**ARTICLE 1
Agreement**

This Agreement is made and entered into this August 31, 2012, by and between the Clark County Park Police Association, Nevada Association of Public Safety Officers, NAPSO/Communication Workers of America, Local 9110, hereinafter referred to as the "Association" and the County of Clark, a government entity of the State of Nevada, hereinafter referred to as the "County."

**ARTICLE 2
Intent**

It is the purpose of this Agreement to promote and provide a responsible labor relations policy between the County and the employees covered herein; to secure an orderly and equitable disposition of grievances which may arise under the Agreement; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours, and other specified conditions of employment of the employees covered hereby. It is intended by the provisions of this Agreement that there be no abrogation of the duties, obligations or responsibilities of the County expressly provided for by federal law, State statutes, and/or local ordinances, except as expressly limited herein.

**ARTICLE 3
Recognition**

1. The County hereby recognizes the Association as the sole and exclusive collective bargaining representative of those County employees with Peace Officer status as assigned to the classifications listed below. These employees are eligible to be represented by the Association except as limited by Section 2 of this Article. Both parties recognize that the Association retains its right to appeal under the provisions of NRS 288.170.

Bargaining Unit

Park Police Officer I (Working Title: Park Police Officer)
Park Police Officer II (Working Title: Park Police Sergeant)

2. County employees who are excluded from the bargaining unit are as follows:
 - a. Those employees certified to another bargaining unit under the provisions of NRS Chapter 288.
 - b. Confidential employees.

- c. Employees exempted in accordance with NRS 245.216.
 - d. Probationary employees.
 - e. Temporary employees.
 - f. Part-time hourly employees.
 - g. Volunteers.
3. Subject to the provisions of NRS Chapter 288, the County reserves the right to withdraw recognition of the Association in the event the Association:
- a. Fails to present a copy of each change in its constitution or bylaws, if any, or to give notice of any change in the roster of its Executive Board members, if any;
 - b. Disavows its pledge not to strike against the local government employer under any circumstances;
 - c. Ceases to be supported by a majority of the local government employees in the bargaining unit for which it is recognized;
 - d. Fails to negotiate in good faith with the local government employer.

Such action shall only be taken if the County first receives the written permission of the Local Government Employee-Management Relations Board.

ARTICLE 4 Discrimination Clause

The County, the Association, and any other party bound by this Agreement shall each apply the provisions of this Agreement equally to all employees in the Association without discrimination as to race, color, religion, sex, age, sexual orientation, gender identity/expression, disability, national origin or because of political or personal reasons or affiliations.

ARTICLE 5 Anti-Strike Clause

- 1. The association agrees that there shall be no strikes under any

circumstances. Employees shall continue to furnish efficient service within all areas of assigned responsibility, pursuant to NRS 288.

2. For the purpose of this agreement the meaning of the word "strike" shall include but not be limited to any concerted stoppage of work; slowdown; interruption of operations by employees; absence from work upon any pretext or excuse, such as illness, which is not founded in fact; or interruption of the operations of the County by the Association and/or its members.

ARTICLE 6 Management Rights

1. The County is entitled, without negotiation, to the sole right and authority to operate and direct the affairs of the County in all its various aspects. Those rights include but are not limited to the following:
 - a. To hire, direct, promote, assign, transfer, or take disciplinary action against any employee, but excluding the right to harass an employee through reassignment or transfer as a form of discipline. Transfers and reassignments for the improvement of personnel staffing and utilization shall not be deemed a form of discipline;
 - b. To reduce in force or lay off any employee because of lack of work or lack of funds. In exercising this right, the local government employer shall comply with all other applicable provisions of the NRS, if any;
 - c. To determine:
 - (1) Appropriate staffing levels, position classifications, and work performance standards, except for safety considerations;
 - (2) The content of the workday, including without limitation workload factors, except for safety considerations;
 - (3) The quality and quantity of services to be offered to the public;
 - (4) The means and methods of offering those services; and
 - (5) The supplier of goods and services, except for safety considerations;
 - (l) This provision does not preclude, and is not intended

to restrict, limit, or otherwise interfere with, Clark County's competitive or non-competitive purchasing policies, regulations, or procedures governing the acquisition of goods and services.

- d. To maintain the efficiency of its governmental operations;
 - e. To determine the methods, means and personnel by which its operations are to be conducted;
 - f. To assign overtime; and
 - g. To take whatever actions may be necessary to carry out its responsibilities in situations of emergency.
2. All rights and responsibilities of the County not specifically modified by the Agreement shall remain the functions of the County.

