30.28 Subdivision Application Processing

30.28.010 Purpose. The purpose of this Chapter is to provide standards and procedures for the acceptance, processing, hearing, and final action on subdivision and other mapping applications in accordance with the development standards and requirements of this Title.

30.28.020 Applicability. It shall be unlawful for any portion of any subdivision of land in the County to be sold prior to the recording of a subdivision map or to adjust the boundaries between existing lots without recording a boundary line adjustment effective July 1, 1973. Any contract for the sale of land within a proposed subdivision shall contractually obligate the seller to record the required map before title is transferred. (Ord. 2573 § 5 (part), 2001)

30.28.030 General Subdivision Processing.

a. Subdivision and other mapping applications may be initiated, accepted, processed, noticed, heard and acted upon in accordance with the provisions of this Chapter. Any division of land, or adjustment to the boundaries dividing land in Clark County shall be in accordance with the processes described in Sections 30.28.040 through 30.28.110 and Tables 30.28-1 through 30.28-8. For major and minor subdivision maps, the tables are in the order in which subdivision applications shall be submitted and approved. Each application shall be approved before the subsequent application can be accepted. The following five (5) general procedures are described in this Chapter.

- 1. Major Subdivisions.** The review process for major subdivisions is outlined in Tables 30.28-1 through 30.28-3. Major subdivisions are divisions of land into five (5) or more lots or parcels. In addition, common interest communities or subdivisions shall comply with the provisions of the Nevada Revised Statutes, Chapter 116, or with Chapter 117 if applicable.
- 2. Minor Subdivisions.** The review process for minor subdivisions is outlined in Tables 30.28-4 through 30.28-6. Minor subdivisions are divisions of land into four (4) or less lots or parcels.
- 3. Reversionary Maps.** The review process for reversionary maps is outlined in Table 30.28-7.
- 4. Boundary Line Adjustments.** The review process for boundary line adjustments is outlined in Table 30.28-8.
- 5. Extensions of Time.** The review process for extensions of time for subdivision maps is outlined in Table 30.28-9.

b. Certificate of Amendment. The review process for a certificate of amendment shall be as provided in NRS 278.473 and shall be reviewed by the County Surveyor. When the ownership or beneficiary interest is the subject of the amendment, the submittal of an updated title report, including a subdivision guarantee, in conformance with the requirements specified in Section 30.28.130(a)(8), shall also be required to verify that the name or entity of current ownership is correct. (Ord. 3160 § 6 (part), 11/2004; Ord. 2806 § 1 (part), 10/2002)

30.28.040 Major Subdivision Tentative Map. Tentative maps for major subdivisions, and maps titled “Divisions of Land into Large Parcels” shall be processed per Table 30.28-1.

Table 30.28-1 See Also 30.16.210 for general process information and standards	
MAJOR SUBDIVISION TENTATIVE MAP- AUTHORITY AND CONSIDERATION TABLE	
a. Initiating Authority	Property owner
b. Standards for Acceptance	<ol style="list-style-type: none"> 1. All land included within a single map must be contiguous. 2. All property included within the tentative map shall be a legal lot(s), or shall be legalized prior to recording the first final map. 3. All components of a mixed use development may be included on one major subdivision map, provided all proper land use approvals for such a mixed use development have been obtained by the local governing body. 4. Applications subject to the Cooperative Management Area Deed Modifications Policy shall not be accepted without confirmation from the Department of Aviation.
c. Fee	\$750
d. Application Process	Hearing before the Commission per Section 30.16.210.
e. Notice Requirements	Posted notice, entity notice, and city notice; additionally for manufactured home parks proposed for subdivision and/or redevelopment to a different use, notice shall be provided to each tenant of such parks, plus signs (See Section 30.16.230 Notice)
f. Recommending Entities	Town Board for development for which no prior land use applications have been approved and government entities, and Cities for projects of regional significance
g. Approval Authority	Commission; Board, for application submitted in conjunction with, or in lieu of, another application that requires Board approval, applications requiring a deed modification pursuant to the Cooperative Management Area Deed Modification Policy, or at the discretion of the Zoning Administrator
h. Appeal Authority	Board
i. Standards for Approval	The property owner shall demonstrate that the proposed subdivision is in full compliance with the requirements of this Title. Each of the proposed lots shall be designed with adequate width and depth to accommodate the proposed use(s).
j. Map Expiration	A tentative map shall expire in 4 years from its approval date unless a final map for all, or a portion, of the property included under the tentative map has been recorded within that 4 years. The recording of the first final map shall extend the expiration date of the tentative map for an additional 2 years from the date the first final map was recorded. For each final map recorded thereafter, the expiration date of the tentative map shall continue to be extended for 2 additional years as based on the date the first final map in a series was recorded. The tentative map may also be extended for an additional 2 years by the approval authority pursuant to the hearing process specified in 30.16.210, provided a final map has been recorded since the original approval or the last extension of time.
k. Finality of Decision	Following an appeal or reconsideration period of 5 working days, action shall be final and effective on the date of action on the map unless reconsidered. Following Board or Commission action, the applicant shall be notified of the decision. No permits or licenses shall be issued until the action becomes final.
l. Conditions of Approval	<ol style="list-style-type: none"> 1. All development, or use of land, is subject to the development standards listed in this Title unless otherwise specified. The Commission <i>or</i> Board may impose additional conditions to mitigate potential adverse effects of an application on adjacent properties and the community. 2. All approved plans, conditions, restrictions and rules shall be made a part of the map’s approval and shall be binding on the property owner.
m. Extension of Time	Provided that the requirements specified in Table 30.28-1(1) have been satisfied, a tentative map may be extended in accordance with the procedure shown in Table 30.16-17 except that administrative extensions of time are not permitted.

