CONFIDENTIALITY AGREEMENT, RELEASE OF LIABILITY AND CONSENT

The undersigned _____ (Name), as referred by _____ (Court), will participate in the Clark County Coroner's DUI Program at the Clark County Coroner's Office.

The development of the Clark County Coroner's DUI Program is a joint effort among the coroner's office, local municipal and justice courts, the Eighth Judicial District Court, and the Clark County Court Education Program. The Clark County Coroner's DUI Program is designed to deter any future irresponsible behavior by exposing the attendee to the consequences of their actions and what happens in a DUI violent death. The Clark County Court Education Program has been selected to administer and facilitate the operations of this program.

Through an instructor-guided review of local case histories from Clark County, the attendees will learn about numerous personal tragedies and have an opportunity to examine their own choices. The course will include a tour of the coroner's office. Participants will be exposed to the sights, smells and scenes of death. The undersigned will not observe an autopsy, but he/she will see other aspects of the coroner's office including but not limited to, covered bodies and skeletal remains. The undersigned will also view graphic and emotionally upsetting material such as photos, slides, and videotapes.

The undersigned agrees to hold in strictest confidence the names and/or identifies and personal information of any person and/or decedents revealed through the study of local case histories.

The undersigned expressly and knowingly assumes any and all risks arising from, and related to, this program. The undersigned expressly agrees to full and forever release, acquit, waive and discharge liability of Clark County, the Clark County Coroner's Office, the Clark County Court Education Program and the Eighth Judicial Court and any of their offices, employees, volunteers, agents or independent contractors, for any sole act, joint act and/or omission (not amounting to gross negligence or willful misconduct), resulting in individual or collective claim(s), losses, damages, personal injuries, emotional distress or illness of the undersigned.
