Electioneering

Restrictions: NRS 293.3572, 293.361, and 293.740 govern electioneering. Also see the public observation guidelines on the next page. Electioneering rules differ for early voting and Election Day:

- Early Voting:
 - If the voting site is located on private property (mall, supermarket, etc.), electioneering is not allowed on the owner's property without the owner's permission (NRS 293.3572(4)).
 - If the voting site is located on public property, electioneering is not allowed within 100 feet of the voting area. Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries. (NRS 293.361)
- Election Day: Electioneering is not allowed within 100 feet of the entrance to the building or structure in which a polling place is located. Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries. (NRS 293.740)

PUBLIC OBSERVATION OF VOTING

What Is a Public Observer

Description: NRS 293.274, 293.305, 293.730, and NAC 293.245 contain provisions for observation of voting at polling places by the public. Anyone may observe voting at a polling place, i.e., no credentials are required. An observer must ask for the polling place "Team Leader" when he or she arrives. The Team Leader will direct the observer to a designated location within the polling place where the observer must remain at all times. Limited special provisions are made for the media.

Required Form: NAC 293.245 requires observers to sign a form at the polling place before beginning observation. The form is confirmation that the observer understands he or she may: (a) Not talk to voters within the polling place; (b) Not use a mobile telephone within the polling place; (c) Not advocate for or against a candidate, political party, or ballot question; (d) Not argue for or against or challenge any decisions of county, or city election personnel; (e) Not interfere with the conduct of voting; and (f) Be removed from the polling place by the county or city clerk for violating any state laws or regulations.

Procedures and Restrictions

Public Observers May NOT:

- **Disrupt Voting or Election Workers:** No one may disrupt the voting process or the work of polling place staff, e.g., observers must minimize conversation with election workers.
- **Converse with Voters:** Conversation with voters in the voting area is not allowed.
- **Electioneer/Campaign:** No one may electioneer/campaign inside the polling place, i.e., wearing or bringing any campaign item into the voting area is prohibited. Restrictions also apply to the outside of the polling place or voting area. See the previous page for details.
- **Use Electronic Communication Devices:** Observers and voters must turn off two-way radios and cell phones inside the voting area. However, voters may use their cell phone to view their sample ballot online.
- **Photograph, Videotape or Sound Record Voting:** The general public may not make a visual or audio reproduction of the conduct of voting at a polling place. Cameras, audio recorders, video cameras, etc., must be deposited with the Team Leader. Owners may retrieve their property when they leave the voting area.

Public Observers MAY:

- **Sit or Stand in the Public Viewing Area:** The Team Leader will designate the location and observers may view election activities from this area as long as they do not disrupt the election process.
- **Examine Completed Posting Logs:** **ANYONE** may view the completed Posting Logs (*see page 52 for details*).

Media Representatives with Proper Credentials MAY:

- **Film Willing Persons Inside the Voting Area:** Filming must not violate the secrecy of a voter's ballot (no direct or clear shots of the ballot) and must not disrupt the election process.
- **Interview Willing Persons:** Media representatives may interview willing persons outside of the polling place.

REGISTERING VOTERS

What Candidates Need to Know About Registering Voters

Obtaining Applications: The Election Department will provide you with Voter Registration applications for a nominal fee. If you request more than 50 Applications, you must complete a distribution plan detailing how you intend to distribute the Voter Registration Application forms. (NRS 293.509)

Guidelines: Follow the guidelines below to properly conduct your activities:

- Make an Application available to everyone, regardless of their political party affiliation (NRS 293.505(8)(b), 293.5235(14)).
- You may help a voter complete an Application if you provide your mailing address and signature in section 13 of the Application (NRS 293.5235(13)), and you:
 - Do not solicit a vote for or against a question or candidate (NRS 293.505(10)(a)); *and*
 - Do not speak to a voter about marking his or her ballot for or against a question or candidate (NRS 293.505(10)(b)); *and*
 - Do not distribute any petition or other material concerning a candidate or question which will be on the next election's ballot (NRS 293.505(10)(c)).
- If you help a voter complete an Application and if you also keep the Application to turn-in, you must enter your name on the receipt that the voter retains (NRS 293.505(13)(a)).
- You should strongly encourage applicants to personally return their Applications to the Election Department, either in person or by mail. If you choose to collect and submit Applications yourself, return them to the Clark County Election Department within 10 days. All Applications must be submitted by the registration deadline (May 14, 2016 for the Primary Election and October 8, 2016 for the General Election).
- You may not alter, deface or destroy a completed Application that an applicant has signed, except to make changes at the voter's request (NRS 293.505(13)(b), 293.5235(15)).
- You may not falsify or cause an Application to be falsified and you may not give money or other compensation to another for a falsified Application (NRS 293.800).
- You may not provide compensation for registering voters that is based upon the total number of voters a person registers or the total number of voters a person registers in a particular political party (NRS 293.805).
- You may not represent yourself to be a Field Registrar or try to exercise the duties of a Field Registrar when you are not a Field Registrar (NRS 293.505(9)).
- Using or threatening to use any force, intimidation, coercion, violence, restraint, or undue influence in connection with voter registration is a category E felony (NRS. 293.710).

