### High Endurance Water Aerobics

This class is designed for the more physically fit person. It involves more movements at a faster pace. Some movements included are jumping jacks, high kicks, fast jogging, abdominal work, and water weight toning with barbells. Participants should work at their own pace and let the instructor know of any problems. This is an hour-long class. Ability to swim is not required.

### Mixed Endurance Aerobics and Toning

This class uses a variety of buoyancy equipment to tone and shape your muscles while building strength and cardio vascular endurance. This class can be done in both deep and shallow water. This is an hour-long class. Ability to swim not required.

For more information about what to expect during lessons, please refer to the swim lessons section of the program handbook available online at [www.ClarkCountyNV.gov/Parks](http://www.ClarkCountyNV.gov/Parks) or call us at (702) 455-2120. \*With all water exercise programs, please notify your instructor if you have any health concerns, previous injuries or medical conditions that may be aggravated during workouts.
