ARTICLE 1
Agreement

This Agreement became effective on the 25th day of August 2015, by and between the SEIU, Local 1107, hereinafter referred to as the "Union" and the County of Clark, a government entity of the State of Nevada, Clark County Law Library, Clark County Regional Flood Control District, and Clark County Water Reclamation District, hereinafter referred to as the "County".

ARTICLE 2
Intent

It is the purpose of this Agreement to promote and provide a responsible labor relations policy between the County and the employees covered herein; to secure an orderly and equitable disposition of grievances which may arise under the Agreement; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours, and other specified conditions of employment of the employees covered hereby. It is intended by the provisions of this Agreement that there be no abrogation of the duties, obligations or responsibilities of the County expressly provided for by federal law, state statutes, and/or local ordinances, except as expressly limited herein.

It is the mutual intent of the parties that the County, Employees, and Union representatives conduct themselves with respect, dignity, and courtesy.

ARTICLE 3
Recognition

1. The County hereby recognizes the Union as the sole and exclusive collective bargaining representative of the County employees assigned to the classifications listed in Appendix A who are eligible to be represented by the Union except as limited by Section 2 of this Article. The Union shall be notified of additions to the list of classifications (Appendix A), within seven (7) days of posting for the position classification and shall receive thirty (30) days advance notice of any deletions. Upon written request by the Union, the parties shall meet and confer regarding deletions within the thirty (30) day notification period referenced herein. Both parties recognize that the Union retains its right to appeal under the provisions of NRS 288.170.
2. County employees who are excluded from the bargaining unit are as follows:
 - a. Those employees certified to another bargaining unit under the provisions of NRS Chapter 288.

- b. Elected officials.
 - c. Administrative employees.
 - d. Employees of Clark County Human Resources and all other confidential employees.
 - e. Employees exempted in accordance with NRS 245.216 and NRS 3.310.
 - f. Probationary employees.
 - g. Temporary employees.
 - h. Part-time hourly employees.
 - i. Volunteers.
3. Subject to the provisions of NRS 288, the County reserves the right to withdraw recognition of the Union in the event the Union:
- a. Fails to present a copy of each change in its constitution or bylaws, if any, or to give notice of any change in the roster of its officers, if any, and representatives;
 - b. Disavows its pledge not to strike against the local government employer under any circumstances;
 - c. Ceases to be supported by a majority of the local government employees in the bargaining unit for which it is recognized;
 - d. Fails to negotiate in good faith with the local government employer.

Such action shall only be taken if the County first receives the written permission of the Local Government Employee-Management Relations Board.

4. On a monthly basis, the County shall provide to the Union, in Excel compatible electronic format the following related to County employees eligible for inclusion within the unit:
- a. New hires by name, home address, classification, department, payroll check sort code, date of hire and hourly wage.
 - b. Employees separated from employment. The report shall indicate the

classification, department, payroll check sort code and the date of the action.

- c. Employees being transferred or promoted. The report shall indicate the date of the action as well as the classification and department prior to and at the completion of the action.
- d. Rehires by name, home address, classification, employment status, department, payroll check sort code, date of rehire, and hourly wage.

On a quarterly basis, the County shall provide to the Union, in Excel compatible electronic format, a complete list of County employees eligible for inclusion in the unit, and shall indicate classification, department, address, dues paying status, date of hire, benefit accrual date, and hourly wage for each employee listed. All information is furnished for the exclusive use of the Union and shall not be used for any other purpose or be given to any other person or organization without the express written approval of the employee involved. The County shall allow the Union thirty (30) minutes to present information at each New Employee Orientation.

ARTICLE 4 Discrimination Clause

The County, the Union, and any other party bound by this Agreement shall each apply the provisions of this Agreement equally to all employees in the Union without discrimination as to race, color, religion, sex, sexual orientation, gender identity or expression, age, physical or visual handicap, national origin or because of political or personal reasons or affiliations.

ARTICLE 5 Anti-Strike Clause

The Union agrees not to strike, nor to endorse, support, assist or encourage in any way any individual employee or group of employees to participate in any strike against the County.

ARTICLE 6 Management Rights

1. The County is entitled, without negotiation, to the sole right and authority to operate and direct the affairs of the County in all its various aspects. Those rights include but are not limited to the following:
 - a. To hire, direct, promote, assign, transfer, or take disciplinary action against

any employee, but excluding the right to assign or transfer as a form of discipline. Transfers and reassignments for the improvement of personnel staffing and utilization shall not be deemed a form of discipline.

- b. To reduce in force or lay off any employee because of lack of work or lack of funds. In exercising this right, the local government employer shall comply with all other applicable provisions of NRS, if any.
 - c. To determine:
 - (1) Appropriate staffing levels and work performance standards, except for safety considerations;
 - (2) The content of the workday, including without limitation workload factors, except for safety considerations;
 - (3) The quality and quantity of services to be offered to the public;
 - (4) The means and methods of offering those services; and
 - (5) The supplier of goods and services. No permanent employee will be laid off as an initial result of contracting goods and services.
 - d. To maintain the efficiency of its governmental operations.
 - e. To determine the methods, means, and personnel by which its operations are to be conducted; and
 - f. To take whatever actions may be necessary to carry out its responsibilities in situations of emergency.
2. All rights and responsibilities of the County not specifically modified by the Agreement shall remain the functions of the County. The above enumerated management rights shall not contravene the expressed terms of this Agreement and shall be subject thereto.

ARTICLE 7 Employee Rights

- 1. The County and the Union agree that employees eligible for membership in the Union shall have and shall be protected in the exercise of their right freely and without fear of penalty and reprisal, to form, join, and participate in authorized and appropriate Union functions. The freedom of such employees to assist the Union

shall be recognized as extending to participation in the management of the Union in the capacity of a Union officer or steward, including, following notification of the appropriate management representatives, presentation of its views to the officials of the County. The County shall not interfere, restrain, or discriminate against any employee exercising his/her rights under this Section.

2. The County shall provide bulletin boards of at least 24 x 36 inches for use by the Union to enable employees in the bargaining unit to see notices posted thereon when reporting to or leaving their work stations or during their break periods.
3. The Union may send two (2) mass emails per month to the bargaining unit. Mass emails will be provided to Human Resources for approval and distribution via the County email system and shall be sent within one (1) working day from the time of receipt. The content of mass emails shall adhere to restrictions as set forth in Section 5. The parties shall meet within sixty (60) days of ratification concerning the details of the email distribution list and process by which emails will be distributed. The parties agree that the mass email shall be sent by SEIU Local 1107, not by the County.
4. All notices which appear on the Union's bulletin boards shall be posted by the highest ranking local Union official or their designee, as identified in writing and shall relate to items of interest to the members.
5. It is also understood that no material may be posted on bulletin boards at any time which contain the following:
 - a. Personal attacks upon any other member or any other employee;
 - b. Scandalous, scurrilous or derogatory attacks upon the County, including elected officials, administration, or other employees;
 - c. Attacks on any other employee organization, regardless of whether the organization has local membership; and
 - d. Attacks on and/or favorable comments regarding a candidate for a partisan political office within County government.

ARTICLE 8 Union Rights

1. Union stewards will be designated by the Union. The Union may designate one steward for every sixty (60) eligible employees.

Within thirty (30) days of the signing of this Agreement, the Union shall provide the Clark County Human Resources Director, in writing, a complete list of stewards and elected officers, and indicate their departmental assignments. The Union will notify the County, in writing, within ten (10) working days of any change regarding stewards or elected officers.

2. All stewards shall submit a leave request form to notify and receive approval for release from duty from their immediate supervisors each time they need to conduct a Union activity or business. A copy of all request forms approved for the release of duty for Union activities and business shall be sent immediately to Clark County Human Resources and the Union. Stewards shall be relieved of duty unless operational demands prohibit granting the request. Use of steward time shall not be abused by the employee and use of said time will not be unreasonably withheld by the immediate supervisor. An alternate Union steward may serve in the absence of the departmental steward(s) or the chief steward who is on authorized leave or is otherwise unavailable.
3. Union business shall include the representation of employees at meetings scheduled and held with the department director or designee, grievance review hearings, termination hearings, attendance at the Labor/Management and Safety Committee meetings and the monthly Union steward meetings. Any other Union related activities shall be deducted from the hours defined in Section 7.
4. Only one (1) steward shall be allowed to represent an employee at a meeting or hearing during any one shift. In the case of a newly elected or duly appointed steward, that steward shall have the opportunity to accompany a steward at a meeting or hearing as an observer. A newly elected or duly appointed steward shall be considered a steward who is within ninety (90) days of being elected or appointed. A steward's attendance at such meetings or hearings shall be subject to the terms of this Agreement. An employee is entitled to be represented by a Union steward at all meetings where discipline is given in writing. After being notified of an impending investigatory interview, or a meeting at which discipline is to be given in writing, the affected employee may elect to have a Union representative present. In addition, if during the course of a meeting an employee has reasonable belief that disciplinary action will result from a meeting with management then an employee may request a Union steward attend the meeting as his/her representative. If an employee's departmental steward(s) or chief steward is not available and the employee requests Union representation, a steward from another department may represent the employee. The Union or the employee shall designate the steward who will represent an employee at a meeting or hearing. Monthly Union steward meetings shall be held no earlier than 4:00 p.m. The Union shall furnish the Clark County Human Resources Director a copy of the record of attendance of the steward meeting.