(Ord. 4658 § 7 (part), 1/2019; Ord. 4562 § 3, 2/2018; Ord. 4367 § 4 (part), 2/2016; Ord. 4275 § 3 (part), 3/2015; Ord. 4152 § 4 (part), 12/2013; Ord. 4077 § 5 (part), 2/2013; Ord. 4063 § 5, 11/2012; Ord. 3924 § 4 (part), 1/2011; Ord. 3804 § 3 (part), 9/2009; Ord. 3549 § 5(part), 9/2007; Ord. 3499 § 2 (part), 3/2007; Ord. 3397 § 3 (part), 6/2006; Ord. 3354 § 4, 2/2006; Ord. 3160 § 6 (part), 11/2004; Ord. 2961 § 3 (part), 10/2003; Ord. 2857 § 6 (part), 2/2003; (Ord. 2788 § 4 (part), 9/2002; Ord. 2779 § 2 (part), 7/2002; Ord. 2756 § 5, 6/2002; Ord. 2741 § 5 (part), 5/2002; Ord. 2510 § 6 (part), 2000)

30.28.050 Major Subdivision Final Map Technical Review. Technical review of final maps, and amended final maps for major subdivisions and maps titled “Divisions of Land into Large Parcels” shall be processed per Table 30.28-2.

b. Standards for Acceptance	<ol style="list-style-type: none"> 1. The tentative map must be approved. 2. The technical impact analysis must be conditionally accepted by the Director of Public Works in accordance with Section 30.32.060 Technical Impact Analysis. 3. Once the final map technical review has been accepted, further dedications and easements may not be recorded separately. All dedications and easements shall be included and finalized with the recording of the final map. 4. All components of a mixed use development may be included on one major subdivision map, provided all proper land use approvals for such a mixed use development have been obtained by the local governing body.
c. Fee	\$600 + \$6 per lot (includes planning and survey submittal)
d. Approval Authority	Director of Public Works
e. Appeal Authority	Development standards may be waived upon approval of an application in accordance with Table 30.16-7.
f. Distribution and Review	Copies of the map shall be distributed to interested government entities and/or public utilities potentially affected by the proposed subdivision who, together with the Director of Public Works, will conduct the necessary reviews, inspections and research to determine the requirements to be completed by the property owner in order to record a future map, and shall transmit such information to the Director of Public Works within 15 working days.
g. Agency Approvals	The property owner shall perform the necessary tests, and file the information, data and plans required to obtain approval of the map from any agency, department, or utility purveyor as required by the Director of Public Works
h. Notice of Requirements	The Director of Public Works, taking into account the requirements of other governmental entities, shall prepare and issue a notice of requirements to the property owner detailing requirements for recording the map. Said notice can be relied upon by the property owner for the purposes of submitting a map for a period of 1 year from the date of the notice of requirements letter, subject to the provisions of any state statute or local ordinance adopted prior to final approval of the map. Any changes made by the applicant to the technical geometry of the map can be accomplished with revisions to the original plans, provided applicable survey fees are paid. After 2 revisions have occurred, any subsequent change will require the submittal of a new map.
i. Completion of Requirements	The property owner shall complete all the requirements listed on the notice provided by the Director of Public Works and return required corrections to the Director of Public Works for subsequent review. Specific agencies must separately review and approve the proposed subdivision, technical impact analysis, and improvement plans in accordance with Chapter 30.32. When satisfied as to the suitability of the subdivision and the technical correctness of the material submitted, approval will be transmitted to the Director of Public Works.
j. Standards for Approval	<ol style="list-style-type: none"> 1. All divisions of land shall conform to the Plan, the zoning requirements applicable to the zoning district, to the improvement standards listed under Chapter 30.32 of this Title unless otherwise specified, to all conditions of land use applications pertaining to the property, and to any other applicable state law or county ordinance. 2. All approved plans, conditions, restrictions and rules shall be made a part of the application’s approval and shall be binding on the property owner. A map shall be held to conform to the tentative map if no additional building lots are created, no additional property is added, and the design of the subdivision matches the general traffic and drainage pattern of the approved tentative map. 3. The final map technical review must be complete prior to the submission of the final map.

