CANDIDATE FILING PROCESS

Pre-Register Your Candidacy, October 1, 2013 - January 17, 2014

Why Pre-Register: If you plan to file in Clark County as a candidate for an office that will be on the 2014 ballot, you are encouraged to pre-register. Electronically providing your filing information before appearing in-person will significantly reduce the time it takes to file because your paperwork will be essentially complete before you arrive. The only additional information you will need to supply in-person will be the office for which you wish to file.

Who Can Pre-Register and When: **From October 1, 2013 to January 17, 2014**, judicial candidates may pre-register for district offices voted for wholly within Clark County: (1) District Court Judge, Eighth Judicial District, including the Family Division; and (2) Justice of the Peace in Clark County's townships.

Can I Change My Information After Pre-Registering: The short answer is yes. The only reason for submitting your information in advance is to speed-up the filing process. You may make changes online before actually filing for office or when you file in-person.

What If My Residential Address Has Changed: When you pre-register online, you may submit a current residential address that is different from the one in the Election Department's records. However, you will be required to print a Change of Address Card and submit it to the Election Department so that we can update our records with your current address.

Privacy: Pre-registration information is considered draft information. It will not be available on the Election Department's website. However, it will be provided to anyone who specifically requests it at any time. After you file for office, all of your filing information will be public and available at <http://www.clarkcountynv.gov/Depts/election/Pages/CandidateFiling.aspx>. If you elect not to file for office, your pre-registration information will not be retained.

If I Pre-Register, Am I Still Required to File In-Person: Yes, you are still required to appear in-person to pay your filing fee, to show identification per NRS 293.177, and to verify and sign your filing forms. For easier and faster filing, bring a printed copy of your pre-registration form.

How Do I Pre-Register Online: Go to <http://www.clarkcountynv.gov/vote>. Login to the **Registered Voter Services** section and select **Pre-Register for Candidacy** from the menu.

If I Do Not Pre-Register, What Should I Do Instead: To speed the filing process, you should print, complete, and bring the "2014 Checklist for Judicial Candidate Filing" when you appear in-person to file for office. The Checklist is on page 9. You may also find it on the Internet at: http://www.clarkcountynv.gov/Depts/election/Documents/2014/Jud_Candidate_Checklist.pdf

When and Where Do I File In-Person: In 2014, judicial candidates may file from **January 6th through January 17th**, Monday through Friday, from 8:00 a.m. to 5:00 p.m. in the Pueblo Room, 1st floor, at the Clark County Government Center, 500 Grand Central Parkway, Las Vegas. See the next page for details.

What If I Cannot Appear In-Person: Candidates who cannot appear in-person during the designated candidate filing period should contact the Registrar of Voters at 455-2784.

The Team Leader will direct the observer to a designated location within the polling place where the observer must remain at all times. Limited special provisions are made for the media.

Required Form: NAC 293.245 requires observers to sign a form at the polling place before beginning observation. The form is confirmation that the observer will: (a) Not talk to voters within the polling place; (b) Not use a mobile telephone within the polling place; (c) Not advocate for or against a candidate, political party or ballot question; (d) Not argue for or against or challenge any decisions of county or city election personnel; (e) Not interfere with the conduct of voting; and (f) May be removed from the polling place by the county or city clerk for violating any state laws or regulations.

Procedures and Restrictions

Public Observers May NOT:

- **Disrupt Voting or Election Workers:** No one may disrupt the voting process or the work of polling place staff, e.g., observers must minimize conversation with election workers.
- **Converse with Voters:** Conversation with voters in the voting area is not allowed.

- **Use Electronic Communication Devices:** Observers and voters must turn off two-way radios and cell phones inside the voting area.
- **Photograph, Videotape or Sound Record Voting:** The general public may not make a visual or audio reproduction of the conduct of voting at a polling place. Cameras, audio recorders, video cameras, etc., must be deposited with the Team Leader. Owners may retrieve their property when they leave the voting area.

Public Observers MAY:

- **Sit or Stand in the Public Viewing Area:** The Team Leader will designate the location and observers may view election activities from this area as long as they do not disrupt the election process.
- **Examine Completed Posting Logs:** **ANYONE** may view the completed Posting Logs (*see the page 43 for details*).

REGISTERING VOTERS

What Candidates Need to Know About Registering Voters

Obtaining Applications: The Election Department will provide you with Voter Registration Applications for a nominal fee. If you request more than 50 Applications, you must complete a distribution plan detailing how you intend to distribute the Voter Registration Application forms.

