S. Uniform Arbitration Act, and where applicable, the NRS.
- C. The expenses of arbitration shall be borne equally by the aggrieved party/parties and the County. Expenses incurred by any party in the preparation or presentation of its case are to be borne solely by the party incurring such expense.

- D. Only one (1) grievance may be decided by the arbitrator at any hearing; however, the parties may mutually agree to waive this requirement. The arbitrator shall not have the authority to modify, amend, alter, ignore, add to, or subtract from any of the provisions of this agreement. The arbitrator is without power to issue an award inconsistent with the governing statutes and/or ordinances of the jurisdiction. The arbitrator, in the absence of expressed written agreement of the parties to this agreement, shall have no authority to rule on any dispute between the parties which is not within the definition of a grievance set forth in this Article. The arbitrator shall consider and decide only the particular issues presented by the aggrieved party/parties and the County, and the decision and award shall be based solely on his/her interpretation of the application of the express terms of this agreement. Any and all settlements or awards, including back pay and benefits, issued by the arbitrator shall be limited in retroactivity to the date of alleged violation or date of the filing of the grievance as decided by the arbitrator. Subject to the provisions of Section 2 of this Article, the arbitrator shall not have the authority to excuse a failure by the aggrieved party/parties or the County to comply with the time limitations set forth above unless mutually agreed by both parties.

### Section 3 – NERC/OOD Procedure

The County Manager, or his/her designee, may assign the investigation of a Title VII complaint to staff outside of the Office of Diversity (OOD):

1. To avoid a conflict of interest;
2. To a person who possesses specialized expertise in conducting like investigations; or
3. To redistribute workload.

If an OOD investigation is assigned to alternate staff, the subsequent findings and/or recommendation will be deemed final for purposes of this section. Employee(s) being investigated shall have the right to Union representation commencing at this level and continuing throughout the entire procedure. If discipline results from the investigation, employees are eligible for Step I and Step II meetings, and Step III arbitrations as defined in Section 2 of this Article. However, 1) if the department head chooses not to conduct the Step I meeting within the time frames, then the case will be heard at the next level; 2) if the matter proceeds to the arbitration process, then in addition to satisfying the standard requirements and qualifications for an arbitrator, the individual hearing matters covered in this Section must have training or expertise in the application and interpretation of civil rights laws.

**ARTICLE 12**  
**Trainer Certification Pay/Bilingual Pay**

**Section 1 – Trainer Certification Pay**

Employees who successfully complete the qualifications for trainer certification pay shall receive four percent (4%) of their base pay for training sessions, hour for hour, in addition to their regular salary. Additionally, qualified trainers shall receive four percent (4%) of their base salary for training preparation and documentation, up to a maximum of two (2) hours per training session. The four percent (4%) trainer certification pay and the four percent (4%) pay for training preparation and documentation shall be paid within the pay period following the training session conducted.

Prior approval from the Director of Juvenile Justice Services, or his/her designee, is required for trainer pay eligibility.

**SECTION 2 – Bilingual Pay**

1. Upon the recommendation of his/her Department Head and the approval of the County Manager, an employee will be eligible to receive Bilingual Pay provided the following conditions are met:
  - a. The employee's assigned duties require them to communicate in a second language a minimum of 15% of their time; and
  - b. As a prerequisite to receiving Bilingual Pay, the employee must successfully complete the County's Bilingual Oral Proficiency Examination. The need for a written proficiency examination will be determined by County Management on a case-by-case basis. Competency testing requires fluency in English and the required foreign language or languages.
2. The parties further recognize and agree that:
  - a. Award of bilingual pay to an employee will not occur simply because the employee is bilingual and occasionally uses bilingual skills in the course of their work;
  - b. Positions in which the use of a second language is a requirement are not eligible for bilingual pay;
  - c. Bilingual testing will be scheduled by the County;
  - d. Bilingual premium pay shall be \$75.00 per pay period in a stipend form for each employee determined to be eligible pursuant to

Section 1 herein. When an employee begins or ends eligibility for bilingual pay in the middle of a pay period, the stipend will be prorated. The stipend will not be included in the base pay and is not used in the calculation of PERS or longevity; and

- e. Approved bilingual pay will be subject to annual re-authorization according to the conditions specified in Section 1 herein, with the exception of bilingual proficiency examinations which shall not be required under the re-authorization process.
- 3. Bilingual pay will cease when the employee is transferred, promoted, or demoted to a position which does not meet the requirements of Section 1 (a) and 1 (b) herein, as determined by the employee's Department Head.
- 4. Nothing in this agreement shall prevent the County from using interpreter services where deemed appropriate. The County will not create classifications solely to circumvent bilingual pay, but maintains the right to create classifications that include a requirement for a second language as operational needs or statute dictate.

### **ARTICLE 13**

#### **Personnel Layoff, Recall and Appeal Procedure**

Layoff is defined as any involuntary separation wherein management eliminates a position without prejudice to the incumbent because of lack of work or funds.

The determination of the number of positions and classifications to be affected by a layoff is a management right. The County and the Association agree that layoff and recall of personnel and appeals of these actions as it pertains to employees covered under this Agreement shall be accomplished as follows.

#### **Section 1 - Layoff**

- 1. Temporary and probationary employees in the department shall be laid off first.
- 2. If additional layoffs are necessary, employees will be laid off based on the following criteria, in the following order:
  - a. The seniority of the employees in the classification series within the department.
  - b. If two or more employees have identical seniority levels within the department, the employees with the greater length of county service, as determined by the employee's hire date, shall be given

preference.

- c. If a tie still remains then preference will be given based upon the last four (4) digits of the employee's social security number with the smaller number being first.
3. To provide for the continued operation of the County, the department head may exempt 5% of the total number of positions authorized in the current budget within his/her department and retain them regardless of seniority. In the event that the 5% does not equal an exact number of employees, the fraction shall be rounded off to the next higher whole number.

An employee can request clarification on seniority dates from the Human Resources Director or designee.

4. No permanent employee initially hired into and serving in a grant-funded position or term position may initiate a bump into an unlimited County-funded position. However, a grant employee can bump other grant employees based on seniority as defined in Section 1, Subsection 2.
5. Employees who were promoted or assigned to a grant-funded position from an unlimited, County-funded position may bump into his/her previously held position if they have more seniority than the employee they are bumping.
6. Any permanent employee who is to be laid off will have an option to demote to a previously held lower classification by bumping the least senior employee in that lower classification, provided:
  - a. The bumping employee has more seniority than the employee being bumped. By Letter of Agreement dated September 29, 2011, Juvenile Justice Probation Officers Association (JJPOA) and Juvenile Justice Supervisors and Assistant Manager's Association (JJSAMA) agreed to permit bumping to the Juvenile Probation Officer classification for layoff purposes only;
  - b. Meets the minimum occupational qualifications; and
  - c. Takes a reduction in pay if the salary is above the maximum of the range.
7. Separation due to layoff shall require the giving of at least two (2) weeks notice to the employee and Association or payment in lieu of notice, of an equivalent amount of the employee's base salary by the County.
8. An employee shall have no right to grieve any provision of this Article.

