66	The Anthem East Trails are a great example of multi-use trails in a near urban setting. The trails are being well received by the community and seeing a lot of usage. Increasing the number of multi-use trail opportunities like Anthem East would differentiate Las Vegas from almost every city. I'd like to be involved.	Apr 25, 2012 5:23 PM
67	This area offers an outstanding opportunity for the County to create a unique nature oriented park, different from the other county regional parks. The development should be oriented more towards non-motorized trails, picnic facilities, and interpretive facilities. Also, it would be good to look into adventure type trails that might attract more interest in kids,. There is a cool trail at Mohave National Preserve at the Hole-in-the-Wall area with chain through a slot canyon that makes for more of an adventure experience for people.	Apr 25, 2012 11:58 AM