Guidelines: Follow the guidelines below to properly conduct your activities:

- You should make an Application available to everyone, regardless of their political party affiliation (NRS 293.505(8)(a), 293.5235(14)).
- You may help a voter complete an Application if you provide your mailing address and signature in section 13 of the Application (NRS 293.5235(13)), and you:
 - Do not solicit a vote for or against a question or candidate (NRS 293.505(10)(a)); *and*
 - Do not speak to a voter about marking his or her ballot for or against a question or candidate (NRS 293.505(10)(b)); *and*
 - Do not distribute any petition or other material concerning a candidate or question which will be on the next election's ballot (NRS 293.505(10)(c)).
- If you help a voter complete an Application and if you also keep the Application to turn-in, you must enter your name on the receipt that the voter retains (NRS 293.505(13)(a)).
- You should strongly encourage applicants to personally return their Applications to the Election Department, either in person or by mail. If you choose to collect and submit Applications yourself, return them to the Clark County Election Department within 10 days. All Applications must be submitted by the registration deadline (May 10, 2014 for the Primary Election and October 4, 2014 for the General Election).
- You may not alter, deface or destroy a completed Application that an applicant has signed, except to make changes at the voter's request (NRS 293.505(13)(b), 293.5235(15)).
- You may not falsify or cause an Application to be falsified and you may not give money or other compensation to another for a falsified Application (NRS 293.800).
- You may not provide compensation for registering voters that is based upon the total number of voters a person registers or the total number of voters a person registers in a particular political party (NRS 293.805).
- You may not represent yourself to be a Field Registrar or try to exercise the duties of a Field Registrar when you are not a Field Registrar (NRS 293.505(9)).
- Using or threatening to use any force, intimidation, coercion, violence, restraint, or undue influence in connection with voter registration is a category E felony (NRS. 293.710, as amended by A.B. 82 of the 2011 legislative session).

More Information: To learn more about registering voters in Clark County, you should attend a class conducted by the Election Department. Call 455-0076 for more information. Also see NRS 293.505, 293.5235, 293.710 (as amended by A.B. 82 of the 2011 legislative session), 293.800, and 293.805.

MAIL (ABSENTEE) BALLOTS

What Candidates Need to Know About Mail (Absentee) Ballots

What Is Mail (Absentee) Voting: Mail ballots accommodate voters who cannot or do not wish to vote in-person during early voting or on Election Day. After the Election Department processes the request, the voter will be mailed voting materials that include a ballot and voting instructions. The Election Department **BEGINS** mailing voting materials as follows: (a) To Nevada addresses, 20 days before Election Day; (b) To out-of-state addresses, approximately 40 - 45 days before Election Day.

How to Request a Mail Ballot: To vote by mail, a voter must make a written request each calendar year and the Election Department must receive it by the Tuesday before Election Day, no later than 5:00 p.m. You may use the Election Department's form or supply the required information on a piece of paper. You must sign all requests (if you cannot sign because of a disability, you may use a signature stamp pursuant to NRS 426.257). No one may request a mail ballot on behalf of another, even with a "Power of Attorney" (NRS 293.313). You may deliver your request in person, send it by mail or fax it.

Obtaining Mail Ballot/Absentee Request Forms: The Election Department will give you up to 50 Mail Ballot/Absentee Request forms at no charge. If you need more, you must reproduce them yourself, preferably on card or index stock. Please note postal machinery may damage thinner paper and render it unreadable. If that should happen, the requestor will not be sent a mail ballot.

Distributing Mail Ballot/Absentee Request Forms: As part of your campaign, you may distribute Mail Ballot/Absentee Request forms door-to-door, at a table where voters may pick them up, at a rally, or you may include reproductions of the form in a mailing. You may not "collect" completed forms and bring them en masse to the Election Department. If you distribute forms, you may adhere proper postage and ask voters to mail them directly to the Election Department.

If your mailer contains a request form, follow the guidelines below:

- Use the Election Department's form, approved by the Nevada Secretary of State.
- The Election Department must approve any modifications to the request form.
- Your mailer must clearly state that you or your campaign provided the request form.
- Forms must be addressed to the Election Department, i.e., they may not be addressed to your campaign headquarters and then mailed or delivered to the Election Department.

If you mail more than 500 Mail Ballot/Absentee Request forms during the period starting 6 months before Election Day, you must provide written notification to the Election Department at least 14 days before your mailing. You may not conduct a mailing of Mail Ballot/Absentee Requests forms after the 21st day before Election Day. To avoid problems, set up an appointment with the Election Department to coordinate your mailing (*call 455-2944*). The Election Department will keep all information confidential. At your request, the Election Department will "track" the return of Mail Ballot/Absentee Request forms.