## **Section 2 - Recall**

1. Any permanent status employee laid off under this Article shall, based on seniority, have his/her name placed on an appropriate County recall list(s) for a period of two (2) years. Previous employees shall be notified by certified mail, return receipt requested, at their last known address and shall, within ten (10) calendar days of receipt, respond affirmatively, by certified mail or in person, that they are accepting the offer of recall. Failure to respond in a timely manner will mean that the person has refused the offer of recall and the person will be removed from the recall list(s). An employee must be available for work within two (2) weeks of acceptance of the offer.
2. When positions become available in a classification in the department, personnel who have been laid off or reduced in grade in that classification from that department shall be recalled at the Department Heads determination in inverse order of layoff. The order of recall shall be:
  - a. Employees who are reduced in grade;
  - b. Former laid off employees who held a position in the same class;
  - c. Former employees who held a position in the same series as long as the position is at the same or lower level than the position they previously held.

If there are no applicants from the recall list, the department will fill the vacancy from an open or promotional eligibility list. In the event that a classification has only had a change in title, employees on the old recall list(s) shall be placed on the new respective list(s).

3. Upon recall after layoff, the time that the person was on layoff shall be counted as a break in service.
4. Upon an employee's return from a recall to his/her title held at layoff, an employee's pay will resume at the same pay rate at the time of separation, minus any applicable contractually mandated salary decreases. Additionally, the pay will not exceed the top of the range.

## **Section 3 - Definitions**

1. Breaks in service:

All seniority is based upon total continuous County service. Continuous County service shall be defined as the combined length of service after

date of initial hire with the County in the classification or classification series. Seniority is not interrupted by the following non-inclusive list:

- Disability leave
- Layoff if recalled
- Authorized leave without pay
- Approved FMLA leave
- Approved worker's compensation
- Approved Catastrophic Leave
- Any member who is ordered to active military duty shall continue to earn seniority during the period consistent with the Uniformed Services Employment and Reemployment Rights Act (USERRA)

\*seniority dates will be adjusted to account for breaks in service for approved unpaid leaves of absence including lay off. \*

The following non-inclusive personnel actions will cause a break in seniority:

- resignation
- removal for just cause
- failure to return from a leave of absence
- failure to respond to a recall from layoff
- disability separation
- disability retirement
- unauthorized leave without pay
- incarceration
- job abandonment

2. Seniority within classification is determined by the effective date in the title in the department except when the employee has transferred, promoted, demoted, or reassigned into the department within the same classification or classification series. Seniority will be bridged if the classification or series is the same.

#### **ARTICLE 14 Basic Workweek**

1. The official workweek is comprised of seven (7) workdays which begins on each Saturday at 12:01 a.m. and shall end at midnight of the following Friday. The official workday shall begin at 12:01 a.m. and shall end at midnight. Except as otherwise provided, an employee who occupies a full-time permanent position shall work 40 hours exclusive of meal breaks, but including rest breaks, in each workweek.

2. Employees working a 5-day, 40-hour week (designated 5/40) shall work eight (8) hours per shift for five (5) shifts within the official workweek, and shall receive two (2) consecutive "24-hour periods off". Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.
3. Employees working a 4-day, 40-hour workweek (designated 4/40) shall work ten (10) hours per shift for four (4) shifts within the official workweek, and shall receive three (3) "24-hour periods off" of which two (2) 24-hour periods must be consecutive. Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.
4. The hours between the end of an employee's last regularly scheduled shift and the beginning of an employee's first regularly scheduled shift following his/her scheduled 24-hour periods off shall be considered his/her weekend.
5. Employees shall be granted one (1) 15-minute work break for each period encompassing four (4) hours of work during the course of their shifts. Such breaks shall not be scheduled by the supervisor within one (1) hour of the employee's starting time, quitting time, or meal breaks.
6. Meal breaks are neither time worked nor time on pay status unless an employee is required by the County to remain on the job at a work station or the employee is interrupted by his/her supervisor to perform substantial duties during such period. An employee who remains at a work station during his/her meal break, but is not required to do so by the County, shall not be compensated for the meal break. In the event an employee is required to work four (4) hours or more beyond the end of their scheduled shift, that employee shall be granted an additional meal break.
7. Subject to the provisions of NRS 288.150 (4), nothing herein shall be construed to limit the authority of the County to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergencies.
8. Within 30 calendar days of request, the Department Head or designee(s) will meet with the requesting employees to determine and identify those work sections within the requesting employees' Division wherein the majority of the employees desire a schedule change from five (5) 8-hour shifts per workweek (5/40) to four (4) 10-hour shifts (4/40) or some other established work schedule and the practical and reasonable aspects of such change. Such discussion may also be included as a topic in the

Labor/Management and Safety committee as provided for in Article 10 of this agreement.

- a. Where it is determined by the department or designee and the employees that the conditions and circumstances allow for an adjustment in work schedule, the Department Head shall have the authority, subject to the approval of the County Manager to effect such change, including the discretion to institute a "trial" period for the purpose of evaluating same based on agreed upon performance standards and objectives.
9. No permanent employee shall be assigned to a regular schedule that requires him/her to work more than two (2) different shifts in a 40-hour workweek.
  10. 24-Hour Shift Assignments:
    - a. An employee assigned to work a 24 1/4 hour shift will be compensated for 16 1/4 hours at the employees' regular straight-time hourly rate, plus applicable premium pays, for each 24 1/4 hour shift.
    - b. An employee will also receive compensation for eight (8) hours within each 24 1/4 hour shift at the rate of 33% of the employee's regular straight-time hourly rate for each hour. Employees are required to remain at their work sites during this 8-hour period and are permitted to sleep, unless interrupted to return to duty. If an employee is interrupted to return to duty within these eight (8) hours, compensation as defined in this Paragraph will cease while the employee is performing assigned duties, and the employee will be compensated at the time and one-half (1 1/2) overtime rate while performing assigned duties. If the interruption lasts longer than three (3) hours, the employee will be compensated for the entire 8-hour period at the time and one-half (1-1/2) overtime rate.
    - c. Within each pay period, employees will be paid as provided in this Article for their scheduled or authorized hours of work reduced by any time charged as leave without pay.
    - d. An employee absent for a scheduled 24 1/4 hour shift will be charged 16 1/4 hours of leave for each 24 1/4 hour shift in addition to not earning the compensation provided in Paragraph 2 of this Article for the 8-hour "sleep" period. An employee absent for a portion of his/her scheduled 24 1/4 hour shift will be charged leave for the portion absent from the 16 1/4 hour period, defined in Paragraph 1 of this Article, and will not earn the compensation,

provided in Paragraph 2 of this Article, for the portion absent from the 8-hour "sleep" period. When an employee is authorized to be absent for the entire portion of the 16 1/4 hour period, defined in Paragraph 1 of this Article, following the 8-hour "sleep" period, the employee may leave the work site during the "sleep" period only with specific authorization from the employee's supervisor.

