1	Non-smoking strongly encouraged	Aug 27, 2012 7:42 PM
2	Would like more trails design and build	Aug 27, 2012 7:39 PM
3	This part of town is amazing!	Aug 27, 2012 7:02 PM
4	We do not need any more HOA intervention in our lives. We visit the mounjtains totally without any need for assistance from some nanny HOA. You could however start the process to eliminate the HOA from our community. That we will support.	Aug 22, 2012 2:28 PM
5	There are so many active people and their families including dogs in this area. The 2 parks that we have now can not sufficiently provide enough space.	Aug 21, 2012 1:29 PM
6	I am not familiar with this area.	Aug 21, 2012 12:21 AM
7	Beautiful desert mountains out there.	Aug 20, 2012 2:16 PM
8	I missed the notification of this meeting and therefore haven't seen the plans. Would like to have attended and will look for the announcement of the next meeting.	Aug 20, 2012 1:56 PM
9	I live at Rhodes Ranch and have been going up to the area for the past 32 years. I am excited to see this developed into a park as I mountain bike and run in the area weekly	Aug 13, 2012 2:47 PM
10	I live at Rhodes Ranch and have been going up to the area for the past 32 years. I am excited to see this developed into a park as I mountain bike and run in the area weekly	Aug 13, 2012 2:47 PM
11	I couldn't find the draft vision statement.	Aug 9, 2012 9:51 PM
12	Is the park only for residents?	Aug 9, 2012 7:46 PM
13	You need to define "outdoor recreation" to be sure it EXCLUDES motorized bikes and other vehicles!	Aug 9, 2012 5:03 PM
14	If there will be ample parking sites along Ft. Apache Road and other areas adjacent to the Southwest Ridge then i would strongly agree.	Aug 9, 2012 11:52 AM
15	please have designated hiking, mountain biking, running and equestrian trails. Not multi user. If incorporated from beginning this will lead to less conflicts between the user groups. There can be multi user trails but each group should have specific of trails trails they can enjoy without fear of running into each other. Also, please have directional trails, one way.	Aug 8, 2012 11:17 PM
16	does the outdoor recreation have to be exciting? Could it also be relaxing?	Aug 8, 2012 10:53 PM
17	Multi-use 'human-power' trail system would be great	Aug 8, 2012 9:36 PM
18	However, NO ballfields	Aug 8, 2012 8:54 PM

Page 2, Q2. Conservation: Balance conservation of the area's existing open space, hillside geology and native habitat with the creation of multi-use trails and outdoor recreation.

1	Add "low impact" before outdoor recreation	Aug 27, 2012 7:26 PM
2	It is just stupid to alter nature for some organization so they can charge higher fees for their "attractions." We do not need any HOA dominance. GET IT!	Aug 22, 2012 2:33 PM
3	To include a fenced area for dogs.	Aug 21, 2012 12:38 AM
4	Keep it as natural as possible. Only a horse trail and a natural foot path should be added.	Aug 20, 2012 2:55 PM
5	Absolutely. Trails, both hiking and mountain biking are the best way to enjoy this area.	Aug 20, 2012 2:19 PM
6	This statement isn't about conservation - it's about design - how nature and man made features are harmoniously designed in a space. Instead of Conservation, you should consider using "Nature friendly" or "Environmentally conscious". Suggested wording for the sentence: Balanced integration of existing open space, hillside geology and native habitat with trails and recreation features. If you want to use Conservation, then you need to address the use of less energy and protecting the desert ecology.	Aug 20, 2012 12:31 PM
7	Once again - DEFINE what multi-use includes.	Aug 9, 2012 5:07 PM
8	Make sure the trails are wellll marked and dont provide oportutnites for motorized recreation on them.	Aug 9, 2012 2:13 PM
9	Along with multi use trails there should be some designated mountain bike trails.	Aug 8, 2012 10:41 PM
10	multi use is very important	Aug 8, 2012 9:41 PM
11	I would add at the end:"while protecting the environment"	Aug 8, 2012 8:40 PM

Page 2, Q3. Trails: Provide a system of non-motorized, multi-use trails for a variety of activities, which will connect adjacent neighborhoods and community destinations with the natural environment and area historic features.