b. Standards for Acceptance	<ol style="list-style-type: none"> 1. The final map technical review must be approved prior to submittal of the final map. 2. Wherever water and sewage service is provided by a water or sanitary sewer purveyor, approval is not necessary from the State Department of Health, State Department of Conservation and Natural Resources and/or the State Public Service Commission. If individual well or sewage disposal systems are to be used, these agency approvals shall be obtained prior to the submission of the map, with the exception of the State Department of Conservation and Natural Resources and the Southern Nevada Health District, whose approvals shall be obtained prior to the recording of the map.
c. Fee	\$100
d. Application Process	The Director of Public Works shall verify completion of and conformance to the final map technical review, and shall ensure all required bonds are posted and fees paid.
e. Notice Requirements	Government and public utility entities
f. Recommending Entities	Government and public utility entities
g. Approval Authority	Director of Public Works
h. Appeal Authority	Development standards can be waived by filing an application in accordance with Table 30.16-7.
i. Standards for Approval	Upon final review, the posting of bonds, and the obtaining of all required signatures on the map, the map shall be approved and may be recorded. The County Recorder shall make a negative from the recorded original and provide the same to the County Surveyor.
j. Map Expiration	If not recorded, an approved final map shall expire at the expiration of the tentative map or final map technical review; however, an amended map that did not require a tentative map will expire one year from the date of the notice of requirements letter. If the map is not recorded within 30 days from release by the Director of Public Works, the County Recorder shall obtain verification from the Director of Public Works that the map is in order for recordation.
k. Withdrawal	A map withdrawn by the property owner shall cease its consideration.

k. Mergers and Resubdivision	<ol style="list-style-type: none"> 1. A property owner that owns 2 or more contiguous parcels may merge and re-subdivide the land into new parcels or lots without reverting the preexisting parcels to acreage pursuant to NRS 278.490. The recording of the re-subdivided parcels or lots on a new map constitutes the merging of the preexisting parcels (See appropriate subdivision map process). 2. The property owner or governing body shall ensure that streets, easements and utility easements, whether public or private, that will remain in effect after the merger and re-subdivision, are delineated clearly on the map. 3. If a property owner posted security for the completion of improvements to 2 or more contiguous parcels and those improvements will not be completed, the County shall credit on a pro rata basis the security posted toward the same purposes.