- e. Shift differential of four percent (4%) of an employee's regular straight-time hourly rate of pay shall be paid for the portion worked by the employee of the 16 1/4 hour period, defined in Paragraph 1 of this Article, from the start of the 24 1/4 hour shift to the start of the "sleep" period, defined in Paragraph 2 of this Article.
  - f. Acting pay will be paid in accordance with Article 20 of this Agreement to an employee meeting the defined conditions and performing duties of the higher classification for five (5) or more consecutively scheduled 24 1/4 hour shifts.
  - g. Holiday overtime pay, as defined in Article 22, Paragraph 3 of this Agreement, will be paid for only the portion of the 16 1/4 hour period, defined in Paragraph 1 of this Article, worked by the employee prior to midnight of the designated holiday. Notwithstanding any provision contained in Article 22 of this Agreement, employees assigned to Spring Mountain Youth Camp working a twenty-four (24) hour shift shall receive ten (10) hours of holiday pay at the employee's straight time hourly rate.
  - h. Overtime, as provided by Article 18 of this Agreement, may be earned by an employee regularly assigned to work cycles of 24 1/4 hour shifts when the employee works more than 86 hours within the defined 14 day work period. Hours worked includes all scheduled or authorized hours actually worked, excluding any time worked when interrupted during the 8-hour "sleep" period, (normally 16 1/4 hours per shift), and time charged as sick leave. Employees working less than a full cycle of consecutive 24 1/4 hour shifts, but working at least one (1) 24 1/4 hour shift, are entitled to overtime compensation, as provided by Article 18 of this Agreement, for hours worked in excess of 40 in an official workweek.
1. The department may establish an alternative workweek schedule to comply with the Fair Labor Standards Act definition of workweek, Section 778.105 (FLSA Regulations 29 CFR, July 1985) and define the workday.

The program shall be implemented in those work sections when the majority of employees desire an alternative workweek schedule and shall comply with Section 8a above.

Each requesting employee will submit an alternative work schedule agreement to their supervisor for signature and forwarding to the Department Head for approval. Approved guidelines are provided with the form so that each individual will have a full understanding of the program and responsibilities of participants.

### **ARTICLE 15 Compensation**

1. Effective the date of the next pay period following ratification of this Agreement, each covered scheduled employee will experience a one and one half percent (1 ½%) wage reduction, and the salary plan in effect from July 1, 2010, through June 30, 2011, covering scheduled employees in Appendix A will be permanently decreased by one and one half percent (1 ½%) across the board. Appendix B reflects these changes.

### **ARTICLE 16 Initial Appointment, Rehire, Promotion, Demotion, Transfer and Reassignment**

1. Initial appointment to positions shall be made at the entrance rate for the class except as approved by the County Manager or designee.
  - a. Upon initial appointment to the County position, an employee shall serve a probationary period. The probationary period will normally be 1,040 hours worked but may not be less than 520 hours worked nor longer than 2,080 hours worked as determined by the department head. The Department Head may extend the probationary period in intervals of 520 hours. An employee's probation may not be extended more than twice. The County will advise the Association when employees' probationary periods are completed and/or if the probationary period has been extended.
2. The total number of employees of the department and the total number of employees of each classification within the department shall be determined by the budgetary process. The initial classification of positions shall be as contained in the current County classification list along with any subsequent amendments thereto.
3. When a former employee is rehired after a break in service of no more than one (1) year from the date of separation, to a position in the same class held at the time of separation, he/she may be paid at, or below, the same hourly rate, including across the board schedule adjustments

provided by this Agreement, he/she held at the time of separation.

4. When an employee is promoted, he/she shall be entitled to a four percent (4%) salary increase or the minimum rate of the salary schedule to which the employee is promoted, whichever is greater.
  - a. A promoted employee shall serve a qualifying period. The qualifying period will normally be 1,040 hours worked but may not be less than 520 hours worked nor longer than 2,080 hours worked as determined by the department head. At the conclusion of the qualifying period, the employee shall be given a performance evaluation. Based on the evaluation, the employee will either be accepted or rejected for the position. If rejected, every effort will be made to place the employee in his/her previous or another County position for which he/she qualifies. If such a placement is not possible and termination of his/her employment is recommended, the employee will be given at least three (3) weeks notice of his/her termination. The employee retains the right of appeal under the terms of Article 11 of this Agreement.
  - b. An employee promoted or transferred into a training underfill position, shall serve a qualifying period the same length of time as his/her training underfill status not to exceed one (1) year. The parties recognize that some training underfill positions may require a qualifying period longer than one (1) year. These specific positions may have qualifying periods up to two (2) years if the parties agree.
  - c. When an employee is promoted, he/she shall retain the right, during the first 15 shifts worked of the qualifying period, to voluntarily demote to his/her previously held position. The employee shall have his/her salary reduced to the hourly rate, including across the board schedule adjustments provided by this Agreement, held prior to being placed on the qualifying period.
5. When an employee transfers to a position in another department, he/she shall be entitled to the same hourly rate held at the time of the transfer. A voluntary transfer may result in the transferring employee serving a new qualifying period and upon completion, the employee may receive a salary increase as provided for in the receiving department's collective bargaining Agreement provided the employee is not at the top of the schedule for the class and the performance evaluation report so justifies.
6. When an employee is demoted, his/her salary will not exceed the top of the new salary schedule unless the demotion was a result of a reclassification. Demotions, except for reclassifications, initiate a new

anniversary date. Employees failing a qualifying period and demoted shall have their salary reduced to the hourly rate, including across the board schedule adjustments provided by this Agreement, held prior to being placed on the qualifying period.

7. Employees at the I level shall be required to complete a training program as determined by the employee's department head or his/her designee. In all instances, the training program developed by the department head or his/her designee shall relate directly to the material requirements of the level II position. All employees at level I preparing for level II shall be provided training to afford the employee every opportunity to successfully complete their training program. Those employees that successfully complete their training program shall be promoted to the level II position. Qualifying employees who do not successfully complete their training program are entitled to the provisions of this Agreement.
8. For the purpose of this Article "hours worked" shall be defined as any paid straight time hours.
9. Employees who elect to resign from the County and are in pay status shall be afforded the opportunity to rescind such resignations within three (3) business days and be placed into their original position without loss of pay or benefits, and their seniority and anniversary date shall not be affected.

## **ARTICLE 17**

### **Posting of Vacancies**

1. The Association acknowledges that the County has the exclusive right to fill vacancies, make reassignments and classify positions in accordance with the Clark County Personnel Policies and Procedures as revised and adopted by the Clark County Board of Commissioners. The methods used to classify employees in the bargaining unit shall be established in the Clark County Merit Personnel System.
2. When a new position is created or an existing position becomes vacant in a classification in the bargaining unit, the Clark County Human Resources representative as designated by the County Manager, after consulting with the appointing authority, shall determine in accordance with the Clark County Personnel Policies and Procedures how the vacancy is to be filled. If a permanent position vacancy is created within a classification represented by the bargaining unit, and there is no current eligibility list, the County will post a job announcement using the agreed upon standardized format of posting for at least seven (7) calendar days if a department recruitment or 14 calendar days if a County or open recruitment to accept applications, except when such vacancies are to be

temporarily filled on an emergency basis. For those positions that it are determined by the Clark County Human Resources representative as designated by the County Manager and the appointing authority to have an open examination, an announcement of the open examination may be posted concurrently with the promotional announcement.

