

Our Pledge

I am an integral part of the Clark County Shooting Park Organization. My efforts and enthusiasm will be part of our future and part of our success.

As a member of the Clark County Shooting Park Organization I pledge to provide patrons with a safe recreational experience, to always act with respect and integrity, to mentor unselfishly, to offer a welcoming environment, and to place the interest of others above the interests of myself.

Furthermore, I pledge to offer prompt, friendly, top-notch service, to always acknowledge patrons as valued customers and to constantly and consistently participate in honest and ethical business practices.