30.28.110 Boundary Line Adjustments. Boundary line adjustments within subdivisions shall be processed per Table 30.28-8.

Table 30.28-8 BOUNDARY LINE ADJUSTMENTS- AUTHORITY AND CONSIDERATION TABLE	
a. Initiating Authority	Property owner
b. Standards for Acceptance	A Boundary Line Adjustment may only be submitted to correct the following (as determined by County Surveyor): <ol style="list-style-type: none"> 1. A construction error in the field. 2. Mapping issues. 3. To make a nonconforming lot or lots more conforming.
c. Fee	\$300 (includes planning and survey submittal)
d. Application Process	Reviewed for conformance to this Title and surveying procedure, accuracy, sufficiency, mathematical correctness, monumentation, legal description and title impact.
e. Notice of Requirements	The Director of Public Works, taking into account the requirements of other governmental entities, shall prepare and issue a notice of requirements to the property owner detailing requirements for recording the map. Said notice can be relied upon by the property owner for the purposes of submitting a map for a period of 1 year from the date of the notice of requirements letter, subject to the provisions of any state statute or local ordinance adopted prior to final approval of the map. Any changes made by the applicant to the technical geometry of the map can be accomplished with revisions to the original plans, provided applicable survey fees are paid. After 2 revisions have occurred, any subsequent change will require the submittal of a new map.
f. Approval Authority	Director of Public Works
g. Appeal Authority	Development standards can be waived by filing an application in accordance with Table 30.16-7.
h. Standards for Approval	<ol style="list-style-type: none"> 1. The adjustment shall be subject to the design standards of this Title and any other applicable state law or County ordinance. 2. When the Director of Public Works confirms that the map is in conformance with this Title and is technically complete and accurate, the adjustment shall be approved and may be recorded.
i. Map Expiration	The map expires if not recorded within 1 year of the notice of requirements letter.
j. Withdrawal	An adjustment withdrawn by the property owner shall cease its consideration.

30.28.120 Extensions of Time. Extensions of time for major subdivision final map technical review, minor subdivision parcel map review, exceptions to minor subdivision parcel map review, and separate documents shall be processed per Table 30.28-9.

Table 30.28-9 EXTENSIONS OF TIME- AUTHORITY AND CONSIDERATION TABLE	
a. Initiating Authority	Property owner
b. Standards for Acceptance	Final Map Technical Review: A request to extend a map may only be submitted if there is an active tentative map. All other maps or separate documents: A request to extend a map or separate document shall be submitted before 5:00 p.m. of the day it is due to expire, or the last working day prior to expiration.
c. Base Fee	Minor subdivision maps: \$200 Tentative maps and major subdivision maps: \$200 Separate Documents: \$50
d. Application Process	Administrative review per 30.16.210
e. Recommending Entities	Government entities
f. Approval Authority	Director of Public Works.
g. Appeal Authority	Board
h. Standards for Approval	<ol style="list-style-type: none"> 1. Final Map Technical Review: An extension of time not to exceed 1 year, but not to exceed the time limit imposed on any tentative map. However, such an extension may require the re-evaluation of map requirements, which may result in revised or additional requirements or recalculated bonds and fees to ensure they are sufficient for the construction of required improvements. The approval authority may deny or add new conditions to the application if it finds that circumstances have substantially changed to warrant denial or additional conditions. 2. All Other Maps: An extension of time not to exceed 1 year, but not to exceed the time limit imposed on any approved land use application. However, such an extension may require the re-evaluation of map requirements, which may result in revised or additional requirements or recalculated bonds and fees to ensure they are sufficient for the construction of required improvements. The approval authority may deny or add new conditions to the application if it finds that circumstances have substantially changed to warrant denial or additional conditions. 3. Separate Document: An extension of time not to exceed 1 year. The approval authority may deny or add new conditions to the application if it finds that circumstances have substantially changed to warrant denial or additional conditions.
i. Withdrawal	An extension withdrawn by the property owner shall cease its consideration.
j. Finality of Decision	The action becomes final upon signing of the application by the Director of Public Works, or upon expiration of the appeal or reconsideration period given in this table. Following action, the property owner shall be notified of the decision. No maps shall be recorded until the decision becomes final.
k. Appeal	<ol style="list-style-type: none"> 1. Any person may appeal, in writing, the decision within 5 working days of the decision. The appeal must be physically received by the Director of Public Works by 5:00 p.m. of the 5th day. Once an appeal has been filed, it cannot be withdrawn. 2. In the event of an appeal, the application shall be scheduled for a hearing by the Board within 40 calendar days of the close of the appeal period unless continued for good cause. The Board may limit its discussion to the issues raised in the appeal.