ARTICLE 7 Employee Rights

1. The County and the Association agree that employees eligible for membership in the Association shall have and shall be protected in the exercise of their right freely and without fear of penalty and reprisal, to form, join, and participate in authorized and appropriate Association functions. The freedom of such employees to assist the Association shall be recognized as extending to participation in the management of the Association in the capacity of an Association officer, including, following consultation with the appropriate management representatives, presentation of its views to the officials of the County. The County shall not interfere, restrain, or discriminate against any employee exercising his/her rights under this Section.
2. The County and the Association agree that Park Police Officers are "Peace Officers" and are covered by NRS, Chapter 289.
3. The County shall provide a bulletin board, access to department mailboxes and/or county e-mail system for use by the Association to enable employees in the bargaining unit to see notices posted thereon, and in individual employee mailboxes when reporting to or leaving the central workstation.
4. All notices, which appear on the Association's bulletin board, shall be posted by an Association officer and shall relate to items of interest to the members. Association notices relating to the following matters may be

posted without the necessity of receiving the County management representative's prior approval:

- a. Association recreational and social affairs;
 - b. Notice of Association meetings;
 - c. Association officers and committee appointments;
 - d. Notice of Association elections;
 - e. Results of Association elections;
 - f. Association committee reports; and
 - g. Publications, rulings or policies of the Association, and its affiliated union and/or memberships, Nevada Association of Public Safety Officers, NAPSO/Communication Workers of America, Local 9110, or relevant AFL-CIO organizations.
5. All other notices of any kind not covered by (a) through (g) above must receive the prior approval of the Clark County Human Resources representative as designated by the County Manager. It is also understood that no material may be posted on bulletin boards at any time which contain the following:
- a. Personal attacks upon any other member or any other employee;
 - b. Scandalous, scurrilous or derogatory attacks upon the administration;
 - c. Attacks on any other employee organization, regardless of whether the organization has local membership; and
 - d. Attacks on and/or favorable comments regarding a candidate for a partisan political officer within County government.

ARTICLE 8 Association Rights

1. Association officers will be designated by the Association.
 - a. The Association shall notify the County, in writing, of the names of the officers within 30 calendar days of the effective date of any such designation.

2. The County recognizes that it may be necessary for the President of the Association, or a designated Association officer when the President is not available, to perform certain Association duties during the period he/she is in work status. The Association President or Association officer may, after submitting a leave request form and receiving approval for release from duty from his/her supervisor, perform Association duties during working hours. A copy of all approved leave request forms for the release of duty to perform Association duties shall be sent immediately to Clark County Human Resources. Such approval will not be unreasonably withheld. The County, therefore, agrees to permit the President of the Association and/or his/her designee a reasonable amount of time necessary (not to exceed 320 hours annually) to perform such duties during work time without loss of pay.
3. The County agrees that in the event of the renegotiation of this Agreement and the continued qualification of the Association as the exclusive representative of the employees covered by this Agreement, the County shall permit a reasonable amount of leave with pay from duty for a maximum of four (4) members of the Association Negotiating Committee for attendance at negotiation sessions held with the County, unless otherwise stipulated by the parties in the ground rules.
4. Association business or attendance at negotiation meetings during working hours will not be counted as time worked for the purpose of computing overtime.

ARTICLE 9

Employee Deductions

1. The County shall deduct from the wages of those employees who are members of the Association and pay over to the proper officers of the Association any monies which the Association advises may be due it from such members, provided that the employee who is a member of the Association has individually and voluntarily authorized such deductions to be made. The form of authorization shall be approved by the County and the Association.
2. The County agrees not to honor any check-off authorizations or dues deduction authorizations executed by any employee in the bargaining unit in favor of any other labor organization or organization representing employees for purposes of negotiation of wages, hours, and working conditions, and other fringe benefits for its members unless otherwise authorized by the Local Government Employee-Management Relations Board.

3. The Association agrees to indemnify, defend and hold the County harmless against any and all claims or suits that may arise out of or by reason of action taken by the County in reliance upon any authorization cards submitted by the Association to the County. The Association agrees to refund to the County any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence of error or mistake.
4. Dues deduction authorization may be revoked at any time.
5. The Association will certify to Clark County Human Resources, in writing, the current rate of membership dues. The county will be notified of any change in the rate of membership dues 30 days prior to the effective date of such change.
 - a. If the County is notified of a 75% or more increase in Association dues, it may require that each member re-sign dues authorization cards, reflecting the amount of increase.
6. The County will not be required to honor for any month's deduction any authorizations that are delivered to it later than seven (7) days prior to the second payday of the month.

ARTICLE 10
Labor/Management and Safety Meeting

1. Three (3) members of the Association, a representative from Clark County Human Resources, and the Director of Administrative Services or his/her designee shall meet monthly or less frequently when mutually agreed to exchange general information of interest to the parties and make suggestions on subjects of interest to Association members.
2. During this meeting with the Director of Administrative Services or his/her designee, the Association and the County may discuss and make recommendations on the maintenance of proper safety standards, Officer safety standards and or equipment requirements, daily operation concerns of the Park Police, the responsibility of employees concerning safety practices, and give input in the development of overall accident prevention programs and elements.

Safety concerns discussed during this meeting and not resolved may be forwarded to the County Manager for review by submitting a written request to the Clark County Human Resources representative as designated by the County Manager as representative of the County

Manager.

3. The County will continue to undertake all reasonable efforts to provide for employee health and safety in accordance with all laws applicable to its operations concerning the safety of employees covered by this Agreement. All such employees shall comply with all safety rules and regulations established by the County.
4. If both parties disagree, then the matter will be referred to the Clark County Safety Officer for his/her binding opinion.
5. Provisions of this article are not subject to the grievance procedure.

