 - c. Probationary employees.
 - d. Temporary employees.

- e. Part-time hourly employees.
 - f. Volunteers.

 - b. Disavows its pledge not to strike against the local government employer under any circumstances;
 - c. Ceases to be supported by a majority of the local government employees in the bargaining unit for which it is recognized;
 - d. Fails to negotiate in good faith with the local government employer.

Such action shall only be taken if the County first receives the written permission of the Local Government Employee-Management Relations Board.

**ARTICLE 4
Discrimination Clause**

The County, the CCDSA, and any other party bound by this Agreement shall each apply the provisions of this Agreement equally to all employees in the Association without discrimination as to race, color, religion, sex, sexual orientation, age, physical or visual handicap, national origin or because of political or personal reasons or affiliations.

The County will be notified of any change in the rate of membership dues 30 days prior to the effective date of such change. Dues shall be remitted per pay period to the Association by Clark County. ARTICLE 10

Dispute Resolution Procedures

1. A grievance is defined as a filed dispute between the Association, on behalf of an employee(s), and the County over the interpretation and/or application of the express terms of this Agreement or a dispute over the issuance of discipline as defined herein. A grievance shall not be defined to include any matter or action taken by the County or its representatives for which the NERC has jurisdiction or any matter specifically excluded from grievance and arbitration by other provisions of this Agreement. Disputes specifically excluded in other Articles of this Agreement from the dispute resolution procedures shall not be construed as within the purview of this Article.
2. If mutually agreed, either party may request, in writing, a waiver of the time limitations set forth in this Article. A grievance shall be considered abandoned if not filed and processed by the Association on behalf of the employee, where indicated in accordance with the time limitations. Failure on the part of the County to respond to a grievance in accordance with the time limits set forth in this Agreement shall result in the grievance advancing to the next step of the procedure.

The failure on the part of management to process a grievance shall be given serious weight in the resolution or retroactivity of an award. A waiver of timeliness requested by the Association shall be taken into consideration in the determination of any retroactive award.

3. No prejudicial, discriminatory or retaliatory action may be taken, at any time, by the Association or the County against any person for his/her participation in or statements made in the investigation or settlement of a grievance.
4. For the purpose of resolving grievances at the earliest possible point in time, both parties shall make full disclosure of the facts and evidence which bear on the grievance, including but not limited to furnishing copies of evidence, documents, reports, written statements and witnesses relied upon to support their basis of action. Both parties agree to share such facts and evidence at least one (1) working day prior to Step 1 or Step 2 meetings and at least three (3) working days prior to a Step 3 Hearing. An arbitrator shall not consider any evidence from a party who willfully failed to produce such evidence in support of his/her position. Information obtained by the OOD in conducting a Title VII investigation is exempt from this provision.

Section 1 –Discipline

1. Formal discipline is defined as an employee’s written reprimand, final written warning, demotion, or involuntary termination from County service. Any matters for which the NERC or Office of Diversity (OOD) of the Clark County Manager’s Office has jurisdiction shall be handled through a separate procedure identified in this Article, Section 3, NERC/OOD Procedure.
2. Arbitrators used for written reprimands, final written warnings, demotions, and involuntary terminations of this Article shall be jointly selected by the parties. The arbitrators must meet the requirements established in the Arbitrator Guidelines. The fees of the arbitrator shall be borne equally by the Association and the County.
3. The arbitrator shall conduct a grievance proceeding adhering to the mutually developed guidelines governing the process. The arbitrator shall consider the incident and the discipline in terms of severity of the action, evidence of progressive discipline and appropriateness of the disciplinary action. Progressive discipline is defined to include documented oral warning, admonishment, one (1) or more written reprimand(s), a final written warning, demotion and, thereafter, termination. The Association recognizes the need for more severe initial disciplinary action in the event of major violation of established rules, regulations or policies of the County or its operating departments.

The decision to uphold the disciplinary action shall be based on the reasonableness of the discipline imposed by the supervisor in response to the actions taken or not taken by the employee.

4. All written reprimands, final written warnings, demotions and involuntary termination appeals of employees covered by this Agreement shall be handled solely in accordance with the procedure set forth in this Section, with the decision of the arbitrator being final and binding on the parties.
5. No employee who has satisfactorily completed probation may be demoted or terminated without just cause. Just cause may include, but not be limited to: inefficiency, incompetence, insubordination, moral turpitude, mental or physical disability as shown by competent medical evidence, habitual or excessive tardiness or absenteeism, abuse of sick leave or authorized leaves, withholding services as a result of a strike, and violation of established departmental work rules or procedures.
6. Upon written request of the employee to the Clark County Human Resources Director, the employee or his/her Association representative shall have the right to review items in his/her personnel file. The employee may provide rebuttal comments to be attached to original documents where the employee believes appropriate. Such rebuttal comments must be restricted to the document in question. Employees shall be entitled to all the provisions of NRS 289, Rights of

Peace Officers, regarding discipline and the right to submit rebuttal documentation based on the provisions of NRS 289.

