

INCIDENT COMMAND SYSTEM

ICS 300 INTERMEDIATE LEVEL AND ICS 400 ADVANCED LEVEL

When: _____

7:00 am – 5:00 pm

Where: North West Area Command
3755 W. Washburn Rd.
North Las Vegas, NV 89031

ICS 300 Intermediate - builds on ICS 200 explaining in detail the Organization and Staffing, Incident Resources Management, Organizing for Incidents or Events, Incident and Event Planning.

ICS 400 Advanced Roles and relationships of primary staff are examined as are the planning, operational, logistical and fiscal considerations related to successful management of large and complex incidents. Students will be introduced to the concepts of area command and unified command as well as the

necessity of interagency coordination.