Keep in Mind:

- The Election Department automatically sends mail ballots to all registered voters in "Mailing Precincts." Call 455-2944 for a list.
- On the Internet, you may find who has requested a mail ballot and who has returned a voted mail ballot for a current election at: http://www.clarkcountynv.gov/Depts/election/Pages/MB_PublicRequest.aspx
- See NRS 293.309-340 for more information.

BALLOTS

Order

Order of Offices, Names and Questions in Federal/State Elections: Partisan federal, state and county offices appear first, nonpartisan state and county offices follow, and ballot questions are last (NRS 293.268). Candidates' names are in alphabetical order by office and must meet legal requirements for the use of given names, surnames and nicknames (NRS 293.256, 293.2565, 293.263, 293.265, 293.267). You may vote for "None of These Candidates," in presidential and statewide contests (NRS 293.269). Nevada does not permit write-in candidates (NRS 293.270).

Candidates with the Same Name: If two or more candidates have the same given name and surname, then their order on the ballot will depend on the following: (a) If none of the candidates is an incumbent, the middle names or initials, if any, of the candidates must be included; (b) If one of the candidates is an incumbent, the incumbent's name must be listed first and the word "Incumbent" must appear next to it (293.2565(2)).

Why a Candidate or Office May or May not Appear on a Ballot

Partisan Contests:

- If more than one Democratic candidate has filed for an office and at least one other candidate not from that party has filed for the same office, then the Democratic candidates will appear on the Primary ballot and the winner will go forward to the General Election. (NRS 293.260(3))
- If more than one Republican candidate has filed for an office and at least one other candidate not from that party has filed for the same office, then the Republican candidates will appear on the Primary ballot and the winner will go forward to the General Election. (NRS 293.260(3))
- If three or more candidates from the same major party (Democrat or Republican) file for an office and no other candidate files for that office, then the two candidates who receive the most votes will go forward to the General Election UNLESS one of the candidates receives a majority of the votes (50% +1). In that case, only the candidate with the majority of votes will go forward to the General Election. (NRS 293.260(4)(a))

Nonpartisan Contests:

- If more than two candidates file for a nonpartisan office, then that contest will appear on the Primary ballot and the two candidates who receive the most votes will go forward to the General Election. (NRS 293.260(5)(c))
- If only one candidate files for a nonpartisan office, then that contest will appear on the Primary ballot and if the candidate receives at least one vote, he/she will be declared elected. This DOES NOT apply to the Nevada Supreme Court. If only one candidate files for a seat on the Supreme Court, then the Nevada Constitution requires that the candidate go forward unopposed to the General Election. (NRS 293.260(5)(b), Nevada Const. Art. 6, §3)

Special District Contests (Moapa Valley Water District, Virgin Valley Water District, Moapa Valley TV Maintenance District, and Overton Power District):

- If a candidate is unopposed in seeking election for a Special District office, that candidate must be declared elected without a formal election. (Special Acts Chap. 100, §8(4); Special Acts Chap. 477, §7(4); NRS 318.09523)
- Special District offices only appear in the General Election. (Special Acts Chap. 100, §5(2); Special Acts Chap. 477, §5(1); NRS 318.095(1))

ELECTION RESULTS

Unofficial Results on Election Night

After the polls close at 7:00 p.m. on Election Day, polling place officials bring the results to the central tabulation facility at the Clark County Election Center in North Las Vegas (see page 34). The Election Day results are tabulated along with early voting and mail ballot results. Provisional ballots are not included in the unofficial election night results.

Where to Find Results

After all the polling places in Nevada have closed, unofficial election night results will begin appearing on the Internet at <http://www.clarkcountynv.gov/vote>. Updates occur about every 30 minutes. "Refresh" (Internet Explorer) to see the most current data. Past election results are also available on the above-referenced website. In addition, Clark County will post election night results as they are tabulated on cable Channel 4.

Official, Final Election Results

The County Commissioners must "certify" the election results by the sixth working day after Election Day (NRS 293.387 and 293.393). The final results will include the provisional ballots that were actually counted.

EARLY VOTING

What Candidates Need to Know About Early Voting

Campaigning: The rules differ for early voting and Election Day. During early voting, allowable campaigning will depend on the type of property on which the early voting site is located:

- **Private Property:** If the voting site is located on **PRIVATE PROPERTY** (mall, supermarket, shopping center, etc.), electioneering is not allowed on the owner's property without the owner's permission (NRS 293.3572).
- **Public Property:** If the voting site is located on **PUBLIC PROPERTY**, electioneering is not allowed within 100 feet of the voting area (NRS 293.361). Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries.

