CANDIDATE FILING PROCESS

Pre-Registering for Filing

Why Pre-Register: If you plan to file in Clark County as a candidate for an office that will be on the ballot in 2010, you are encouraged to pre-register. By electronically providing your filing information before appearing in-person, you will significantly reduce the time it takes to file because your paperwork will be essentially complete before you arrive. The only additional information for which you will be asked when you appear in-person will be the office for which you wish to file.

Who Can Pre-Register: Candidates for district offices voted for wholly within Clark County, including: (1) Representative in Congress, Districts 1 and 3; (2) State Senators, Assemblymen, State Board of Education members and State University Regents to be elected from districts entirely contained within Clark County; and (3) County, township and special district elected offices.

Can I Change My Information After Pre-Registering: The short answer is yes. The only reason for submitting your information ahead of time is to speed up the filing process. You may make any changes you wish on-line prior to appearing in-person or you may change information you submitted when you appear in-person.

What If My Residential Address Has Changed: The profile you submit online allows you to submit your current residential address if it is different from the one we have in our system. However, you are required to print and submit a Change of Address Card to the Election Department so that we can update our registration system with your current address.

Privacy: Pre-registration information is considered draft information and will not be released to the public until after you file for office. If you elect not to file, it will not be retained.

If I Pre-Register, Am I Still Required to File In-Person: Yes. You are still required to appear in-person to pay your filing fee, to show identification in accordance with NRS 293.177, and to verify and sign your filing forms. For easier and faster filing, bring a printed copy of your pre-registration form.

How Do I Pre-Register for Filing: Go online to <http://www.accessclarkcounty.com/elections>. Login to the Registered Voter Services section and select *Pre-register as a Candidate* from the menu.

When and Where Do I File In-Person: Candidates may file from March 1st through March 12th, Monday through Friday from 8:00 a.m. to 5:00 p.m. in the Pueblo Room, 1st floor, at the Clark County Government Center, 500 Grand Central Parkway, Las Vegas. See the next page for details.

What If I Cannot Appear In-Person: Candidates who cannot appear in-person during the designated candidate filing period should contact the Registrar of Voters at 455-2784.

If I Do Not Pre-Register, What Should I Do Instead: To speed the filing process, you should print, complete and bring the "2010 Checklist for Candidate Filing" when you appear in-person to file for office. The Checklist is on page 7. You may also find it on the Internet at:

www.accessclarkcounty.com/depts/election/English/2010/Documents/CandCheck10.pdf

Electioneering

Restrictions: NRS 293.3572, 293.361 and 293.740 govern electioneering. Also see the **public observation guidelines** on the next page. Electioneering rules differ for early voting and Election Day:

● **Early Voting:**

- If the voting site is located on **private property** (mall, supermarket, etc.), electioneering is not allowed on the owner's property without the owner's permission (NRS 293.3572).
- If the voting site is located on **public property**, electioneering is not allowed within 100 feet of the voting area (NRS 293.361). Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries.
- **Election Day:** Electioneering is not allowed within 100 feet of the entrance to the building or structure in which a polling place is located (NRS 293.740). Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries.

Definition: NRS 293.740 defines electioneering as campaigning for or against a candidate, ballot question or political party by:

- Posting signs
- Distributing literature
- Using loudspeakers
- Buying, selling, wearing or displaying any badge, button or other insignia, except that a person may wear political insignia while voting only if reasonably unable to cover or remove it
- Polling or soliciting from a voter information as to how the voter intends to vote or has voted
- Soliciting signatures of any kind

Signs

For information about signs on property under the jurisdiction of:

- Clark County - call the Public Response Office at 455-4191
- An incorporated city (Boulder City, Henderson, Las Vegas, Mesquite or North Las Vegas) - call the applicable City Clerk's office (*see page 57*).
- The Nevada Department of Transportation (NDOT) - call the Right-of-Way Office in Las Vegas at 385-6540 (NDOT does not allow political signs on property under its control or adjacent to state highways)

PUBLIC OBSERVATION OF VOTING

What Is a Public Observer

Description: NRS 293.274 and NAC 293.245 set out the rules for observation of voting by the public at polling places. Anyone may observe voting at a polling place, i.e., no credentials are required. An observer must ask for the polling place "Team Leader" when he or she arrives. The Team Leader will direct the observer to a designated location within the polling place where the observer must remain at all times. Limited special provisions are made for the media.

