IV. Comments from the Chair

- The Chair changed the order of the agenda and moved item VI above item V as the meeting would be going into closed session.
- The Chair thanked everyone for their cooperation in meeting a quorum for a special meeting.

(Item VI heard at this time. There was no public comment)

- V. Steve Kramer, Southern Nevada Health District (SNHD), provided copies of Annex K version 3.3 and proposed revisions of the Clark County Emergency Operations Plan. Steve briefed the members on the high level contents of the Annex and why it was coming before the LEPC for approval. The Center for Disease Control (CDC) requires that all parties to the plan approve the updates. SNHD was given permission by the CDC to use the LEPC as a central body for approval opposed to going before all individually named. Steve then explained more about the CDC requirements and narrated through the changes.

Motion, by Irene Navis: **To approve the update as submitted**

Seconded, by Elaine Houser.

No discussion, motion carried.