More Information: To learn more about registering voters in Clark County, you should attend a class conducted by the Election Department. Call (702) 455-0076 for more information. Also see NRS 293.505, 293.5235, 293.710, 293.800, and 293.805.

MAIL / ABSENTEE BALLOTS

What Candidates Need to Know About Mail /Absentee Ballots

What Is Mail/Absentee Voting: Mail/absentee ballots accommodate voters who cannot or do not wish to vote in-person during early voting or on Election Day. After the Election Department processes the request, the voter will be mailed voting materials that include a ballot and voting instructions. The Election Department **BEGINS** mailing voting materials as follows: (a) To Nevada addresses, 20 days before Election Day; (b) To out-of-state addresses, approximately 40 - 45 days before Election Day (NRS 293.309).

How to Request a Mail/Absentee Ballot: To vote by mail, a voter must make a written request each calendar year and the Election Department must receive it by the Tuesday before Election Day, no later than 5:00 p.m. You may use the Election Department's form or provide the required information on a piece of paper. You must sign all requests (if you cannot sign because of a disability, you may use a signature stamp pursuant to NRS 426.257). No one may request a mail ballot on behalf of another, even with a "Power of Attorney," per NRS 293.313. You may deliver your request in person, send it by mail, or fax it.

Obtaining Mail Ballot/Absentee Request Forms: The Election Department will give you up to 50 Mail Ballot/Absentee Request forms at no charge. If you need more, you must reproduce them yourself, preferably on card or index stock. Please note postal machinery may damage thinner paper and render it unreadable. If that should happen, the requestor will not be sent a mail ballot.

Distributing Mail Ballot/Absentee Request Forms: As part of your campaign, you may distribute Mail Ballot/Absentee Request forms door-to-door, at a table where voters may pick them up, at a rally, or you may include reproductions of the form in a mailing. You may not "collect" completed forms that were mailed to voters and bring them en masse to the Election Department. If you distribute forms, you may adhere proper postage and ask voters to mail them directly to the Election Department.

If your mailer contains a request form, follow the guidelines below:

- Use the Election Department's form, approved by the Nevada Secretary of State.
- The Election Department must approve any modifications to the request form.
- Your mailer must clearly state that you or your campaign provided the request form.
- Forms must be addressed to the Election Department, i.e., they may not be addressed to your campaign headquarters and then mailed or delivered to the Election Department.

If you mail more than 500 Mail Ballot/Absentee Request forms during the period starting 6 months before Election Day, you must provide written notification to the Election Department at least 14 days before your mailing. You may not conduct a mailing of Mail Ballot/Absentee Requests forms after the 21st day before Election Day. To avoid problems, as soon as possible set up an appointment with the Election Department to coordinate your mailing (call (702) 455-2944). The Election Department will keep all information confidential. At your request, the Election Department will "track" the return of Mail Ballot/Absentee Request forms.

Keep in Mind:

BALLOTS

Order

Order of Offices, Names and Questions in Federal/State Elections: Partisan federal, state and county offices appear first, nonpartisan state and county offices follow, City offices are next, township nonpartisan office are then listed, and ballot questions are last (NRS 293.268). Candidates' names are in alphabetical order by office and must meet legal requirements for the use of given names, surnames and nicknames (NRS 293.256, 293.2565, 293.263, 293.265, 293.267). You may vote for "None of These Candidates," in presidential and statewide contests (NRS 293.269). Nevada does not permit write-in candidates (NRS 293.270).

Candidates with the Same Name: If two or more candidates have the same given name and surname, then their order on the ballot will depend on the following: (a) If none of the candidates is an incumbent, the middle names or initials, if any, of the candidates must be included; (b) If one of the candidates is an incumbent, the incumbent's name must be listed first and the word "Incumbent" must appear next to it (293.2565(2)).