a. Initiating Authority	Property owner
b. Standards for Acceptance	<ol style="list-style-type: none"> 1. Submittals shall only be accepted when the applicant demonstrates that the proposed separate document conforms to the provisions of this title. 2. Once the final map technical review has been accepted, further dedications and easements may not be recorded separately. All dedications and easements shall be included and finalized with the recording of the final map.
c. Base Fee	\$75 per submittal with \$50 incomplete package fee
d. Application Process	Internal review only
e. Recommending Entities	Government entities
f. Approval Authority	Director of Public Works.
g. Standards for Approval	<ol style="list-style-type: none"> 1. All separate documents shall be in compliance with all applicable approved plans, conditions, restrictions and rules. 2. When the Director of Public Works confirms that the separate document is in conformance with this Title and is technically complete and accurate, the separate document shall be approved and recorded.
h. Withdrawal	A separate document withdrawn by the property owner shall cease its consideration.
i. Finality of Decision	The action becomes final upon recording of the separate document by the Director of Public Works. Following action, the property owner shall be notified of the recording.
j. Expiration	The document expires if not recorded within 1 year. BLM applications to be active for 2 years. Extensions of time for up to one year (12 months) each may be granted if an application is submitted and the required fee is paid.

30.28.130 Document Submittal Requirements.

- a.** All subdivision or other maps shall be accompanied by the documents and information described below. All documents shall be legible and suitable for microfilm reproduction. All maps must be prepared by a competent professional to compile the data necessary to comply with this Title. All plans and maps must be accurate, drawn to a suitable and legible scale, with a legend clarifying all markings and lines delineated on the maps, and folded so they can be placed into a legal file. For an application to be acceptable for processing, all required documents must be filed.

- 1. Application.** A signed application, notarized when required by the Zoning Administrator or Director of Public Works, detailing the nature and justification for the request.
- 2. Site Plans.** For a parcel map review, site plans drawn to scale showing a north arrow, property lines and the dimensions of the parcel of land, proposed property lines and dimensions, existing and proposed streets, existing structures and other physical features on the lot, parking, setbacks of building(s) to proposed property lines, existing and proposed driveway or drive aisle locations, and a notation of the distance to existing municipal sewer and/or water lines if within one mile of the property. If municipal sewer and/or water lines are greater than one mile distant, it shall be noted on the plan. The plans need not be prepared by a professional. If the slope of the property exceeds 12%, development must comply with hillside development regulations of Chapter 30.56.
- 3. Tentative Map.** The tentative map shall be prepared by professional person(s) competent to compile the necessary data, and shall be named and contain the following information:
 - A.** The date of preparation and the map scale.
 - B.** The lettering shall be placed to read from the bottom right-hand side of the sheet. The north point shall be directed away from the reader.
 - C.** Names, addresses and telephone numbers of owners of record, subdivider, and person or persons who prepared the map.
 - D.** Sufficient legal description of the land to describe the location, including a graphic exterior subdivision boundary, dimensions, and approximate acreage.
 - E.** Locations, names, present widths and improvements of adjacent streets.
 - F.** Lot corners of adjoining subdivisions or tracts, together with recording data of adjoining subdivisions and/or parcels by recorded deed reference.
 - G.** Location, names, proposed grades and widths of proposed streets and highways, as shown on the Plan and within the proposed subdivision, including street section drawings.
 - H.** Contour lines of the entire subdivision, having the following intervals:
 - i.** Two foot contour intervals for ground slopes between level and 40%.
 - ii.** Five foot contour intervals for ground slopes between 40% and 80%.
 - iii.** Ten foot contour intervals for ground slopes exceeding 80%.