7. Although documented oral warnings and admonishments are informal types of discipline and not subject to the full disciplinary procedure, an employee who receives an oral warning or admonishment may, within five (5) working days of receipt of the oral warning or admonishment, submit a rebuttal in writing, which shall be attached to the warning or admonishment. Such rebuttal comments must be restricted to the specific warning or admonishment in question.
8. Upon written request by the employee to the Clark County Human Resources Director, the employee shall have all documented oral warnings removed from his/her personnel file that were issued more than 6 months prior to the request, admonishments removed that were issued more than 12 months prior to the request, written reprimands that were issued more than 18 months prior to the request, and final written warnings that were issued 36 months prior to the request, provided that no ensuing discipline occurred. Upon removal, the documented oral warning, admonishment, written reprimand or final written warning shall be sent to the employee and shall not be used or referenced in any future disciplinary proceeding, as defined herein.
9. Upon written request or authorization by an employee involved in a disciplinary hearing, the employee or his/her Association representative may obtain data that is necessary from the personnel file of the employee subject to the discipline in preparation of a grievance meeting.
10. An eligible employee who is to be issued a written reprimand or final written warning shall be given the discipline, in writing, at a meeting with management. The provisions of NRS 289 shall be followed. The employee may request an Association representative to be present at the meeting. An employee shall be given at least 24 hours notice of the meeting and advised of the purpose, time, date and site of the meeting, except when an employee's continued presence in the work place is unsafe for co-workers, the public, or other County resources. Grievances regarding written reprimands or final written warnings shall be initiated at Step 1 of the Disciplinary Procedure within ten (10) working days from the issuance of the discipline.
11. An eligible employee who is recommended for demotion shall be given a written statement setting forth the reasons upon which the proposed demotion is based and shall follow the provisions of NRS 289. The statement shall include an identification of the specific reasons against the employee and an explanation of the evidence. Grievances regarding demotions shall be initiated at Step 2 of the disciplinary procedure within five (5) working days of the effective date of the demotion.
12. An eligible employee who is recommended for termination, unless the employee is in a leave without pay status or has violated his/her last chance agreement, shall be placed on paid administrative leave pending the Step 1 pre-termination meeting and

shall receive written notification of such recommendation AND shall follow the provisions of NRS 289. The Step 1 meeting shall take place no sooner than three (3) working days from the effective date of the proposed termination but within five (5) working days after receipt of the notification unless extended by the department head or designee in which case the employee shall remain on paid leave status until the Step 1 meeting is held, unless the employee is in a leave without pay status or has violated his/her last chance agreement. An employee who grieves the termination decision of the department head as a result of the Step 1 pre-termination meeting may initiate the grievance at Step 2 within five (5) working days from the date of receipt of the Step 1 decision. In the event a termination is overturned by the arbitrator at the Step 3 hearing, the arbitrator has the ability to mitigate the final outcome to the employee by imposing a lesser penalty, as defined in the progressive discipline process, including a leave without pay provision.

Section 2 – Arbitration Procedures for Contract Interpretation/Discipline.

Grievances relating to the interpretation and express terms of this Agreement shall be initiated at step 2 of this procedure and shall be initiated within ten (10) working days of the employee's knowledge of the contract violation. The grievance shall state the violation and cite the article and section being grieved.

Step 1 - Department Head Response

The Association, on behalf of an employee, who believes that the employee has a grievance relating to the issuance of discipline, shall reduce the grievance to writing and submit it to the employee's department head within ten (10) working days (a working day is defined as Monday through Friday, 8:00 a.m. until 5:00 p.m., excluding Saturday, Sunday and Holidays) of receipt of the grievance, the department head or his/her designee, a Human Resources representative/liaison, an Association representative, and the affected employee shall meet to try to resolve the problem. If desired, both parties may choose an additional representative who may attend the meeting. If the problem is not resolved at the meeting, the department head, or his/her designee, shall have five (5) working days from the date of the meeting to respond, in writing, to the grievance. The response shall be sent by certified mail to the Association President. Copies of the response shall be sent to the Human Resources representative/liaison, the Association representative, and the affected employee.