What Is Early Voting: Since 2000, more people in Clark County have voted before Election Day than on Election Day, primarily as a result of Clark County's Early Voting Program (mail/absentee ballots also account for a small percentage). In the 2012 elections, 88 early voting sites were distributed throughout the entire County. The many neighborhood early voting sites provide eligible voters an opportunity to cast their ballot at a time and place convenient for them. Sites include shopping malls, supermarkets, libraries and community centers.

Who May Vote Early and Where: In Federal/State Elections, all voters registered in Clark County may vote before Election Day at any early voting site. In Municipal Elections, voters registered within the specific boundaries of an incorporated city (Boulder City, Henderson, Las Vegas, Mesquite or North Las Vegas) may vote at an early voting site within their own city. Early voting sites are either "long-term" or "neighborhood" (short-term).

- **Long-Term Sites:** At these sites, early voting is conducted at the same location for long durations, e.g., the entire 14 days of early voting or 5 - 7 day periods. They are usually in high-traffic areas, such as major shopping malls, Election Department offices or City Clerks' offices. The sites have 20 to 40 touch-screen voting machines.
- **Neighborhood Sites:** These are short-term sites, i.e., early voting is conducted at an individual location for one to five days and then moves on. The sites are in smaller facilities (local supermarkets, libraries, community centers, etc.) and ensure all voters in the County have access to a site located in their neighborhood. These sites have 6 to 15 touch-screen voting machines.

When Early Voting Occurs: It begins the Saturday, 17 days before Election Day, and continues everyday for 14 days, ending the Friday before Election Day:

- **May 24 - June 6, 2014:**
Early voting for the June 10 Federal/State Primary Election
- **October 18 - 31, 2014:**
Early voting for the November 4 Federal/State General Election