ARTICLE 11

Dispute Resolution Procedures

1. Grievance Defined: a grievance is defined as:
 - a. A filed dispute between an employee and/or the association (herein after referred to as party/parties) and the county over the interpretation and/or application of the express terms of this agreement; or
 - b. An appeal by the party/parties for relief from discipline the employee received. Discipline for which an employee may file a grievance is defined in Section 1 of this Article. The procedure for filing such a grievance is outlined in Section 2 of this article, and shall follow the requirements of this Article. A grievance shall not be defined to include any matter or action taken by the county or its representatives for which relief is provided under the statutes of the state of Nevada, any matter for which the Nevada Equal Rights Commission has jurisdiction, matters relating to employee classification or reclassification, or any matter specifically excluded from grievance and arbitration by other provisions of this agreement. On occasion, the department and/or Human Resources will conduct a preliminary investigation and forward information to the Office of Diversity (OOD) with the approval of the County Manager and/or designee.
2. Work Day Defined: for the purposes of this article, a workday is defined as Monday through Friday, 8:00 a.m. until 5:00 p.m., excluding Saturdays, Sundays, and holidays.
3. If mutually agreed, either party may request, in writing, an extension of the time limitations set forth in this Article. A grievance shall be considered

abandoned if not filed and processed by the party/parties where indicated in accordance with the time limitations. Failure on the part of the county to respond to a grievance in accordance with the time limits set forth in this agreement shall result in the grievance advancing to the next step of the procedure.

Section 1 – Discipline

1. Discipline Defined: discipline shall be defined to include both punitive actions and/or corrective actions.
 - a. Punitive actions shall be defined to include oral warnings, written reprimands, suspensions, demotions, administrative leave without pay, and terminations. With the exception of oral warnings, all punitive actions shall be in writing. Oral warnings shall not be reduced to writing and shall not be maintained in the employee's official personnel file. Corrective actions shall be defined as temporary or permanent actions implemented to assist an employee in overcoming a substantiated deficiency related to behavior or work performance. Corrective actions as defined in this Section which do not result in a financial loss, either as a cost to the employee to pay for such corrective action, or an immediate loss of pay, and/or do not interfere with an employee's non-county time outside of his/her regularly scheduled work day (duty shift) are not considered grievable and shall not be subject to the grievance procedure.
 - b. Corrective actions as defined in this section, which do result in financial loss either as a cost to the employee to pay for such corrective action, or an immediate loss of pay based on the corrective action, and/or require the employee to engage in programs or activities outside of his/her normal work day (duty shift) shall be considered as discipline subject to the grievance process as defined in this Article, and subject to the grievance process as outlined in Section 2 of this article. An employee may be placed on administrative leave with pay pending an investigation into alleged misconduct. This shall not be deemed to be discipline, nor shall it be grievable.
2. The principles of progressive discipline shall be utilized. Progressive discipline is defined to include oral warning, one (1) or more written reprimand(s) and thereafter more severe disciplinary action. The association recognizes the need for more severe initial disciplinary action in the event of major violation of established rules, regulations or policies of the county or its operating departments, or misconduct. The decision to uphold the disciplinary action will be based on the reasonableness of the

discipline imposed by the supervisor in response to the actions taken or not taken by the employee. An employee who receives discipline as defined above, may within thirty (30) working days, submit a rebuttal in writing to the Clark County Human Resources Director, which shall be attached to and accompany the discipline.

3. Discipline subject to the grievance procedure is defined as an employee's written reprimand, suspension, demotion, involuntary termination from county service, or a grievable corrective action as defined in paragraph 1 of this Section. It will not include matters over which the Nevada Equal Rights Commission has jurisdiction.

Oral warnings, and non-grievable corrective actions as defined in paragraph 1 of this Section, are not subject to the grievance and arbitration procedures outlined in Section 2 of this Article.

4. Disputes specifically excluded in this Article or other Articles of this agreement from the grievance and arbitration procedure shall not be construed as within the purview of this Article. The grievance and arbitration procedures and timelines are outlined in Section 2 of this Article.
5. No employee who has satisfactorily completed probation may be disciplined without just cause. Just cause may include, but not be limited to:
 - a. Violation of the criminal laws, or ordinances, of the cities, counties, or the state of Nevada or of any other state, or the united states, the violation of which is considered a crime;
 - b. Violation of written county or departmental rules and regulations that do not conflict with the terms of this agreement and have been properly approved;
 - c. Solicitation of the public for money, goods or services which has not been approved in accordance with established procedures;
 - d. Acceptance of any reward, gift or other form of remuneration in addition to regular compensation for work related duties, which has not been approved in accordance with established procedures;
 - e. Unsatisfactory performance, unprofessional conduct, inappropriate conduct, repeated incompetency, repeated inefficiency, repeated carelessness, abuse of sick leave, neglect of duties, unexplained absence from duty, malfeasance, misfeasance, misconduct, conduct unbecoming an employee, insubordination, or acts or

evidence of moral turpitude. Employees who excessively use social networking sites and/or pornographic (not including minors) sites using the County assigned computer, for non-business use, will automatically be placed on a Last Chance Agreement. Employees who use social networking sites and/or pornography involving minors using the County assigned computer will be automatically terminated and will be referred for possible criminal prosecution.