3. The County shall encourage promotion within the competitive service on the basis of ability and efficiency, and the equality of opportunity for all qualified employees to vie for promotions in the competitive service. Therefore, qualified employees meeting the established criteria shall be given the first consideration for promotion by being interviewed for the position before the County fills such vacancy.
4. The Association and the County agree to sign a memorandum of understanding stating that the JJPOA and the Department of Juvenile Justice Services will form a committee to establish an equitable way to determine the filling of vacancies when the opportunity for interdepartmental transfers occur within the three divisions of the department.
5. The decision to fill permanent full-time vacancies on a temporary basis pending the completion of selection procedures will not be grievable. A vacancy filled by demotion, transfer, management reassignment, rehire, or recall in a position that is equal to or less than the employee's previous position does not require posting.
6. Candidates on an existing eligibility list that have been appointed to a grant funded position shall remain on the eligibility list for consideration for appointment to a permanent position.

## **ARTICLE 18**

### **Overtime, Call Back, and Standby Pay**

1. Overtime Pay - An employee working a 5/40 week, as defined in Article 14, and required and authorized in writing to work overtime, shall be compensated at an overtime pay rate of time and one-half (1 ½) for hours worked in excess of 40 in an official workweek. An employee working a 4/40 week, as defined in Article 13, and required and authorized in writing to work overtime, shall be compensated at an overtime pay rate of time and one-half (1 ½) for hours worked in excess of 40 in an official workweek. An employee working some other established work schedule as provided in Article 14, and required and authorized in writing to work overtime, shall be compensated at an overtime pay rate of time and one-half (1 ½) for hours worked in excess of 40 hours in an official workweek.

2. Scheduled Overtime Pay - An employee required to return to his/her work site for duty at any time other than during his/her scheduled weekend, as defined in Article 14, with at least 12 hours' notice, shall be compensated at an overtime pay rate of time and one-half (1 ½) for hours worked outside of his/her scheduled shift.
3. Scheduled Weekend Overtime Pay - An employee required to return to his/her work site for duty during his/her scheduled weekend, as defined in Article 14, with at least 12 hours' notice, shall be compensated at an overtime pay rate of time and one-half (1 ½) for all hours worked or shall be compensated for a minimum of three (3) hours at time and one-half (1 ½)(4 ½ hours pay), whichever is greater.
4. Overtime Pay For Holidays Worked - If an employee is required to work on a holiday, compensation shall be made as stipulated in Article 22 of this Agreement.
5. Call Back Pay - When required, the department head or designee may call back to duty one or more employees. Call back pay is defined as compensation earned for returning to his/her work site for duty after the employee has completed his/her shift, departed from the work site and is off duty for a period of time and is requested to return to his/her work site with less than 12 hours' notice. When an employee is called back, the employee shall receive overtime pay for all hours worked on call back or shall be compensated for a minimum of three (3) hours at time and one-half (1 ½) (4 ½ hours pay), whichever is greater. Call back pay shall only be paid for hours worked outside an employee's shift. An employee's regularly scheduled shift shall not be changed to accommodate a call back.
6. Overtime Pay/Compensatory Time Pay and Accruals - Overtime pay provided in this Article is at the rate of time and one-half (1 ½) and shall be made in compensatory time off or overtime cash payment at the discretion of the employee and approval of the department head. Compensatory time off should be used in the following 90 days, but may be accumulated to a maximum of 200 hours. All requests to use compensatory time must be approved at least 24 hours in advance of the time off in accordance with department policy, except in cases of emergency as determined by the department head or designee. An emergency shall not include absences for which sick leave is to be used as defined in Article 24, Section 1, unless all sick leave has been exhausted. Any compensatory time accumulated above 200 hours shall automatically be paid to the employee in cash.
  - a. Employees may not work overtime without the approval of their supervisor. All overtime must be approved in writing by the

employee's supervisor before the overtime is worked and must indicate whether payment is to be made in cash or in compensatory time. Employees working at a remote assignment may be given the written overtime approval at the beginning of the employee's next shift after verbal approval by their supervisor before the overtime is worked.

- b. In the event an employee transfers from one department (within the County) to another, all accumulated compensatory time will be paid to the transferring employee in a lump sum payment within 30 days of the effective date of transfer or transferred with the employee at the discretion of the employee. The employee's election to transfer compensatory time shall be subject to the written approval of the receiving department head.
7. Standby Time Pay - Due to staff limitations, it may be necessary for a department head or designee to issue written assignments to employees to be on standby, to handle overtime work which may arise during other than normal working hours. Standby is defined as time in which an employee is required by the department head or designee to remain at his/her residence or required to carry a department two-way radio or cellular telephone and be within 30 minutes response capability so that he/she may immediately respond to any calls received. An employee will be compensated for standby time at the rate of one-fourth (1/4) hour pay at his/her regular hourly rate for each one (1) hour period of standby time. Employees on standby called to perform work will be compensated for actual hours worked in accordance with Section 1 of this Article and shall not be subject to the provisions of Section 5.
  8. Overtime and standby pay will be added to the payroll for the period during which work is performed and will not be paid for overtime work of less than 15 minutes per day.
  9. Overtime and standby pay shall not be paid more than once for the same hours worked.
  10. For purposes of this Article, accumulated standby time will not qualify for premium or overtime pay.
  11. All employees covered under this Agreement shall be entitled to overtime pay or compensatory time.
  12. If a department requires overtime it shall create a voluntary overtime list, based on classification. Mandatory overtime shall be enacted after the voluntary overtime list is utilized, understanding that mandatory overtime shall be applied by seniority in inverse order with regard to being required

to work into a consecutive shift. Employees may be mandated to work overtime at the Department Head's discretion. The procedures for the implementation and development of voluntary overtime shall be developed under the provisions set forward in Article 10, Labor/Management and Safety Committee. Management shall be reasonable and fair in determining excused reasons for employees unable to work mandatory overtime. Employees shall not be disciplined for excused reasons for not working mandatory overtime. Employees may refuse mandatory overtime provided it is of an emergent nature as determined by the department head or designee.

### **ARTICLE 19 Shift Differential**

1. Shift differential is defined as the premium authorized to be paid to an employee above his/her regular straight-time hourly rate of pay for working a regularly scheduled shift other than a day shift. A regularly scheduled shift is a shift created by the department for employees in this bargaining unit that is the same schedule for at least a month. A day shift is defined as any regularly scheduled work shift that begins no earlier than 5:00 a.m., or ends no later than 7:00 p.m. Only regularly scheduled shifts that begin or end outside the 5:00 a.m. to 7:00 p.m. time period shall be eligible for shift differential pay. The acting employee shall be paid at a rate of four percent (4%) above his/her regular hourly rate or the minimum rate of the classification in which the employee is working, whichever is greater, for the entire period he/she performs such duties. Acting pay is not paid when the employee acting in a higher capacity is off for a holiday or is in leave status. Acting pay for periods up to 30 calendar days requires the written approval of the department head or designee and may not exceed 30 calendar days without the approval of the County Manager or appropriate Assistant County Manager. In addition, the employee has the right to refuse the acting position.

## **ARTICLE 21 Salary Adjustment**

By mutual agreement, the parties agree that this Article will be suspended for twelve (12) months following the ratification and approval of this Agreement. All compensation increases referred to in this Article (salary adjustment) will not occur during the above mentioned twelve (12) month period.