Step 2 - County Manager Response

If the discipline grievance is not settled at Step 1 or the grievance involves a contract interpretation issue, the Association, on behalf of an employee(s), may, within five (5) working days of the receipt of the department head's decision, or ten (10) working days from the date of the employee's knowledge of the contract violation, file an appeal of the discipline decision, reduce the contract violation grievance to writing with the Clark County Human Resources Director as representative of the County, as defined in Article 1. Within ten (10) working days of receipt of the request for appeal, or the contract interpretation grievance, the County Manager, or his/her designee, shall meet with the affected

employee, an Association representative, and a Human Resources Representative to try to resolve the problem. If desired, both parties may choose an additional representative who may attend the meeting. If the problem is not resolved at the meeting, the County Manager or designee shall have five (5) working days to respond in writing to the grievance giving his decision. The response shall be sent by certified mail to the Association President. Copies of the response shall be sent to the affected employee and department, and the Association representative.

Step 3 - Arbitration

1. If the Step 2 decision is deemed unacceptable, the Association, on behalf of an employee, may make a written request for arbitration within five (5) working days of receipt of the Step 2 decision. In such event, the parties shall, within ten (10) days, jointly request a list of five arbitrators from the American Arbitration Association (AAA). Both parties shall make every effort to mutually set forth the issue(s) to be arbitrated in advance of the arbitration hearing date. The selection shall be accomplished by the Association first and the County next, each striking one (1) name from the list in turn until only one (1) name remains. A permanent panel of arbitrators may be established by the parties and may be utilized on a case-by-case basis provided both parties agree to do so in writing.
2. The arbitrator's decision shall be final and binding on all parties to this Agreement as long as the arbitrator does not exceed his/her authority as set forth below and as long as the arbitrator performs his/her functions in accordance with the case law regarding labor arbitration, the provisions of the U.S. Uniform Arbitration Act, and where applicable, NRS.
3. The expenses of arbitration shall be borne equally by the Association and the County. Expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expense.
4. Only one (1) grievance may be decided by the arbitrator at any hearing unless it is shown that the grievance being considered is related to another grievance pending a Step 3 hearing for the same employee and for a similar infraction. It shall be the arbitrator's sole determination to consolidate the grievances into one hearing. The arbitrator shall within a reasonable period of time prior to the hearing date inform both parties of his/her decision regarding consolidation.
5. The arbitrator shall not have the authority to modify, amend, alter, ignore, add to, or subtract from any of the provisions of this Agreement. The arbitrator is without power to issue an award inconsistent with the governing statutes and/or ordinances of the jurisdiction. The arbitrator, in the absence of expressed written agreement of the parties to this Agreement, shall have no authority to rule on any dispute between the parties which is not within the definition of a grievance set forth in this Article. The arbitrator shall consider and decide only the particular issues presented by the Association and the County, and the decision and award shall be based solely on his/her interpretation of the application of the express terms of this

Agreement. Any and all settlements or awards issued by the arbitrator shall be limited in retroactivity to the date of alleged violation or date of the filing of the grievance as decided by the arbitrator.

6. Subject to the provisions of Paragraph 2 of this Article, the arbitrator shall not have the authority to excuse a failure by the employee, the Association, or the County to comply with the time limitations set forth above unless mutually agreed by both parties.
7. If the parties disagree about the arbitrability of a grievance, the arbitrator shall decide this issue prior to hearing the merits of the case.

Section 3 - NERC/OOD Procedure

Grievances on those matters for which the Nevada Equal Rights Commission or Office of Diversity Division of the Clark County Manager's Office has jurisdiction shall be referred to and processed by the OOD investigation staff. The employee(s) being investigated shall have the right to Association representation commencing at this level and continuing throughout the entire procedure and be subject to the provisions of NRS 289. If discipline results from the investigation, employees are eligible for Step 1 and Step 2 meetings, and Step 3 arbitrations as defined in Section 2 of this Article. However, 1) if the department head chooses not to conduct the Step 1 meeting within the time frames, then the case shall be heard at the next level; 2) if the matter proceeds to the arbitration process, then in addition to satisfying the standard requirements and qualifications for an arbitrator, the arbitrator hearing matters covered in this Section must have training or expertise in the application and interpretation of civil rights laws.