1	Dislike the part about connecting to adjacent community destinations. If it's open to all residents, I wouldn't like that easy of an access to my community.	Aug 26, 2012 12:22 AM
2	I see the word waste written all over this stupidity.	Aug 22, 2012 2:33 PM
3	No bikes nor horses should be allowed on the hiking trails. They should have separate trails.	Aug 21, 2012 12:23 AM
4	We don't need a "system" of trails. One trails for horses, one trail for people.	Aug 20, 2012 2:55 PM
5	Sounds awesome.	Aug 20, 2012 2:19 PM
6	We need trails for OHVs	Aug 20, 2012 12:54 PM
7	Dirt bikes should be allowed	Aug 20, 2012 12:53 PM
8	Currently some residents enjoy riding recreational vehicles in this area. this should continue to be permitted within safety limits.	Aug 20, 2012 12:39 PM
9	I like segregated trails- hiker only trails, biker only trails and horse/hiker only trails and then some for all. I hike and bike and appreciate not fearing a collision with different types of riders (either way, I never appreciate coming in contact with, or traveling on a trail frequently used by equestrian types for their effect on the trail, their unpredictability and size, and their excrement and flies.	Aug 18, 2012 1:24 PM
10	It will be extremely important to keep motorized vehicles off any trails used by horses. Motorized vehicles, if allowed, should have their own trails and area.	Aug 10, 2012 2:42 PM
11	having trails will be better for the conservation of the area in that it will encourage traffic it stay in certain areas... and not all over the place	Aug 10, 2012 1:25 PM
12	Don't forget about the equine usage but, safety is first when creating trails with motorized vehicles & horses	Aug 10, 2012 12:18 PM
13	Mtn bike freindly	Aug 9, 2012 10:18 PM
14	as many paved walking/bike trails as possible would be fanitastic!!!	Aug 9, 2012 9:53 PM
15	For safely, SOME trails should also EXCLUDE wheels (bicycles) for foot/hoof traffic only.	Aug 9, 2012 5:07 PM
16	Listing the historic sites on a posting site at the start of a trail could be of interest to users of the park.	Aug 9, 2012 12:13 PM
17	Mtb trails for all levels, begginer, int, and ADVANCED.	Aug 8, 2012 8:17 PM
18	Place markers and prohibitions etc	Aug 8, 2012 8:15 PM

1	Leave nature alone. Get a real job.	Aug 22, 2012 2:33 PM
2	this is not a positive statement, get rid of minimize negative impact and substitute with while protecting adjacent properties or land.	Aug 20, 2012 11:30 PM
3	Any development that encourages people to come to the area will impact the site. People litter, dogs ruin stuff!	Aug 20, 2012 2:55 PM
4	You don't need facilities. Just make it like Red Rock with Trails and easy access.	Aug 20, 2012 2:19 PM
5	There should be a pool, large, with water slides.. diving board .. also make a downtown like area. Stores surrounding the park. Restaurants, bars, ice cream, candy shops. Are you familiar with downtown Plymouth in Michigan? Something like that, but a pool included	Aug 20, 2012 12:53 PM
6	As long as the costs of such actions do not discourage completion of the project or reduce focus on trails.	Aug 18, 2012 1:24 PM
7	it is very important for the owners of adjacent properties and land to voice their opinions whether it is through this survey, Town Boards or a PC and/or BCC meeting.	Aug 9, 2012 12:13 PM

2	Horse trails	Aug 27, 2012 7:49 PM
3	- Amphitheater to have plays, music or promote local talent for the public. Money collected to use for upkeep. - Indoor tennis courts for a fee to maintain to help in physical fitness - Indoor pool? - Rec center? - Adequate parking, restroom facilities, non-smoking rest places for elderly, wheelchair access, private horseback riding company - Tennis courts - indoor - Indoor rec center with swimming pool - Partner with private business to help (make) this work. No political agendas but the will of the people! - Keep in mind any noise levels that could disturb nearby homes - Security - what security/safety measures will be in place, emergency contacts, etc. - Do you plan on having restroom facilities every so many feet? - Does this plan include food huts, snack bars and drinking water to be provided to the public?	Aug 27, 2012 7:47 PM
4	As an avid cyclist and mountain biker, I would love to see a bike trail system developed. I have seen cities such as Boulder, CO and Draper, UT, who have built trail systems that have become a considerable economic engine.	Aug 27, 2012 7:41 PM
5	Need more public private partnerships. County funding is limited. This will help. More adventure activities for locals. This area is beautiful and should be opened for all to see and enjoy. Perfect for zip lines and Via Ferratta.	Aug 27, 2012 7:37 PM
6	Not so much a goal statement, but my son is a cub scout going on boy scout. (With the park closeby) this way we won't have to travel away from the Las Vegas Valley. Also, we should not put too many buildings that will obstruct the views that the mountains have to offer. Great idea for the Las Vegas Valley. Thank you.	Aug 27, 2012 7:20 PM