- iv.** If the slope exceeds 12%, it must comply with hillside development regulations of Chapter 30.56 and show the limits of such slope.
- I.** The width and location of all easements for drainage, sewage, public utilities, and other purposes.
- J.** Radii of all curves.
- K.** The lot layout, lot number, and approximate dimensions of each lot.
- L.** A map indicating plans for the development of the entire area if the proposed plat is a portion of a larger holding intended for subsequent development.
- M.** The location and outline, to scale, of each existing building or other structure, within the proposed subdivision, noting whether or not each existing building or structure is to be removed or remain in the development of the subdivision, and other physical features which would influence the layout or design.
- N.** Location of areas subject to inundation or stormwater overflow, and the location, widths, and direction of flow of all watercourses and proposed stormwater drainage and facilities, and also depicting limits of the 100 year flood plain.
- O.** Location and size of existing culverts, drain pipes, watercourses, natural drainage channels and their relocation, if proposed.
- P.** Sources and availability of water supply, proposed size and location of existing water mains, and proposed location of fire hydrants.
- Q.** Proposed method of sewage disposal. Location and size of nearest main.
- R.** Proposed use of property.
- S.** Proposed sites to be reserved or dedicated for public parks, schools, playgrounds and/or other public uses.
- T.** Proposed improvements and location, including any shared access.
- U.** Location of sidewalks.
- V.** A vicinity or key map showing the relation of the subdivision to the area in which it is located.
- W.** A statement regarding protective covenants and deed restrictions which the subdivider intends to enforce.
- X.** Known, mapped or observable faults and fissures, as well as setback to any faults, or a statement related thereto.
- Y.** All groundwater depths historically within 20 feet of the existing ground surface, or a statement related thereto.

- Z.** A statement indicating where the nearest water and sewer utility distribution systems proposed to be used are located.
- 4. Mylar.** The original of any proposed completed map with original signatures, made with tracing cloth, Mylar, or any other similar material acceptable to the County Recorder, clearly and legibly drawn in permanent ink. The affidavits, certificates, and acknowledgments shall be legibly stamped or printed upon the map and signed with permanent ink. The lettering shall be placed to be read from the bottom or right-hand side of the sheet, and the north point shall be directed away from the reader. Reversionary maps shall be identical to the map being reverted except that if the map to be reverted is drawn at a scale too large to be legible a smaller scale sufficient to make all required information legible shall be used. Each original shall comply with the following:
- A. Sheet Size.** Each sheet of the originals shall be 24” by 32” with a 1” margin at the top, bottom and right edges, and a 2” margin at the left edge along 24” dimension, and be numbered consecutively with the relationship of each sheet to the total in the set.
 - B. Drawing Map.** The map shall be prepared by a licensed Nevada professional land surveyor, or under his direct supervision.
 - C. Scale and Legend.** The subdivision map shall show a scale not to exceed 100’ to 1”. A legend shall be shown clarifying all markings and lines delineated upon the map, the basis of bearings used in the survey, and a north arrow.
 - D. General Information.** The subdivision name and number, scale, and north point shall be shown on each sheet.
 - E. Approval Stamp.** A blank space, 3” by 3”, shall be reserved at the lower right-hand corner of the map for stamp of approval and recording by the Clark County Recorder.
 - F. Title.** On page one, a title comprising the subdivision name and number, followed by the words “Clark County, Nevada” shall be shown. The subdivision name and/or number shall be unique within Clark County. In addition, any amended or reversionary map shall respectively have the words “Amended Map” or “Reversionary Map” preceding the title prominently displayed, along with the recording information of the document being amended or reverted.
 - G. Subtitle.** Below the title shall be a subtitle consisting of a general description of all the property being subdivided, by reference to recorded deeds or maps which have been recorded, or by reference to the Public Land Survey System. References to tracts and subdivisions in the description must be worded identically with original records, and references to book and page numbers of record must be complete, including the recording information of documents being amended or reverted when applicable.
 - H. Certificates on Map.** Page one of the map shall contain all the certificates as required below and by the Nevada Revised Statutes (See Appendix I for Certificate examples):
 - i.** Certificate of acknowledgment.