Required Form: NAC 293.245 requires observers to sign a form at the polling place before beginning observation. The form is confirmation that the observer will: (a) Not talk to voters within the polling place; (b) Not use a mobile telephone within the polling place; (c) Not advocate for or against a candidate, political party or ballot question; (d) Not argue for or against or challenge any decisions of county or city election personnel; (e) Not interfere with the conduct of voting; and (f) May be removed from the polling place by the county or city clerk for violating any state laws or regulations.

Procedures and Restrictions

Public Observers May NOT:

- **Disrupt Voting or Election Workers:** No one may disrupt the voting process or the work of polling place staff, e.g., observers must minimize conversation with election workers.
- **Converse with Voters:** Conversation with voters in the voting area is not allowed.

REGISTERING VOTERS

What Candidates Need to Know About Registering Voters

Obtaining Applications: The Election Department will provide you with Voter Registration Applications for a nominal fee. If you request more than 50 Applications, you must complete a distribution plan detailing how you intend to distribute the Voter Registration Application forms.

Guidelines: Follow the guidelines below to properly conduct your activities:

- You should make an Application available to everyone, regardless of their political party affiliation (NRS 293.505(8)(a), 293.5235(14)).
- You may help a voter complete an Application if you provide your mailing address and signature in section 13 of the Application (NRS 293.5235(13)), and you:
 - Do not solicit a vote for or against a question or candidate (NRS 293.505(10)(a)); *and*
 - Do not speak to a voter about marking his or her ballot for or against a question or candidate (NRS 293.505(10)(b)); *and*
 - Do not distribute any petition or other material concerning a candidate or question which will be on the next election's ballot (NRS 293.505(10)(c)).
- If you help a voter complete an Application and if you also keep the Application to turn-in, you must enter your name on the receipt that the voter retains (NRS 293.505(13)(a)).
- You should strongly encourage applicants to personally return their Applications to the Election Department, either in person or by mail, and inform them that postage is pre-paid. If you choose to collect and submit Applications yourself, return them to the Clark County Election Department within 10 days. All Applications must be submitted by the registration deadline (May 8, 2010 for the Primary Election and October 2, 2010 for the General Election).
- You may not alter, deface or destroy a completed Application that an applicant has signed, except to make changes at the voter's request (NRS 293.505(13)(b), 293.5235(15)).
- You may not falsify or cause an Application to be falsified and you may not give money or other compensation to another for a falsified Application (NRS 293.800).
- You may not provide compensation for registering voters that is based upon the total number of voters a person registers or the total number of voters a person registers in a particular political party (NRS 293.805).
- You may not represent yourself to be a Field Registrar or try to exercise the duties of a Field Registrar when you are not a Field Registrar (NRS 293.505(9)).

More Information: To learn more about registering voters in Clark County, you should attend a class conducted by the Election Department. Call 455-0076 for more information. Also see NRS 293.505, 293.5235, 293.800, 293.805.

MAIL (ABSENTEE) BALLOTS

What Candidates Need to Know About Mail (Absentee) Ballots

What Is Mail (Absentee) Voting: Mail ballots accommodate voters who cannot or do not wish to vote in-person during early voting or on Election Day. After the Election Department processes the request, the voter will be mailed voting materials that include a ballot and voting instructions. The Election Department **BEGINS** mailing voting materials as follows: (a) To Nevada addresses, 20 days before Election Day; (b) To out-of-state addresses, approximately 40-45 days before Election Day.

How to Request a Mail Ballot: To vote by mail, you must make a written request each calendar year and the Election Department must receive it by the Tuesday before Election Day. You may use the Election Department's form or supply the required information on a piece of paper. You must sign all requests (if you cannot sign because of a disability, you may use a signature stamp pursuant to NRS 426.257). No one may request a mail ballot on behalf of another, even with a "Power of Attorney" (NRS 293.313). You may deliver your request in person, send it by mail or fax it.

Obtaining Mail Ballot/Absentee Request Forms: The Election Department will give you up to 50 Mail Ballot/Absentee Request forms at no charge. If you need more, you must reproduce them yourself, preferably on card or index stock. Please note postal machinery may damage thinner paper and render it unreadable. If that should happen, the requestor will not be sent a mail ballot.