When and Why a Candidate or Office May or May not Appear on a Ballot

Partisan Contests:

- **If a major party has only one candidate for a partisan office,** the name of that candidate will not appear in the Primary Election, only in the General Election. (NRS 293.260, as amended by [SB499](#) and [SB5](#) of the 2015 Legislative Session)
- **If a major political party has two or more candidates for a partisan office,** the person who receives the highest number of votes in the Primary Election will go forward to the General Election ballot. (NRS 293.260, as amended by [SB499](#) and [SB5](#) of the 2015 Legislative Session)
- **The office of U.S. President/Vice President** will not appear on Nevada's Primary Election Ballot. Nevada does not conduct Primary Elections to select U.S. Presidential candidates. Instead, major political parties will hold caucuses in February, 2016. (NRS 293.137)
- **Minor party candidates and candidates with no political party** running for partisan offices will only appear in the General Election. (NRS 293.257)

Nonpartisan Contests (*Except Special District and General Improvement Contests*):

- **If not more than the number of candidates to be elected file for a nonpartisan office,** the names of those candidates will appear in the Primary Election. If a candidate receives at least one vote in the Primary Election, the candidate will be declared elected and that contest will not appear in the General Election. *This does not apply to Justice of the Supreme Court, Judge of the Court of Appeals, District Court Judge, or Town Advisory Board Member.* (NRS 293.260, as amended by [SB499](#) and [SB5](#) of the 2015 Legislative Session)
 - **Supreme Court, Court of Appeals, and District Court:** If only one candidate files for a Justice of the Supreme Court seat, Court of Appeals Judge seat, or District Court Judge department, then that contest will not appear in the Primary Election, only in the General Election. (NRS 293.260, as amended by [SB499](#) and [SB5](#) of the 2015 Legislative Session)
 - **Town Advisory Board:** If not more than the number of candidates to be elected file for Town Advisory Board member, the candidate(s) will be declared elected and the office will not appear in the Primary or General Election. If there are fewer candidates than seats up for election, then, after the election, new members will be appointed to fill the vacant seats. (NRS 269.576(7)(a) and 293.260, as amended by [SB115](#), [SB499](#), and [SB5](#) of the 2015 Legislative Session)

Nonpartisan contests continued on next page....

When and Why a Candidate or Office May or May not Appear on a Ballot (Continued)

Nonpartisan Contests (Continued):

- **If not more than twice the number of candidates to be elected file for a nonpartisan office** (but more than the number to be elected and up to but not exceeding twice the number of candidates to be elected), then that contest will not appear in the Primary Election, only in the General Election. (NRS 293.260, as amended by [SB499](#) and [SB5](#) of the 2015 Legislative Session)
- **If more than twice the number of candidates to be elected file for a nonpartisan office,** then that contest will appear in the Primary Election. The candidates who receive the most votes, not exceeding twice the number to be elected, will go forward to the General Election. However, if one candidate receives a majority of the votes in the Primary Election, then that candidate will be declared elected and the contest (in contests where you may vote for one candidate, which are most) OR the candidate (in contests where you may vote for multiple candidates, such as Town Advisory Boards and the Moapa TV Maintenance District) will not appear in the General Election. *This does not apply to Justice of the Supreme Court, Judge of the Court of Appeals, or District Court Judge.* (NRS 293.260, as amended by [SB499](#) and [SB5](#) of the 2015 Legislative Session)
 - **Supreme Court, Court of Appeals, and District Court:** If three or more candidates file for a Justice of the Supreme Court seat, Court of Appeals Judge seat, or District Court Judge Department, that contest will appear in the Primary Election. The top two candidates who receive the most votes will go forward to the General Election. However, if one of the candidates receives a majority of the votes in the Primary Election, then that candidate's name will be the only one to appear in the General Election. (NRS 293.260, as amended by [SB499](#) and [SB5](#) of the 2015 Legislative Session)

Special District Contests (Moapa Valley Water District and Virgin Valley Water District):

- If a candidate is unopposed in seeking election for a Special District office, that candidate must be declared elected without a formal election. If there are fewer candidates than seats up for election in Special Districts, then, after the election, new members will be appointed to fill the vacant seats (Special Acts Chap. 100, §8(4); Special Acts Chap. 477, §7(4))
- Special District offices only appear in the General Election, but only if there are more candidates than seats up for election in the Special District. (Special Acts Chap. 100, §5(2); Special Acts Chap. 477, §5(1))

General Improvement District Contests (Moapa Valley TV Maintenance District and Overton Power District):

- If only one candidate files for an office, that candidate must be declared elected and no Primary or General Election will be held. If there are fewer candidates than seats up for election, then, after the election, new members will be appointed to fill the vacant seats (NRS 318.090(5), NRS 318.095(1); NRS 318.09523)
- General Improvement District offices may appear in the Primary or General Election and only when two or more candidates file for office. (NRS 318.095(2); NRS 318.09523)

ELECTION RESULTS

Unofficial Results on Election Night

After the polls close at 7:00 p.m. on Election Day, polling place officials bring the results to the central tabulation facility at the Clark County Election Center in North Las Vegas (see page 42). The Election Day results are tabulated along with early voting and mail ballot results. Provisional ballots are not included in the unofficial election night results.