ARTICLE 11 Bilingual Pay

1. Upon the recommendation of his/her Department Head and the approval of the County Manager, an employee will be eligible to receive Bilingual Pay provided the following conditions are met:
 - a. The employee's assigned duties require them to communicate in a second language a minimum of 15% of their time; and
 - b. As a prerequisite to receiving Bilingual Pay, the employee must successfully complete the County's Bilingual Oral Proficiency Examination. The need for a written proficiency examination will be determined by County Management on a case-by-case basis. Competency testing requires fluency in English and the required foreign language or languages.
2. The parties further recognize and agree that:
 - a. Award of bilingual pay to an employee will not occur simply because the

employee is bilingual and occasionally uses bilingual skills in the course of their work;

- b. Positions in which the use of a second language is a requirement are not eligible for bilingual pay;
 - c. Bilingual testing will be scheduled by the County;
 - d. Bilingual premium pay shall be \$75.00 per pay period in a stipend form for each employee determined to be eligible pursuant to Section 1 herein. When an employee begins or ends eligibility for bilingual pay in the middle of a pay period, the stipend will be prorated; and
 - e. Approved bilingual pay will be subject to annual re-authorization according to the conditions specified in Section 1 herein, with the exception of bilingual proficiency examinations which shall not be required under the re-authorization process.
3. Bilingual pay will cease when the employee is transferred, promoted, or demoted to a position which does not meet the requirements of Section 1 (a) and 1 (b) herein, as determined by the employee's Department Head.
 4. Nothing in this agreement shall prevent the County from using interpreter services where deemed appropriate. The County will not create classifications solely to circumvent bilingual pay, but maintains the right to create classifications that include a requirement for a second language as operational needs or statute dictate.

ARTICLE 12

Personnel Layoff, Recall, and Appeal Procedure

Layoff is defined as any involuntary separation wherein management eliminates a position without prejudice to the incumbent because of lack of work or funds.

The determination of the number of positions, classifications and departments to be affected by a layoff is a management right. The County and the CCDSA agree that layoff and recall of personnel and appeals of these actions as they pertain to employees covered under this Agreement shall be as prescribed below.

Section 1 - Layoff

1. Temporary and probationary County-funded employees shall be laid off first.
2. Additional layoffs, if needed, shall be done based on the following criteria and in the following order:
 - a. According to the inverse order of the seniority of the employees in the

affected classification,

- b. The inverse order of seniority of the employees in the classification series.
3. Seniority shall be based on continuous service with the County: 1) in the affected classification, and the classification series.
4. To provide for the continued operation of the County, the department head may exempt one (1) position authorized in the current budget and retain that employee regardless of seniority.
5. Any permanent employee who is to be laid off shall have the option to demote to a previously held lower classification by bumping the least senior employee in that lower classification provided that the bumping employee has more seniority than the employee being bumped and takes a reduction in pay to the top of the classification's range, if the employee's salary is above the maximum of the range. If there are no positions for the employee to bump into in the department, the County shall attempt to find a vacant position for any eligible employee scheduled to be laid off by evaluating the reassignment, transfer, reduction in grade, or any combination thereof for the employee. The employee must meet the minimum qualifications and/or specific skill sets of any position being considered.
6. No employee shall have the right to bump to a position in another department or to bump a position of a higher salary grade than he/she currently fills. A permanent employee to be laid off may bump a temporary or probationary employee of the same classification.
7. An employee reduced in grade may have his/her salary reduced and in no event shall exceed the maximum for the class, but shall not have his/her anniversary date adjusted.
8. Separation due to layoff shall require the giving of at least two (2) weeks notice to the employee and the Association, or payment in lieu of notice, of an equivalent amount of the employee's base salary by the County.

Section 2 - Recall

1. Any permanent status employee reduced in grade or laid off under this Article shall, based on seniority, have his/her name placed on a County recall list(s) for a period of two (2) years. Previous employees shall be notified by certified mail, return receipt requested, at their last known address and shall, within ten (10) calendar days of receipt, respond affirmatively, by certified mail or in person, that they are accepting the offer of recall. Failure to respond in a timely manner will mean that the person has refused the offer of recall and the person will be removed from the recall list(s). An employee must be available for work within two (2) weeks of acceptance of the offer.

2. When positions become available in a classification covered by the collective bargaining agreement, personnel who have been laid off or reduced in grade in that class shall be recalled in inverse order of layoff provided the employee meets the minimum qualifications for that position. The order of recall shall be:
 - a. Employees who are reduced in grade.
 - b. Former (laid off) employees who held a position in the same class.
 - c. Former employees who held a position in the same series.
3. Upon recall after layoff, the time that the person was on layoff shall be counted as a break in service.

Section 3 – Appeal

Once an eligible employee has exhausted all accrued paid leave (sick leave, compensatory time and vacation time) as a result of the catastrophic illness or injury, the employee may file a written request with Clark County Risk Management for catastrophic sick leave. The written request must specify the length of time the employee wishes to be covered by Catastrophic Sick Leave and must be accompanied by: 1) a medical statement from the attending state licensed health care provider explaining the nature of the illness/injury, and an estimated amount of time the employee, or his/her family member, will be receiving care or will be bedridden at home; 2) evidence that the employee has notified his/her department head or designee in writing of his/her requested absence for the necessary length of time as estimated by the health care provider; and 3) a schedule of the dates and times the employee will be off from work, as approved by the department head or designee, if the employee is requesting intermittent time off to care for a family member.

