Board of Commissioners, in care of the Department of Business License as to whether the proposed amendments will:

1. Impose a direct and significant economic burden upon a business; or
2. Directly restrict the formation, operation or expansion of a business.

Please direct your comments, data and arguments in writing to the Department of Business License by 5:00 p.m. on September 28, 2015, at PublicCommentCCBL@clarkcountynv.gov.

The Business Impact Statement will be presented to the Board of County Commissioners at their regularly scheduled meeting on Tuesday, October 6, 2015, and a public hearing will be set to discuss this proposed ordinance at the Board's regularly scheduled meeting on Tuesday, October 20, 2015.

Sincerely,

Jacqueline R. Holloway