5. Two (2) non-employee representatives of the Union may meet with an employee on County work premises for the purpose of preparing for a grievance or arbitration hearing during the employee's work hours once the employee has requested to be released from duty through the leave request form process. Other Union business conducted by non-employee representatives must be conducted during the employee's work breaks or lunch period.
6. Union activities and business shall not interfere with any employee's duties. All stewards, and non-employee representatives must notify and obtain permission from an employee's immediate supervisor before entering the work area during working hours to meet with an employee. Upon entering the work area during breaks or lunch periods, stewards and non-employee representatives must identify themselves and make arrangements to meet with a particular employee.
7. For each separate fiscal year covered by the term of this Agreement, the Union will be allocated a total of 2080 hours leave without loss of pay for designated Union members to investigate grievances, attend conferences, legislative sessions or conventions, and other Union business not specified in Section 3. Per Diem and/or travel shall not be provided by the County. Such leave shall not be cumulative from fiscal year to fiscal year. The County shall not be responsible for any industrial injury claims resulting from activities performed on behalf of the Union away from County work locations during normal duty hours.
8.
 - a. If the Union President is an employee of the County, he/she shall be scheduled forty (40) hours paid time off per calendar week to accomplish general Union business. As a practical matter for employment record keeping, the Union President will be assigned to the department head of the department in which he/she is employed. The Union President will keep their department head informed of their whereabouts and activities and will continue to follow vacation and sick leave request, approval and usage policies. If the Union Executive Vice President is an employee of the County, he/she shall be scheduled four (4) hours paid time off per calendar week to accomplish general Union Business. Up to four (4) chief steward(s), as designated by the Union, shall be scheduled in the aggregate amount of thirty-two (32) hours paid time off per calendar week to accomplish general Union business. Once appointed, the chief stewards shall be scheduled by the Union and such schedule shall not be changed, unless thirty (30) days advance notice of the change is given by the Union to the County. The Union shall notify the Clark County Human Resources Director, in writing, of the chief stewards' schedules and changes related thereto. The chief stewards will be assigned to their supervisor and will be required to adhere to their established schedules for work and Union business. Chief stewards will continue to follow vacation and sick leave request, approval and usage

policies. The scheduling of such leave will be at the discretion of the chief steward's supervisor and must be approved in writing before it is used.

- b. If the Union President is not an employee of the County, up to four (4) chief stewards, as designated by the Union, shall be scheduled in the aggregate amount of thirty-two (32) hours paid time off per calendar week to accomplish general Union business. Once appointed, the chief stewards shall be scheduled by the Union and such schedule shall not be changed, unless thirty (30) days advance notice of the change is given by the Union to the County. The Union shall notify the Clark County Human Resources Director, in writing, of the chief stewards' schedules and changes related thereto. The chief stewards will be assigned to their supervisor and will be required to adhere to their established schedules for work and union business. Chief stewards will continue to follow vacation and sick leave request, approval and usage policies. The scheduling of such leave will be at the discretion of the chief steward's supervisor and must be approved in writing before it is used.
 - c. Union business, as defined in Section 3 of this Article, shall be coordinated between the County and the chief steward to encourage their participation in such meetings when on paid leave status. In the event the employer schedules a meeting or hearing at a date or time when the chief steward is on duty, the chief steward shall be permitted to attend such meeting and such attendance shall not be charged to the bank hours under Section 7 of this Article.
9. An employee will not be compensated for participating in Union activities, business or attendance at negotiation meetings outside of his/her scheduled shift.
 10. The Union President, if a County employee, shall be exempt from a reduction in force.

ARTICLE 9

Employee Deductions

1. The County shall deduct from the wages of those employees who are members of the Union and pay over to the proper officers of the Union any monies which the Union advises may be due it from such members, provided that the employee who is a member of the Union has individually and voluntarily authorized such deductions to be made.
2. The County agrees not to honor any check off authorizations or dues deduction authorizations executed by any employee in the bargaining unit in favor of any other

labor organization or organization representing employees for purposes of negotiation for wages, hours, and working conditions, and other fringe benefits for its members unless otherwise authorized by the Local Government Employee-Management Relations Board.

3. The Union agrees to indemnify, defend and hold the County harmless against any and all claims or suits that may arise out of or by reason of action taken by the County in reliance upon any authorization cards submitted by the Union to the County. The Union agrees to refund to the County any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence of error or mistake.
4. The Union will certify to Clark County Human Resources, in writing, the current rate of membership dues. The County will be notified of any change in the rate of membership dues thirty (30) days prior to having to make the change to the payroll deduction. Dues shall be remitted per pay period to the Union by Clark County. Along with the remittance, the County will provide the Union, in electronic format, a listing of the bargaining unit employees with social security numbers and the dues amount paid. The Union will advise the County when employees elect to withdraw membership. The County will stop dues deductions within 30 days after receipt of notification from the union.
5. The County will not be required to honor for any month's deduction any authorizations that are delivered to it later than seven (7) days prior to the second payday of the month.
6. If an employee-member transfers to another bargaining unit position from one County department to another, he/she shall be continued on the dues deduction rolls.

ARTICLE 10 Bilingual Pay

1. Upon the recommendation of his/her Department Head and the approval of the County Manager, an employee will be eligible to receive Bilingual Pay provided the following conditions are met:
 - a. The employee's assigned duties require them to communicate in a second language a minimum of 15% of their time; and
 - b. As a prerequisite to receiving Bilingual Pay, the employee must successfully complete the County's Bilingual Oral Proficiency Examination. The need for a written proficiency examination will be determined by County Management on

a case-by-case basis. Competency testing requires fluency in English and the required foreign language or languages.

2. The parties further recognize and agree that:
 - a. Award of bilingual pay to an employee will not occur simply because the employee is bilingual and occasionally uses bilingual skills in the course of their work;
 - b. Positions in which the use of a second language is a requirement are not eligible for bilingual pay;
 - c. Bilingual testing will be scheduled by the County;
 - d. Bilingual premium pay shall be \$75.00 per pay period in a stipend form for each employee determined to be eligible pursuant to Section 1 herein. When an employee begins or ends eligibility for bilingual pay in the middle of a pay period, the stipend will be prorated. The stipend will not be included in the base pay and is not used in the calculation of PERS or longevity; and
 - e. Approved bilingual pay will be subject to annual re-authorization according to the conditions specified in Section 1 herein, with the exception of bilingual proficiency examinations which shall not be required under the re-authorization process.
3. Bilingual pay will cease when the employee is transferred, promoted, or demoted to a position which does not meet the requirements of Section 1 (a) and 1 (b) herein, as determined by the employee's Department Head.
4. Nothing in this agreement shall prevent the County from using interpreter services where deemed appropriate. The County will not create classifications solely to circumvent bilingual pay, but maintains the right to create classifications that include a requirement for a second language as operational needs or statute dictate.

ARTICLE 11 Dispute Resolution Procedures

1. A grievance is defined as a filed dispute between the Union, on behalf of an employee(s), and the County over the interpretation and/or application of the express terms of this Agreement or a dispute over the issuance of discipline as defined herein. A grievance shall not be defined to include any matter or action taken by the County or its representatives for which the Equal Employment Opportunity Commission (EEOC), Nevada Equal Rights Commission (NERC),

Office Of Diversity (OOD) has jurisdiction or any matter specifically excluded from grievance and arbitration by other provisions of this Agreement. However, the fact that the OOD, EEOC, or NERC may have jurisdiction shall not prevent the filing of a grievance by the Union to preserve the rights of the Union or an employee covered by this agreement. The parties may agree in writing to suspend grievance deadlines while an OOD, EEOC, or NERC proceeding is pending. Disputes specifically excluded in other Articles of this Agreement from the dispute resolution procedures shall not be construed as within the purview of this Article.

2. If mutually agreed, either party may request, in writing, a waiver of the time limitations set forth in this Article. A grievance shall be considered abandoned if not filed and processed by the Union on behalf of the employee, where indicated in accordance with the time limitations. The County shall notify the Union President or designee in writing when a grievance is considered abandoned. Failure on the part of the County to respond to a grievance in accordance with the time limits set forth in this Agreement shall result in the grievance advancing to the next step of the procedure. The failure on the part of management to process a grievance will be given serious weight in the resolution or retroactivity of an award. A waiver of timeliness requested by the Union will be taken into consideration in the determination of any retroactive award.
3. No prejudicial, discriminatory or retaliatory action may be taken, at any time, by the Union or the County against any person for his/her participation in or statements made in the investigation or settlement of a grievance.
4. For the purpose of resolving grievances at the earliest possible point in time, both parties will make full disclosure of the facts and evidence which bear on the grievance, including but not limited to furnishing copies of evidence, documents, reports, written statements and witnesses relied upon to support their basis of action. Both parties agree to share such facts and evidence at least three (3) working days prior to Step 1 or Step 2 meetings and at least five (5) working days prior to a Step 3 Hearing. An arbitrator will not consider any evidence from a party who willfully failed to produce such evidence in support of his/her position.

Section 1 – Discipline

1. Discipline is defined as an employee's documented oral warning, admonishment, written reprimand, final written warning, suspension, demotion, or involuntary termination from County service. Any matters for which the NERC, Equal Employment Opportunity Commission (EEOC), or Office of Diversity (OOD) of the Clark County Manager's Office has jurisdiction will be handled through a separate procedure identified in this Article, Section 3, NERC/OOD Procedure.

2. Prior to formal progressive discipline, supervisors or managers shall engage in coaching and counseling of an employee. The Union recognizes the need for more severe initial disciplinary action in the event of major violation of established rules, regulations or policies of the county or its operating departments.

Progressive discipline based on performance shall not be issued without providing the employee at least thirty (30) calendar days to improve performance between each disciplinary step from the documented oral warning, up to the final written warning. An eligible employee that has been issued a final written warning that continues to demonstrate performance deficiencies may be suspended up to five (5) days without pay. Upon return from suspension the employee shall be given a final thirty (30) calendar days to correct performance deficiencies. Failure to correct these deficiencies within this period may result in termination.

With each step of discipline for performance issues the County shall provide the employee with written corrective action expectations to be attained over the thirty (30) day period.

Arbitrators used for written reprimands, final written warnings, suspensions, demotions, and involuntary terminations of this Article shall be jointly selected by the parties. The arbitrators must meet the requirements established in the Arbitrator Guidelines. The fees of the arbitrator shall be borne by the losing party.

3. The arbitrator shall conduct a grievance proceeding adhering to the mutually developed guidelines governing the process. The arbitrator will consider the incident and the discipline in terms of severity of the action, evidence of progressive discipline and appropriateness of the disciplinary action. Progressive discipline includes a documented oral warning, an admonishment, one (1) or more written reprimand(s), a final written warning, suspension, and, thereafter, termination. The Union recognizes the need for more severe initial disciplinary action in the event of major violation of established rules, regulations or policies of the County or its operating departments. The decision to uphold the disciplinary action will be based on the reasonableness of the discipline imposed by the supervisor in response to the actions taken or not taken by the employee.
4. All written reprimands, final written warnings, suspensions, demotions and involuntary termination appeals of employees covered by this Agreement shall be handled solely in accordance with the procedure set forth in this Section, with the decision of the arbitrator being final and binding on the parties. The County shall provide written notice to the union of all grievable disciplinary actions within five (5) calendar days.
5. No employee who has satisfactorily completed probation may be demoted or terminated without just cause. Just cause may include, but not be limited to:

inefficiency, incompetence, insubordination, moral turpitude, mental or physical disability as shown by competent medical evidence, habitual or excessive tardiness or absenteeism, abuse of sick leave or authorized leaves, withholding services as a result of a strike, and violation of established departmental work rules or procedures.

