

ELECTION DAY VOTING PROCESS

November 8, 2016 General Election

Sample Ballots: Voters registered in Clark County, NV, will be sent a sample ballot before early voting begins on October 22, 2016. Voters' sample ballots list their assigned Election Day polling place address, precinct, contests, and questions for which they will be eligible to vote. The [early voting schedule](#) also will be included.

Voting Machines: All polling places will be equipped with [electronic touch-screen voting machines](#). These machines will include a voter verifiable paper printout of each ballot. The printout will stay with the machine. The machines also will provide [Spanish](#), [Filipino](#), and English ballots and instructions.

General Election Voting: Candidates who receive the most votes in a General Election will be elected to office. You may vote for all offices and questions on the ballot for your precinct, regardless of your party affiliation.

No Write-Ins: [Nevada Revised Statute \(NRS\) 293.270](#) prohibits write-in candidates.

Election Day Voting Process:

- Upon arriving at your assigned polling place, an election official will direct you to the correct precinct table.
- Give your name to a Clerk at the precinct table. The Clerk will find your name in the Precinct Register and ask you to sign next to your facsimile signature. The Clerk will then verify your identity by comparing your handwritten signature to your facsimile signature. The Clerk will announce your name, as required by [NRS 293.285](#).
 - *NOTE: It is always a good idea to bring picture identification with you when you vote.*
- After verifying your identity, the Clerk will give you a voting receipt, showing your precinct.
- The Clerk will ask you to initial the Precinct Register to confirm that you have received the correct voting receipt for your precinct.
- You will then be directed to an election official who will issue you a voting machine activation card.
- Proceed to a voting machine and insert the activation card into it to activate it for your specific precinct and party. You may then [vote](#).

Results Tabulation and Turnout: After the polls close at 7:00 p.m., the results will be delivered to the [Election Center](#) for processing. All Election Day ballots, **except provisional ballots**, will be tabulated along with early voting and mail/absentee ballots. Turnout also will be calculated. The first tabulated results (early voting and mail/absentee ballots) will be reported after the Secretary of State has indicated all statewide voting has ended, sometime after 7:00 p.m. Results and turnout will be available on the Election Department's [Internet](#) site or [TV channel 4](#).