1. Employees will be eligible for consideration for a salary adjustment within their salary ranges upon:
  - a. Successful completion of a probationary period for probationary employees, or successful completion of a qualifying period for promoted permanent or permanent-intermittent employees. Employees successfully completing their probationary period shall only be eligible to receive a three percent (3%) salary adjustment; and
  - b. Each anniversary date of his/her employment in such class annually thereafter until the top of the salary range is reached in that class. The anniversary date is normally considered to be that

date an employee commences work in that classification to which he/she has been most recently appointed. In the event of an early salary adjustment, the employee's anniversary date will be changed to the effective date of the salary adjustment.

2. For the purpose of determining eligibility for annual salary adjustments, employees shall meet expected performance standards as described in Section 3. Upon meeting such requirements, employees shall then be eligible for a salary adjustment.

Employees shall receive their annual salary adjustment of a 4% increase unless the employee (1) has received a Final Written Warning during the evaluation period, or (2) has a violation of Article 36 of this Agreement that results in Suspension of Leave Without Pay during the evaluation period, or (3) has a severe FAA or Homeland Security Act violation during the evaluation period, or (4) is in leave without pay status for over six (6) months of the evaluation period.

An employee shall be informed in writing of the specific reason (s) for the denial of a salary adjustment. In the event an employee has not been advised that he/she is to be denied a salary adjustment within forty-five days from the date he/she is eligible for such adjustment, that employee shall automatically receive a four percent (4%) adjustment retroactive to his/her respective review date.

3. Employees shall receive salary adjustments based on the following prescribed levels of performance: "Meets Performance Standards," Probationary employees shall only be eligible for a three percent (3%) increase.
4. In the event an eligible employee receives no salary increase, the employee shall be entitled to complete an objection form, which will be filed with the Article 21 Appeal and Review Committee by submitting it to the Director of Human Resources. The employee must complete the objection form including an explanation and reasons why the employee should be eligible for a salary adjustment within fifteen (15) days of receiving their performance evaluation. Each employee who chooses to complete an objection form has the option to request that the objection be filed in their permanent record or that the objection form be forwarded for review and possible action by the appeal and review committee.
5.
  - a. The appeal and review committee will meet to develop performance factors for any newly created classifications.
  - b. The Association and the County agree to establish a Article 21 Appeals and Review Committee comprised of eight (8) members,

four (4) members representing the Association and four (4) members representing the County, with the County and Association each appointing its own members. Its purpose is to (1) review the implementation of the County's merit evaluation process; (2) monitor the quality and quantity of the objections, and make final determinations about merit increases brought before the Committee for review.

In reviewing the objections to employee performance evaluations, the Committee may be given access to the employee's personnel file, but only with the written consent of the employee.

If the Committee stalemates, the objection process is considered complete. If a simple majority (50% plus one) of the committee votes to sustain the objection, it will have the authority to have a zero overturned and award the employee an increase consistent with this article.

6. The following shall not be considered as breaks in creditable service necessary to qualify for salary adjustments:

Third Monday in February (President's Day)  
Last Monday in May (Memorial Day)  
July 4 (Independence Day)\*  
First Monday in September (Labor Day)  
Last Friday in October (Nevada Day)

For employees scheduled to work Monday through Friday, holidays shall be observed on the days specified in this Section except when a holiday marked with an asterisk falls on a Saturday or a Sunday. A marked holiday falling on a Saturday will be observed the day before on Friday, and when it falls on a Sunday it will be observed the day after on Monday. For employees working a schedule other than Monday through Friday, holidays shall be observed on the days specified in this Section.

2. The Birthday Holiday is earned on the employee's birthday. The Birthday Holiday shall be taken off on an employee's birthday or during the year following his/her birthday. Employees are not entitled to accumulate Birthday Holidays from year to year.
3. If an employee is scheduled but not required to work during the workday he/she is to observe a holiday, the employee shall be paid for the holiday as prescribed in Section 1 of this Article. If an employee is required to work on the day he/she is to observe a holiday, the employee shall receive payment at the rate of time and one-half (1 ½) for all hours worked between the hours of 12:01 a.m. and 12:00 midnight, in addition to holiday pay for each holiday worked. In those instances where an employee's regularly scheduled shift crosses midnight and the majority of the shift worked falls on a holiday, payment at the rate of one and one-half (1 ½) will be paid for all hours worked in the shift including those hours of the shift that fall outside the actual holiday worked. At no time will this result in overtime for working the holiday in excess of one (1) shift for that holiday. 4. For an employee working a schedule other than Monday through Friday, when a holiday falls during the employee's weekend, the employee shall bank the holiday leave at eight (8), nine (9) or ten (10) hours (depending on his/her work shift schedule) of holiday leave, which will accrue to a holiday leave balance for use before the end of the last pay period in June following the holiday. he/she is to observe a holiday, he/she will not be eligible for holiday pay. If an employee leaves work for a sick leave reason, the employee shall be charged sick leave for the remainder of his/her shift and holiday pay shall be prorated based on the length of time actually worked.

6. Overtime payment provided in this Article at the rate of time and one-half (1 ½) shall be made in compensatory time off or cash payment upon the request of the employee and approval of the department head. It is understood that a department head's approval will not be unreasonably withheld recognizing, however, the financial constraints of cash payment.

Vacation requests for one (1) shift or less may be granted without the 24 hour notification requirement referred to in this section. Once a request for vacation leave is submitted to the Department Head or designee, every effort will be made to approve or deny the request in a timely manner.

4. Payment for Vacation Leave: Except as provided in Article 23, Section 2, upon separation from service for any cause, an employee shall be paid a lump sum payment for any unused or accumulated vacation earned through the last day worked. When accrued sick leave has expired, if the employee is still unable to work and the employee is receiving compensation for time missed from work through the Worker's Compensation Program, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided that the employee has so elected to use his/her vacation leave as sick leave, the employee's compensation will be limited to that provided by NRS Chapter 616 or 617 and the employee will be placed in a leave without pay status. However, through written justification to the Clark County Human Resources Director, exceptions to this Article may be approved by the County Manager.
5. If, as a result of a licensed physician's evaluation and prognosis, it appears that the employee will not return to his/her regular County job within a 12-month period, the County may require a medical separation. Medical separation appeals of employees covered by this Agreement shall be handled in accordance with the procedure set forth in Article 11.

Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one-half (1/2) of the decrease. Any such increase in pay will be effective from the date the decrease in percentage rate of the retirement contribution becomes effective.
2. The term "retirement contribution" does not include any payment for the purchase of previous credit service on behalf of any employee.

#### **ARTICLE 29 Group Insurance**

1. To be eligible for group insurance, an employee must occupy a permanent budgeted position and work at least 20 hours per week and meet the

necessary qualifying periods associated with the insurance program. The County will then be responsible for the prorata share of the premium based on hours worked as a percentage of 40 hours per week. Any employee who is on an authorized leave without pay status over 30 consecutive calendar days will be responsible as of the 31st day for reimbursing the County for the employee's insurance premium, the total dependent coverage insurance premium and the total long-term disability insurance premium from that day forward. If the leave without pay status does not coincide with the premium payments, then any such premiums shall be prorated.

2. Employees who elect to have group insurance shall pay the following percentage of the total health and dental insurance premium per month.

<u>PERCENTAGE</u>	
Employee Only	5.5%
Employee & Spouse	10.0%

All employees hired after the date this agreement is ratified will pay 10% of the total health and dental insurance premium per month.