6. Upon written request of the employee to the Clark County Human Resources Director, the employee or his/her Union representative shall have the right to review items in his/her personnel file. The employee may provide rebuttal comments to be attached to original documents where the employee believes appropriate. Such rebuttal comments must be restricted to the document in question.
7. Although documented oral warnings and admonishments are not subject to the full disciplinary procedure, an employee who receives an oral warning or admonishment may, within five (5) working days of receipt of the oral warning or admonishment, submit a rebuttal in writing, which shall be attached to the warning or admonishment. Such rebuttal comments must be restricted to the specific warning or admonishment in question.
8. Upon written request by the employee to the Clark County Human Resources Director, the employee shall have all documented oral warnings removed from his/her personnel file that were issued more than six (6) months prior to the request, admonishments removed that were issued more than twelve (12) months prior to the request, written reprimands that were issued more than eighteen (18) months prior to the request, and final written warnings that were issued twenty-four (24) months prior to the request, provided that no ensuing discipline occurred. Upon removal, the documented oral warning or admonishment will be sent to the employee and shall not be used or referenced in any future disciplinary proceeding, as defined herein. Upon notification from Human Resources, the Department will expunge any electronic copies of the specific discipline in compliance with the above referenced requirement. In the event an employee fails to make the written request as referenced above, the expired discipline(s) will not be used in any future proceedings. Department of Aviation Security Procedure Violations which result in a final written warning and are upheld by an arbitrator or not grieved, will remain in the employee's personnel file permanently.
9. Upon written request or authorization by an employee involved in a disciplinary hearing, the employee or his/her Union representative may obtain data that is necessary from the personnel file of the employee subject to the discipline in preparation of a grievance meeting.
10. An eligible employee who is to be issued a written reprimand, final written warning, or suspension shall be given the discipline, in writing, at a meeting with management. The employee may request a Union representative to be present at

the meeting. An employee shall be given at least twenty-four (24) hours notice of the meeting and advised of the purpose, time, date and site of the meeting, except when an employee's continued presence in the work place is unsafe for co-workers, the public, or other County resources. Grievances regarding written reprimands or final written warnings shall be initiated at Step 1 of the Disciplinary Procedure within ten (10) working days from the issuance of the discipline.

11. An eligible employee who is recommended for demotion shall be given a written statement setting forth the reasons upon which the proposed demotion is based. The statement shall include an identification of the specific reasons against the employee and an explanation of the evidence. Grievances regarding demotions shall be initiated at Step 2 of the disciplinary procedure within five (5) working days of the effective date of the demotion.
12. An eligible employee who is recommended for termination, unless the employee is in a leave without pay status or has violated his/her last chance agreement, will be placed on paid administrative leave pending the Step 1 pre-termination meeting and shall receive written notification of such recommendation. The Step 1 meeting shall take place no sooner than three (3) working days from the effective date of the proposed termination but within five (5) working days after receipt of the notification unless extended by the department head or designee in which case the employee will remain on paid leave status until the Step 1 meeting is held, unless the employee is in a leave without pay status or has violated his/her last chance agreement. An employee who grieves the termination decision of the department head as a result of the Step 1 pre-termination meeting may initiate the grievance at Step 2 within five (5) working days from the date of receipt of the Step 1 decision. In the event a termination is overturned by the arbitrator at the Step 3 hearing, the arbitrator has the ability to mitigate the final outcome to the employee by imposing a lesser penalty, as defined in the progressive discipline process, including a leave without pay provision.
13. Upon request of an employee or his/her SEIU representative, the Department of Human Resources will provide the status of a Labor Relations investigation to which he/she is a party.

Section 2 – Arbitration Procedures for Contract Interpretation/Discipline.

Grievances relating to the interpretation and application of the express terms of the agreement shall be initiated at Step 2 of this procedure and shall be initiated within ten (10) working days of the employee's knowledge of the contract violation. The grievance shall state the violation and cite the article and section.

Step 1 - Department Head Response

The Union, on behalf of an employee, who believes that the employee has a grievance relating to the issuance of discipline, shall reduce the grievance to writing and submit it to the employee's department head within ten (10) working days. Within ten (10) working days of receipt of the grievance, the Department Head or his/her designee, a Human Resources representative/liaison, a Union representative, and the affected employee will meet to try to resolve the problem. If desired, both parties may choose an additional representative who may attend the meeting. A notification of the meeting time, date, and location will be sent via email or fax to the Union hall, Union representative, and the employee prior to the meeting. If the problem is not resolved at the meeting, the department head, or his/her designee, shall have five (5) working days from the date of the meeting to respond, in writing, to the grievance. The response shall be sent by certified mail and by email to the Union President. Copies of the response shall be sent to the Human Resources representative/liaison, the Union representative, and the affected employee.

Step 2 - County Manager Response

If the grievance is not settled at Step 1, the Union, on behalf of an employee(s), may, within five (5) working days of the receipt of the department head's decision, file an appeal of the decision with the Clark County Human Resources Director as representative of the County, as defined in Article 1. Within ten (10) working days of receipt of the request for appeal, the County Manager, or his/her designee, will meet with the affected employee, a Union representative, and a Human Resources representative to try to resolve the problem. If desired, both parties may choose an additional representative who may attend the meeting. A notification of the meeting time, date, and location will be sent via email or fax to the Union hall, Union representative, and the employee prior to the meeting. If the problem is not resolved at the meeting, the County Manager or designee shall have five (5) working days to respond in writing to the grievance giving his decision. The response shall be sent by certified mail and email to the Union President. Copies of the response shall be sent to the affected employee and department, and the Union representative. As referenced in Article 8, Paragraph 4, one additional steward may attend a meeting as a steward in training.

Step 3 - Arbitration

1. If the Step 2 decision is deemed unacceptable, the Union, on behalf of an employee, may make a written request for arbitration within five (5) working days of receipt of the Step 2 decision. In such event, the parties shall utilize an arbitrator from the permanent panel of arbitrators, provided in Appendix E. The arbitrators shall be utilized by the parties in sequential order as they are listed in Appendix E. The County shall notify the Union whenever a non-member invokes arbitration, the date the non-member invokes arbitration, and the arbitrator selected. Within ninety

(90) days following ratification, the parties shall adopt a revised permanent panel arbitration list. In doing so, each party has the right to unilaterally remove up to three (3) existing arbitrators and replace them with an equal number of arbitrators to be chosen at that party's discretion. Any cases referred to arbitration prior to the implementation of the revised panel shall have an arbitrator selected from the existing panel.

2. The arbitrator's decision shall be final and binding on all parties to this Agreement as long as the arbitrator does not exceed his/her authority as set forth below and as long as the arbitrator performs his/her functions in accordance with the case law regarding labor arbitration, the provisions of the U.S. Uniform Arbitration Act, and where applicable, NRS.
3. Only one (1) grievance may be decided by the arbitrator at any hearing unless it is shown that the grievance being considered is related to another grievance pending a Step 3 hearing for the same employee and for a similar infraction. It shall be the arbitrator's sole determination to consolidate the grievances into one hearing. The arbitrator shall within a reasonable period of time prior to the hearing date inform both parties of his/her decision regarding consolidation.
4. The arbitrator shall not have the authority to modify, amend, alter, ignore, add to, or subtract from any of the provisions of this Agreement. The arbitrator is without power to issue an award inconsistent with the governing statutes and/or ordinances of the jurisdiction. The arbitrator, in the absence of expressed written agreement of the parties to this Agreement, shall have no authority to rule on any dispute between the parties which is not within the definition of a grievance set forth in this Article. The arbitrator shall consider and decide only the particular issues presented by the Union and the County, and the decision and award shall be based solely on his/her interpretation of the application of the express terms of this Agreement. Any and all settlements or awards issued by the arbitrator shall be limited in retroactivity to the date of alleged violation or date of the filing of the grievance as decided by the arbitrator.
5. Subject to the provisions of Paragraph 2 of this Article, the arbitrator shall not have the authority to excuse a failure by the employee, the Union, or the County to comply with the time limitations set forth above unless mutually agreed by both parties.
6. If the parties disagree about the arbitrability of a grievance, the arbitrator shall decide this issue prior to hearing the merits of the case.
7. Prior to invoking arbitration, the parties, by mutual agreement, may agree to submit any dispute to mediation. The mediator may be selected from FMCS or other mutually agreed upon third party.

Section 3 - NERC/OOD Procedure

Grievances on those matters for which the Nevada Equal Rights Commission, Equal Employment Opportunity Commission (EEOC), or Office of Diversity Division of the Clark County Manager's Office has jurisdiction will be referred to and processed by the OOD investigation staff. The employee(s) being investigated shall have the right to Union representation commencing at this level and continuing throughout the entire procedure. If discipline results from the investigation, employees are eligible for Step 1 and Step 2 meetings, and Step 3 arbitrations as defined in Section 2 of this Article. However, 1) if the department head chooses not to conduct the Step 1 meeting within the time frames, then the case will be heard at the next level; 2) if the matter proceeds to the arbitration process, then in addition to satisfying the standard requirements and qualifications for an arbitrator, the individual hearing matters covered in this Section must have training or expertise in the application and interpretation of civil rights laws.

ARTICLE 12 Certification Pay

1. Upon the successful completion of probation, all permanent employees at the Department of Aviation working in the following classifications will receive certification pay provided they maintain the certification listed below:

<u>Classification</u>	<u>Certification</u>
Electrical Maintenance Supervisor	NV Class F Fire Alarm/Protection
HVAC Maintenance Supervisor	NV Class G Fire Sprinkler

2. The County Manager will authorize certification pay for any employee provided:
 - a. The County requests in writing that the employee obtain the certification(s);
 - b. The employee possesses and maintains the certification(s) requested; and,
 - c. The certification(s) are not required under the employee's position classification.
3. Certification pay shall be paid at a rate of four percent (4%) of base salary, and shall not be limited by the maximum salary designated for an employee's salary schedule.

ARTICLE 13
Personnel Layoff, Recall and Appeal Procedure

Layoff is defined as any involuntary separation wherein management eliminates a position without prejudice to the incumbent.

The determination of the number of positions, classifications and departments to be affected by a layoff is a management right. The County and the Union agree that layoff and recall of personnel and appeals of these actions as they pertain to employees covered under this Agreement shall be as prescribed below.