6. Upon written request by the employee to the Clark County Human Resources Director or designee, the record of a written reprimand shall be removed from all files (county, department, division) eighteen (18) months from the date of issuance if no further discipline for similar offences ensues. All documents will be returned to the employee.
7. Upon written request or authorization by an employee involved in a disciplinary hearing, the employee's attorney or bargaining unit representative may obtain data that are necessary from the personnel file of the employee subject to the discipline in preparation of the grievance meeting, hearing, or arbitration.
8. Each employee shall have access to his/her own departmental and/or official personnel file, by appointment, during the normal business hours of district attorney administration and/or Clark County Human Resources. Clark County Human Resources will maintain the official personnel file for each association member.
9. The contents of the personnel files outlined in paragraph 8 of this Section shall be made available to the employee for inspection and review at the time of his/her scheduled appointment with the Department of Administrative Services' administration and/or Clark County Human Resources. At the employee's request he/she shall be provided one (1) copy of any or all documents maintained within the employee's personnel file.
10. Upon review of the personnel file, the employee may provide rebuttal comments to be attached to file documents. Such rebuttal comments must be restricted to the document(s) in question.
11. Other than the employee, access to his/her departmental and/or official personnel file shall be limited to designated confidential staff within Clark County, the Department of Administrative Services' administration, and/or Clark County Human Resources. Upon written request of the employee to the Department of Administrative Services and/or the Clark County Human Resources Director the employee or his/her association representative shall have the right to review items in his/her personnel file.

12. Citizen complaints requiring no further action shall not be placed in the employee's personnel file. Additionally, exonerated, unfounded, or non-sustained dispositions shall not be made part of the employee's personnel file. These complaints shall not be used as a basis for a subsequent discipline; nor shall they be used as evidence in a subsequent investigation on an unrelated matter.
13. Negative or adverse comments or documents will not be placed in the employee's personnel file without prior review and acknowledgement by the employee. Upon review, the employee will initial the comment or document. If the employee refuses to initial the comment or document, the employee's refusal will be noted on, or attached to, the comment or document.

Section 2 - Grievance Procedures

For contract interpretation/discipline

Step 1 – Initial filing of grievance and department head response

The party/parties, who believes that he/she has a grievance relating to the interpretation and application of the express terms of this agreement, or for disciplinary matters as defined in Section 1 of this Article, shall reduce the grievance to writing utilizing a standardized format and submit it to the employee's department head within ten (10) working days after the affected employee first knew or should have known of the contract violation, or within ten (10) working days from the date of the disciplinary action. Meeting with the aggrieved party/parties in accordance with Step 1 and/or Step 2 of the grievance process as defined in this Article shall not be construed to mean the county agrees the aggrieved party has an actual grievable issue and shall not be evidence of same at any subsequent hearing. A grievance relating to the interpretation and application of the express terms of the agreement shall cite the violated Article and Section of the agreement and shall set forth the details of the violation. If the grievance is based upon a disciplinary matter, as defined in Section 1 of this Article, the notice of discipline, along with all ensuing meetings and actions, shall follow the requirements of this Article. Within ten (10) working days of receipt of said grievance, the department head or designee, a human resources representative or liaison, an association representative, and the aggrieved party/parties will meet to try to resolve the grievance. If desired, both parties may choose an additional representative who may attend the meeting. The department head or designee will provide at least three (3) working days notice of said meeting. The notice must include: the date, time, and place of the meeting. If the grievance is not resolved at the meeting, the department head or designee shall have five (5) working days from the date of the meeting to respond in writing to the grievance.

Step 2 - County Manager Response

If the grievance is not settled in Step 1, the aggrieved party/parties may, within five (5) working days of the receipt of the department head's decision, file the grievance with the Clark County Human Resources Director or designee as representative of the County Manager. The County Manager or designee will, within ten (10) working days of receipt of said grievance, meet with the aggrieved party/parties to try to resolve the grievance, giving at least three (3) working days notice of said meeting. If the grievance is not resolved at the meeting, the County Manager or designee shall have five (5) working days to respond in writing to the grievance giving his decision.

Step 3 - Arbitration

- A. If the Step 2 decision is unacceptable, the aggrieved party/parties may make a written request for arbitration within five (5) working days of receipt of the Step 2 decision. In such event, the parties shall meet within 10 working days of the written request for arbitration. At this meeting, the parties will jointly request the American Arbitration Association (AAA) to furnish a panel of five (5) arbitrators from which the arbitrator shall be selected. Both parties shall make every effort to mutually set forth the issue(s) to be arbitrated in advance of the arbitration hearing date. The selection shall be accomplished by the association first, and the county next, each striking one (1) name from the list in turn until only one (1) name remains. If both parties agree, a permanent panel of arbitrators may be selected and would be used instead of using the services of the AAA.
- B. The arbitrator's decision shall be final and binding on all parties to this agreement as long as the arbitrator does not exceed his/her authority set forth in paragraph(d) below and as long as the arbitrator performs his/her functions in accordance with the case law regarding labor arbitration, the provisions of the u. S. Uniform Arbitration Act, and where applicable, the NRS.
- C. The expenses of arbitration shall be borne equally by the aggrieved party/parties and the county. Expenses incurred by any party in the preparation or presentation of its case are to be borne solely by the party incurring such expense.
- D. Only one (1) grievance may be decided by the arbitrator at any hearing; however, the parties may mutually agree to waive this requirement. The arbitrator shall not have the authority to modify, amend, alter, ignore, add to, or subtract from any of the provisions of this agreement. The arbitrator is without power to issue an award inconsistent with the governing