- ii. Certification of ownership for a reversionary map, or a certificate of ownership and dedication for all other maps, shall offer: 1) all of the parcels of land shown thereon intended for any public use or dedication to the public; 2) the dedication of all of the streets (or other public ways or places); and 3) the dedication for sanitary sewers, as shown on the map within the subdivision.
- iii. Beneficiaries of record certificate, stating consent to the recording of the map and the dedications agreed to in the owner's certificate, which may be on a separate document from the title page, and which is to be recorded concurrent with the Mylar if a note on the Mylar indicates the same. (Also see 30.28.130(a)(8))
- iv. A complete and accurate legal description of the subdivision boundary and the total area within the boundary.
- v. Surveyor's certificate.
- vi. County Surveyor's certificate.
- vii. Zoning Administrator's certificate.
- I. The boundary of the subdivision designated by a 1/16" solid border. Such border shall not obliterate any figures or other data.
- J. Survey data, including:
 - i. Bearings and distances to a corner of the USPLSS (United States Public Land Survey System) or other readily identifiable corner of the public land survey system, or other readily identifiable control corner that is approved by the County Surveyor and shows ties to the National Geodetic Survey Control System (if points are established in the immediate area) must be delineated on said map.
 - ii. Bearings and lengths of all lines, the radius, central angle, length of curve and tangent of curve for all curved lines.
 - iii. All monuments, stakes and other evidences, found, set, reset or replaced, shall be shown describing their kind, size and location.
 - iv. All lot corners of adjoining subdivisions or tracts, together with recording data of adjoining subdivisions and/or parcels by recorded deed reference, shown in half-tone or broken lines.
 - v. Basis of bearing.
 - vi. Any additional information determined necessary to delineate the location and status of the property surveyed, in accordance with the provisions of NRS chapter 625.
- K. The centerlines of all streets in and adjoining the subdivision shall be shown, indicating all permanent monuments found or placed, and shall reference the map or field book wherever the County Surveyor has established such centerlines, and shall state if any points were reset by ties. The locations, names, total width and width on

each side of the centerline of all streets and other rights-of-way within the subdivision shall also be shown.

- L.** Notes of information, data and monuments necessary to locate and relocate any and all exterior boundary lines, lot or block lines.
- M.** All distances to the nearest 1/100 of a foot, in feet and decimals, and all bearings to the nearest degree, minute and second.
- N.** All lot and parcel dimensions, boundaries and courses clearly shown and defined, where lots are intended for sale, reserved for private purposes, or offered for dedication for any purpose.
- O.** The location and width of all easements denoted by dashed lines, public and private, clearly labeled and identified as to nature, purpose, and date of recording. For easements of record, recorded references shall be given.
- P.** The location and width of utility rights-of-way, located upon private property, within the subdivision.
- Q.** Any limitations of rights of access to and from streets and lots and other parcels.
- R.** All city boundaries crossing or adjoining the subdivision.
- S.** Each lot and block shall be numbered or lettered if applicable.
- T.** Parcels that are not contiguous shall be shown on separate maps. No more than one map shall be made on the same sheet. Continuous parcels owned by different parties may be included in one map, provided that all owners join in the dedication and acknowledgment. It is not necessary to specify the parcels belonging to each party.
- U.** The drawing should agree with the written description, but not require reference to the written description in order for it to be entirely self-explanatory.
- V.** All parks, easements, and other sites intended for public use and access must be designated and dimensioned and, if other than public, must be so marked. If there is more than one park, each shall be named or lettered.
- W.** Driveways or drive aisles accessing more than one lot shall be designated by easement, or as otherwise granted on the map.
- X.** Maps for mixed used developments shall include the following:
 - i.** The map shall be titled “Commercial/Residential” (common interest community, if required).
 - ii.** A note must be placed on the map stating the residential portion is subject to NRS 116, 117 and 278, and the commercial portion is per NRS 625 and 278.325.
 - iii.** The specific extents of the residential portions and commercial portions shall be clearly delineated.

5. **Copies.** Copies of the original Mylar map drawn by a professional land surveyor.
6. **Easement Map.** A map prepared and certified by a licensed Nevada professional land surveyor showing the locations of all easements on the property identified in the preliminary title report, referencing the document number which created the easement.
7. **Tentative Map Checklist.** The checklist provided to the Zoning Administrator which details the information contained on the tentative map, as shown under subsection (3) above.
8. **Title Report.** A title report dated less than 6 months prior to the time of submittal from a reputable title company showing the names of those parties who may be required to sign the subdivision map, including any required beneficiary statements and listing all encumbrances on the property to be subdivided. An updated title report

will be required upon submission of any technical review if the copy of the title report submitted with a tentative map is more than 6 months old. An updated title report not more than 2 weeks old, including a subdivision guarantee, is required at the time of submission of a completed map application. The legal description on submitted map plans and all mylars shall match the legal description contained in the required title reports.