Section 1 - Layoff

1. Temporary, part-time and probationary County-funded employees in the department shall be eliminated first. Seasonal programs supported by part-time or temporary employees shall be exempt from the provisions of this article, including but not limited to: Rural/Outlying areas, Elections, and Recreational Programs.
2.
 - A. Additional layoffs in the Department shall be done according to the inverse order of the seniority of the employees based upon total continuous County service in the affected classification series, which will be prorated for permanent intermittent or job share positions. If an employee's classification was changed as a result of a classification study or through a management reclass or as a result of an involuntary action, that employee shall be given full credit for service in his/her classification series.
 - B. When promoted from one classification series to another, the seniority of the employees' last previously held classification series shall be bridged with the current classification series.
 - C. Except as otherwise prohibited by law, any County department that has employee(s) on layoff status will not contract-out any work specifically performed by the employee(s) at the time of their lay-off so long as any of the employee(s) remains on the recall list.
3. Seniority will be based on continuous service with the County in accordance with this Article. Creditable service for seniority must be in a permanent or permanent-intermittent position with the County.
4.
 - A. To provide for the continued operation of the County, each department head may exempt 4% of the total number of positions authorized in the current budget within his/her department and retain them regardless of seniority. In the event that the 4% does not equal an exact number of employees, the fraction shall be rounded off to the next higher whole number.

Any exemption that is necessary because of any affirmative action program

or laws pertaining to equal employment opportunity shall not be deemed a part of the above 4% but shall be in addition thereto.

- B. Each department head electing to exempt employees from layoff in accordance with Article 13, Section 1 paragraph (4) (A), shall provide Layoff Review Committee, the Union, and the Clark County Human Resources Director with a complete list of exemptions five (5) business days prior to the notification of those employees to be laid off. Each department head shall update the list of exemptions whenever the County Manager's Office determines layoffs are required within a department, but shall not be updated more than one (1) time each 12 months.
5. As a result of the application of this layoff procedure, the County shall attempt to find a vacant position for any eligible employee scheduled to be laid off by evaluating the reassignment, transfer, reduction in grade, or any combination thereof for the employee. The employee must meet the minimum qualifications and/or specific skill sets of any position being considered.
 6. All permanent status personnel who are affected by layoff shall be afforded an opportunity, based upon their respective seniority as defined in sections 2 (A) and 2 (B), to be considered for a lateral or have the right to elect a reduction in grade to a lower classification: 1) within the same classification series; or, 2) in a classification in the same department if: A. employee has completed a probationary/qualifying period; B. the classification still exists; C. the department has a vacant position; D. and the department head determines the employee meets the minimum qualifications and abilities (i.e., license, physical fitness, job skills, etc.) of the position so long as such position continues to exist and is not otherwise subject to an exemption. A vacant position need not exist if an employee exercises his/her bump rights within the same classification series.
 7. No employee will have the right to bump to a position in another department or to bump a position of a higher salary grade than he/she currently fills. A permanent employee to be laid off may bump a temporary or probationary employee of the same classification in the department if the employee voluntarily agrees to commute or relocate at no expense to the County.
 8. An employee reduced in grade may have his/her salary reduced and in no event shall exceed the maximum for the class, but shall not have his/her anniversary date adjusted.
 9. The assignment of an employee to a position within a classification will be at the discretion of the department head.
 10. Separation due to layoff shall require the giving of at least thirty days notice to the

employee, or payment in lieu of notice, of an equivalent amount of the employee's base salary by the County.

11. No permanent employee initially hired into and serving in a grant-funded position or a term position may initiate a bump into an unlimited County-funded position unless he/she is displaced by someone who has bumped him/her. Employees electing to bump into grant-funded positions or term positions have no property right to the position or County service if the funding ceases or the position ends.

Section 2 - Recall

1. Any permanent status employee reduced in grade or laid off under this Article shall, based on seniority, have his/her name placed on a County recall list(s) for a period of three (3) years. Laid-off employees must update Human Resources on all addresses and e-mail changes. Recall-Eligible employees shall be notified by certified mail or electronic mail, return receipt requested, at their last known address and shall, within ten (10) calendar days of receipt, respond affirmatively, by certified mail or in person, that they are accepting the offer of recall. Failure to respond in a timely manner will mean that the person has refused the offer of recall and the person will be removed from the recall list(s). An employee must be available for work within two (2) weeks of acceptance of the offer.
2. When positions become available in a class, personnel who have been laid off or reduced in grade in that class shall be recalled in inverse order of layoff provided the employee meets the minimum qualifications for that position. The order of recall shall be:
 - a. Employees who are reduced in grade based on the same criteria in Section 1, Paragraph 2.
 - b. Former (laid off) employees who held a position in the same class based on the same criteria in Section 1, Paragraph 2.
 - c. Former employees who held a position in the same series.

If there are no applicants from the recall list, the department will fill the vacancy from an open or promotional eligibility list. In the event that a classification has only had a change in title but the related job duties are similar, employees on the old recall list(s) shall be placed on the new respective list(s).

3. Upon recall after layoff, the time that the person was on layoff shall be counted as a break in service.

4. Upon an employee's return from a recall to his/her title held at layoff, an employee's pay will resume at the same pay rate at the time of separation, minus any applicable contractually mandated salary decreases. Additionally, the pay will not exceed the top of the range.
5. Employees who are recalled may be required to serve a qualifying period at the discretion of the hiring department head, unless returning to the same classification and department held when laid off.
6. An employee who is recalled must meet the minimum qualifications for the position and must be capable of performing the specific requirements of the position (including any special skills) within thirty days. The thirty-day time period is for orientation. It is not a training period. If the employee is not successful within the thirty-day period, or the employee requests, the employee will be returned to the recall list for the period of time remaining on his/her recall eligibility. Separating and returning an employee to the recall list will not be grievable or arbitrable. The employee returning to the recall list shall not be referred for the same position if future vacancies occur.

Section 3 - Appeal

1. The County and the Union shall each appoint two (2) permanent status employees to serve on the standing Layoff Review Committee. These representatives shall select a permanent status County employee as the fifth member who shall serve as the Chairperson.

A majority vote of the Committee will be necessary to uphold an appeal. The Committee shall develop a procedure for the layoff review process prior to conducting any review.

2. Any appeal of the application of the procedure must be signed by the employee and Union and submitted to the affected department head within five (5) working days of the receipt of notice of layoff or the alleged violation of the recall procedures. A copy of the appeal must be sent to the Clark County Human Resources Director. The Clark County Human Resources Director will schedule an informal meeting before the Layoff Review Committee within five (5) working days. This Committee will hear all appeals affecting layoffs and recalls to determine whether the procedure was appropriately followed. The decision of the Layoff Review Committee will be final and will not be reviewed by an arbitrator, unless a decision of the Layoff Review Committee is alleged to have violated a specific, existing contractual provision.
3. The County and the Union agree that the current Clark County/SEIU Local #1107 Layoff Review Committee (LRC) process agreement shall apply to LRC

proceedings.

ARTICLE 14

Basic Workweek

1. The official workweek is comprised of seven (7) workdays which begins on each Saturday at 12:01 a.m. and shall end at midnight of the following Friday. The official workweek at the Clark County Water Reclamation District begins at 12:01 a.m. on each Monday and shall end at 12:00 midnight on Sunday. The official workday shall begin at 12:01 a.m. and shall end at midnight. Except as may be otherwise provided, an employee who occupies a full-time permanent position shall work 40 hours exclusive of meal breaks, but including rest breaks, in each workweek.
2. Employees working a 5-day, 40-hour week (designated 5/40) shall work eight (8) hours per shift for five (5) shifts within the official workweek, and shall receive two (2) consecutive "24-hour periods off." Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.
3. Employees working a 4-day, 40-hour week (designated 4/40) shall work ten (10) hours per shift for four (4) shifts within the official workweek, and shall receive three (3) "24-hour periods off" of which two (2) 24-hour periods must be consecutive. Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.
4. The hours between the end of an employee's last regularly scheduled shift and the beginning of an employee's first regularly scheduled shift following his/her scheduled two or three "24-hour periods off" shall be considered his/her weekend.
5. Employees shall be granted one (1) 15-minute work break for each period encompassing four (4) hours of work during the course of their shifts. Such breaks shall not be scheduled by the supervisor within one (1) hour of the employee's starting time, quitting time, or meal breaks. The County and the Union shall meet to address any needed changes to break periods, in the event of construction, new facilities, or temporary disruption of an assigned break area.
6. Meal breaks are neither time worked nor time on pay status unless an employee is required by the County to remain on the job at a work station or the employee is interrupted by his/her supervisor to perform substantial duties during such period. An employee who remains at a work station during his/her meal break, but is not required to do so by the County, shall not be compensated for the meal break. In the event an employee is required to work four (4) hours or more beyond the end of

their scheduled shift, that employee shall be granted an additional meal break.

7. Subject to the provisions of NRS 288.150 (4), nothing herein shall be construed to limit the authority of the County to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergencies.
8. Within 30 calendar days of request, the department head or designee(s) will meet with the requesting employees to determine and identify those work sections within the requesting employees' department wherein the majority of the employees desire a schedule change from five (5) 8-hour shifts per workweek (5/40) to four (4) 10-hour shifts (4/40) or some other established work schedule and the practical and feasible aspects of such change. Such discussion may also be included as a topic in the Labor/Management and Safety committee as provided for in Article 10 of this agreement.
 - a. Where it is determined by the department head or designee and the employees that the conditions and circumstances allow for an adjustment in work schedule, the affected department head shall have the authority subject to the approval of the County Manager to effect such change, including the discretion to institute a "trial" period for the purpose of evaluating same based on agreed upon performance standards and objectives.
 - b. For regular short term special events (i.e. New Years, 4th of July, parades, and street closures), the County and the union shall provide all affected employees with at least thirty (30) calendar days notice of a schedule change to accommodate the special event.
 - c. For temporary special projects and improvements that are expected to last over thirty (30) days, but less than ninety (90) days, the County shall provide the Union and all affected employees at least forty-five (45) days notice of the upcoming project or improvement. The Union and the County shall meet and confer for adjusted scheduling to cover the project or improvement.
 - d. For longer term special projects or improvements such as road improvements and water reclamation projects that are expected to last more than ninety (90) days, the County shall provide the Union and all affected employees with at least ninety (90) days' notice of the upcoming project or improvement. The Union and the County shall meet and confer for adjusted scheduling to cover the project or event.
 - e. Events and/or projects that do not allow for thirty (30), forty five (45), or ninety (90) day notice, the County shall notify the employees as soon as possible of such schedule change.
 - f. All other articles of this agreement regarding scheduling, overtime, and shift assignments shall be applicable to the special projects or improvements covered by this article unless modified in writing by the County and the Union.