The eligible employee may take up to 320 hours of employee Catastrophic leave or 80 hours of Family Catastrophic Leave. The County must give the employee notice of this option upon rehire and the employee must either accept or decline this option within 60 days following the successful completion of his/her probationary period. If the employee accepts the repayment option, the repayment must be completed within six (6) months following the successful completion of his/her probationary period.

3. Increased entitlements will include all previous employment that ceased under honorable conditions or as a result of an involuntary layoff as provided in Article 12.

ARTICLE 26

Service Connected Disability

All eligible members shall be covered by a Workers Compensation Program of the County's choice that conforms with the provisions of the Nevada Industrial Insurance Act (NRS Chapter 616) and the Nevada Occupational Diseases Act (NRS Chapter 617) and that provides for payment of industrial accident benefits and compensation for partial and total disability arising from industrial injuries and occupational diseases.

1. In the event an employee is absent from work due to a service-connected disability, approved pursuant to NRS Chapter 616 or 617, he/she may receive, in addition to the compensation as provided by NRS Chapter 616 or 617, a supplemental amount from the County which would cause the total amount received by the employee from the service-connected disability and the County to equal his/her salary at the time of his/her disability. The supplemental compensation will start from the first day of absence or illness, but shall not exceed 340 work hours for the same incident. During this period, the employee shall not forfeit any accrued sick leave. Successful completion of the probationary period is required in order to qualify for

the supplemental compensation from the County.

Therefore, the employee shall return to the County all temporary total disability payments received which were made under NRS Chapter 616 or 617 covering the period enumerated in Section 1 of this Article. No supplemental benefit shall be paid until after the employee's lost-time benefit check has been deposited with the County Treasurer.
3. If an employee entitled to disability compensation has not completed his/her probationary period, or if an employee who has received supplemental compensation for the maximum 340 work hours is unable to return to work, he/she may elect to utilize accrued sick leave, during which period the employee shall receive compensation from the County as provided in NRS Chapter 281.390. If the employee is receiving no compensation for time missed from work through the Worker's Compensation Program, the employee must use leave benefits to fully account for any absence.
4. When accrued sick leave has expired, if the employee is still unable to work and the employee is receiving compensation for time missed from work through the Worker's Compensation Program, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided that the employee has so elected to use his/her vacation leave as sick leave, the employee's compensation will be limited to that provided by NRS Chapter 616 or 617 and the employee will be placed in a leave without pay status. However, through written justification to the Clark County Human Resources Director, exceptions to this Article may be approved by the County Manager.
5. If, as a result of a licensed physician's evaluation and prognosis, it appears that the employee will not return to his/her regular County job within a 12-month period, the County may require a medical separation. Medical separation appeals of employees covered by this Agreement shall be handled in accordance with the procedure set forth in Article 10, Section 2.

Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one-half (1/2) of the

decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective.

2. The term "retirement contribution" does not include any payment for the purchase of previous credit service on behalf of any employee.

ARTICLE 35

Clark County's Substance Abuse Policy

POLICY ON DRUG AND ALCOHOL FREE WORKPLACE

It is the policy of Clark County and the Clark County Deputy Sheriff's Association to foster and provide a drug and alcohol free workplace for all employees. A drug and alcohol free workplace protects the safety of the public as well as the County's valuable workforce.

While the County will be supportive of those who seek help voluntarily, the County will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

1. Guiding Principles:

There are four (4) guiding principles underlying the adoption of this policy.

They are:

- a. Education - The County and Association believe that education and training of all employees in the effects and treatment of substance abuse will contribute to a safer and more efficient workplace for everyone.
- b. Deterrence - The County and Association are committed to eliminating the effects of substance abuse in the workplace. All employees are prohibited from using, possessing, buying or selling drugs or alcohol in the workplace, and are prohibited from reporting to work or being subject to work (specifically on standby or on break) with prohibited drugs active in their systems or while under the influence of alcohol.
- c. Enforcement - The substance abuse policy will be strictly enforced. Violations of the policy or procedures will be cause for discipline, up to and including termination of employment.
- d. Treatment - The County and Association are committed to helping employees with admitted substance abuse problems overcome those problems, and encourage voluntary rehabilitation options.

2. Policy Purposes:

The purposes of the substance abuse policy are:

- a. To implement a fair and balanced approach to eliminating substance abuse and its effects on the job;
- b. To protect the public and employees; and
- c. To provide a strong incentive for voluntary rehabilitation and return to work.