statutes and/or ordinances of the jurisdiction. The arbitrator, in the absence of expressed written agreement of the parties to this agreement, shall have no authority to rule on any dispute between the parties which is not within the definition of a grievance set forth in this Article. The arbitrator shall consider and decide only the particular issues presented by the aggrieved party/parties and the county, and the decision and award shall be based solely on his/her interpretation of the application of the express terms of this agreement. Any and all settlements or awards, including back pay and benefits, issued by the arbitrator shall be limited in retroactivity to the date of alleged violation or date of the filing of the grievance as decided by the arbitrator. Subject to the provisions of Section 2 of this Article, the arbitrator shall not have the authority to excuse a failure by the aggrieved party/parties or the county to comply with the time limitations set forth above unless mutually agreed by both parties.

Section 3 – NERC/OOD Procedure

The County Manager, or his/her designee, may assign the investigation of a Title VII complaint to staff outside of the Office of Diversity (OOD):

1. To avoid a conflict of interest;
2. To a person who possesses specialized expertise in conducting like investigations; or
3. To redistribute workload.

If an OOD investigation is assigned to alternate staff, the subsequent findings and/or recommendation will be deemed final for purposes of this Section. Employee(s) being investigated shall have the right to union representation commencing at this level and continuing throughout the entire procedure. If discipline results from the investigation, employees are eligible for Step I and Step II meetings, and Step III arbitrations as defined in Section 2 of this Article. However, if the department head chooses not to conduct the Step I meeting within the time frames, then the case will be heard at the next level.

ARTICLE 12

Personnel Layoff, Recall and Appeal Procedure

Layoff is defined as any involuntary separation wherein management eliminates a position without prejudice to the incumbent. The determination of the number of positions, classifications and departments to be affected by a layoff is a management right and not grievable. The County and the Association agree that layoff and recall of personnel and appeals of these actions, as it pertains to

employees covered under this Agreement, shall be as prescribed below.

Section 1 - Layoff

1. Temporary and probationary County-funded employees in the department shall be separated first.
2. Additional layoffs shall be based on the following criteria in the following order:
 - a. The seniority of the employees in the affected classification series within the department.
 - b. The relative ability and qualifications of the employees as determined by the department head within the affected classifications of his/her department.
 - c. In the event that (a) and (b) are equal, preference will be given based on the last four (4) digits of the employee's Social Security number with the smaller number being first.
3. Seniority will be based on continuous service with the County, 1) in the affected classification, or 2) classification in the same series at a higher salary grade in the event an employee has been reduced in grade in accordance with this Article. Creditable service for seniority must be in a permanent or permanent-intermittent position with the County.
4. As a result of the application of this layoff procedure, the County may cause the reassignment, transfer, reduction in grade, or any combination thereof, or the layoff of an employee.
5. All permanent status personnel who are affected by layoff shall have the right to elect a reduction in grade to a lower classification.
6. No employee will have the right to bump to a position in another department, outside the bargaining unit, or to bump a position of a higher salary grade than he/she currently fills. A permanent employee to be laid off may bump a temporary or probationary employee of the same classification in the department and in the bargaining unit if the employee voluntarily agrees to commute or relocate at no expense to the County.
7. An employee reduced in grade may have his/her salary reduced and in no event shall exceed the maximum for the class, but shall not have his/her anniversary date adjusted.
8. The assignment of an employee to a position within a classification will be

at the discretion of the department head.

9. Separation due to layoff shall require the giving of at least two (2) weeks notice to the employee, or payment in lieu of notice, of an equivalent amount of the employee's base salary by the County.
10. No permanent employee initially hired into and serving in a grant-funded position may initiate a bump into a County-funded position unless he/she is displaced by someone who has bumped him/her. Employees electing to bump into grant-funded positions have no property right to the position or County service if the funding ceases.

Section 2 - Recall

1. Any permanent status employee reduced in grade or laid off under this Article shall, based on seniority, have his/her name placed on an appropriate County recall list/lists for a period of two (2) years. Previous employees shall be notified by certified mail, return receipt requested, at their last known address and shall within ten (10) calendar days of receipt respond affirmatively by certified mail or in person that they are accepting the offer of recall. Failure to respond in a timely manner will mean that the person has refused the offer of recall and the person will be removed from the recall list/lists. An employee must be available for work within two (2) weeks of acceptance of the offer.
2. When positions become available in a class in the department and in the bargaining unit, personnel who have been laid off or reduced in grade in that class from that department shall be recalled in inverse order of layoff. The order of recall shall be:
 - a. Employees who are reduced in grade based on the same criteria in Section 1(b).
 - b. Former (laid off) employees who held a position in the same class based on the same criteria in Section 1(b).
 - c. Former employees who held a position in the same series.