Where to Find Results

After all the polling places in Nevada have closed, unofficial election night results will begin appearing on the Internet at <http://www.clarkcountynv.gov/vote>. Updates occur about every 30 minutes. "Refresh" (Internet Explorer) to see the most current data. Past election results are also available on the above-referenced website. In addition, Clark County will post election night results as they are tabulated on cable Channel 4.

Official, Final Election Results

The County Commissioners must "certify" the election results by the sixth working day after Election Day (NRS 293.387 and 293.393). The final results will include the provisional ballots that were actually counted.

EARLY VOTING

What Candidates Need to Know About Early Voting

Campaigning: The rules differ for early voting and Election Day. During early voting, allowable campaigning will depend on the type of property on which the early voting site is located:

- **Private Property:** If the voting site is located on PRIVATE PROPERTY (mall, supermarket, shopping center, etc.), electioneering is not allowed on the property without the owner's permission (NRS 293.3572).
- **Public Property:** If the voting site is located on PUBLIC PROPERTY, electioneering is not allowed within 100 feet of the voting area (NRS 293.361). Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries.

What Is Early Voting: Since 2000, more people in Clark County have voted before Election Day than on Election Day, primarily as a result of Clark County's Early Voting Program (mail/absentee ballots also account for a small percentage). In the 2014 elections, 87 early voting sites were distributed throughout the entire County. The many neighborhood early voting sites provide eligible voters an opportunity to cast their ballot at a time and place convenient for them. Sites include shopping malls, supermarkets, libraries, and community centers.

Who May Vote Early and Where: In Federal/State Elections, all voters registered in Clark County may vote before Election Day at any early voting site. In Municipal Elections, voters registered within the specific boundaries of an incorporated city (Boulder City, Henderson, Las Vegas, or North Las Vegas) may vote at an early voting site within their own city. Note that the City of Mesquite has now incorporated its municipal election with the County's federal/state elections. Early voting sites are either "long-term" or "neighborhood" (short-term).

- **Long-Term Sites:** At these sites, early voting is conducted at the same location for long durations, e.g., the entire 14 days of early voting or 5 - 7 day periods. They are usually in high-traffic areas, such as major shopping malls and centers, the Clark County Government Center, or City Clerks' offices. The sites have 20 to 40 touch-screen voting machines.
- **Neighborhood Sites:** These are short-term sites, i.e., early voting is conducted at an individual location for one to five days and then moves on. The sites are in smaller facilities (local supermarkets, libraries, community centers, etc.) and ensure all voters in the County have access to a site located in their neighborhood. These sites have 6 to 15 touch-screen voting machines.

When Early Voting Occurs: It begins the Saturday, 17 days before Election Day, and continues everyday for 14 days, ending the Friday before Election Day (NRS 293.3568):

- **May 28 - June 10, 2016:**
Early voting for the June 14 Federal/State Primary Election
- **October 22 - November 4, 2016:**
Early voting for the November 8 Federal/State General Election

What Candidates Need to Know About Early Voting (Continued)

Site Schedules: Hours and days for early voting vary by site. After finalization, a few months before an election, the complete schedule with specific sites, dates and hours will be available as follows:

- **Internet:** <http://www.clarkcountynv.gov/vote>
- **Phone:** (702) 455-VOTE (8683)
- **Fax:** (702) 455-2981
- **E-Mail:** elinfo@ClarkCountyNV.gov
- **Early Voting Schedule Brochures:** Available anywhere you find Voter Registration Applications, e.g., Department of Motor Vehicles, post offices, libraries, etc.
- **Sample Ballots:** The front section of your sample ballot contains an early voting schedule. Sample ballots are mailed before early voting begins.
- **Newspapers:** The schedule is published the week before early voting begins and at least once each week during early voting.

POSTING LOGS

What Is a Posting Log and Who May View It

What Is a Posting Log: NRS 293.301, as amended by [AB462](#) of the 2015 legislative session, requires Posting Logs to be available as public information at every polling place on Election Day. Posting Logs alphabetically list voters by precinct at a particular polling place and include the voters' name and party. Posting Logs show who voted in-person on Election Day at the polling place during four specific time periods. Clerks prepare Posting Logs by placing a check next to the name of each individual who signs the precinct register and votes in person. In addition, one separate posting log for each precinct will show both who voted early in-person before Election Day and who voted and by mail/absentee ballot up to the Friday before Election Day. Each precinct will have one set of five Posting Logs.

Who May View Posting Logs: After polling place officials make Posting Logs available to the public, **ANYONE** inside the polling place may examine them to see who did or did not vote in the precincts for that location. Posting Logs must remain inside the polling place.