3. Rules:

The County and Association have formulated clear rules and penalties to ensure compliance with the substance abuse policy. The primary rules are:

ALCOHOL

- a. The consumption of an alcoholic beverage by an employee on duty will result in immediate termination with no Last Chance Agreement. The possession of an open alcoholic beverage by an employee on duty shall be cause for disciplinary action up to and including termination. The only exception to disciplinary action for the possession of an open alcoholic beverage while on duty is when the handling of an open alcoholic beverage is incidental to the employee's assigned duties.
- b. An employee will also be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the consumption of alcoholic beverages is at a time proximate to his/her work time, has an adverse effect on his/her work performance, causes impairment while on duty or on standby, or creates a risk of harm to self, others, or County or private property.
- c. If an employee who is required to drive as part of his/her assigned duties has his/her driver's license suspended, revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- d. The felony conviction of an employee as a result of alcohol while off County premises and not on duty shall be cause for disciplinary action up to and including termination.

DRUGS

- a. The unlawful manufacture, distribution, dispensation, possession, or use of an illegal drug or controlled substance by an employee in the work place or

during work hours is prohibited. Employees in violation of this policy will be terminated with no Last Chance Agreement.

- b. The use of any drug, which negatively affects performance, or the ability of an employee to work in a safe manner may be cause for discipline where the employee knew or should have known that the drug would adversely diminish his/her capabilities to perform the job. For the purpose of this policy, the term "drug" shall include but not be limited to sedatives (i.e. valium, downers), stimulants (i.e. speed, uppers), hallucinogens (i.e. LSD), cocaine, crack, cannabinoids (i.e. marijuana), opiates, phencyclidine (PCP), and volatile solvents (inhalants).

- b. Whenever an employee is prescribed a drug by a licensed health care provider or uses an over-the-counter medication, which may negatively affect his/her performance or ability to perform in a safe manner, the employee shall notify his/her supervisor. An employee who fails to notify his/her supervisor may be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the use of drugs by that employee contributes to an accident or incident that results in property damage or injury to a person. Supervisors shall ensure that employees are not placed in capacities that may jeopardize the safety of others.

- d. The possession or use of illegal drugs while off County premises and while not on duty may be cause for discipline up to and including termination, where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.

- e. If an employee who is required to drive as part of his/her assigned duties has his/her driver's license suspended, revoked temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.

- f. The felony conviction for the possession or being under the influence of illegal drugs while off County premises and while not on duty shall be cause for disciplinary action up to and including termination.

- g. The conviction of an employee for the sale or possession with intent to sell illegal drugs is cause for immediate termination with no Last Chance Agreement.

- h. Employees must notify their immediate supervisor of any personal criminal drug statute conviction for a violation occurring in the work place no later than five (5) days after such conviction. Failure to notify the immediate supervisor shall result in disciplinary action.

DRUG AND ALCOHOL TESTING

The County may require an individual to submit to a drug and alcohol test under the following circumstances.

1. Pre-Employment:

Clark County Human Resources will identify specific job classifications that require an applicant selected as a new hire to take and pass a drug and alcohol screening. A positive result from the drug and/or alcohol screening may result in the applicant not being hired where the applicant's use of drugs and/or alcohol could affect requisite job standards, duties and responsibilities. If a legal drug screen is positive, the applicant must provide, within 24 hours of request, bona fide verification of a valid current prescription for the drug identified in the drug screen and it must be in the applicant's name.

If the prescription is not in the applicant's name or the applicant does not provide acceptable verification, or if the drug is one that is likely to impair the applicant's ability to perform the job duties, the applicant will not be hired.

2. Reasonable Cause:

An employee will be required to undergo immediate drug and alcohol testing in accordance with the following procedures if there is reasonable cause that the employee is under the influence of a drug and/or alcohol. Reasonable cause that an employee is under the influence of a drug and/or alcohol will be based on specific facts and/or reasonable inferences derived from those facts. Examples of circumstances, although not inclusive, which constitute a basis for determining reasonable cause are specified on the "Observation/Incident Report" included as part of this policy.

3. Post-Accident:

An employee involved in an accident while on duty may be required to undergo a drug and alcohol test when there is:

- a. Property damage that exceeds \$500, and/or
- b. Personal injury

4. Testing Procedures for Reasonable Cause and Post-Accident:

- a. Any supervisor evaluating an employee for reasonable cause shall complete the Clark County "Observation/Incident Report". The Observation/Incident Report shall be sent to the appropriate department head and the Employee Relations Division of the Clark County Office of Human Resources. Supervisors and managers will not be permitted to use this policy as a

vehicle to harass employees.