In the event that a classification has only had a change in title, employees on the old recall list/lists shall be placed on the new respective list/lists.

3. Upon recall after layoff, the time that the person was on layoff shall be counted as a break in service.

3. A meal break is a break of not longer than 45 minutes taken near the middle of an employee's shift or when workload permits, but not within two (2) hours of the employee's starting time or one (1) hour of the employee's quitting time. 7. Within 30 calendar days of request, the department head will meet with the requesting employees to determine the practical and feasible aspects of any schedule change. The majority of the bargaining unit employees must desire such a change before a request may be submitted to the department head.
 - a. Where it is determined by the department and the employees that the conditions and circumstances allow for an adjustment in work schedule, the affected department head shall have the authority, subject to the approval of the County Manager to effect such change, including the discretion to institute a "trial" period for the purpose of evaluating the change.

The qualifying period will normally be 1,040 hours worked but may not be less than 520 hours worked nor longer than 2,080 hours worked as determined by the department head. At the conclusion of the qualifying period, the employee shall be given a performance evaluation. Based on the evaluation, the employee will either be accepted or rejected for the position. The job will be held open for the duration of the promoted employee's qualifying period, or filled at the department heads discretion.
5. When an employee is demoted, his/her salary will not exceed the top of the new salary schedule unless the demotion was a result of a reclassification. 3. The decision to fill permanent full-time vacancies on a temporary basis pending the completion of selection procedures will not be grievable. A vacancy filled by demotion, transfer, management reassignment, recall, rehire, or reemployment in a position that is equal to or less than the employee's previous positions does not require posting.

Acting pay for periods up to 30 calendar days requires the written approval of the department head prior to the effective date of the assignment and may not exceed thirty (30)

calendar days without the approval of the County Manager or appropriate Assistant County Manager. No acting pay will be given without the appropriate written approval.

 - c. Bilingual testing will be scheduled by the County;

- a. Nothing in this agreement shall prevent the County from using interpreter services where deemed appropriate. The County will not create classifications solely to circumvent bilingual pay, but maintains the right to create classifications that include a requirement for a second language as operational needs or statute dictate.

ARTICLE 21
Merit Salary Adjustment

The previously implemented merit salary adjustment freeze will be rescinded

effective September 20, 2012.

1. An employee shall be eligible for consideration for a salary step adjustment upon:
 - a. Successful completion of a probationary period for probationary employees, or successful completion of a qualifying period for promoted, permanent or permanent-intermittent employees; and

An employee shall be eligible for this adjustment whether occurring at the same or separate time as the probation or qualifying adjustment prescribed in paragraph "a" and "b" above. The anniversary date is normally considered to be that date an employee commences work in that classification to which he/she has been most recently appointed.

2. The procedures used to evaluate an employee shall be uniformly and consistently applied in accordance with the guidelines established by Clark County Human Resources. There shall be an equal number of management and labor representatives appointed to an Advisory Team (with no more than six (6) members total) to establish meritorious job standards for the classifications covered by this Agreement. Labor representatives shall be appointed by the Association and management representatives shall be appointed by the department head. In the event a merit increase is not granted, the employee will be informed in writing of the specific reason(s) for denial and may, within two (2) working days of such notification, request a review before his/her supervisor and the department head or his/her designee to discuss the reason for the denial. The review may be attended by the employee, an Association officer, the supervisor, the department head or his/her designee, and, upon request of the employee or the supervisor, a representative of Clark County Human Resources as designated by the County Manager. The decision of the department head or his/her designee will be final.

Employees who meet a "meritorious level of performance and competence" shall receive a one step salary adjustment. Employees who receive unsatisfactory or not meeting expectations in 50% or more of the rating factors shall not receive a salary step adjustment. Any employee scheduled to receive a performance evaluation pursuant to the terms of this Article in order to determine his/her qualifications for a salary step adjustment, shall receive said evaluation within 45 calendar days of the scheduled review date. If the above-mentioned evaluation is not received within the required 45-day

period the employee shall receive a one step salary adjustment. Employees shall receive their one step salary adjustment increase unless the employee; (1) has received a final written warning during the evaluation period, (2) has received a suspension during the evaluation period, (3) has a violation of Article 36 of this agreement that results in suspension or leave without pay during the evaluation period, or (4) is in a leave without pay status for over six (6) months of the evaluation period in which said leave without pay status is unrelated to an on-the-job related injury.

When accrued sick leave has expired, if the employee is still unable to work and the employee is receiving compensation for time missed from work through the worker's compensation program, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided that the employee has so elected to use his/her vacation leave as sick leave, the employee's compensation will be limited to that provided by NRS Chapter 616 or 617 and the employee will be placed in a leave without pay status.

Department rules and policies will be reviewed and approved by Clark County Human Resources for consistency with the Clark County Personnel Policies and Procedures and this Agreement before implementation. 2. In the event NRS, Chapter 288 is amended, the County and Association officers will meet within 30 days of such passage to informally discuss the ramifications, if any, on the current negotiated Agreement.