Distributing Mail Ballot/Absentee Request Forms: As part of your campaign, you may distribute Mail Ballot/Absentee Request forms door-to-door, at a table where voters may pick them up, at a rally, or you may include reproductions of the form in a mailing. You may not "collect" completed forms and bring them en masse to the Election Department. If you distribute forms, you may adhere proper postage and ask voters to mail them directly to the Election Department.

If your mailer contains a request form, follow the guidelines below:

- Use the Election Department's form, approved by the Nevada Secretary of State.
- The Election Department must approve any modifications to the request form.
- Your mailer must clearly state that you or your campaign provided the request form.
- Forms must be addressed to the Election Department, i.e., they may not be addressed to your campaign headquarters and then mailed or delivered to the Election Department.

If you mail more than 500 Mail Ballot/Absentee Request forms during the period starting 6 months before Election Day, you must provide written notification to the Election Department at least 14 days before your mailing. You may not conduct a mailing of Mail Ballot/Absentee Requests forms after the 21st day before Election Day. To avoid problems, set up an appointment with the Election Department to coordinate your mailing (*call 455-2944*). The Election Department will keep all information confidential. At your request, the Election Department will "track" the return of your Mail Ballot/Absentee Request forms.

Keep in Mind:

- The Election Department automatically sends mail ballots to all registered voters in "Mailing Precincts." Call 455-2944 for a list.
- On the Internet, you may find who has requested a mail ballot and who has returned a voted mail ballot for a current election at:
www.accessclarkcounty.com/depts/Election/English/Pages/MB_PublicRequest.aspx
- See NRS 293.309-340 for more information.

BALLOTS AND RESULTS

Ballot Facts

Order of Offices, Names and Questions in Federal/State Elections: Partisan federal, state and county offices appear first, nonpartisan state and county offices follow, and ballot questions are last (NRS 293.268). Candidates' names are in alphabetical order by office and must meet legal requirements for the use of given names, surnames and nicknames (NRS 293.256, 293.2565, 293.263, 293.265, 293.267). You may vote for "None of These Candidates" in presidential and statewide contests (NRS 293.269). Nevada does not permit write-in candidates (NRS 293.270).

Why a Candidate or Office May Not Appear on a Primary Election Ballot:

- If only one candidate from a major party runs for a partisan office or Justice of the Supreme Court, the candidate will only appear in the General Election (NRS 293.260(5)).
- If only two candidates from one major party run for a partisan office (no independent, minor party or opposing major party candidates run), the candidates and office will only appear in the General Election (NRS 293.260(4)).
- Minor party and independent candidates running for partisan offices will only appear in the General Election (NRS 293.260(3) and 293.257).
- If only two candidates run for a nonpartisan office, that office and those two candidates will only appear in the General Election (NRS 293.260(6)).
- Special district offices (Moapa Valley Water, Virgin Valley Water, Moapa Valley TV Maintenance or Overton Power) only appear in the General Election (Special Acts Chap. 477, §5(1); Special Acts Chap. 100, §5(2); NRS 318.095(1)).

Why a Candidate or Office May Not Appear on a General Election Ballot:

- If only one candidate runs for a nonpartisan office, other than Justice of the Supreme Court, he or she will only appear on the Primary Election ballot (NRS 293.260(5)(b)).
- If only one candidate runs for a special district office (Moapa Valley Water, Virgin Valley Water, Moapa Valley TV Maint. or Overton Power), he or she will be declared elected, i.e., will not appear on the General Election ballot (Special Acts Chap. 477, §7(4); Special Acts Chap. 100, §8(4); NRS 318.090(6)).

Election Results

Unofficial Results on Election Night:

After the polls close at 7:00 p.m. on Election Day, polling place officials bring the results to the central tabulation facility at the Clark County Election Center in North Las Vegas (*see page 56*). The Election Day results are tabulated along with early voting and mail ballot results. Provisional ballots are not included in the unofficial election night results.

Where to Find Results:

After the polls close at 7:00 p.m., unofficial election night results begin appearing on the Internet at www.accessclarkcounty.com/elections. Updates occur about every 30 minutes. "Refresh" (Internet Explorer) to see the most current data. Past election results are also available on the above-referenced website. In addition, Clark County will post election night results as they are tabulated on cable Channel 4 after the polls close at 7:00 p.m.

Official Final Election Results:

The County Commissioners must "certify" the election results by the sixth working day after Election Day (NRS 293.387 and 293.393).

