NOTIFICATION OF PROPOSED AMENDMENT TO CLARK COUNTY CODE, CHAPTER 16.08, SECTIONS 16.08.060, 16.08.130, AND 16.08.170 REGARDING NEWSRACKS

Dear Licensees and Community Partners:

Please be notified pursuant to Nevada Revised Statute (NRS) 237.080, that the Clark County Department of Public Works, in response to direction from the Clark County Board of Commissioners, has proposed amendments to Clark County Code Chapter 16.08 to provide for identification and removal of abandoned newsracks in the areas where permits are not required. The amendments are attached and are also available for your review online at:

www.clarkcountynv.gov/depts/businesslicense

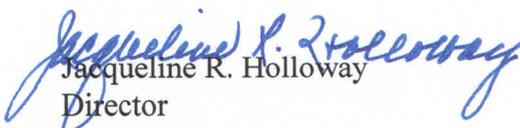

Specifically, the proposed amendments would allow the County to impound newsracks determined to be abandoned outside the permitted area. Pursuant to the proposed amendments, the County may impound newsracks that have been empty for five (5) consecutive days after affixing a notice to the newsracks that it is considered abandoned.

In accordance with NRS 237.080, business owners and interested parties may submit data and arguments to the Clark County Board of Commissioners, in care of the Department of Business License as to whether the proposed amendments will:

1. Impose a direct and significant economic burden upon a business; or
2. Directly restrict the formation, operation or expansion of a business.

Please direct your comments, data, and arguments in writing to the Department of Business License by 5:00 p.m. on September 12, 2014, at bloutreach@clarkcountynv.gov.

Sincerely,

Jacqueline R. Holloway
Director