3. The County and the Association agree that an executive board of five to seven (5 - 7) management representatives will be created to manage the Clark County Group Health Insurance Plan. 2. The Association, at its discretion, may offer additional supplemental insurance benefits to members of the bargaining unit the cost of which shall be borne by the member. Neither the Association nor its authorized agent shall have the right to solicit enrollment during normal working hours. The Association agrees to comply with all accounting and payroll deduction procedures as established by Clark County.

### **ARTICLE 31 Long Term Disability Insurance**

1. The County will provide long term disability insurance to employees who occupy a permanent budgeted position and work at least 20 hours per week. Employees must meet the qualifying requirements associated with the plan.
2. Through December 31, 2011, the County will pay a maximum premium of \$18.75 per month for each eligible employee toward the LTD plan. Effective January 1, 2012, the County will pay a maximum premium of \$18.75 per month for each eligible employee toward the LTD plan. The initial benefits of the plan will be determined based on the maximum premium in effect as of January 1, 2100. Effective January 1, 2012, the County will increase the premium by three percent (3%) annually through the term of this agreement to maintain the initial benefits of the plan. This contribution in no way guarantees a specific level of benefits, nor once a plan is adopted, for those benefit levels to continue if the premium exceeds the maximum monthly contribution.

### **ARTICLE 32 Longevity**

Effective the first day of the pay period following the Clark County Board of Commissioners approval of this Agreement, longevity percentage increases for each employee entitled to the benefit will be suspended for one year, measured from individual employee's next longevity date.

The County agrees to a Memorandum of Understanding that longevity will not be discussed for a period of two (2) contract periods.

1. **Creditable Service for Longevity Computation:** Periods of permanent full-time employment with the County of Clark shall be considered as creditable service for the purpose of computing longevity eligibility. Any period in which an employee, while employed by the County of Clark, is called into the active military service of the United States Armed Forces

involuntarily will be considered as creditable service for computation of longevity pay. Upon completion of five (5) full years of creditable service, eligible employees on the County payroll as of October 15, 1991, shall be entitled to longevity pay in addition to their base salary. All remaining employees shall be entitled to longevity pay in addition to their base salary upon completion of eight (8) full years of creditable service. All employees hired or rehired on or after the Clark County Board of Commissioners approval of this Agreement will not be eligible for longevity pay.

- a. Longevity shall be paid annually, in a lump sum amount, during the first pay period following the employee's anniversary hire date, as adjusted for below conditions where applicable. In certain circumstances, the employee may be requested to represent the County in non-client transport activities such as official meetings or ceremonies with other County departments or external organizations, groups, or other outside private or public official meetings. If an employee is required to use a passenger vehicle in the performance of his/her job, the County will make

every effort to provide a County vehicle for use. Employees shall not transport clients in their personal vehicles. In cases of extreme emergencies at Spring Mountain Youth Camp, employees may volunteer to use their personal vehicles to insure the safety of the children, and only if sufficient County transportation is not available at the camp. When there is a question of vehicle safety, operations, or risk related to the use of an employee's private vehicle, the employee, at their discretion, may deny the use of their personal vehicle.

No employee may grieve or arbitrate this provision.
3. Employees are required to wear County-issued safety equipment during their assigned shifts.

**ARTICLE 35**  
**Time and Attendance**

1. The Labor/Management Committee utilized to develop the Departmental Time and Attendance policies, in the prior collective bargaining agreement, will reconvene to determine what determines an unscheduled and scheduled leave.
2. The Committees shall meet within 30 days of the approval and ratification of this agreement. Both parties agree that in the event the parties do not come to an agreement within 60 working days of their first scheduled meeting that this matter will be scheduled for arbitration and neither party will bring the arbitrator's decision for a motion to vacate the award in court. Either party may rely on the previous arbitration award regarding time and attendance during the arbitration process. An employee will not receive any discipline as defined in article 11 until the 9<sup>th</sup> incident of unscheduled leave.
3. An employee is considered tardy when the employee does not begin to perform assigned duties at the start of his or her designated shift.
4. The determination of whether an employee's attendance is acceptable or unacceptable shall be based on unscheduled absences and tardiness in a designated period in accordance with the department attendance policy. An employee's absence due to an approved service connected disability is addressed in this Agreement and such absences shall not be considered in determining an employee's attendance rating for a formal performance appraisal.
5. Within each department, a team comprised of labor and management representatives shall meet on occasion to review the effectiveness of the attendance policy and update the policy when necessary.

Each department attendance policy shall address the following: a) goal of the attendance policy, b) scheduled and unscheduled absences, c) tardiness, d) employee notification procedures when unable to report to work, and e) referral of an employee to the Clark County employee assistance program based on unscheduled absences.

6. An employee's attendance shall be one of the factors included in a formal performance appraisal but shall not be used as the decisive factor in a salary adjustment decision.

**ARTICLE 36**  
**Clark County's Substance Abuse Policy**

**POLICY ON DRUG AND ALCOHOL FREE WORKPLACE**

It is the policy of Clark County and the Juvenile Justice Probation Officers Association, JJPOA, to foster and provide a drug and alcohol free workplace for all employees. A drug and alcohol free workplace protects the safety of the public as well as the County's valuable workforce.

While the County will be supportive of those who seek help voluntarily, the County will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

1. Guiding Principles:

There are four (4) guiding principles underlying the adoption of this policy. They are:

- a. Education - The County and Association believe that education and training of all employees in the effects and treatment of substance abuse will contribute to a safer and more efficient workplace for everyone.
- b. Deterrence - The County and Association are committed to eliminating the effects of substance abuse in the workplace. All employees are prohibited from using, possessing, buying or selling drugs or alcohol in the workplace, and are prohibited from reporting to work or being subject to work (specifically on standby or on break) with prohibited drugs active in their systems or while under the influence of alcohol.
- c. Enforcement - The substance abuse policy will be strictly enforced. Violations of the policy or procedures will be cause for discipline, up to and including termination of employment.
- d. Treatment - The County and Association are committed to helping employees with admitted substance abuse problems overcome those problems, and encourage voluntary rehabilitation options.

2. Policy Purposes:

The purposes of the substance abuse policy are:

- a. To implement a fair and balanced approach to eliminating substance abuse and its effects on the job;

- b. To protect the public and employees; and
- c. To provide a strong incentive for voluntary rehabilitation.

3. Rules:

The County and Association have formulated clear rules and penalties to ensure compliance with the substance abuse policy. The primary rules, are:

**ALCOHOL**

- a. The consumption of an alcoholic beverage by an employee on duty will result in immediate termination with no Last Chance Agreement. The possession of an open alcoholic beverage by an employee on duty shall be cause for disciplinary action up to and including termination. The only exception to disciplinary action for the possession of an open alcoholic beverage while on duty is when the handling of an open alcoholic beverage is incidental to the employee's assigned duties.
- b. An employee will also be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the consumption of alcoholic beverages is at a time proximate to his or her work time, has an adverse effect on his or her work performance, causes impairment while on duty or on standby, or creates a risk of harm to self, others, or County or private property.
- c. The use of alcohol off County premises and while not on duty may be cause for discipline where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.
- d. In an employee that is required to drive as part of his/her assigned duties has his/her driver's license suspended or revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- e. The felony conviction of an employee as a result of alcohol while off County premises and not on duty shall be cause for disciplinary action up to and including termination.