POLITICAL PARTY AFFILIATION

Types of Offices in Federal/State Elections (Even-Numbered Years)

Partisan Offices: A list of partisan offices up for election begins on page 16. Ballots and sample ballots will display candidates' party affiliation.

- **Major Party Candidates:** Are nominated through the Primary Election process to appear on the General Election ballot.
- **Minor Party Candidates:** Are nominated by minor parties and only appear on the General Election ballot. Contact the Secretary of State about qualifying as a minor party candidate.
- **Independent Candidates:** Are nominated by petition and only appear on the General Election ballot. NRS 293.063 defines an independent candidate as one who "has been nominated for a partisan office but who is registered with no political party affiliation pursuant to the provisions of this Title." Contact the Secretary of State about qualifying as an independent candidate.

Nonpartisan Offices: A list of nonpartisan offices up for election begins at the bottom of page 18. Ballots and sample ballots will not display candidates' party affiliation. Candidates are nominated through the Primary Election process to appear on the General Election ballot, except those running for special district offices. Contests for Moapa Valley Water District, Virgin Valley Water District, Moapa Valley TV Maintenance District and Overton Power District will only appear on the General Election ballot.

Types of Elections and Voting Eligibility

What Is a Primary Election: A Primary Election is a preliminary (nominating) election to select, when necessary, Democratic, Republican and nonpartisan candidates who will run in the General Election contests (*except* candidates for special district offices who only appear in the General Election). The direct vote of the people selects the candidates, rather than votes of convention delegates.

- **Primary Elections are CLOSED:** In Nevada's Federal/State Primary Elections, you cannot vote for candidates from another party. In deciding which candidates may advance to the General Election, only registered Democrats may vote for Democrats and only registered Republicans may vote for Republicans. All registered voters may vote in nonpartisan contests.
 - **If You Are a Registered Democrat:** You may vote in contests which select Democratic candidates AND in all nonpartisan contests for your precinct.
 - **If You Are a Registered Republican:** You may vote in contests which select Republican candidates AND in all nonpartisan contests for your precinct.
 - **If You Are NOT a Registered Democrat or Republican:** You may only vote in nonpartisan contests for your precinct.

EARLY VOTING

What Candidates Need to Know About Early Voting

Campaigning: The rules differ for early voting and Election Day. During early voting:

- **Private Property:** If the voting site is located on **PRIVATE PROPERTY** (mall, supermarket, etc.), electioneering is not allowed on the owner's property without the owner's permission (NRS 293.3572).
- **Public Property:** If the voting site is located on **PUBLIC PROPERTY**, electioneering is not allowed within 100 feet of the voting area (NRS 293.361). Election workers will post "Distance Marker" signs at the 100 foot limit to distinguish the boundaries.

What Is Early Voting: Since 2000, more people in Clark County have voted before Election Day than on Election Day, primarily as a result of Clark County's Early Voting Program (mail ballots also account for a very small percentage). In the 2008 elections, 87 early voting sites were distributed throughout the entire County. The many neighborhood early voting sites provide eligible voters an opportunity to cast their ballot at a time and place convenient for them. Sites include shopping malls, supermarkets, libraries and community centers.

Who May Vote Early and Where: In Federal/State Elections, all voters registered in Clark County may vote before Election Day at any early voting site. In Municipal Elections, voters registered within the specific boundaries of an incorporated city (Boulder City, Henderson, Las Vegas, Mesquite or North Las Vegas) may vote at an early voting site within their own city. Early voting sites are either "permanent" (long-term) or "neighborhood" (short-term).

- **Permanent Sites:** Permanent sites are long-term, i.e., early voting is conducted at the same location for the entire 14 days of early voting. They are usually in high-traffic areas, such as major shopping malls, Election Department offices or City Clerks' offices. These sites have 20 to 40 touch-screen voting machines.
- **Neighborhood Sites:** Neighborhood sites are short-term, i.e., early voting is conducted at a location for two or more days and then moves on. These sites are in smaller facilities (local supermarkets, libraries, community centers, etc.) and ensure all voters in the County have access to a site located in their neighborhood. These sites have 6 to 15 touch-screen voting machines.