9. No permanent employee shall be assigned to a regular schedule that requires him/her to work more than two (2) different shifts in a 40-hour workweek.
10. Each department may establish an alternative workweek schedule to comply with the Fair Labor Standards Act definition of workweek, Section 778.105 (FLSA Regulations 29 CFR, July 1985) and define the workday.

The program shall be implemented in those work sections when the majority of employees desire an alternative workweek schedule and shall comply with Section 8a above.

ARTICLE 15 Compensation

1. Effective July 1, 2013, the salary schedules for all employees covered in Appendix A, will be increased by two percent (2%). The salary schedules and ranges in Appendix B will reflect these changes.
2. Effective July 1, 2014, and continuing through June 30, 2015, the salary schedule in effect July 1, 2013, for all employees covered in Appendix A will be increased by two and one-half percent (2.5%). The salary schedules and ranges in Appendix B will reflect these changes in Appendix C.
3. Effective July 1, 2015, and continuing through June 30, 2016, the salary schedule in effect July 1, 2014 for all employees covered in Appendix A will be increased by two percent (2%). The salary schedules and ranges in Appendix C will reflect these changes in Appendix D.

ARTICLE 16 Initial Appointment, Rehire, Promotion, Transfer and Demotion

1. Initial appointment to positions shall be made at the entrance rate for the class except as approved by the County Manager or designee.
 - a. Upon initial appointment to the County position, an employee shall serve a probationary period. The probationary period will normally be 1,040 hours worked but may not be less than 520 hours worked nor longer than 2,080 hours worked as determined by the department head. The Department Head may extend the probationary period in intervals of 520 hours. An employee's probation may not be extended more than twice. The County will advise the Union when employees' probationary periods are completed and/or if the probationary period has been extended.

2. The total number of employees of a department and the total number of employees of each classification within any department shall be determined by the budgetary process. The initial classification of positions shall be as contained in the current County classification list along with any subsequent amendments thereto.
3. When a former employee is rehired after a break in service of no more than one (1) year from the date of separation, to a position in the same class held at the time of separation, he/she may be paid at, or below, the same hourly rate, including across the board schedule adjustments provided by this Agreement, he/she held at the time of separation.

If the former employee is being rehired after a layoff within a three (3) year period, he/she shall be entitled to the same hourly rate held at the time of the layoff, not to exceed the top of the new salary schedule.

4. When an employee is promoted, he/she shall be entitled to a four percent (4%) salary increase or the minimum rate of the salary schedule to which the employee is promoted, whichever is greater.
 - a. A promoted employee shall serve a qualifying period. The qualifying period will normally be 1,040 hours worked but may not be less than 520 hours worked nor longer than 2,080 hours worked as determined by the department head. Halfway through the qualifying period, or after at least 1,040 hours worked, whichever occurs sooner, the employee shall be given a performance review. At that review, if the employee's work performance to date is such that they would likely be rejected for the position, they shall be notified of the specific areas that need improvement in order to be accepted for the position. At the conclusion of the qualifying period, the employee shall be given a performance evaluation. Based on the evaluation, the employee will either be accepted or rejected for the position. If rejected, every effort will be made to place the employee in his/her previous or another County position for which he/she qualifies. If such a placement is not possible and termination of his/her employment is recommended, the employee will be given at least three (3) weeks notice of his/her termination. The employee retains the right of appeal under the terms of Article 11 of this Agreement.
 - b. An employee promoted or transferred into a training underfill position, shall serve a qualifying period the same length of time as his/her training underfill status not to exceed one (1) year. The parties recognize that some training underfill positions may require a qualifying period longer than one (1) year. These specific positions may have qualifying periods up to two (2) years if the parties agree.

- c. When an employee is promoted, he/she shall retain the right, during the first fifteen (15) shifts worked of the qualifying period, to voluntarily demote to his/her previously held position. The employee shall have his/her salary reduced to the hourly rate, including across the board schedule adjustments provided by this Agreement, held prior to being placed on the qualifying period.
5. When an employee transfers to a position in another department, he/she shall be entitled to the same hourly rate held at the time of the transfer. A voluntary transfer may result in the transferring employee serving a new qualifying period and upon completion, the employee may receive a salary increase as provided for in Article 21 of this Agreement provided the employee is not at the top of the schedule for the class and the performance evaluation report so justifies.
6. When an employee is demoted, his/her salary will not exceed the top of the new salary schedule unless the demotion was a result of a reclassification. Demotions, except for reclassifications, initiate a new anniversary date. Employees failing a qualifying period and demoted shall have their salary reduced to the hourly rate, including across the board schedule adjustments provided by this Agreement, held prior to being placed on the qualifying period.
7. Employees at the I level shall be required to complete a training program as determined by the employee's department head or his/her designee. In all instances, the training program developed by the department head or his/her designee shall relate directly to the material requirements of the level II position. All employees at level I preparing for level II shall be provided training to afford the employee every opportunity to successfully complete their training program. Those employees that successfully complete their training program shall be promoted to the level II position. Qualifying employees who do not successfully complete their training program are entitled to the provisions of this Agreement.
8. For the purpose of this Article "hours worked" shall be defined as any paid straight time hours.
9. Employees who elect to resign from the County and are in pay status shall be afforded the opportunity to rescind such resignations within three (3) business days of giving written notice of resignation and be placed into their original position without loss of pay or benefits, and their seniority and anniversary date shall not be affected.

ARTICLE 17
Posting of Vacancies

1. The Union acknowledges that the County has the exclusive right to fill vacancies and make reassignments in accordance with the Clark County Merit Personnel System as revised and adopted by the Clark County Board of Commissioners. The methods used to classify employees in the bargaining unit shall be established in the Clark County Merit Personnel System.

2. When a new position is created or an existing position becomes vacant in a classification in the bargaining unit, the Clark County Human Resources Director, after consulting with the appointing authority, shall determine, in accordance with the Clark County Merit Personnel System, how the vacancy is to be filled. If a permanent position vacancy is created within a classification represented by the bargaining unit, and there is no current eligibility list, the County will post a job announcement using the agreed upon standardized format of posting for at least seven (7) calendar days if a departmental recruitment or fourteen (14) calendar days if a County or open recruitment to accept applications, except when such vacancies are to be temporarily filled on an emergency basis. For those positions that it is determined by the Clark County Human Resources Director and the appointing authority to have an open examination, an announcement of the open examination may be posted concurrently with the promotional announcement. Departmental promotional job announcements shall include a statement as to the subject areas that will be assessed in the interview. Copies of all job announcements shall be mailed to the Union and posted in areas readily available to employees.

3. The County shall encourage promotion within the competitive service on the basis of ability and efficiency, and the equality of opportunity for all qualified employees to vie for promotions in the competitive service. Therefore, qualified employees meeting the established criteria shall be given the first consideration for promotion by being interviewed for the position before the County fills such vacancy. If two (2) or more employees have similar job related knowledge, skills and abilities (KSA's) and demonstrated performance records (DPR's), the employee with the greatest class seniority shall be given first consideration. The County agrees to certify to a department to be interviewed on all open recruitments the top ranking County employee from the appropriate open recruitment eligibility list if no County employees would otherwise be certified. The Union shall be notified of the establishment of eligibility lists, which will include the duration of such list, as well as the classifications for which the list is compiled. An open recruitment shall be defined as an examination process which has the potential of resulting in an eligibility list containing names of County employees and applicants from outside County employment.

4. The decision to fill permanent full-time vacancies on a temporary basis pending the completion of selection procedures will not be grievable. A vacancy filled by a demotion, transfer, management reassignment, rehire, or recall in a position that is equal to or less than the employee's previous position does not require posting.
5. Candidates on an existing eligibility list that have been appointed to a grant funded position shall remain on the eligibility list for consideration for appointment to a permanent position.
6. The Union will be furnished a copy of all job announcements; promotional announcements; monthly reports of vacancies; and if the position is within the bargaining unit, the name of the person filling the vacancy, the position filled, and the type of list from which the person filling the vacancy is selected.

ARTICLE 18

An emergency shall not include absences for which sick leave is to be used as defined in Article 24, Section 1, unless all sick leave has been exhausted. Any compensatory time accumulated above 200 hours shall automatically be paid to the employee in cash.
 - a. Employees may not work overtime without the approval of their supervisor. All overtime must be approved in writing by the employee's supervisor before the overtime is worked and must indicate whether payment is to be made in cash or in compensatory time. Employees working at a remote assignment may be given the written overtime approval at the beginning of the employees next shift after verbal approval by their supervisor before the overtime is worked.

 - b. Employees are not required to use up annual leave and sick leave benefits before taking parental leave without pay. Any unpaid leave shall be taken as one (1) continuous leave period. Employees, at their discretion, may use none, any or all of their sick leave and/or annual leave in the 3-month parental leave

period. Parental leave of more than three (3) months is at the discretion of the department head, and if approved, the employee may use annual leave, sick leave, or leave without pay under the provisions of Article's 23, 24, and 25 of this Agreement.

In addition to these provisions, the County shall provide benefits in accordance with the Family and Medical Leave Act of 1993.

5. Blood Donor Leave: Employees will be granted the necessary time off, up to four (4) hours during their work shift, for the purpose of donating blood when participating in a County authorized and/or sponsored blood donation drive. In no event shall an employee be eligible for overtime as a result of donating blood.
6. Education Leave: Upon written application to the department head, an employee may, in the County's sole discretion, be granted educational leave without pay for a period not to exceed 90 calendar days, without prejudice to his/her status, but no vacation or sick leave credits shall accrue during any such leave period.
7. Application and Examination Leave: An employee shall be permitted reasonable time off with pay during his/her shift to submit an application and/or take a scheduled examination for County promotional or transfer opportunity. In no case shall an employee become eligible for overtime as a result of competing for a promotional or transfer opportunity. An employee shall notify his/her supervisor immediately upon receiving a letter from Clark County Human Resources of the date and time that he/she is scheduled to attend an interview or examination.
8. Bereavement Leave: An employee shall be granted a leave of absence of up to five (5) days for the purpose of bereavement and to attend the funeral of a member of the employee's immediate family (immediate family shall be defined as the employee's spouse, domestic partner, mother, father, brother, sister, child, foster child, stepchild, grandchild, and grandparent, or any in-law of the employee's bearing any of the previously specified relationships). Employees, at their discretion, may use sick, vacation, and/or compensatory time during the authorized bereavement leave period.