ARTICLE 36 Clark County's Substance Abuse Policy

POLICY ON DRUG AND ALCOHOL FREE WORKPLACE

It is the policy of Clark County and the Clark County Park Police Association, CCPA, to foster and provide a drug and alcohol free workplace for all

employees. A drug and alcohol free workplace protects the safety of the public as well as the County's valuable workforce.

While the County will be supportive of those who seek help voluntarily, the County will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

1. Guiding Principles:

There are four (4) guiding principles underlying the adoption of this policy. They are:

- a. Education - The County and Association believe that education and training of all employees in the effects and treatment of substance abuse will contribute to a safer and more efficient workplace for everyone.
- b. Deterrence - The County and Association are committed to eliminating the effects of substance abuse in the workplace. All employees are prohibited from using, possessing, buying or selling drugs or alcohol in the workplace, and are prohibited from reporting to work or being subject to work (specifically on standby or on break) with prohibited drugs active in their systems or while under the influence of alcohol.
- c. Enforcement - The substance abuse policy will be strictly enforced. Violations of the policy or procedures will be cause for discipline, up to and including termination of employment.
- d. Treatment - The County and Association are committed to helping employees with admitted substance abuse problems overcome those problems, and encourage voluntary rehabilitation options.

2. Policy Purposes:

The purposes of the substance abuse policy are:

- a. To implement a fair and balanced approach to eliminating substance abuse and its effects on the job;
- b. To protect the public and employees; and
- c. To provide a strong incentive for voluntary rehabilitation.

3. Rules:

The County and Association have formulated clear rules and penalties to ensure compliance with the substance abuse policy. The primary rules are:

ALCOHOL

- a. The consumption of an alcoholic beverage by an employee on duty will result in immediate termination with no Last Chance Agreement. The possession of an open alcoholic beverage by an employee on duty shall be cause for disciplinary action up to and including termination. The only exception to disciplinary action for the possession of an open alcoholic beverage while on duty is when the handling of an open alcoholic beverage is incidental to the employee's assigned duties.
- b. An employee will also be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the consumption of alcoholic beverages is at a time proximate to his or her work time, has an adverse effect on his or her work performance, causes impairment while on duty or on standby, or creates a risk of harm to self, others, or County or private property.
- c. The use of alcohol off County premises and while not on duty may be cause for discipline where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.
- d. In an employee that is required to drive as part of his/her assigned duties has his/her driver's license suspended or revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- e. The felony conviction of an employee as a result of alcohol while off County premises and not on duty shall be cause for disciplinary action up to and including termination.

DRUGS

- a. The unlawful manufacture, distribution, dispensation, possession, or use of an illegal drug or controlled substance by an employee in the workplace or during work hours is prohibited. Employees in

violation of this policy will be terminated with no Last Chance Agreement.

- b. The use of any drug which negatively affects performance or the ability of an employee to work in a safe manner may be cause for discipline where the employee knew or should have known that the drug would adversely diminish his/her capabilities to perform the job. For the purpose of this policy, the term "drug" shall include but not be limited to sedatives (i.e. valium, downers), stimulants (i.e. speed, uppers), hallucinogens (i.e. LSD), cocaine, crack, cannabinoids (i.e. marijuana), opiates, phencyclidine (PCP), and volatile solvents (inhalants).
- c. Whenever an employee is prescribed a drug by a licensed health care provider or uses an over-the-counter medication which may negatively affect his/her performance or ability to perform in a safe manner, the employee shall notify his/her supervisor. An employee who fails to notify his/her supervisor may be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the use of drugs by that employee contributes to an accident or incident that results in property damage or injury to a person. Supervisors shall ensure that employees are not placed in capacities that may jeopardize the safety of others.
- d. The possession or use of illegal drugs while off County premises and while not on duty may be cause for discipline, up to and including termination, where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.
- e. If an employee that is required to drive as part of his/her assigned duties has his/her driver's license suspended or revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- f. The felony conviction for the possession or being under the influence of illegal drugs while off County premises and while not on duty shall be cause for disciplinary action up to and including termination.
- g. The conviction of an employee for the sale or possession with intent to sell illegal drugs is cause for immediate termination with no Last Chance Agreement.

- h. Employees must notify their immediate supervisor of any personal criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. Failure to notify the immediate supervisor shall result in disciplinary action.

DRUG AND ALCOHOL TESTING

The County may require an individual to submit to a drug and alcohol test under the following circumstances:

1. Pre-Employment:

Clark County Human Resources will identify specific job classifications that require an applicant selected as a new hire to take and pass a drug and alcohol screening. A positive result from the drug and/or alcohol screening may result in the applicant not being hired where the applicant's use of drugs and/or alcohol could affect requisite job standards, duties and responsibilities. If a legal drug screen is positive, the applicant must provide, within 24 hours of request, bona fide verification of a valid current prescription for the drug identified in the drug screen and it must be in the applicant's name. If the prescription is not in the applicant's name or the applicant does not provide acceptable verification, or if the drug is one that is likely to impair the applicant's ability to perform the job duties, the applicant will not be hired.

2. Reasonable Cause:

An employee will be required to undergo immediate drug and alcohol testing in accordance with the following procedures if there is reasonable cause that the employee is under the influence of a drug and/or alcohol. Reasonable cause that an employee is under the influence of a drug and/or alcohol will be based on specific facts and/or reasonable inferences derived from those facts. Examples of circumstances, although not inclusive, which constitute a basis for determining reasonable cause are specified on the "Observation/Incident Report" included in Appendix D of this policy.

