

ETHICS

The following list will give you a place to begin your research. This list is for the express purpose of helping you get started on your case research, and contains materials that are needed by the largest number of patrons. This list does not contain everything you may need; you must decide what other resources you will need and how in depth you want to be with your research! The library has many other resources available to you that relate to your specific issue-we suggest that you search them.