Supervisors and managers shall be subject to the disciplinary process up to and including termination if they engage in harassing behavior towards employees.

- b. The suspected employee shall be afforded the right, if he/she so desires, to request that, in addition to the first supervisor, another on-duty supervisor provide a second opinion as to reasonable cause. If another supervisor is not able to report to observe the suspected employee within 30 minutes due to the distance a second supervisor would have to travel to observe the employee, the employee's request for a second opinion will not be granted.
- c. If the employee is an eligible member of a bargaining unit, the first supervisor advises him/her of his/her right to have a Association representative prior to testing and allow the same 30 minutes for a Association representative to appear. If mitigating circumstances warrant, the supervisor may wait up to a maximum of one (1) hour for a Association representative.
- d. If it is determined that reasonable cause exists, the employee shall be relieved of duty and transported to a drug testing specimen collection site for a drug and alcohol screening. Once the test sample is collected, arrangements will be made to have the employee transported home. The sample will be tested and confirmed and chain of custody maintained by a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory facility. A sufficient amount of a sample will be taken so that, at an employee's request and expense, an alternative SAMHSA testing facility may be used to test the same sample; chain of custody will be maintained between testing facilities. An employee who is incapacitated to the point that he/she cannot provide a sample at the time of the incident shall later provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol.
- e. Advise the employee that he/she will remain on paid status until the test sample is collected. After the sample is collected the employee will be placed on leave in the following order as leave benefits are exhausted (sick leave, compensatory time, vacation leave, leave without pay) until the County receives the test results. If the test is negative, the County will make the employee whole.
- f. The results will be delivered by mail or carrier to the Employee Relations Division of the Clark County Office of Human Resources, who will then immediately notify and make a copy of the report available to the employee. The employee's department head or designee will be notified whether the test results are positive or negative.

A drug test will be considered positive if the confirmation cutoff levels established by the SAMHSA are exceeded. An alcohol test will be considered positive if the blood alcohol content is .08 percent or greater, or the limit specified in NRS 484.0135 or other applicable law if less than .08 percent.

- g. Refusal to submit to a drug and alcohol test or to provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol shall be considered a positive test result and the employee shall be placed on a Last Chance Agreement.

DISCIPLINARY PROCEDURES FOR A POSITIVE DRUG AND/OR ALCOHOL TEST

1. A positive drug and/or alcohol test requested as a result of an accident, which causes injury to a person, or property damage will be cause for disciplinary action in accordance with Section 3 below.
2. A test resulting in a positive outcome for a legal drug will result in the following actions:
 - a. The employee may be disciplined for the performance or behavior that established reasonable cause to test the employee.
 - b. The employee will provide, within 24 hours of request, a bona fide verification of a valid, current prescription for the drug identified. The prescription must be in the employee's name. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions.
3. A test resulting in a positive screen for an illegal substance or the abuse and/or misuse of a legal drug or controlled substance will result in the following action:
 - a. First offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and shall be required to sign and successfully complete the conditions of a Last Chance

Agreement which includes rehabilitation and aftercare.

Before the employee may return to work, the employee must provide the department head with a certificate of fitness/return-to-duty form from the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to return to work. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions. This must occur within 60 days of the drug test date. 4. A test resulting in a positive screening for alcohol will result in the following action:
- a. First offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and will be required to seek assistance through the Employee Assistance Program. The employee will be required to provide a certificate of fitness/return-to-duty form from the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to work. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions. This must occur within 60 days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse problem within 60 days will result in disciplinary action up to and including termination.
 - b. Second offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and will be required to sign and successfully complete the conditions of a Last Chance Agreement which includes a rehabilitation and aftercare program.
 - c. Third offense: The employee will be suspended pending termination, unless the employee's department head decides not to terminate the employee based on mitigating circumstances. If the department head chooses not to terminate the employee, the department head shall follow the second offense procedure in this Section.

LAST CHANCE AGREEMENT

Refusal to sign a Last Chance Agreement shall be considered just cause for termination. The Last Chance Agreement shall be the final step before termination in the disciplinary process.

The treatment and aftercare portion of the Last Chance Agreement will be monitored for compliance by the Employee Assistance Program. The Last Chance Agreement shall require at least the following:

1. The employee to contact the Employee Assistance Program within five (5) working days of employee notification of a positive drug or alcohol test.

The Employee Assistance Program will assess, determine and recommend the appropriate level of treatment and provider options. The program/provider may be selected by the employee.
3. Enrollment and continued attendance in an aftercare program, as necessary.
4. Certificate of fitness/return-to-duty form signed by the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to return to work. This must occur within 60 days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse problem within 60 days will result in disciplinary action up to and including termination.
5. A minimum of four (4) random tests over a period of one (1) year from the date of returning to duty. An employee's department head or immediate supervisor, as approved by the department head, may require testing at any time the employee is on duty.