When Early Voting Occurs: It begins the Saturday, 17 days before Election Day, and continues everyday for 14 days, ending the Friday before Election Day:

- **May 22 - June 4, 2010:**
Early voting for the June 8 Federal/State Primary Election
- **October 16 - 29, 2010:**
Early voting for the November 2 Federal/State General Election

POSTING LOGS

What Is a Posting Log and Who May View It

What Is a Posting Log: NRS 293.301 requires Posting Logs to be available as public information at every polling place on Election Day. Posting Logs alphabetically list voters, by precinct, at a particular polling place and include the voters' name, address and party. Posting Logs show who voted in-person on Election Day at the polling place during four specific time periods. Clerks prepare Posting Logs by placing a check next to the name of each individual who signs the precinct register and votes in person. In addition, one separate posting log for each precinct will show both who voted early in-person before Election Day and who voted by mail (absentee ballot) up to the Friday before Election Day. Each precinct will have one set of five Posting Logs.

Who May View Posting Logs: After polling place officials make Posting Logs available to the public, ANYONE inside the polling place may examine them to see who did or did not vote in the precincts for that location. Posting Logs must remain inside the polling place.

Procedures and Restrictions

When and Where They Are Posted: Polling place officials will make Posting Logs available at a table near the entrance to the polling area at the following times:

- **7:00 a.m.:** The **Early Voting Posting Log** will show who voted early in-person before Election Day and who voted by mail (absentee ballot) up to the Friday before Election Day.
- **9:00 a.m.:** The **first copy** will show who signed the precinct register from 7:00 a.m. to 9:00 a.m.
- **12:00 Noon:** The **second copy** will show who signed the precinct register from 9:00 a.m. to 12:00 noon.
- **3:00 p.m.:** The **third copy** will show who signed the precinct register from 12:00 noon to 3:00 p.m.
- **5:00 p.m.:** The **fourth and final copy** will show who signed the precinct register from 3:00 p.m. to 5:00 p.m.
- **After 5:00 p.m.:** **No Posting Logs** are prepared or posted.

Unlawful Acts: Per NRS 293.301, it is a misdemeanor to remove, tear, mark or deface a Posting Log with the intent to falsify or prevent others from readily ascertaining the name, address or political affiliation of any voter or the fact that a voter has or has not voted.

ASSEMBLY BILLS

AB 39 City of North Las Vegas Elections

The North Las Vegas City Charter had required a Municipal Primary Election only if three (3) or more candidates ran for Mayor, Municipal Judge or a City Council seat. This bill makes it **mandatory for the City to hold a Municipal Primary Election** preceding every General Election, regardless of the number of candidates who run for a specific elected office. The Henderson and Las Vegas City Charters currently include the same requirement.

AB 41 Mail/Absent Ballots for Military and Overseas Voters

Section 6 authorizes the Secretary of State to adopt regulations and standards for the approved **electronic transmission of certain applications, forms and ballots**.

Section 8 **expands the use of special mail/absent ballots** (provided by the Federal Government to Armed Forces personnel or overseas citizens pursuant to 42 U.S.C. §1973ff et seq.) to Primary and Special Elections and to include state and local offices. Previously, the NRS had permitted the use of these ballots only for Federal offices in General Elections.

Section 15 allows a **Nevada elector who resides outside the U.S. to use the special mail/absent ballot request form** (provided by the Federal Government for registration and request of a mail/absent ballot pursuant to the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. §§ 1973ff et seq.) as a simultaneous application for registration and request for a mail/absent ballot in Nevada.

Sections 8, 9, 11, 12, 15, 16, 18 and 20 - 22 allow certain members of the **Armed Forces**, their spouses and dependents, and certain other **Nevada electors who reside outside the U.S.:** (1) **to request forms** for registration, mail/absent ballots, special mail/absent ballots and the form provided by the Federal Government for simultaneous registration and request of an mail/absent ballot; and (2) **to return voted mail/absent ballots** by means of approved electronic transmission.

Sections 13 and 16 allow certain U.S. citizens who have never resided in the U.S. to **use the address of a parent who resides in Nevada for purposes of establishing residency** for voter registration. (NRS 293.486, 293.507)

Section 16 **expands the eligibility for late voter registration** for those who have recently returned to U.S. residency to include spouses and dependents of members of the Armed Forces stationed outside the U.S. who have been recently discharged and to include persons (and spouses and dependents) recently separated from employment outside of the U.S.

AB 64 Additional District Court Judges

Sections 3 - 5 **increased the number of Eighth Judicial District Court judges to nine (9)**, two of whom must be Family Court judges. This provision was conditioned upon the passage of AB 65 (additional court fees), which in fact did become law.
