Dear Licensee,

Effective **April 1, 2016**, the Department of Business License has contracted with **Wells Fargo Merchant Services LLC** for the purpose of processing business license renewals payments. Businesses will safely and conveniently submit business license renewal payments over a secure online payment system.

During the online payment process, Licensees will be required to provide account information pertaining to the account that is used to electronically submit the online payment. Due to banking industry practices, your account may have debit blocks, or filters that prevent successfully completing the online payment process. **Please contact your financial institution to determine if the account has a debit block or filter.** If your account has a debit block or filter, you will need to provide your financial institution the following information:

- **The payment processor is Wells Fargo Merchant Services LLC**
- **Wells Fargo Merchant Services Originator Id's #3113111249 & #1680338392**

If you have any questions please contact me at (702) 455-2732 or Angie Arellano at (702) 455-6295.

Sincerely

Mercedes Josephs  
Acting Assistant Finance Manager