3. Post-Accident:

An employee involved in an accident while on duty may be required to undergo a drug and alcohol test when there is:

- a. Property damage, and/or
- b. Personal injury

For the purposes of this Article, an accident is an unplanned happening involving an officer, while in the performance of duty, where no other factors contribute significantly to the resulting injury or damage. An accident is not an incident or series of incidents where mechanical failure, equipment failure, terrain, environment, weather, or other natural phenomenon significantly contributes to the unplanned happening. An accident is not a physical altercation between an officer and a suspect. An officer's actions or negligence must be the conclusive and primary reason for the reported injury or damage.

4. Testing Procedures for Reasonable Cause and Post-Accident:

- a. Any supervisor evaluating an employee for reasonable cause shall complete the Clark County "Observation/Incident Report". The Observation/Incident Report shall be sent to the appropriate department head and the Employee Relations Division of Clark County Human Resources. Supervisors and managers will not be permitted to use this policy as a vehicle to harass employees. Supervisors and managers shall be subject to the disciplinary process up to and including termination if they engage in harassing behavior towards employees.
- b. If the employee is an eligible member of a bargaining unit, the supervisor is to advise him/her of his/her right to have an Association representative present prior to testing. Allow 30 minutes for an Association representative to appear. If mitigating circumstances warrant, the supervisor may wait up to a maximum of one (1) hour for an Association representative.
- c. The employee shall be relieved of duty and transported to a drug testing specimen collection site for a drug and alcohol screening. Once the test sample is collected, arrangements will be made to have the employee transported home. The sample will be tested and confirmed and chain of custody maintained by a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory facility.

An employee who is incapacitated to the point that he/she cannot provide a sample at the time of the incident, shall later provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol.

- d. Advise the employee that he/she will remain on paid status until the test sample is collected. After the sample is collected, the

employee will be placed on leave in the following order as leave benefits are exhausted (sick leave, compensatory time, vacation leave, leave without pay) until the County receives the test results. If the test is negative, the County will make the employee whole.

- e. The results will be delivered by mail or carrier to the Employee Relations Division of Clark County Human Resources, who will then immediately notify and make a copy of the report available to the employee. The employee's department head or designee will be notified whether the test results are positive or negative. A drug test will be considered positive if the confirmation cutoff levels established by SAMHSA are exceeded. An alcohol test will be considered positive if the blood alcohol content is .05% or greater.
- f. Refusal to submit to a drug and alcohol test or to provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol shall be considered just cause for termination with no Last Chance Agreement.

DISCIPLINARY PROCEDURES FOR A POSITIVE DRUG AND ALCOHOL TEST:

- 1. A positive drug and/or alcohol test requested as a result of reasonable suspicion, or an accident which causes injury to a person or property damage will be cause for disciplinary action in accordance with Section 3 below.
- 2. A test resulting in a positive outcome for a legal drug will result in the following actions:
 - a. The employee may be disciplined for the performance or behavior that established reasonable cause to test the employee.
 - b. The employee will provide, within 24 hours or request, a bona fide verification of a valid, current prescription for the drug identified. The prescription must be in the employee's name. If no one protests seniority shown on their behalf within thirty (30) days of such posting, the seniority list shall stand as conclusive evidence of each person's seniority until the establishment of the next annual seniority list, posted in the first week of July.
2. Seniority shall not be broken by annual leave, sick leave, parental leave, military leave, or any leave(s) without pay (lwop) with less than twenty one (21) day duration.
3. County seniority shall be identified by the service date and defined as the length of continuous service with the county of Clark, less any periods of lwop in excess of twenty one (21) days, plus all disciplinary suspensions.
4. Classification seniority shall be determined by an employee's cumulative length of service in a position classification within a department. Where two (2) or more employees entered the classification on the same day, county seniority shall prevail. If county seniority is equal, preference will

Employees may trade regular days off and vacation time off with one another once they secure adequate coverage. No overtime may accrue as a result of these trades. The affected employees must notify the unit commander of all proposed changes. All trades are at the discretion of the department head or his/her designee.
6. If a department requires overtime it shall create a voluntary overtime list, based on classification. PPO I's or Officer in Charge (OIC) will not fill PPO II's positions for overtime unless the PPO II's list is exhausted. An Officer in Charge cannot fill a PPO II's position. When PPO II's are not available, a PPO I may fill the shift. Mandatory overtime shall be enacted after the voluntary overtime list is utilized. The procedures for the implementation and development of voluntary overtime shall be developed under the provisions set forward in Article 10, Labor/Management and Safety Committee. Management shall be reasonable and fair in determining excused reasons for employees unable to work mandatory overtime. Employees shall not be disciplined for excused reasons for not working mandatory overtime. Employees may refuse mandatory overtime provided it is of an emergent nature as determined by the department head or designee.
7. The established voluntary seniority list will be utilized to assign all overtime shifts and/or details, and will continually rotate from the officer previously assigned an overtime shift and/or detail.
