Frequently Asked Questions

What is the age and G.P.A requirements?
Sixteen years of age minimum. However, we only accept current high school Sophomores, Juniors and Seniors. Meaning, a student can be in their sophomore year going into their junior year, a junior going into their senior year, or a senior going into their freshman year in college.

All students must have at least a 2.0 G.P.A to apply. Copies of recent transcripts are required.

How long is the program?
The SBI internship is an 10 week commitment. The paid 8-week internship will begin in June 2020 and end in August 2020. Once students have been accepted, they will receive a full schedule of events to include Orientation, Youth Forum and the Closing Event.

How many hours do the students work?
The interns are required to work Monday - Thursday, eight hours a day, 32 hours per week, and are paid $9.00 per hour. On Fridays, interns attend informational workshops with various guest speakers (for which they are not paid) and are taught Life Skills and Financial Management. Participation in the weekly seminars may earn the interns up to .5 high school credit.

Where do students work and with whom?
On the application, students are asked to identify their top three career choices. If accepted, every attempt is made to match the student with an employer and mentor within their career interest.

Although, this is a Clark County-facilitated program, that does not necessarily mean interns will work at the Clark County Government Center. We have partnered with employers and businesses throughout Clark County where an intern may be placed to work.