## DRUGS

- a. The unlawful manufacture, distribution, dispensation, possession, or use of an illegal drug or controlled substance by an employee in the workplace or during work hours is prohibited. Employees in violation of this policy will be terminated with no Last Chance Agreement.
- b. The use of any drug which negatively affects performance or the ability of an employee to work in a safe manner may be cause for discipline where the employee knew or should have known that the drug would adversely diminish his/her capabilities to perform the job. For the purpose of this policy, the term "drug" shall include but not be limited to sedatives (i.e. valium, downers), stimulants (i.e. speed, uppers), hallucinogens (i.e. LSD), cocaine, crack, cannabinoids (i.e. marijuana), opiates, phencyclidine (PCP), and volatile solvents (inhalants).
- c. Whenever an employee is prescribed a drug by a licensed health care provider or uses an over-the-counter medication which may negatively affect his/her performance or ability to perform in a safe manner, the employee shall notify his/her supervisor. An employee who fails to notify his/her supervisor may be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the use of drugs by that employee contributes to an accident or incident that results in property damage or injury to a person. Supervisors shall ensure that employees are not placed in capacities that may jeopardize the safety of others.
- d. The possession or use of illegal drugs while off County premises and while not on duty may be cause for discipline, up to and including termination, where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.
- e. If an employee that is required to drive as part of his/her assigned duties has his/her driver's license suspended or revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- f. The felony conviction for the possession or being under the influence of illegal drugs while off County premises and while not

on duty shall be cause for disciplinary action up to and including termination.

- g. The conviction of an employee for the sale or possession with intent to sell illegal drugs is cause for immediate termination with no Last Chance Agreement.
- h. Employees must notify their immediate supervisor of any personal criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. Failure to notify the immediate supervisor shall result in disciplinary action.

## **DRUG AND ALCOHOL TESTING**

The County may require an individual to submit to a drug and alcohol test under the following circumstances:

1. Pre-Employment:

Clark County Human Resources will identify specific job classifications that require an applicant selected as a new hire to take and pass a drug and alcohol screening. A positive result from the drug and/or alcohol screening may result in the applicant not being hired where the applicant's use of drugs and/or alcohol could affect requisite job standards, duties and responsibilities. If a legal drug screen is positive, the applicant must provide, within 24 hours of request, bona fide verification of a valid current prescription for the drug identified in the drug screen and it must be in the applicant's name. If the prescription is not in the applicant's name or the applicant does not provide acceptable verification, or if the drug is one that is likely to impair the applicant's ability to perform the job duties, the applicant will not be hired.

2. Reasonable Cause:

An employee will be required to undergo immediate drug and alcohol testing in accordance with the following procedures if there is reasonable cause that the employee is under the influence of a drug and/or alcohol. Reasonable cause that an employee is under the influence of a drug and/or alcohol will be based on specific facts and/or reasonable inferences derived from those facts. Examples of circumstances, although not inclusive, which constitute a basis for determining reasonable cause are specified on the "Observation/Incident Report" included in Appendix D of this policy.

3. Post-Accident:

An employee involved in an accident while on duty may be required to undergo a drug and alcohol test when there is:

- a. Property damage, and/or
- b. Personal injury

For the purposes of this Article, an accident is an unplanned happening involving an officer, while in the performance of duty, where no other factors contribute significantly to the resulting injury or damage. An accident is not an incident or series of incidents where mechanical failure, equipment failure, terrain, environment, weather, or other natural phenomenon significantly contributes to the unplanned happening. An accident is not a physical altercation between an officer and a suspect. An officer's actions or negligence must be the conclusive and primary reason for the reported injury or damage.

4. Testing Procedures for Reasonable Cause and Post-Accident:

- a. Any supervisor evaluating an employee for reasonable cause shall complete the Clark County "Observation/Incident Report". The Observation/Incident Report shall be sent to the appropriate department head and the Employee Relations Division of Clark County Human Resources. Supervisors and managers will not be permitted to use this policy as a vehicle to harass employees. Supervisors and managers shall be subject to the disciplinary process up to and including termination if they engage in harassing behavior towards employees.
- b. If the employee is an eligible member of a bargaining unit, the supervisor is to advise him/her of his/her right to have an Association representative present prior to testing. Allow 30 minutes for an Association representative to appear. If mitigating circumstances warrant, the supervisor may wait up to a maximum of one (1) hour for an Association representative.
- c. The employee shall be relieved of duty and transported to a drug testing specimen collection site for a drug and alcohol screening. Once the test sample is collected, arrangements will be made to have the employee transported home. The sample will be tested and confirmed and chain of custody maintained by a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory facility.

An employee who is incapacitated to the point that he/she cannot provide a sample at the time of the incident, shall later provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol.

- d. Advise the employee that he/she will remain on paid status until the test sample is collected. After the sample is collected, the employee will be placed on leave in the following order as leave benefits are exhausted (sick leave, compensatory time, vacation leave, leave without pay) until the County receives the test results. If the test is negative, the County will make the employee whole.
- e. The results will be delivered by mail or carrier to the Employee Relations Division of Clark County Human Resources, who will then immediately notify and make a copy of the report available to the employee. The employee's department head or designee will be notified whether the test results are positive or negative. A drug test will be considered positive if the confirmation cutoff levels established by SAMHSA are exceeded. An alcohol test will be considered positive if the blood alcohol content is .05% or greater.
- f. Refusal to submit to a drug and alcohol test or to provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol shall be considered just cause for termination with no Last Chance Agreement.

#### **DISCIPLINARY PROCEDURES FOR A POSITIVE DRUG AND ALCOHOL TEST:**

- 1. A positive drug and/or alcohol test requested as a result of reasonable suspicion, or an accident which causes injury to a person or property damage will be cause for disciplinary action in accordance with Section 3 below.
- 2. A test resulting in a positive outcome for a legal drug will result in the following actions:
  - a. The employee may be disciplined for the performance or behavior that established reasonable cause to test the employee.
  - b. The employee will provide, within 24 hours or request, a bona fide verification of a valid, current prescription for the drug identified. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription, or if

the prescription is not in the employee's name, or if the employee has not previously notified his/her supervisor, the employee will be subject to disciplinary action in accordance with Section 3 below.

- c. Before the employee may return to work, the employee must provide the department head with a certificate of fitness from the prescribing physician. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions.
3. A test resulting in a positive screen for alcohol and/or an illegal substance or the [the abuse and/or misuse] unlawful use of a legal drug or controlled substance will result in the following action.
    - a. First Offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and shall be required to sign and successfully complete the conditions of a Last Chance Agreement which includes rehabilitation and aftercare.
    - b. Before the employee may return to work the employee must provide the department head with a return-to-duty form signed by a state licensed rehabilitation and treatment program provider releasing the employee to return to work. This must occur within 60 days of the drug or alcohol test date. Failure to provide a return-to-duty form within 60 days will result in disciplinary action up to and including termination.
    - c. Second Offense: The employee will be suspended without pay pending termination.