ARTICLE 26

Benefit Eligibility

1. Eligibility for increased entitlements to sick leave, vacation and longevity shall be determined by the total amount of service commencing with appointment to a permanent budgeted position.
2. Should an employee who left County service in permanent status, worked three (3) consecutive years, and gave, when applicable, two (2) weeks termination notice be

rehired, that employee may regain all previously unused sick leave, provided the employee reimburses the County for whatever unused sick leave was paid the employee at the time of separation. Such reimbursement shall be paid before an employee is entitled to use such sick leave. The County must give the employee notice of this option upon rehire and the employee must either accept or decline this option within sixty (60) days following the successful completion of his/her probationary or qualifying period. If the employee accepts the repayment option, the repayment must be completed within six (6) months following the successful completion of his/her probationary period.

3. Increased entitlements will include all previous employment that ceased under honorable conditions or as a result of an involuntary layoff as provided in Article 13.

ARTICLE 27

Service Connected Disability

All eligible members shall be covered by a Workers Compensation Program of the County's choice that conforms with the provisions of the Nevada Industrial Insurance Act (NRS Chapter 616) and the Nevada Occupational Diseases Act (NRS Chapter 617) and that provides for payment of industrial accident benefits and compensation for partial and total disability arising from industrial injuries and occupational diseases.

1. In the event an employee is absent from work due to a service-connected disability, approved pursuant to NRS Chapter 616 or 617, he/she may receive, in addition to the compensation as provided by NRS Chapter 616 or 617, a supplemental amount from the County which would cause the total amount received by the employee from the service-connected disability and the County to equal his/her salary at the time of his/her disability. The supplemental compensation will start from the first day of absence or illness, but shall not exceed 340 work hours for the same incident. During this period, the employee shall not forfeit any accrued sick leave. Successful completion of the probationary period is required in order to qualify for the supplemental compensation from the County.
2. It is the intent of the County to pay the on-the-job injured employee (as outlined in this Section) the difference between full biweekly salary and that provided pursuant to NRS Chapter 616 or 617 as salary continuance. Therefore, the employee shall return to the County all temporary total disability payments received which were made under NRS Chapter 616 or 617 covering the period enumerated in Section 1 of this Article. No supplemental benefit shall be paid until after the employee's lost-time benefit check has been deposited with the County Treasurer.
3. If an employee entitled to disability compensation has not completed his/her probationary period, or if an employee who has received supplemental

compensation for the maximum 340 work hours is unable to return to work, he/she may elect to utilize accrued sick leave, during which period the employee shall receive compensation from the County as provided in NRS Chapter 281.390. If the employee is receiving no compensation for time missed from work through the Worker's Compensation Program, the employee must use leave benefits to fully account for any absence.

4. When accrued sick leave has expired, if the employee is still unable to work and the employee is receiving compensation for time missed from work through the Worker's Compensation Program, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided that the employee has so elected to use his/her vacation leave as sick leave, the employee's compensation will be limited to that provided by NRS Chapter 616 or 617 and the employee will be placed in a leave without pay status. However, through written justification to the Clark County Human Resources Director, exceptions to this Article may be approved by the County Manager.
5. If, as a result of a licensed physician's evaluation and prognosis, it appears that the employee will not return to his/her regular County job within a 12-month period, the County may require a medical separation. Medical separation appeals of employees covered by this Agreement shall be handled in accordance with the procedure set forth in Article 11, Section 2.

ARTICLE 28

Retirement Contribution

1. The County will pay the employee's portion of the retirement contribution under the employer-pay contribution plan in the manner provided for by NRS Chapter 286. Any increase in the percentage rate of the retirement contribution above the rate set forth in NRS Chapter 286 on May 19, 1975, shall be borne equally by the County and the employee and shall be paid in the manner provided by NRS Chapter 286. Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one-half (1/2) of the decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective.
2. The term "retirement contribution" does not include any payment for the purchase of previous credit service on behalf of any employee.

ARTICLE 29

1. To be eligible for group insurance, an employee must occupy a permanent budgeted position and work at least twenty (20) hours per week and meet the necessary qualifying periods associated with the insurance program. The County will then be responsible for the prorata share of the premium based on hours worked as a percentage of forty (40) hours per week. Any employee who is on an authorized leave without pay status over thirty (30) consecutive calendar days will be responsible as of the 31st day for reimbursing the County for the employee's insurance premium, the total dependent coverage insurance premium and the total long-term disability insurance premium from that day forward.

If the leave without pay status does not coincide with the premium payments, then any such premiums shall be prorated.

2. Employees who elect to have group insurance shall pay the following percentage of the total health and dental insurance premium per month.

<u>PERCENTAGE</u>	
Employee Only	5.5%
Employee & Spouse	10.0%
Employee & Children	7.0%
Employee & Family	10.5%

All employees hired after April 19, 2011, will pay 10% of the total health and dental insurance premium per month.

3. The County and Union agree that the Clark County Group Health Benefits Committee will be expanded to ten (10) members through the addition of an SEIU representative for a total of three (3) SEIU representatives, representing both the supervisory and non-supervisory units. Duties of the committee will remain as currently described.
4. The County and the Union agree that an executive board of five to seven (5 - 7) management representatives will be created to manage the Clark County Group Health Insurance Plan. The Union shall be furnished a copy of the official agenda at least ten (10) calendar days in advance of a scheduled executive board meeting and a copy of the official minutes no later than ten (10) calendar days after a board meeting. The Union agrees to comply with all accounting and payroll deduction procedures as established by Clark County.

**ARTICLE 31

Effective January 1, 2003, the County will pay a maximum premium of \$18.75 per month for each eligible employee toward the LTD Plan. The initial benefits of the plan will be determined based on the maximum premium in effect as of January 1, 2003. Effective January 1, 2004, the County will increase the premium by a maximum of five percent (5%) annually to maintain the initial benefits of the plan. This contribution in no way guarantees a specific level of benefits, nor once a plan is adopted, for those benefit levels to continue if the premium exceeds the maximum monthly contribution.

**ARTICLE 32
Longevity**

1. Creditable Service for Longevity Computation: Periods of permanent full-time employment with the County of Clark shall be considered as creditable service for the purpose of computing longevity eligibility. Any period in which an employee, while employed by the County of Clark, is called into the active military service of

the United States Armed Forces involuntarily will be considered as creditable service for computation of longevity pay. All current employees prior to August 25, 2015, shall be entitled to longevity pay in addition to their base salary upon completion of eight (8) full years of creditable service. Employees hired into County service under this agreement on or after August 25, 2015, shall be ineligible for the longevity benefit. Furthermore, the parties agree that for a period of eight (8) years from the date of August 25, 2015, Article 32 (Longevity) shall not be subject to negotiation without the express written consent of both parties.

- a. Longevity shall be paid annually, in a lump sum amount, during the first pay period following the employee's anniversary hire date, as adjusted for below conditions where applicable. Longevity payments shall be prorated from the anniversary hire date, as adjusted, for employees separated for any reason. Longevity rates for eligible employees shall be paid at the rate of .57 of 1% per year for each year of creditable service. Overtime pay or compensatory time shall not be considered in the calculation of longevity pay.

2. **Non-Creditable Service for Longevity Computation:**

- a. Any period that an employee is on any leave of absence without pay over a period of twenty-one (21) consecutive calendar days in a calendar year will be deducted from the creditable service for longevity pay.

Where an employee is required by a supervisor to use his/her private automobile in the performance of County business, he/she shall be reimbursed at the rate as established by NRS for each mile actually traveled in the performance of such County business. If an employee is required to use a passenger vehicle in the

performance of his/her job, the County will make every effort to provide a County vehicle for use. In the event the employee is required to transport a client for any purpose the County must provide an appropriate vehicle.

2. Employees who are assigned to the Spring Mountain Youth Camp shall receive remote area pay of \$200 per pay period. Remote pay will not be reported as compensation to the Public Employees Retirement System for the purpose of including same in the calculation of retirement benefits for employees receiving such pay.

HVAC Maintenance Supervisor

Maintenance and Operations Supervisor (where the employer requires the employee to provide tools for his/her job)
Assistant Maintenance and Operations Supervisor
Maintenance Supervisor
Revenue Equipment Supervisor
Traffic Systems Technician Supervisor

Any eligible employee leaving County employment between January and July must reimburse the County an amount equal to fifteen dollars (\$15) for each biweekly pay period remaining in the contract year. The department head or his/her designee will provide these employees a list of tools required for their positions. The department head shall notify, by December 31, Clark County Human Resources and the Union of these employees required to provide tools and the list of tools they are required to provide.

2. All departments that currently supply tools to employees not serving in classifications in Section 1 shall continue to provide tools at no cost to the employee. Pneumatic equipment (and all related accessories) required by the County for Auto & Equipment Specialists shall be purchased by the County.
3. The County reserves the right to determine the employees who are required to wear

uniforms and to designate the uniform to be worn. The County will either provide a sufficient number of uniforms or provide for a uniform allowance for the classification required to wear uniforms.

4. Uniforms provided by the County must be returned to the County upon the employee's separation from the County.
5. Employees are required to wear County-issued safety equipment during their assigned shifts.

ARTICLE 35 Time and Attendance

The Time and Attendance policy in place for each of the County Departments shall remain in place until they are changed through the operation of the Time and Attendance Committee created and utilized to develop changes to those policies and those changes are approved by the parties to this agreement.
2. An employee will not receive any discipline as defined in Article 11 until the ninth (9th) incident of unscheduled leave.
3. An employee is considered tardy when the employee does not begin to perform assigned duties at the start of his or her designated shift. In addition, tardiness of fifteen (15) or more minutes shall be reported as leave without pay rounded to the nearest one-fourth (1/4) of an hour.
4. The determination of whether an employee's attendance is acceptable or unacceptable shall be based on unscheduled absences and tardiness in a designated period in accordance with the department attendance policy. An employee's absence due to an approved service connected disability is addressed in Article 27 of this Agreement and such absences shall not be considered in determining an employee's attendance rating for a formal performance appraisal.
5. Within each department, a team comprised of labor and management representatives shall meet on occasion to review the effectiveness of the attendance policy and update the policy when necessary.

6. An employee's attendance record over the last twelve (12) months shall be one of the factors included in a formal performance appraisal but shall not be used as the decisive factor in a salary adjustment decision unless disciplinary action has been taken.

