

VOTING ON ELECTION DAY

Sample Ballots: Voters registered in Clark County will be mailed a sample ballot before early voting begins October 18, 2014. Voters' sample ballots list their Election Day polling place (map and address), precinct, and contests for which they are eligible to vote. The [early voting schedule](#) is also included.

Voting Machines: All polling places are equipped with [electronic touch-screen voting machines](#). These machines include a voter verifiable paper printout of each ballot. The printout stays with the machine. The machines also provide [Spanish](#), [Filipino](#) and English ballots and instructions.

General Election Voting: Candidates who receive the most votes in a General Election are elected to office. You may vote for all offices and questions on the ballot for your precinct, regardless of your party affiliation.

No Write-Ins: [Nevada Revised Statute 293.270](#) prohibits write-in candidates.

Election Day Voting Process:

- Upon arriving at your [assigned](#) polling place, an election official will direct you to the correct precinct table.
- Give your name to a Clerk at the precinct table. The Clerk will find your name in the Precinct Register and ask you to sign next to your facsimile signature.  - *NOTE: It is always a good idea to bring picture identification with you when you vote.*
- After verifying your identity, the Clerk will give you a voting receipt, showing your precinct.
- The Clerk will ask you to initial the Precinct Register to confirm that you have received the correct voting receipt for your precinct.
- You will then be directed to an election official who will issue you a voting machine activation card.
- Proceed to a voting machine and insert the activation card into it to activate it for your specific precinct. You may then [vote](#).
- When you are finished voting, immediately return the activation card to an election official.

Results Tabulation and Turnout: After the polls close at 7:00 p.m., the results are delivered to the [Election Center](#) (965 Trade Dr., Suite F, North Las Vegas) for processing. All Election Day ballots, **except provisional ballots**, are tabulated along with early voting and mail/absentee ballots. Turnout is also calculated. The first tabulated results (early voting and mail/absentee ballots) will be reported after 7:00 p.m. and available on the Election Department's [Internet](#) site or [TV channel 4](#).