#### **LAST CHANCE AGREEMENT:**

Refusal to sign a Last Chance Agreement shall be considered just cause for termination. The Last Chance Agreement shall be the final step before termination in the disciplinary process. The treatment and aftercare portion of the Last Chance Agreement will be monitored for compliance by the Employee Assistance Program. The Last Chance Agreement shall require at least the following:

1. The employee to contact the employee assistance program within five (5) working days of the employee notification of a positive drug or alcohol test.

2. Compliance with and satisfactory completion of treatment by a Bureau of Alcohol and Drug Abuse Certified rehabilitation program or provider. The Employee Assistance Program will assess and determine the appropriate level of treatment, offering recommendations regarding provider options. The program/provider may be selected by the employee.
3. Enrollment and continued attendance in an aftercare program, as necessary.
4. Return-to-duty form signed by a state licensed rehabilitation and treatment program provider releasing the employee to return to work.
5. A minimum of four (4) random tests over a period of one (1) year from the date of returning to duty. An employee's department head or immediate supervisor, as approved by the department head, may require testing at any time the employee is on duty.

**CONFIDENTIALITY:**

With the exception of the laboratory testing facility, the Employee Relations and Employee Assistance Divisions of Clark County Human Resources, the tested individual, and the Risk Management Division for workers' compensation incidents, the medical record shall not be released to anyone without express written authorization of the tested individual unless ordered by means or proper legal procedure and appropriate legal authority, such as court ordered subpoena, or in connection with a disciplinary proceeding.

To ensure the confidentiality of employees' medical records, laboratory reports, test results, and Observation/Incident Reports shall not appear in an employee's personnel file. Information of this nature will be contained in a separate confidential medical record that will be securely kept under the control of Clark County Human Resources.

**TRAINING:**

Training is an essential element in assuring the effectiveness of the drug and alcohol free workplace program. **ARTICLE 42**  
**Shift Assignment**

1. The County and the Association agree that a bid shift procedure based on seniority will be implemented. The bid shift procedures will apply to any position classification in the department where employees occupying those positions are scheduled to day and non-day shifts, as defined in Article 19. At the discretion and approval of the Department Head, shift bidding for day schedules with different regular days off may be included under the purview of this article. The procedure is as follows:
  - a. No less than once every year, all permanent employees covered under this agreement who occupy a position classification in a department where employees work both day and non-day shifts shall be allowed to submit a bid for the purpose of expressing a shift preference and days off (as days off are part of a posted shift). Bids should be submitted to the employee's department head or his/her designee in accordance with the procedures as outlined within that department.
  - b. The County shall schedule employees to available shifts and days off (as days off are part of a posted shift) according to the bids submitted and the seniority of the employees, and shall advise the Association and affected employees of the schedules.
2. Seniority shall be determined according to an employee's length of service in a position classification within the department. If two or more eligible employees have identical seniority levels, the employee with the greater length of service with the County, as determined by the employee's hire date, shall be given bid preference. If a tie still remains, when the shift bid occurs during even numbered years, preference will be given based on the last four (4) digits of the employee's social security number in ascending order; and when the shift bid occurs during odd numbered years, preference will be given based on the last four (4) digits of the employee's social security number in descending order.
3. Prior to scheduling employees to available shifts, pursuant to section 1 (b) herein, the department head shall have the exclusive right to exempt specific employees from the bid shift procedure noted herein on the basis of operational requirements. This provision will not be utilized to exempt entire classifications.

4. Employees exempted from the bid shift process, along with the Association, shall be notified in writing of their exemption from the bid shift process. Any employee exempted from the bid shift process may request that the county manager reconsider (sustain or overturn) their exemption from the process on the basis of operational requirements.

**Badges and Identification Committee**

The Department of Juvenile Justice Service (DJJS) and the Juvenile Justice Probation Officers Association (JJPOA) agree to participate in a Joint Committee with the common goal of establishing a project plan to standardize Probation Officer badges and identification credentials. Both DJJS and JJPOA are aware of the various types of badges and identification credentials issued by the Department. Over the years, the department has issued various badges and identification credentials for Officers as they carry out their job duties internally and externally. The Department is interested in a committee structure to provide a set of recommendations regarding standardizing identification credentials and badges for staff.

The Director shall appoint two (2) management representatives to serve on the committee. The President or his/her designee shall appoint two (2) JJPOA representatives to the committee. The parties shall notify each other of their appointments and copy the Human Resources Director. The Joint Committee will convene a meeting within 60 calendar days of Board of County Commissioner approval of the JJPOA agreement. The parties may request the Human Resources assigned Labor Analyst to participate.

The Joint Committee will meet as often as necessary in order to develop a uniform policy for DJJS badges and credentials. Within three (3) months of the initial meeting the Joint Committee will submit a written set of recommendations and cost estimates, if applicable, for the standardization project. 1. Any JJSAMA employee identified to be laid off as a result of a reduction in force, shall be eligible to bump into the next lower classification held prior to their promotion. JJSAMA members affected by a reduction in force may bump into the JJPOA collective bargaining unit.
2. Any probationary employee will be laid off first. The employee will displace the least senior employee in the lower classification.
3. If any approved and funded vacancy exists within the collective bargaining unit, the Director shall fill the vacancy with an affected employee.
4. Any JJSAMA employee demoted as a result of a reduction in force, shall be placed on a recall list by former (higher) classification and seniority with two years recall eligibility. When subsequent promotions to that classification are conducted, those employees previously demoted shall be promoted by seniority prior to any other employee on the applicable promotion list. Any JJSAMA employee demoted as a result of a layoff or reduction in force shall not be required to re-test, or serve a qualifying period, for the formerly held position within the recall period. If an employee is reduced in classification while serving a qualifying period, and is recalled during the recall eligibility period, the employee will be required to serve the remainder of the affected qualifying period.

If the Director elects not to adopt the Committee's recommendations within thirty (30) days, either party may seek resolution through a third-party mediator.

**LETTER OF AGREEMENT**  
**Probation Officer Staff Utilization**

The Department of Juvenile Justice Service (DJJS) and Juvenile Justice Probation Officer Association (JJPOA) agree to participate in a Joint Committee with the common goal of providing appropriate accountability and staffing for safe operations of all divisions. It is understood the JJPOA and DJJS mutually acknowledged the lead assignment designations of the Association members as shifts are established. Although the designation rotated among the POIIs, in a number of instances less tenured POIIs received the designation over more tenured POIIs for the same location and shift. More tenured POIIs viewed the designation ill advised considering the less experienced officer might encounter many unfamiliar events because of the lack of experience.

The President or his/her designee shall appoint two (2) JJPOA representatives to serve as committee members. The Director shall appoint two (2) DJJS representatives to serve committee members. The respective parties shall notify each other of their appointments and copy the Human Resource Director. The committee will convene a meeting within 60 calendar days of Board of County Commissioner approval of the JJPOA agreement. The Human Resource Department will assign a Labor Analyst and Compensation Analyst as advisors to the committee.

The Committee will meet as often as necessary in order to research and develop proposals for the Director of DJJS with regard to POII staff utilization. Within 6 months from the initial meeting the Committee will submit to the Director of DJJS a set of recommendations for his/her consideration. If the recommendations include any financial impact, the Director shall share the recommendations and his/her recommendation to the Assistant County Manager and Budget Director.