ARTICLE 36
Clark County's Substance Abuse Policy

POLICY ON DRUG AND ALCOHOL FREE WORKPLACE

It is the policy of Clark County and the Service Employees International Union to foster and provide a drug and alcohol free workplace for all employees. A drug and alcohol free workplace protects the safety of the public as well as the County's valuable workforce.

While the County will be supportive of those who seek help voluntarily, the County will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

1. Guiding Principles:

There are four (4) guiding principles underlying the adoption of this policy.

They are:

- a. Education - The County and Union believe that education and training of all employees in the effects and treatment of substance abuse will contribute to a safer and more efficient workplace for everyone.
- b. Deterrence - The County and Union are committed to eliminating the effects of substance abuse in the workplace. All employees are prohibited from using, possessing, buying or selling drugs or alcohol in the workplace, and are prohibited from reporting to work or being subject to work (specifically on standby or on break) with prohibited drugs active in their systems or while under the influence of alcohol.
- c. Enforcement - The substance abuse policy will be strictly enforced. Violations of the policy or procedures will be cause for discipline, up to and including termination of employment.
- d. Treatment - The County and Union are committed to helping employees with admitted substance abuse problems overcome those problems, and encourage voluntary rehabilitation options.

2. Policy Purposes:

The purposes of the substance abuse policy are:

- a. To implement a fair and balanced approach to eliminating substance abuse and its effects on the job;
- b. To protect the public and employees; and
- c. To provide a strong incentive for voluntary rehabilitation and return to work.

3. Rules:

The County and Union have formulated clear rules and penalties to ensure compliance with the substance abuse policy. The primary rules are:

ALCOHOL

- a. The consumption of an alcoholic beverage by an employee on duty will result in immediate termination with no Last Chance Agreement. The possession of an open alcoholic beverage by an employee on duty shall be cause for disciplinary action up to and including termination. The only exception to disciplinary action for the possession of an open alcoholic beverage while on duty is when the handling of an open alcoholic beverage is incidental to the employee's assigned duties.
- b. An employee will also be subject to the disciplinary procedures described in the article when the consumption of alcoholic beverages occurred at a time proximate to his/her work time, has an adverse effect on his/her work performance, causes impairment while on duty or on standby, or creates a risk of harm to self, others, or County or private property.
- c. If an employee who is required to drive as part of his/her assigned duties has his/her driver's license suspended, revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- c. The felony conviction of an employee as a result of alcohol while off County premises and not on duty shall be cause for disciplinary action up to and including termination.

DRUGS

- a. The unlawful manufacture, distribution, dispensation, possession, or use of an illegal drug or controlled substance by an employee in the work place or during work hours is prohibited. Employees in violation of this policy will be terminated with no Last Chance Agreement.
- b. The use of any drug which negatively affects performance or the ability of an employee to work in a safe manner may be cause for discipline where the employee knew or should have known that the drug would adversely diminish his/her capabilities to perform the job. For the purpose of this policy, the term "drug" shall include but not be limited to sedatives, stimulants, hallucinogens, cocaine, crack, cannabinoids, opiates, phencyclidine, and volatile solvents.
- c. Whenever an employee is prescribed a drug by a licensed health care provider or uses an over-the-counter medication which may negatively affect his/her performance or ability to perform in a safe manner, the employee shall notify his/her supervisor. An employee who fails to notify his/her supervisor may be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the use of drugs by that employee contributes to an accident or incident that results in property damage or injury to a person. Supervisors shall ensure that employees are not placed in capacities that may jeopardize the safety of others.
- d. The possession or use of illegal drugs while off County premises and while not on duty may be cause for discipline up to and including termination, where such conduct can be shown to have a direct and material adverse effect on the County's interests, including public image.
- e. If an employee who is required to drive as part of his/her assigned duties has his/her driver's license suspended, revoked temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- f. The felony conviction for the possession or being under the influence of illegal drugs while off County premises and while not on duty shall be cause for disciplinary action up to and including termination.
- g. The conviction of an employee for the sale or possession with intent to sell illegal drugs is cause for immediate termination with no Last Chance Agreement.
- h. Employees must notify their immediate supervisor of any personal criminal drug statute conviction for a violation occurring in the work place no later than five (5)

days after such conviction. Failure to notify the immediate supervisor shall result in disciplinary action.

DRUG AND ALCOHOL TESTING

The County may require an individual to submit to a drug and alcohol test under the following circumstances.

1. Pre-Employment:

Clark County Human Resources will identify specific job classifications that require an applicant selected as a new hire to take and pass a drug and alcohol screening. A positive result from the drug and/or alcohol screening may result in the applicant not being hired where the applicant's use of drugs and/or alcohol could affect requisite job standards, duties and responsibilities. If a legal drug screen is positive, the applicant must provide, within 24 hours of request, bona fide verification of a valid current prescription for the drug identified in the drug screen and it must be in the applicant's name. If the prescription is not in the applicant's name or the applicant does not provide acceptable verification, or if the drug is one that is likely to impair the applicant's ability to perform the job duties, the applicant will not be hired.

2. Reasonable Cause:

An employee will be required to undergo immediate drug and blood alcohol testing in accordance with the following procedures if there is reasonable cause that the employee is under the influence of a drug and/or alcohol. Reasonable cause that an employee is under the influence of a drug and/or alcohol will be based on specific facts and/or reasonable inferences derived from those facts. Examples of circumstances, although not inclusive, which constitute a basis for determining reasonable cause are specified on the "Observation/Incident Report" included as part of this policy in Appendix G.

3. Testing Procedures for Reasonable Cause and Post-Accident:

- a. Any supervisor evaluating an employee for reasonable cause shall complete the Clark County "Observation/Incident Report" Appendix G. The Observation/Incident Report shall be sent to the appropriate department head and the Employee Relations Division of Clark County Human Resources. Supervisors and managers will not be permitted to use this policy as a vehicle to harass employees. Supervisors and managers shall be subject to the disciplinary process up to and including termination if they engage in harassing behavior towards employees.

- b. The suspected employee shall be afforded the right, if he/she so desires, to request that, in addition to the first supervisor, another on-duty supervisor provide a second opinion as to reasonable cause in accordance with Appendix G. If another supervisor is not able to report to observe the suspected employee within thirty (30) minutes due to the distance a second supervisor would have to travel to observe the employee, the employee's request for a second opinion will not be granted. For remote locations, the time period for a second supervisor's opinion shall be sixty (60) minutes.
- c. If the employee is an eligible member of a bargaining unit, the first supervisor advises him/her of his/her right to have a Union representative prior to testing and allow the same thirty (30) minutes for a Union representative to appear. If mitigating circumstances warrant, the supervisor may wait up to a maximum of one (1) hour for a Union representative.
- d. If it is determined that reasonable cause exists, the employee shall be relieved of duty and transported to a drug testing specimen collection site for a drug and alcohol screening. Once the test sample is collected, arrangements will be made to have the employee transported home. The sample will be tested and confirmed and chain of custody maintained by a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory facility. A sufficient amount of a sample will be taken so that, at an employee's request and expense, an alternative SAMHSA testing facility may be used to test the same sample; chain of custody will be maintained between testing facilities. An employee who is incapacitated to the point that he/she cannot provide a sample at the time of the incident shall later provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol.
- e. Advise the employee that he/she will remain on paid status until the test sample is collected. After the sample is collected the employee will be placed on leave in the following order as leave benefits are exhausted (sick leave, compensatory time, vacation leave, leave without pay) until the County receives the test results. If the test is negative, the County will make the employee whole.
- f. The results will be delivered by mail or carrier to the Employee Relations Division of Clark County Human Resources, who will then immediately notify and make a copy of the report available to the employee. The employee's department head or designee will be notified whether the test results are positive or negative. A drug test will be considered positive if the confirmation cutoff levels established by the SAMHSA are exceeded. An alcohol test will be considered positive if the blood alcohol content is equal to

or greater than the legal limit as specified in NRS or other applicable laws.

- g. Refusal to submit to a drug and alcohol test or to provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol shall be considered a positive test result and the employee shall be placed on a Last Chance Agreement.

DISCIPLINARY PROCEDURES FOR A POSITIVE DRUG AND/OR ALCOHOL TEST

1. A positive drug and/or alcohol test requested as a result of an accident which causes injury to a person or property damage will be cause for disciplinary action in accordance with Section 3 below.
2. A test resulting in a positive outcome for a legal drug will result in the following actions:
 - a. The employee may be disciplined for the performance or behavior that established reasonable cause to test the employee.
 - b. The employee will provide, within twenty-four (24) hours of request, a bona fide verification of a valid, current prescription for the drug identified. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription, or if the prescription is not in the employee's name, or if the employee has not previously notified his/her supervisor, the employee will be subject to disciplinary action in accordance with Section 3 below.
 - c. Before the employee may return to work, the employee must provide the department head with a certificate of fitness/return-to-duty form from the prescribing physician/state certified health care provider. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions.
3. A test resulting in a positive screen for an illegal substance or the abuse and/or misuse of a legal drug or controlled substance will result in the following action:
 - a. First offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and shall be required to sign and successfully complete the conditions of a Last Chance Agreement which includes rehabilitation and aftercare.

- b. Before the employee may return to work, the employee must provide the department head with a certificate of fitness/return-to-duty form from the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to return to work. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions. This must occur within sixty (60) days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse problem within sixty (60) days will result in disciplinary action up to and including termination.
 - c. Second offense: The employee will be suspended without pay pending termination.
4. A test resulting in a positive screening for alcohol will result in the following action:
- a. First offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and will be required to seek assistance through the Employee Assistance Program. The employee will be required to provide a certificate of fitness/return-to-duty form from the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to work. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions. This must occur within sixty (60) days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse problem within sixty (60) days will result in disciplinary action up to and including termination.
 - b. Second offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and will be required to sign and successfully complete the conditions of a Last Chance Agreement which includes a rehabilitation and aftercare program.
 - c. Third offense: The employee will be suspended pending termination, unless the employee's department head decides not to terminate the employee based on mitigating circumstances. If the department head chooses not to terminate the employee, the department head shall follow the second offense procedure in this Section.