For the purpose of this requirement, “subdivision guarantee” shall mean a report from a title company in which the title company certifies that it has issued a guarantee for the benefit of the local government that lists the names of each owner of record of, and each holder of record of a security interest created by a mortgage or a deed of trust in, the land to be divided (together known as “beneficiaries of record”) that declares each beneficiary of record’s consent to the division of land thereto (“beneficiaries of record certificate or statement”). Additionally, “guarantee” shall mean the terms and conditions of insurance coverage or guarantee relating to title of any property interest. (Also see 30.28.130(a)(4)(H)(iii))

9. **Easement/Right-of-Way Documents.** These shall include one copy of each document which created an encumbrance or easement on the property as shown on the title report.
10. **Deed.** The most recent recorded ownership deed is required for all property included within the map. For any extension of time, the deed is required only if ownership of the property has changed since the approval of the original application.
11. **Impact Analysis.** An impact analysis, performed by a Nevada Licensed Professional Engineer recommending mitigation measures for the anticipated impacts on traffic and drainage as indicated below:
 - A. **Traffic Impact Analysis.** Assesses the impacts of a proposed development on the existing and future multi-modal transportation network and analyzes the adequacy of the development's planned access points.
 - B. **Drainage Impact Analysis.** Assesses the impact of a proposed development on drainage patterns on the site of the development and for adjacent and downstream properties.
12. **Technical Impact Analysis Notice.** One copy of the notice(s) from the Department of Public Works indicating that all required technical impact analyses have been conditionally accepted.
13. **Improvement Plan Copies.** Fully detailed engineering plans, drawings, profiles, cross sections, specifications and all other necessary details of the improvements and installations required, together with a detailed estimate of the cost of the improvements. Plans submitted shall clearly indicate the distinction between constructed and to-be-constructed improvements. Each sheet of said plans shall carry in the lower right-hand corner the subdivision name, type of design shown on the plan, the name of the designing engineer, and sheet number and information necessary to clarify the design. Each sheet of such plan shall show a north arrow and shall indicate the scale used, and all plans and profiles shall show all the information required in the Clark County standards and specifications.
14. **Final Improvement Plans.** Following the determination of the Department of Public Works that the improvement plans are acceptable, original corrected

final improvement copies of street plans and profiles, sewer plans and profiles, street lighting plan, and water plan shall be provided.

- 15. Corrected Copies.** Following corrections made to the map as a result of the technical review, additional copies of the map to be examined for correctness of survey, mathematical data and computations, the setting of monuments and correctness in general shall be provided.
 - 16. Map Check Prints.** Any data necessary for the reasonable interpretation of the locations of points or lines delineated on the map shall be provided including, if requested by the County Surveyor but not limited to, an electronic coordinate geometry point list in an ASCII format (point file), a copy of the map with corresponding point numbers shown (point file map), lot closures in a conventional, or electronic, format, and/or a drawing file in a computer format consistent with software utilized by the County Surveyor with point information included.
 - 17. Certification of Tax Payment.** A certificate from the Clark County Treasurer showing that according to the records of that office, there are no outstanding liens, local taxes, or assessments collected as taxes, except taxes or special assessments not yet payable.
 - 18. Ownership/Applicant Disclosure.** A disclosure form provided by Clark County that requires applicants to list the names of individuals holding more than 5% ownership or financial interest in the business entity appearing before the Board of County Commissioners, except as provided below, shall be submitted with an application as required. "Business entities" include all business associations organized under or governed by Title 7 of the Nevada Revised Statutes, including but not limited to private corporations, close corporations, foreign corporations, limited liability companies, partnerships, limited partnerships, and professional corporations. Publicly traded corporations shall list all Corporate Officers and Board of Directors in lieu of disclosing the names of individuals with ownership or financial interest. The disclosure requirement, as applied to land-use transactions, extends to the applicant and the landowner.
 - 19. Fire Permit Survey Form.** A disclosure form provided by Clark County that requires applicants to identify all hazardous chemicals, explosives, waste or other materials involved in the storage, manufacturing or use of such materials at a business site.
- b.** The Zoning Administrator or Director of Public Works may determine that any of the listed documents is not necessary for a particular application, and may thereby waive the requirement for the submission of the document. Duplicate documents for multiple applications being considered at the same hearing are not required. If the nature of a particular application necessitates the submittal of additional documentation, such documentation may be required by the Zoning Administrator, Director of Public Works, Commission or Board.