41	To bring awareness and to enjoy the solitude and beauty of the Nevada desert.	Aug 14, 2012 3:22 PM
42	We need to add Via Ferratta courses. Fun exciting climbing with minimal ris. We can bring locals as well as tourist to see this amazing property.	Aug 13, 2012 2:52 PM
43	The place should offer a variety of uses (not just mtn. bikers, etc.).	Aug 10, 2012 1:25 PM
44	Protection of wildlife is a must.	Aug 10, 2012 10:56 AM
45	We need a Dog Park and lot of Trees. Maybe a hugh pond with ducks like Sunset park! Our dogs don't have a place to run free. We have to travel at least 7 miles to Desert Breeze park. We live at Warm Springs and Ft. Apache. Very excited about this new project!!!! Please a Dog Park!	Aug 9, 2012 7:02 PM
46	Provide the planning committee with a recent inventory of plants and animals and natural communities that exist in this area so that they can take that into adequte consideration when planning routes for trails to minimize conflicts and habitat degradation.	Aug 9, 2012 2:13 PM
47	This area is perfect for mountain bike trails.	Aug 9, 2012 12:54 AM
48	Use trail building volunteers so that you can save money and get things done faster	Aug 8, 2012 11:12 PM
49	IF a park is going to be built, I'd like to see it kept as natural as possible. Not like Desert Breeze.	Aug 8, 2012 10:56 PM
50	Long range, plan to connect to the Red Rock Area.	Aug 8, 2012 8:59 PM
51	I would think that, at some level, ADA should be addressed. Maybe something like; "while providing a level of access to the physically challenged individuals an opportunity for involvement and participation that is worthy of this magnificent area" I think you get the idea.	Aug 8, 2012 8:40 PM
52	we need some type of community center for the kids in our area not just parks.	Aug 8, 2012 8:21 PM
53	A dimensional plan in actual existence for pre- approval and parameters etc	Aug 8, 2012 8:15 PM

34	I can barely tell what this is or anything cause I'm taking the survey on my phone. I didn't realize you were planning to build an exploration park... Like areas in mount chareleston? Sort of...	Aug 20, 2012 12:57 PM
35	additional areas to park near all areas.	Aug 20, 2012 12:42 PM
36	I would improve the trail network south of Sunset. The area north of Sunset is well thought out. South of Sunset, more trails up the hillside can be created off the main trail.	Aug 20, 2012 12:42 PM
37	Make sure there are plenty of drinking fountains a long the trail for during the summer.	Aug 20, 2012 12:26 PM
38	Always have good directional signage indicating distance of trail connections.	Aug 15, 2012 4:14 PM

from this graphic if there is adequate parking that will not intrude on the neighboring houses. The system looks far enough away, but trail users will sometimes park in the wierdest places.

49	The connection trails are important. The ability to access all areas of the park by trail is essential.	Aug 9, 2012 9:23 AM
50	Additional trail systems taking advantage of the perfect natural topography and elevations of the area	Aug 9, 2012 1:43 AM

Southwest Ridge Area Comprehensive Planning Community Open House

As an active user of Clark Counties southwest side parks, I feel I represent a segment of the community that hasn't been addressed in the Clark County Park system designs. I am speaking of the rising Obstacle Course, Crossfit and Mudder residents of Las Vegas. This October, Las Vegas will host it's first "Tough Mudder" a 10 mile run with an obstacle course.

Each year thousands of Las Vegas's travel to San Diego home of the world famous "Camp Pendleton Mud Run" and their "Boot Camp Challenge". each event has an Obstacle course. Las Vegas has its own obstacle course events like the "Warrior Dash" and "Rhino Obstacle Course". And new events are popping up all over Las Vegas. Obstacle/Callisthenic style courses throughout the park system both outdoor and indoor would greatly benefit the many thousands of athletes/residents who participate in these events as well as any athlete and the general community.

What would a Obstacle/Callisthenic course consist of? My suggestions are simple old school style calisthenics equipment, the type of equipment that is currently used in Clark County Parks on a smaller scale for children that are typically inadequate for adults. Sunset park had some of this equipment along the runners/walking trail but has been removed in its remodeling.

- Dip bars
- Chinning bars
- Steeple Monkey bars
- Regular Monkey bars
- Rope climbs
- Gymnastic rings
- Balance beams
- Wall climbs
- Hurdles

I sincerely thank you for the opportunity to voice my suggestions.