LAST CHANCE AGREEMENT

Refusal to sign a Last Chance Agreement shall be considered just cause for termination. The Last Chance Agreement shall be the final step before termination in the disciplinary process. The treatment and aftercare portion of the Last Chance Agreement will be monitored for compliance by the Employee Assistance Program. The Last Chance Agreement shall require at least the following:

1. The employee to contact the Employee Assistance Program within five (5) working days of employee notification of a positive drug or alcohol test.
2. Compliance with and satisfactory completion of treatment by a Bureau of Alcohol and Drug Abuse certified rehabilitation/program or provider. The Employee Assistance Program will assess, determine and recommend the appropriate level of treatment and provider options. The program/provider may be selected by the employee.
3. Enrollment and continued attendance in an aftercare program, as necessary.
4. Certificate of fitness/return-to-duty form signed by the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to return to work. This must occur within sixty (60) days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse problem within sixty (60) days will result in disciplinary action up to and including termination.
5. A minimum of four (4) random tests over a period of one (1) year from the date of returning to duty. An employee's department head or immediate supervisor, as approved by the department head, may require testing at any time the employee is on duty.

At that time an employee signs a Last Chance Agreement, or otherwise voluntarily seeks assistance, they shall be advised that EAP counseling is available through the off-site Clark County EAP. Alternative EAP is available through the University Medical Center EAP and the Clark County Fire Department EAP upon request. The availability of this alternative is predicated upon the employee having a bona fide conflict with Clark County's EAP and the alternative Employee Assistance Program has the ability to accept the employee based on their availability of resources.

CONFIDENTIALITY

With the exception of the laboratory testing facility, the Employee Relations and Employee Assistance Division of Clark County Human Resources, the tested individual, and the Risk Management Division for workers' compensation incidents, the medical record shall not be

released to anyone without express written authorization of the tested individual unless ordered by means of proper legal procedure and appropriate legal authority, such as court ordered subpoena, or in connection with a disciplinary proceeding.

To ensure the confidentiality of employees' medical records, laboratory reports, test results, and Observation/Incident Reports shall not appear in an employee's personnel file. Information of this nature will be contained in a separate confidential medical record that will be securely kept under the control of Clark County Human Resources.

TRAINING

Training is an essential element in assuring the effectiveness of the drug and alcohol free workplace program. ARTICLE 37 Entire Agreement

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein. However, all other provisions contained in and through existing rules, policies, regulations and practices which may provide benefits applicable to this bargaining unit will continue to be granted to bargaining unit employees unless specifically modified by the terms of this Agreement.

ARTICLE 38 Conflicting Agreements

1. This Agreement supersedes all personnel rules heretofore in effect by the County relating to those subjects addressed by the provisions of this Agreement to the extent such rules are in conflict with the terms of this Agreement. This Agreement does not preclude the County from formulating new or additional rules and guidelines which are consistent with the terms of this Agreement or the provisions of the NRS, subject to the procedures of this Article 38.
2. Every employee not excluded from the bargaining unit shall be given a copy of the Clark County Merit Personnel System Manual and the SEIU Agreement. Additions and amendments to the Clark County Merit Personnel System Manual will be forwarded to the Union for review at least forty-five (45) calendar days prior to the effective date of adoption.
3. It is the County's intention that rules, policies, procedures and directives are to be interpreted and applied uniformly to all employees in this bargaining unit under similar circumstances. This in no way precludes the individual departments from promulgating their own rules and procedures providing that such rules and/or procedures are not inconsistent with the terms of this Agreement and the Clark County Merit Personnel System. In the event of a conflict between the Clark County Merit Personnel System and the provisions of this Agreement, the provisions of this Agreement shall prevail. Department rules and policies will be

reviewed and approved by Clark County Human Resources for consistency with the Clark County Merit Personnel System and this Agreement before implementation. The Union will be provided with a copy of all department rules and policies approved by Clark County Human Resources prior to implementation within the department. The department will provide each employee with a copy of department rules and policies. A copy of all approved department rules and policies will be kept on file in Clark County Human Resources.

ARTICLE 39
General Savings Clause

1. If any provision of this document or any application of the document to any person or persons covered herein be found contrary to federal law or the NRS, then this provision or application shall be deemed invalid except to the extent permitted by law, but all other provisions thereof shall continue in full force and effect. If there is any change in federal law or the NRS that would invalidate or supplement any provision of this Agreement, excluding changes in NRS Chapter 288, the parties will meet to negotiate any change in the Agreement relative to the affected provisions only.
2. In the event NRS Chapter 288 is amended, the County and Union, through a committee of not more than five (5) representatives each, will meet within 30 days of such passage to informally discuss the ramifications, if any, on the current negotiated Agreement.

ARTICLE 40
Retiree Health Account Plan

Retiree Health Account Plan for post-retirement medical benefits.

1. The County agrees to maintain the Retiree Health Account Plan for employees who are current participants as of December 31, 2007.
2. Employees may make contributions to this plan, at any time, in accordance with the provisions with the plan.
3. The County agrees to match employee contributions to the Retiree Health Account Plan, as approved by the Board of County Commissioners, for employees with fifteen (15) or more years of County service. The County's matching contribution shall be limited to a maximum of \$480.00 per calendar year for a period not to exceed five (5) calendar years prior to the date the employee retires into the Nevada Public Employees Retirement System (PERS). The County contribution will be posted to the employee's account at the end of the calendar year.
4. Employees accepted for participation in the Voluntary Separation Program are

ineligible for further matching County contributions under this plan.

5. The County shall provide each participant in the plan with an annual statement detailing all monies contributed to the plan, investment income, and medical insurance premiums paid.

ARTICLE 41

Methods of Employee Classification

1. Classification Audits

- a. An audit process, as described herein, will be available to an employee upon written request to their Department Director.
- b. Written requests must include an explanation of the changes that have evolved in the classification, additional job responsibilities, and the scope of those responsibilities. An employee must demonstrate that those new or expanded responsibilities are of a nature that are compensated at a higher salary level within the existing County salary ranges.
- c. The Department Director shall notify the employee of his/her determination in writing within ninety (90) calendar days of receipt of the request. The determination shall be:
 1. In the event that the Director believes the responsibilities outlined in the request for a job audit do not warrant a formal audit, the Director shall forward the request together with the pertinent information pertaining thereto to the Methods of Classification Joint Committee in Section 2 below. The employee shall be entitled to present the request along with supporting materials to the committee.
 2. If the Director supports the request, the request shall be forwarded to the Position Review Committee for final determination. A copy of the request and any other pertinent information relating thereto shall be simultaneously forwarded to the members of the methods of classification joint committee.

2. Methods of Classification Joint Committee

- a. The parties hereby agree to the establishment of an equally seated review committee. Within sixty (60) days from the full ratification of this agreement, the Union shall appoint two (2) members to the committee and the County shall appoint two (2) members. The Director of Human Resources or

designee and the Executive Director of the Union or designee shall serve as the non-voting Chair of the Committee.

- b. The committee shall meet as often as mutually agreed, however, no less than once every other month. Union representatives appointed to the committee shall receive their normal compensation as a result of their attendance at the committee meetings, as such attendance shall be considered time worked in all respects.
- c. The initial sessions shall include a thorough presentation from Human Resources concerning the current process by which employees are classified.
- d. The scope of the committee shall be as follows:
 1. Recommend, but not impose nor effect, changes in the County's system of classification.
 2. Review, but not impose nor effect, any changes to the methodology employed to establish newly created or existing classifications within the jurisdiction of the collective bargaining agreement. It is the intent of the parties by virtue of their agreement to this Section to satisfy their bargaining obligations in every respect and to the extent found in NRS 288 pertaining to the method of classifying employees.
3. Make written recommendations to the Position Review Committee as to whether a position should be audited for reclassification purposes based on the findings of the committee. In order for a position to be considered for an audit, the findings of the committee shall be predicated upon the criteria set forth in Section 1, (b), hereof. The Director of Human Resources shall respond to the Methods of Classification Joint Committee advising them of the disposition of the Position Review Committee's recommendation within thirty (30) days from the date of receipt of the recommendation from that committee. In effectuating the provisions of Section 1 C, the parties recognize and acknowledge the existence and role of the Position Review Committee established by Resolution of the Board of County Commissioners. The parties further recognize that the decisions of the Position Review Committee are final and not subject to the grievance process as outlined in Article 11 of this Agreement.

ARTICLE 42
Shift Assignment

1. The County and the Union agree that a bid shift procedure based on seniority will be implemented. The bid shift procedures will apply to any position classification in any department where employees occupying those positions are scheduled to day and non-day shifts, as defined in Article 19. At the discretion and approval of the Department Head, shift bidding for day schedules with different regular days off may be included under the purview of this article. The procedure is as follows:
 - a. No less than once every year, all permanent employees covered under this agreement who occupy a position classification in a department where employees work both day and non-day shifts shall be allowed to submit a bid for the purpose of expressing a shift preference and days off (as days off are part of a posted shift). Bids should be submitted to the employee's department head or his/her designee in accordance with the procedures as outlined within that department.
 - b. The County shall schedule employees to available shifts and days off (as days off are part of a posted shift) according to the bids submitted and the seniority of the employees, and shall advise the Union and affected employees of the schedules.
2. Seniority shall be determined according to an employee's length of service in a position classification within a department. If two or more eligible employees have identical seniority levels, the employee with the greater length of service with the County, as determined by the employee's hire date, shall be given bid preference. If a tie still remains, preference will be given based on the last four (4) digits of the employee's social security number with the smaller number being first.
3. Prior to scheduling employees to available shifts, pursuant to section 1 (b) herein, the department head shall have the exclusive right to exempt specific employees from the bid shift procedure noted herein on the basis of operational requirements. This provision will not be utilized to exempt entire classifications.
4. Employees exempted from the bid shift process, along with the Union, shall be notified in writing of their exemption from the bid shift process. Any employee exempted from the bid shift process may request that the county manager reconsider (sustain or overturn) their exemption from the process on the basis of operational requirements.

ARTICLE 43
Terms of Agreement

1. This Agreement shall be effective July 1, 2013, and shall remain in effect until the last day of June, 2017, and shall continue from year-to-year thereafter unless the County and the Union agree to change, amend, modify or terminate this Agreement pursuant to the provisions of NRS Chapter 288.
2. Consistent with Article 38 herein, this Article does not preclude informal discussion between the parties of any matter which is not subject to negotiation or contract. Any such informal discussion is exempt from all requirements of notice or time schedule.
3. Both parties agree that prior to July 1, 2016, Appendix D shall be reopened, at the written request of either party, to determine if salary increase or decrease adjustment shall take place. Such a request shall be provided to the other party no later than February 1, 2016.

With the exception of Article 32 (Longevity), one additional article, at the discretion of either party, may be reopened in the manner and at the time described in the preceding paragraph.