At that time an employee signs a Last Chance Agreement, or otherwise voluntarily seeks assistance, they shall be advised that EAP counseling is available through the off-site Clark County EAP. Alternative EAP is available through the University Medical Center EAP and the Clark County Fire Department EAP upon request.

The availability of this alternative is predicated upon the employee having a bona fide conflict with Clark County's EAP and the alternative Employee Assistance Program has the ability to accept the employee based on their availability of resources.

CONFIDENTIALITY

With the exception of the laboratory testing facility, the Employee Relations and Employee Assistance Division of the Clark County Office of Human Resources, the tested individual, and the Risk Management Division for workers' compensation incidents, the medical

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein. However, all other provisions contained in and through existing rules, policies, regulations and practices which may provide benefits applicable to this bargaining unit will continue to be granted to bargaining unit employees unless specifically modified by the terms of this Agreement.

ARTICLE 37 Conflicting Agreements

1. This Agreement supersedes all personnel rules heretofore in effect by the County relating to those subjects addressed by the provisions of this Agreement to the extent such rules are in conflict with the terms of this Agreement. This Agreement does not preclude the County from formulating new or additional rules and guidelines, which are consistent with the terms of this Agreement or the provisions of the NRS, subject to the procedures of this Article 37.
2. Every employee not excluded from the bargaining unit shall be given a copy of the Clark County Merit Personnel System Manual and the CCDSA Agreement. Additions and amendments to the Clark County Merit Personnel System Manual will be forwarded to the Association for review at least 45 calendar days prior to the effective date of adoption.
3. It is the County's intention that rules, policies, procedures and directives are to be interpreted and applied uniformly to all employees in this bargaining unit under similar circumstances. This in no way precludes the individual departments from promulgating their own rules and procedures providing that such rules and/or procedures are not inconsistent with the terms of this Agreement and the Clark County Merit Personnel System. In the event of a conflict between the Clark County Merit Personnel System and the provisions of this Agreement, the provisions of this Agreement shall prevail.

Department rules and policies will be reviewed and approved by the Clark County Office of Human Resources for consistency with the Clark County Merit Personnel System and this Agreement before implementation. The Association will be provided with a copy of all department rules and policies approved by the Clark County Office of Human Resources prior to implementation within the department. If there is any change in federal law or the NRS that would invalidate or supplement any provision of this Agreement, excluding changes in NRS Chapter 288, the parties will meet to negotiate any change in the Agreement relative to the affected provisions only.
2. In the event NRS Chapter 288 is amended, the County and Association, through a committee of not more than five (5) representatives each, will meet within 30 days of such passage to informally discuss the ramifications, if any, on the current negotiated Agreement.

ARTICLE 39

The County's matching contribution shall be limited to a maximum of \$480.00 per calendar year for a period not to exceed five calendar years prior to the date the employee retires into the Nevada Public Employees Retirement System (PERS).

The procedure is as follows:
 - a. No less than once every year, all permanent employees covered under this Agreement who occupy a position classification in a department where employees work both day and non-day shifts shall be allowed to submit a bid for the purpose of expressing a shift preference and days off (as days off are part of a posted shift). Bids should be submitted to the employee's Department Head or his/her designee in accordance with the procedures as outlined within that department.
 - b. The County shall schedule employees to available shifts and days off (as days off are part of a posted shift) according to the bids submitted and the seniority of the employees, and shall advise the Association and affected employees of the schedules.
2. Seniority shall be determined according to an employee's length of service in a position classification within a department. If two or more eligible employees have identical seniority levels, the employee with the greater length of service with the County, as determined by the employee's hire date, shall be given bid preference. If a tie still remains, preference will be given based on the last four (4) digits of the employee's social security number with the smaller number being first.
3. Prior to scheduling employees to available shifts, pursuant to Section 1 (b) herein, the Department Head shall have the exclusive right to exempt specific employees from the bid shift procedure noted herein on the basis of operational requirements. This provision will not be utilized to exempt entire classifications.
4. Employees exempted from the bid shift process, along with the Association, shall be notified in writing of their exemption from the bid shift process. Any employee exempted from the bid shift process may request that the County Manager reconsider (sustain or overturn) their exemption from the process on the basis of operational requirements.

Agreement pursuant to the provisions of NRS Chapter 288.

2. Consistent with Article 37 herein, this Article does not preclude informal discussion between the parties of any matter, which is not subject to negotiation or contract. Any such informal discussion is exempt from all requirements of notice or time schedule.
