30.36.020 Interpretation of District Sequence.

- a. Within the previous district categories, each district shall be deemed to be less restrictive than the district preceding it and each category shall be deemed to be less restrictive than the category preceding it and the overlay districts shall provide additional requirements and limitations beyond those required by the underlying zoning district only.
- b. The regulations set by this Title within each district shall be considered minimum requirements and shall apply uniformly to each class or kind of structure or land, except as otherwise provided.

30.36.030 The Official Zoning Map. The County is divided into zones or districts, as shown on the Official Zoning Map, which may be in the form as described in Section 30.36.050, including all explanatory matter, is adopted by reference and declared to be a part of this Title. Any map printed identifying the Official Zoning Map shall be identified by the following words:

“THIS IS THE OFFICIAL ZONING MAP REFERRED TO IN SECTION 30.36.030 OF THE CLARK COUNTY CODE OF THE COUNTY OF CLARK, STATE OF NEVADA AS OF _____ (Date).”

30.36.040 Disclosure Maps. Per Section 7.65.010 of the Clark County Code, the posting of zoning maps and land use plan maps shall be required to be posted showing a one (1) mile radius of the property for any residential subdivision with ten (10) or more lots. The maps must be displayed within the sales office of the subdivision. Chapter 113.070

of the Nevada Revised Statutes requires that at the time of the initial sale of land that the zoning designation and master plan be disclosed to the buyer, and a copy of the Gaming Enterprise District Map is required to be provided with the location of the nearest Gaming Enterprise District. This information and the purchase of maps are available in the offices of the Department of Comprehensive Planning, Current Planning Division, and is also available, without charge, on the internet at www.co.clark.nv.us within County Services by Department/Comprehensive Planning/Open Web Info Mapper selections.

- 30.36.050 Custody of the Official Zoning Map.** Regardless of the existence of copies which may from time to time be made or published, the Official Zoning Map shall be under the custody of the County Clerk and maintained in an electronic database reflecting ordinances adopted to reclassify property. This Official Zoning Map, so stored, shall be the final authority as to the current zoning status of land and water areas, buildings, and other structures in the County.
- 30.36.060 Amendments to the Official Zoning Map.** No changes of any nature shall be made to the Official Zoning Map except in conformity with the procedures for amending the map as set forth in this Title. If changes are made to district boundaries or other matters portrayed on the Official Zoning Map, such changes shall be entered promptly after the ordinance to amend the district boundary adopted by the Board. No amendment to this Title which involves matters portrayed on the Official Zoning Map shall become effective until after such change has been adopted by the Board.
- 30.36.070 Rules for Interpretation of District Boundaries.** Where uncertainty exists as to the boundaries of districts as shown on the Official Zoning Map, the approximate alignment of the boundary, indicated as follows, shall rule.
1. District boundary lines shall be construed to follow:
 - A. The centerlines of streets, highways or alleys.
 - B. Platted lot lines, section lines, quarter section lines or city limits.
 - C. Railroad lines midway between the main tracks.
 - D. Shorelines and, in the event of change in the shoreline, shall be construed as moving with the actual shoreline. Boundaries indicated as approximately following the centerlines of streams, rivers, canals, lakes or other bodies of water shall be constructed to follow such centerlines.
 2. District boundaries indicated as parallel to, or extensions of, features indicated in subsection (1) of this Section shall be so construed. Distances not specifically

indicated on the Official Zoning Map shall be determined by the scale of the map, or where an ordinance exists based on the legal description.

3. Where physical or cultural features existing on the ground do not coincide with those shown on the Official Zoning Map or are not covered by subsections (1) and (2) of this Section, the Zoning Administrator shall interpret the district boundaries.

30.36.080 Miscellaneous Maps. Maps and the electronic database creating such maps, are hereby adopted to describe specific geographic areas related to topography, air quality, airport functions, overlay districts, community districts, and the protection of rural areas. The maps are as adopted by the Board, and as amended by future action. These maps are shown in reduced form in Appendix G, and detailed copies are available for review and/or purchase from the Department of Comprehensive Planning. The maps are the basis of specific regulations listed within this title which are designed to mitigate the impact of development within the particular areas described. The maps are as follows:

1. **Airport Airspace Maps.** The maps described in Chapter 20.13 and Part B of Chapter 30.48 within which the height of structures is limited within airspace affected by aircraft operations.