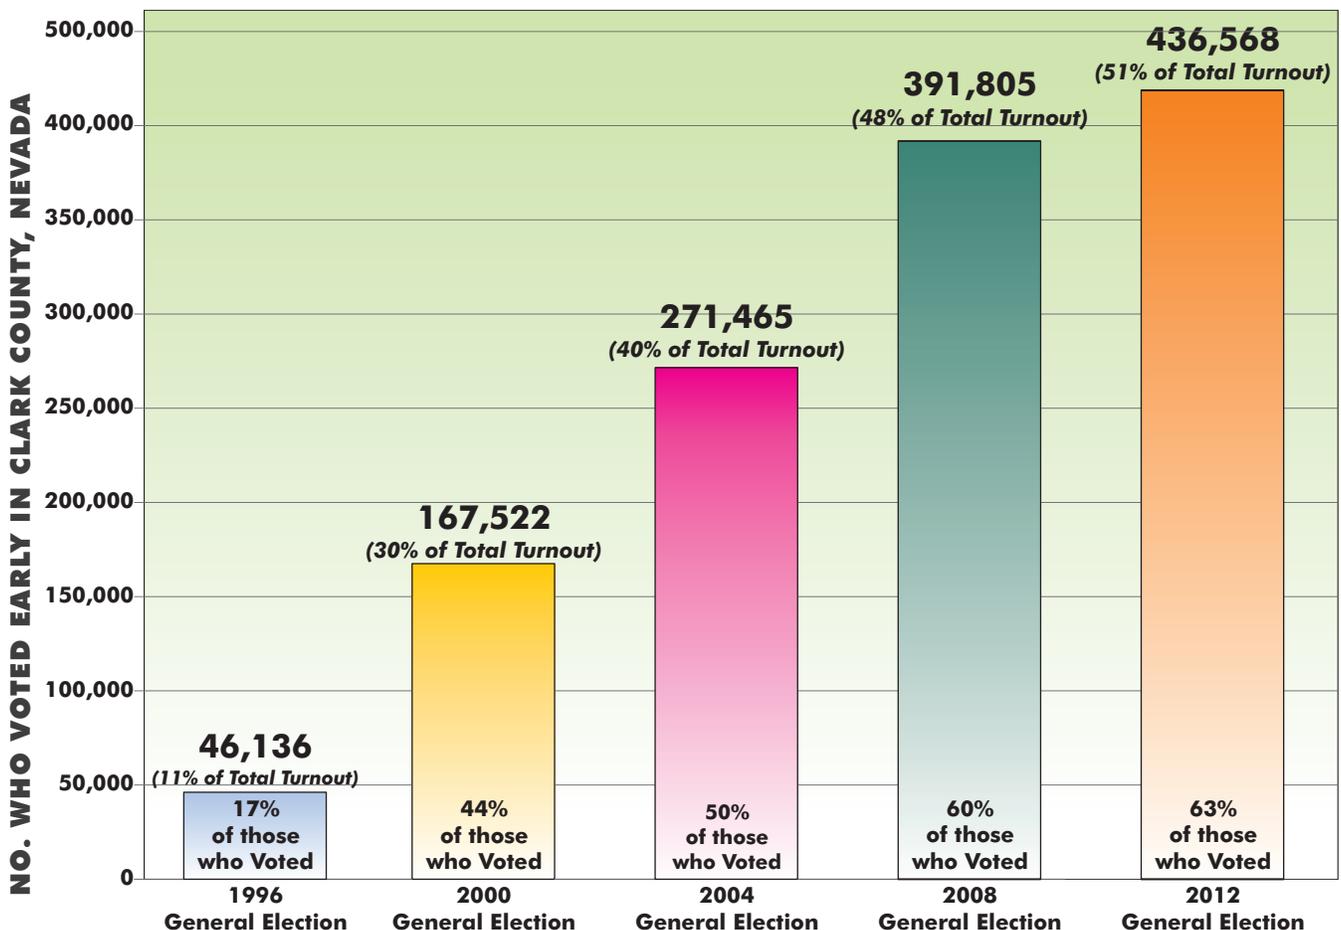

What Candidates Need to Know About Early Voting (Continued)

Site Schedules: Hours and days for early voting vary by site. After finalization, several months before the Primary Election, the complete schedule with specific sites, dates and hours will be available as follows:

- **Internet:** <http://www.clarkcountynv.gov/vote>
- **Phone:** 455-VOTE (8683)
- **Fax:** 455-2981
- **E-Mail:** elinfo@ClarkCountyNV.gov
- **Early Voting Schedule Brochures:** Available anywhere you find Voter Registration Applications, e.g., Department of Motor Vehicles, post offices, libraries, etc.
- **Sample Ballots:** The front section of your sample ballot contains an early voting schedule. Sample ballots are mailed before early voting begins.
- **Newspapers:** The schedule is published the week before early voting begins and at least once each week during early voting.

Turnout and Results: Daily early voting turnout (total voters at each site) will be available every night after 10:00 p.m. on the Internet at <http://www.clarkcountynv.gov/vote>. For a current election, you may also find on the Internet exactly who voted early and at which site at http://www.clarkcountynv.gov/Depts/election/Pages/ev_turnoutdata.aspx. Tabulated results will be available after the polls close at 7:00 p.m. on Election Day on the above-referenced website or on television cable Channel 4.

Early Voting Trends in Clark County in Presidential General Elections

POSTING LOGS

What Is a Posting Log and Who May View It

What Is a Posting Log: NRS 293.301 requires Posting Logs to be available as public information at every polling place on Election Day. Posting Logs alphabetically list voters, by precinct, at a particular polling place and include the voters' name, address and party. Posting Logs show who voted in-person on Election Day at the polling place during four specific time periods. Clerks prepare Posting Logs by placing a check next to the name of each individual who signs the precinct register and votes in person. In addition, one separate posting log for each precinct will show both who voted early in-person before Election Day and who voted by mail/absentee ballot up to the Friday before Election Day. Each precinct will have one set of five Posting Logs.

Who May View Posting Logs: After polling place officials make Posting Logs available to the public, **ANYONE** inside the polling place may examine them to see who did or did not vote in the precincts for that location. Posting Logs must remain inside the polling place.

Procedures and Restrictions

When and Where They Are Posted: Polling place officials will make Posting Logs available at a table near the entrance to the polling area at the following times:

- **7:00 a.m.:** The **EARLY VOTING POSTING LOG** will show who voted early in-person before Election Day and who voted by mail/absentee ballot up to the Friday before Election Day.
- **9:00 a.m.:** The **FIRST COPY** will show who signed the precinct register from 7:00 a.m. to 9:00 a.m.
- **12:00 Noon:** The **SECOND COPY** will show who signed the precinct register from 9:00 a.m. to 12:00 noon.
- **3:00 p.m.:** The **THIRD COPY** will show who signed the precinct register from 12:00 noon to 3:00 p.m.
- **5:00 p.m.:** The **FOURTH AND FINAL COPY** will show who signed the precinct register from 3:00 p.m. to 5:00 p.m.
- **After 5:00 p.m.:** **NO POSTING LOGS** are prepared or posted.

Unlawful Acts: Per NRS 293.301, it is a misdemeanor to remove, tear, mark or deface a Posting Log with the intent to falsify or prevent others from readily ascertaining the name, address or political affiliation of any voter or the fact that a voter has or has not voted.
